Each Student is Held Responsible for all
Information Contained in this Book
To the Freshmen:

On behalf of the Principal and Faculty I welcome you to this old historic school. Whether Framingham shall mean much or little to you depends upon yourself. Much depends upon the start you make in your new work. Proceed at once to take advantage of the opening tide, remembering what Shakespeare says in Julius Caesar:

“There is a tide in the affairs of men,
Which, taken at the flood, leads on to fortune;
Omitted, all the voyage of their life
Is bound in shallows and in miseries.
On such a full sea are we now afloat;
And we must take the current when it serves
Or lose our ventures.”

JAMES CHALMERS, Principal.

Greetings to the Freshman Class of 1929.

You have been accepted as a member of our school. You will now become a part of it, with your chances not only to receive the education and privileges which we offer, but to give us, in turn, your interest, your loyalty, your very best in fact. We form a certain unwritten and unspoken pact.

We look forward to your coming nearly as much as you do, and try from the first to surround you with all that is good. Your ultimate success, however, rests with you alone. You must learn to choose well, to fight your own battles, to stand alone, if the future is to give you rich returns.

EDITH A. SAVAGE, Dean of Women.
STUDENT GOVERNMENT GREETING

To the Freshmen:

On behalf of the Student Body, I extend to you the heartiest of welcomes to F. N. S.

May you find here all you seek, and may you bring to us new enthusiasm and co-operation.

DOROTHY L. CHURCH, President.

ALUMNAE ASSOCIATION GREETING

To the New Members of Our School:

The Alumnae Association watches for your coming: rejoices in your numbers, your good preparation for your work, your enthusiasm, your high purposes. It is concerned in your successes or your failures. It looks forward gladly to the day when you shall have earned your entrance into that sisterhood, believing that you will ever carry with you the ideals of truth, loyalty and service, which every true Framingham girl will hold in her heart of hearts.

MARY H. STEVENS.

HISTORY OF F. N. S.

A little less than a century ago, Massachusetts schools were faced with the fact that their teachers were unfitted for teaching because of ignorance not only of teaching methods but of the subject as well. To overcome this difficulty, the Massachusetts Board of Education was formed in 1837, with Horace Mann as its first secretary.

This board made possible the establishment of two normal schools, one of which has grown to be our F. N. S. Our normal school was established in 1839 at Lexington under Reverend Cyrus Peirce, as principal. Upon the opening day, there were assembled three timid girls and the principal; the girls were examined and enrolled as the first pupils of the first State Normal School in America.

Reverend Samuel J. May succeeded Mr. Peirce in 1842, but after two years the latter again became principal. In 1849, he was followed by Mr. Eben Stearns.

The school was moved to Framingham in 1852.

The first woman principal, Miss Annie E. Johnson, served from 1866-1875 and distinguished her administration by re-establishing the practice school. She was followed by Miss Ellen Hyde, who became principal in 1875, and to whom much credit is due for making the practice department what it is today.

From the establishment of the school until 1898, the courses given concerned academic and teaching matters only, but during that year the Mary Hemenway School of Domestic Science, which had been established in Boston, became a part of Framingham Normal School. In 1920 the Vocational Department was established by the Federal Board of Vocational Education.

Mr. Henry Whitemore became principal in 1898 and conducted the school for 19 years. We are now fortunate in having Dr. James Chalmers as our leader and principal.

At the present time we have May Hall and Wells Hall, the school buildings; Horace Mann Hall, the Senior Dormitory; Crocker Hall, the Junior H. A. dormitory, and Peirce Hall, the Freshman dormitory. In the fall of 1928 our enrollment was 535. Two-thirds of this number are boarding students and one-third are commuters. Because of crowded conditions in the dormitories, most of the sophomores live in village houses.

HINTS TO FRESHMEN

Framingham you have chosen as a place to come to, not a place to go away from.
Framingham colors are black and gold.
Let gossip alone and form your own opinions.
Don't be afraid to smile or speak to the girls, you may have met them.
"Hello" and "How-do-you-do" have their appropriate places.
Your conversation is for yourself and friends, not for publicity.
In your work and studies, keep a day ahead, not a day behind.
A good book fills in empty hours.
It is customary to show respect to our faculty and upper classmates.
Be friendly. A college friendship sometimes lasts forever.
When you have guests at the dormitories or at classes, it is polite to introduce them to the Matron or the instructor of the class.
A club needs you for co-operation. You are advised to join not more than two.
It is the custom to stand when a member of the faculty or an older person speaks to you.
Unless otherwise informed, you are expected to wait at least ten minutes before leaving a room where the instructor fails to appear.

