Report of the Chair

Chair Walker, on behalf of the Board members, expressed deep concern with the recent developments in the Persian Gulf.

Chair Walker stated that with the new administration and legislature, there are many concerns with the budget and recommendations being considered for higher education. The Ramirez Report submitted to Governor Weld, contains several negative statements concerning the State Colleges. The Report charges that the State Colleges are the weakest component of the higher education system and recommends campus closings.

Chair Walker reported that Chancellor Bromery held a very informative meeting with Board of Trustee Chairs, Presidents, and Chancellors on Monday, December 17, 1990. Unfortunately, the outlook for higher education is very bleak. With the current economic forecast, it is essential that the College continue efforts with Alumni for economic support, as well as fund-raising efforts with corporate and business leaders. It is important that we continue efforts to improve strong relationships with legislative leaders.

Trustee Accomando noted that Dean of Admissions Services Philip Dooher was present to discuss college related activities.

Trustee Accomando stated that discussion included the importance of Trustee involvement in College activities. Upcoming events for the academic year include: many activities planned in conjunction with February's Black History Month; All College Day scheduled on March 6; Family/Parent Weekend scheduled for April 5-7, with an Auction scheduled on Saturday, April 6; the Fifth Annual Christa Corrigan McAuliffe Dinner-Dance scheduled on May 4 at the Marriott in Newton, MA; and Commencement scheduled on June 2.

Trustee Cahners, member of the Community Relations Task Force, stated that the Community Relations Task Force members (Present: Trustees Cahners, Cheng, and Clasby) met at 3:30 p.m., today, January 17, 1991 to discuss community related events. Trustee Cahners noted that the purpose of the Community Relations Task Force is to serve as a line of communication between the College and community. A few upcoming College activities involving the community include: The New England Philharmonic Concert on March 3; the Fifth Anniversary of the Challenger Tragedy scheduled on January 28 at the CambridgeSide Galleria; and Auction scheduled on April 6 of Family/Parent Weekend.

Vice President for Academic Affairs Madeleine W. Adler stated that she was pleased to report that the College hosted two very successful conferences. The Biology Department hosted the Annual Massachusetts Marine Biology Conference on January 15th and the History Department hosted its 18th Annual State History Conference today, January 17.

Dean of Admissions Services Philip M. Dooher stated that the success of the Annual History Conferences has greatly influenced recruitment for the College. Dr. Dooher reported that admissions has received 484 applications for the Spring 1991 semester, reflecting a 12% increase over the Spring 1990 semester. Of the 484 applicants, the College will be enrolling 270 new and transfer students for the Spring term.

Report of the President

President Weller asked Board members for consideration in re-scheduling the March 14, 1991 Board Meeting. He noted that he has been invited to present a paper on "Leadership While The Sky Is Falling" at the 19th Annual Leadership In Uncertain Times Conference in San Francisco at this time.

President Weller reported that there are many upcoming McAuliffe Center activities:

- ... In memory of the fifth anniversary of the challenger tragedy, a news conference with Grace Corrigan will be held on January 28 at the CambridgeSide Galleria in Cambridge, Massachusetts. Artist Mel Bolden will begin painting a mural portraying Christa McAuliffe's life.
- ... The Fifth Annual Christa Corrigan McAuliffe Dinner-Dance will be held on May 4 at the Marriott Hotel in Newton, Massachusetts. We are still hopeful Barbara Bush will be able to join us as keynote speaker and honoree.
- ... On March 12, the McAuliffe Center will be hosting the second annual "Teachers Make The Difference" Conference in the D. Justin McCarthy College Center.

President Weller extended his sincere appreciation to Vice President Wendy Noyes and the staff of the Student Services Office for their work in the Parent and Family activities. The Parent and Family Council has been very supportive of the College, and to date has raised over \$15,000 in their phonathon activities. Council members have been busy with plans for the April 6 "All Aboard" Auction '91.

President Weller stated that the budget crisis continues. Many rumors are being circulated including: campus closings and mergers, a possible 3-8% additional reversion for Fiscal Year 1991, a base budget reduction of 5-20% for Fiscal Year 1992, and further tuition and fee increases.

President Weller expressed appreciation to the members of the Board for their support during these extremely difficult times. He asked for their continued assistance in establishing relationships with new legislators.

Trustee Accomando stated that he was deeply concerned for the fellow students who have been called to active duty in the Persian Gulf. Several Framingham State College students have had to postpone their education to answer the call to service. Trustee Accomando asked Trustees for their support in approving the following resolution:

"Whereas Framingham State College students have been called to active military duty in "Operation Desert Storm" the Framingham State College Board of Trustees expresses its deep concerns for their welfare and their speedy and safe return to their loved ones and to Framingham State College."

On motion duly made and seconded, it was

The meeting adjourned at 8:35 p.m.

Respectfully submitted,

Barry J. Walker, Chair

President Weller and Vice President Horrigan reported on the budget status for the current Fiscal Year and Fiscal Year 1992. President Weller will discuss this subject during his report.

* * * * *

In the material presented to you this evening is the Second Quarterly Report on Trust Fund Activities for Fiscal Year 1991. The report which was approved by the Task Force includes both budgeted and actual income along with expense information for the period July 1, 1990 through December 31, 1990. Comments regarding this report may be given to Task Force members or Vice President Horrigan.

* * * * *

For your information and use we have included in your packet a report from the Board of Regents showing the fees charged to students throughout the public higher educational system.

* * * * *

The President reported that the Collective Bargaining Contracts for Faculty & Librarians, Administrative Personnel and Support Staff have been approved by the Board of Regents and Governor Dukakis. The contracts provide for a 13.69% increase over a three year period beginning July 1, 1990. However, before salary adjustments can be implemented Governor Weld must submit a funding bill to the Legislature and the Legislature must appropriate the necessary funds.

We are pleased to announce that the College has received an additional \$5,000 gift from Mrs. Donna Smith for the Scholarship established last year in honor of her mother Adelina Acchione Cellucci. The Task Force is most appreciative of this gift and thanks Mrs. Smith for her continued generosity to the students of Framingham State College.

MEMORANDUM

TO: College and University Presidents and Chancellors

FROM: Dr. Lewis Dars *LD*

DATE: December 5, 1990

RE: Fall 1990/Spring 1991 Annualized Mandatory Fee Survey of Undergraduate In-state Full-time Students

The Regents recently conducted a survey on the mandatory fees charged to students across the system for Fall 1990 and Spring 1991. This information is important in light of the system's current fiscal condition. Your prompt response to this request has made it possible for us to consolidate the data and prepare the attached report.

Please note that although the Fall 1990 fees by category have been annualized, the Spring 1991 has not. The objective was to identify the mandatory fees that are charged to a full-time in-state undergraduate student for Academic Year 1990-91.

I hope you find these data useful. If you have any questions, please call Tom Fallon or myself.
