Report of the Chair

Chair Walker stated that the budget crisis that we have been faced with during the past year has been very difficult. The budget crisis is very real and it continues. Even with the new taxes, it will take many years before Framingham State College and the other State Colleges in Massachusetts will be able to re-gain all that has been lost. We, as a Board, must begin to act on plans to achieve and enhance our own source of revenue for the College.

Chair Walker expressed his appreciation to Mrs. Martha Dewar, Dr. Philip Dooher and Mrs. Karin Steinbrenner for their work as members of the Alumni negotiating team during the past year. As the year ends, we look forward to continuing our work with the Alumni Association with President Weller, Vice President Adler, and myself as the new negotiating team members for the upcoming year.

As the academic year comes to a close, the Board will be losing four Trustees. Special thanks to Trustees Raymond Callahan, Bob Johnson, Dan Phipps, and Meave Sullivan, who have all made substantial contributions to Framingham State College during their term as Trustees.

Chair Walker expressed his sincere appreciation to President Paul Weller for his outstanding leadership during these very difficult times. He has been the central focal point throughout the System. In my opinion, there is no other President in the State College System who worked harder and who fought the budget situation in a more forthright and eloquent manner. He is highly respected throughout the System and by the members of the Trustee Association. My sincere appreciation for his leadership and efforts cannot be put into words, and on behalf of the Board, I thank him.

Chair Walker stated that the Board has taken great steps in working together in a cohesive manner, and the members have developed great respect for one another. Given the fact that we will have four new Board members joining us next year, and with the budget situation expected to continue, our task will be even more difficult next year.

Chair Walker stated that the Trustees had before them three Honorary Degree recipient recommendations received from President Weller: Dr. Amar Gopal Bose, Chairman of the Board and Technical Director of Bose Corporation; Mr. David Nyhan, Associate Editor of the Boston Globe; and Dr. Elmer W. Salenius, Framingham State College Professor Emeritus.

Following discussion,

Chair Walker expressed his appreciation to Trustee Bob Cahners (Chair), and the members of the McAuliffe Dinner Planning Committee for their work with this year's upcoming McAuliffe Dinner.

Trustee Cahners reported that the McAuliffe Dinner will be held on Saturday, May 26, 1990 at the Marriott Long Warf in Boston. This year, we are pleased to honor Chief of Staff to President Bush, John Sununu, for his many contributions to education and McAuliffe related events. To date, approximately 40 tables have been secured, with over 300 people attending. Special thanks are extended to the administration and staff at Framingham State College, and to the members of the McAuliffe Planning Committee for their continuous work throughout these past few months.

Trustee Buckley stated that also in attendance at the Personnel Task Force Meeting was Vice President for Academic Affairs Madeleine Adler.

Vice President Adler stated that with all the difficulties that public higher education has been beset with, the staff of Framingham State College continues to strive to maintain the excellence our campus is noted for. Vice President Adler distributed copies of the "goodies list", which indicates our campus' commitment to quality education and to the excellence of the faculty and administration. We can only hope that, what has taken us years to develop, will be protected and preserved.

Dr. Adler stated that it was important to note that during these very difficult budget times, we continue to have dedicated faculty who have maintained their active research programs.

Report of the Nominating Committee

Trustee Callahan, Chair of the Nominating Committee, reported that the members of the Nominating Committee (Trustees Buckley, Callahan, and Phipps) met to discuss nomination recommendations for Chair and Vice Chair of the Framingham State College Board of Trustees for the 1990-91 academic year. Trustee Callahan stated that in keeping with the tradition of the Board, the Committee is pleased to recommend the re-election of Trustee Barry Walker, Chair; and Trustee Sherwin Greenblatt, Vice Chair.

There being no further nominations,

for the 1990-91 academic year.

Trustee Callahan stated that he was pleased to recommend the re-election of Trustees Walker and Greenblatt and expressed his appreciation for their leadership during the past year.

Chair Walker stated that although it has been a very difficult year in his role as Chair, it has been a pleasure to work with members of the Framingham State College community. By way of re-electing me as Chair, your vote of confidence is deeply appreciated.