School songs are known by all Framingham girls as soon as possible.
Don't cut chapel, or classes or friends.
"Chapel is a religious, not a social function."
You are recommended to supply window draperies after your arrival at school.
There are laundries in the dormitories where washing can be done.
It is customary to dress for dinner on Thursday night.
Many fancy dresses are unnecessary. Sport clothes take their place.
Knickers are worn only for sports.
Middies and H. A. uniforms are not worn to dinner.
It is the custom for girls to wear hats when riding on street cars and busses.
When walking in buildings or on the grounds and in the village, do not forget traffic rules. Courtesies do not harm you and are appreciated by others.
Communism has never been successfully worked out. Wear your own clothes and let other girls wear theirs.
If there is a regular housecleaning time kept, there need be no drudgery of a general cleaning for conventions.
An H. A. girl needs at least $80 and a "regular" girl $60 for expense during one year.
If you don't know, ask. Curious Freshmen make wise Sophomores.
"Silence" and "Busy" signs are not put up for decorations.
"Don't be afraid to make mistakes; you can be a Freshman but once. You need reminiscences for your 'Mem' book, and we need new songs."
Walking three abreast obstructs passage on stairs, sidewalks, and in corridors and should be avoided.

QUIET AND ORDER COMMITTEE

The Quiet and Order Committee was organized in 1926, subsidiary to the Student Government Executive Council. This Committee controls general conduct at Chapel Assembly, throughout the school building, in the dining room and assists in the distribution of mail. The main
committee is composed of one representative from each division in the school. An executive council is chosen from the main committee. The dining-room committee is chosen independently from, but functions in conjunction with the general committee.

Each girl, upon becoming a member of this school, should assume a personal obligation to co-operate with this committee, and make her individual self responsible for maintaining the high standards of conduct of our school.

Chairman, Lois Parks.
Chairman Dining Room, Betty Derosia.
Executive Council, Viola Munyan, Marie Treanor, Mary Whittemore, Bernice McGilvray.

STUDENT GOVERNMENT IN THE CHEMISTRY DEPARTMENT

The chemistry department of Framingham Normal School has a rather unique system of government. Because it is managed in a different way than any of the other departments in the school, we are glad of this opportunity to introduce the H. A. Freshmen to its methods.

Perhaps it will not be amiss here to give a few facts about the history of this organization. In 1924-25, when student government at Framingham was the big question to be decided, the chemistry department was very kindly offered to the students to be used for experimenting. The plan was adopted and a system of government was organized by the students. At the end of the year it was voted to continue this method of government. A constitution was drawn up and a more complete organization was made.

Under this system there is a council composed of two members from each class, which acts as a governing and advisory board, and a sub-council composed of one member from each division of each class.

In carrying out this form of government the girls take full responsibility for the condition of the laboratories. They take attendance at all classes for chemistry. All written work is done under the honor system and any abuses of this privilege are formally dealt with.

We hope that the H. A. Freshmen will enjoy the privileges of self-government, which offers opportunities for developing leadership and responsibility.

Officers for 1928-1929
President, H. K. Bates
Vice President, Rachel Bangs
Secretary, Claire Goddard.

SCHOOL LIBRARY

The main library is located on the third floor in May Hall. Here will be found up-to-date reference books; other material to supplement class work; much reading matter for general culture, and current periodicals. Full regulations for the use of the library are posted and the Student Council Library Committee assist the librarian in enforcing these rules.

"There is no frigate like a book
To take us miles away,
Nor any coursers like a page
Of prancing poetry."

LIBRARY COMMITTEE

The Library Committee is composed of a chairman, a representative from each class, and two commuters. The object of this committee is to assist the Librarian, Miss Ritchie, in keeping track of missing books and in taking general charge of the use of the library during study hour. The committee is as follows:

Chairman, Irene Wells.
Representative from Senior Class, Harriet Clements.
Representative from Junior Class, Marion Rhodes.
Representative from Sophomore Class, Lois Ferry.
Representative from Freshman Class, Ruth Spencer and Marion Cushman.
Representative from Commuters, Gertrude Winniker.

THE ACTIVITIES COMMITTEE

For twelve years the faculty has had advisory control of the Social Activities of the school. Through its Activities Committee, as the school has grown in number and influence, new problems have arisen, particularly in the advent of many new school organizations. It is, therefore, expedient to have a faculty board to act in an advisory capacity to keep the social events up to a high and worthy standard. This Committee has much more to do than to merely record dates of events. It aims to advise and direct these events so that they may enrich and instruct at the same time and through this work help in educating for leadership those young ladies chosen to be officers. In the march of events, outside of fixed dates, class organizations come first in choice of time.

Please remember that all plans for the Dial, Plays, Receptions, Dances, etc., should have the approval of this Committee. Registering the names of officers of the Clubs, Classes, etc., should be in the hands of the Chairman of Activities as soon as possible after election. The office hour of the Chairman is on Friday from three until four o'clock by appointment.

FREDERICK W. RIED, Chairman.

Members:
Mr. Archibald, Miss Kingman, Miss Joyce, Miss Savage.

POINT SYSTEM FOR GENERAL ACTIVITIES

The points for student offices are evaluated according to the following scale, on the basis of fourteen points as a maximum for the year. This control of points gives more girls a chance to participate actively in activities than would be possible otherwise. It is understood that all officers must keep up to a certain standard in studies and character.

The presidents of all organizations should see that the list of officers of her organization is given to Stacey Krasnecki, the elected Recorder of Points, at the beginning of the year.

OUR CLUBS

Our school is an old one. Tradition is respected here. We have many clubs, some old ones, some newer. All have been through the test stage. They are worthy and are able to fill your avocational and religious contacts. You ask what clubs to join? My answer is, "Join only those you can support by active attendance and personal influence." The question is not how many to join, but how many am I able to actively support. Better join one or two and work hard for their success rather than many and simply appear on the lists as a paid-up member with no record of activity. However, you must decide these things yourself. Listen to those conducting the drives. Think it over carefully. Do not hurry.

FREDERICK W. RIED
Chairman of Activities.

CLASS CLUB COUNCIL

It was on the house party in the fall of 1928 that it was suggested that a council consisting of the club and class presidents be formed in order to bring about better co-operation between the different clubs and classes. A president and a secretary-treasurer were elected at that time.

The council has tried to keep a schedule of the meetings of the different organizations so that there would be no conflict in time and place of meeting.

A dance was given by the Council February 2 in Peirce Hall Dining Room, at which all club members were welcome.

We are hoping that the work started this year may be carried on so that in time it will become an integral part of the school.

ATHLETIC ASSOCIATION

Hello, girls! Welcome to F. N. S., and may you enjoy your years of study here. The Athletic Association of Framingham does not function in order to advertise the school by cultivating record-breaking teams or athletes. Instead, its aim is to give every girl of F. N. S. a chance to be happy and enjoy her friends and studies.

An example of how we manage to give a good time is the Harvard and Yale basket-ball game. This is a time when the whole school takes sides and every girl when she first enters chooses the side she will stand for. Every girl who picks out basket-ball for her type of sport, even though she has never played before, goes to practice. If she makes the team, great honor to her. If she doesn’t there will be more fun in store for her, as she will join the ranks of the costumed band of staunch rooters, who get their share of thrills and excitement on that day.

The A. A. doesn’t stop at only a game, but it gives a “mock man dance” the night before the game and a banquet after the game.

We wish to more than emphasize an important fact to all entering girls. That is, that your athletic inability or your nonacquaintance with sports should not prevent you from entering into the fun and revelry of sports at F. N. S. With the sincere help, encouragement and coaching from the Gym teachers and upperclassmen beginners soon surprise themselves by the fun they get out of it and the progress they make in sports.

We hope you will study the list of events given and be thinking over which type appeals most to you and then, as you are taught all these sports as part of gym work, you can better decide just what activity you will enjoy most. Of course, the more you choose the better it is, but our aim is at least one sport for every girl.

We offer such a range of opportunities for earning points that any girl, whether she makes the teams or not, can earn enough to become an active member of the association. If you are interested in the association you can become an associate member until you have earned the 100 points necessary for active membership, and in this way you can enjoy the good times and many benefits of the A. A. from the very beginning.