Student Government Association President David Varela, on behalf of the students, expressed appreciation to President Paul Weller and the members of the Board for their work and dedication to Framingham State College. SGA President Varela stated that it has been a pleasure to serve with President Weller, who has been a true leader in public higher education, and who has supported the students and led the way throughout the year. In appreciation, SGA President Varela stated that it was with great pride that he present President Weller with an award for his outstanding leadership.

Chair Walker expressed his pleasure with the Student Government Association's tribute to President Weller.

President Weller thanked SGA President Dave Varela and the members of the student body for their recognition.

Acting Vice President for College Advancement and Dean of Admissions Philip Doohar reported that to date, 4,098 freshman and 1,104 transfer applications have been received. At present, 567 freshman and 387 transfer deposits have been received for the upcoming academic year. The budget situation has caused much concern, with many calls received from parents and students asking if students will be provided with the necessary courses for their major.

Vice President for Student Services Wendy Noyes reported the following:

- A very successful 1990 Phonathon was held from April 2 through 5, with \$15,600 received in pledges. A follow-up mailing of 8,000 is planned.
- The Awards and Recognition Ceremony was held on Sunday, April 29th, with over 200 awards presented to students. The very successful ceremony was attended by more than 700.
- The Parents Council met on May 6th. The Council members developed a set of by-laws and look forward to beginning their fund-raising tasks for the College.

Report of the President

President Weller reported the following:

- . . . Special thanks to Vice President Wendy Noyes for a very successful first Parents' and Family Day held on March 31st. The continuing support for the College is truly appreciated.
- . . . Thanks to the efforts of Dr. Beverly Weiss, Director of the McAuliffe Center, an outstanding ceremony and reception for eight Massachusetts McAuliffe Fellows was held on April 4th at Framingham State College.
- . . . The Annual Student Awards and Recognition Ceremony held on April 29th was especially well received. Special thanks are extended to Vice President Noyes and the Alumni Association for the success of this very special annual event.

. . . At present, the budgetary matters are moving along about as expected. If the budget continues in the same direction, it is anticipated that higher education can expect an approximate 4% reduction in the spending budget compared to last year.

It is important that we continue to work towards the goal of not transferring the State costs to students and their families, which has occurred over the past three years. We are becoming a state assisted institution rather than a state supported institution.

. . . The Board of Regents will be taking action on a 9-15% increase in tuition at their June 5th meeting.

President Weller expressed his thanks to the four Trustees who have completed their term of office as members of the Framingham State College Board of Trustees. President Weller presented Trustees Callahan and Phipps with certificates in appreciation of their commitment and dedication to Framingham State Colleges. Trustees Johnson and Sullivan, who were not present, will be sent their certificates.

President Weller introduced Jeff Accomando, Student Trustee for the 1990-91 academic year. We look forward to working with you next year, and congratulate you on your appointment.

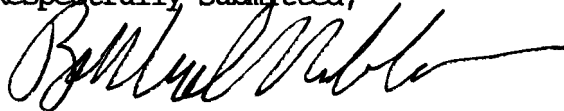

Student Trustee elect Jeff Accomando stated that it was an honor and pleasure to serve as a member of the Board. He expressed his enthusiasm with working with President Weller and the Board members in the upcoming year.

President Weller expressed his appreciation to Trustee Callahan for his dedication as a Trustee over the past nine years. President Weller, on behalf of the Board presented Trustee Callahan with souvenirs as a remembrance of Framingham State College. We wish Father Callahan well as he accepts his new position as President of Loyola Academy in Chicago.

Trustee Callahan stated that it had been a pleasure to work with President Weller, Board members, and the Framingham State College community.

The meeting adjourned at 8:20 p.m.

Respectfully submitted,

Barry J. Walker, Chair
Framingham State College Board of Trustees

* * * * *

Included in the materials sent to you with the agenda are the Trust Fund and Continuing Education Budget requests for Fiscal Year 1991. The Task Force wishes to draw your attention to the President's memorandum and to the three charts that appear in the front of the Trust Fund booklet. You should note: 1. That the College is not increasing any of its general fees with the exception of the College meal plan. 2. The Board of Regents establishes tuition and Residence Hall rates for the College. We will recommend approval of these Trust Fund budgets at the conclusion of this report.