FRAMINGHAM MUSICAL CLUBS

It is the desire of the Musical Clubs of Framingham Normal School to stimulate interest in an appreciation of good music. The Club is one of the oldest organizations of the school, and is composed of a Glee Club and an Orchestra. Through this Club opportunity is provided for those students with special interests in music.
The Club is particularly fortunate in having as its director, Mr. Archibald, who has been on the faculty of this school since 1898.

This year, for the first time, a small group selected from the Glee Club formed a choir. Music suitable for Chapel was rendered each Tuesday morning.

The first event of the year came during Christmas week, when we shared in spreading the Christmas spirit by giving a concert, which included carol singing, selections by the orchestra, and solos by Mr. Archibald.

In March we presented the Clark University Musical Clubs in a concert, at which our Club contributed a few selections.

Our usual joint concert with the Salem Normal School Glee Club was omitted this year.

THE FINE ARTS CLUB

The Fine Arts Club extends a cordial welcome to the entering class. We know you are going to enjoy your school life on the Hill as much as we have, and we hope the Fine Arts Club may add a great deal to your enjoyment of it.

In the daily routine of school there is little time for anything cultural except the meager bit we find in our studies. It is this the Fine Arts Club tries to supply. Every month we have a meeting, usually on a Friday night, which brings us into contact with some phase of art, literature, or travel. Sometimes we hear a well-known reader, again a lecturer, and oftentimes we hold informal meetings where we read or discuss modern poets or authors. The annual Fine Arts play is one of the chief events of the school year and all members of the club may try out for parts in its production.

There are now over two hundred members in this club, which started with two or three who were artistically inclined. They met and discussed art subjects or painted and sketched. Now the club tries to give its members just a taste of all the many cultural subjects included in the words Fine Arts.

This club fills a need which most of you will feel. We hope that the annual membership drive conducted in the fall will find many of you ready to join. The dues are seventy-five cents a year, so count this in your list of essentials in your budget.

YOUNG WOMEN’S CHRISTIAN ASSOCIATION

The Young Women’s Christian Association at Framingham was established in 1917, and is a member of the Metropolitan Board which is composed of nine colleges in and about Boston, and is also a member of the National Y. W. C. A. These connections help us to keep in touch with problems outside our own school and allow us to send delegates to a mid-winter and a summer conference, as well as aiding in building students in Christian faith and character through comradeship with Jesus Christ. The Association tries to provide inspiration for the best to be found in life, and to create a deeper friendliness for us here on the hill.

The Association has a few social affairs during the year and our annual Christmas Bazaar, which is one of the most interesting activities in the school. The organization is always ready for suggestions for reaching a larger group and providing better ways to fill the mental and spiritual lives of the girls.
The Y. W. C. A. here at Framingham welcomes all girls, regardless of race or religion, to its fellowship and friendliness. Come and join us and let us make this a big Y. W. year.

THE GIRLS' FRIENDLY SOCIETY
The Girls' Friendly Society was founded in England in 1875 and established in America two years later. While the Society is under the jurisdiction of the Protestant Episcopal Church and follows the organization of that church, it welcomes as members all girls of good character with no restriction whatever as to church affiliation.

The objects of this Society are:
1. To band together in one society churchwomen as associates and girls and young women as members for mutual help (religious and secular), for sympathy and prayer.
2. To encourage purity of life, dutifulness to parents, faithfulness in work, and thrift.
3. To provide the privileges of the Society for its members wherever they may be, by giving them introduction from one branch to another.

These objects are carried out by the heads of the various departments, which furnish both work and play for everyone.

The G. F. S. was started at Framingham in January, 1923. Our meetings are held each week at the home of our friend and associate, Mrs. Brown, and it is a pleasure to go there and get away from the school routine. During the year we do missionary and social service work. At the first meeting of every month we have a service, at which we have as speakers a clergyman from one of the near-by parishes. With our work we have our play. This includes the Hallowe'en and Birthday parties, besides many other good times.

Everyone looks forward to the closing event of the year, the annual May Tea in Boston. Here the girls of the G. F. S. of the Diocese of Massachusetts gather at Mechanics Hall, have supper together, and then go to Trinity Church, where we have a beautiful and inspiring service.

Our aims and ideals may well be expressed by our motto, "Bear Ye One Another's Burdens."

The Girls' Friendly Society at P. N. S. extends a hearty welcome to the entering class of '29, '30 and '31, and hopes that many lasting friendships may be formed here on the hill.

GIRL SCOUT ORGANIZATION
The Girl Scout Club has just been organized this spring, 1929. It is not as yet recognized as a club, because it lacks the membership of fifty necessary for school recognition. We hope to gain the quota by next year. Anyone who is not a scout but wishes to become one, is welcome, as well as those who are already scouts and wish to continue.
THOMAS A'KEMPIS CLUB
The Thomas A'Kempis Club was founded in 1918, for the purpose of bringing together the girls of the Catholic faith for the discussion of common problems. Our Club is a member of the National Federation of College Catholic Clubs and is represented at the meetings of the New England Chapter of this organization.

The club tries to combine religious and social events to meet the needs of the girls. During the year monthly meetings are held, and many prominent speakers are heard. A Communion breakfast and retreat are also held.

The A'Kempis Club welcomes the girls in the entering class and hopes that it may be helpful to them during their years on the hill.

THE LEND-A-HAND CLUB
The Lend-a-Hand Club has had the use of the “Lighthouse,” on Salem End Road for its meetings.

The girls in the club dress dolls at Christmas time for the poor children in Boston. During the year, layettes are made for the Boston City Hospital. This year the club has sent Friendship Bags to the children of Mexico.

Our meetings at the “Lighthouse” with Miss Perry have been a source of inspiration and help to us, for Miss Perry has given us many interesting book reviews, has discussed current topics, and answered for us many perplexing questions.

STUDENT HOME ECONOMICS CLUB
The Student Home Economics Club has come to the end of its fourth successful year. The purpose of the club is to acquaint the students of the two upper classes of the Household Arts and Vocational Departments with the organization of their profession.

This is the second year we have had the X. P. K. for a club house and we have all enjoyed the good times there. We have made some improvements and hope each new year will see more of them.

Our Club is affiliated with the State, the New England, and the American Home Economics Association. To our new members we wish success in the coming year.

THE COMMUTERS' CLUB

The Commuters' Club extends a cordial welcome to the entering class. Every girl who is commuting is expected to belong to the Club, taking an active part in its activities, and doing her utmost to make it a success.

The club was organized for the purpose of bringing the girls who commute from all directions together, thereby forming one unit to be represented as such in the government and activities.

The commuters, under the careful guidance of Dean Savage, strive to co-operate with the school societies and do their part in carrying on the spirit of F. N. S.

SONGS

Framingham
F.R.A.M.I.N.G.H.A.M Boom Bah!
Framingham so dear,
We sing to you;
Right on our Normal hill;
We love you, yes we do (our Normal)
Long may we cherish thee,
Love and adore,
Sing praise and honor forevermore.

Sophomore Song
(Prize-winning song 1928)

Words by Gunhilde Heller
Music by Ruth Cowdrey

I. Far years, whose marvels lie unknown to us,
    Far lands, whose fortunes mute await our sails,
    Where lofty ideals shall mount the Olympus,
    Of Truth and Honor, in hill and dale.

Chorus
'Tis our Alma Mater strongly stirring,
We sing our song to thee, dear old Normal,
Laud thy merits, deeply ringing,
We sing our song to thee, dear old Normal.

II. Long hours we toiled to reach the star, success.
    Long days, in darkness groping for the light.
    Of untrod paths our souls to impress,
    Yearning far more to reach the height.

III. Dear girls, whose hearts have poured love each to each,
    Dear guides, whose insight steered us to the shore
    That leads to interest far nearer reach.
    Seeking Truth to feel it more.

IV. Fair school, whose lessons cherished make us thine
    Fair halls, where dawned to us reality,
    That leads to the wonders of Life divine
    The yield of true toil and constancy.
Our F. N. S.

Every young girl has a college
About which she loves to tell,
For 'tis there she forms ideals,—
And she learns life's lessons well.
Now the school we love to cheer for,
That doth rouse us with a will
Is our F. N. S. forever,
Dear old School on Normal Hill.
Let us cheer dear Alma Mater,
Let us sing her praises too,
May the spirit roused within us
Stronger grow our whole life through.
With a love that's never failing,
May our loyalty ne'er grow less,
Give a cheer, girls, all together,
For our glorious F. N. S.
