ON ARRIVING

To find the State Teachers College at Framingham is not really as hard as you may imagine. With your Freshman Handbook tucked in your pocket, and your “big sister” to greet you, why worry?

You can’t get lost if you follow these few directions. If you come into Framingham by train, you will want to take a bus to the Center. Through the many lanes of traffic you will drive until you reach the cement steps at the foot of the hill. Go straight up State Street, through our famous college gate and you have entered the grounds of the State Teachers College. The first building you will sight will be Wells Hall connected by a bridge to May Hall. If you are a commuter, you will stop at the latter. If desiring to reach the dormitories, you must keep walking until you arrive at Crocker Hall which is the first building and incidently wooden. This is the college practice house where the Household Arts Juniors reside. The brick building on your right is Horace Mann Hall, the terrace overlooking the tennis courts. On your left is the other brick building known as Peirce Hall, to which you will go to register. From here you will be assigned your dormitory and room.

Framingham Center may be reached by bus connection from Framingham and Worcester. Busses connect at Framingham and Framingham Junction for Boston.

HISTORY OF FRAMINGHAM STATE NORMAL SCHOOL
(Now State Teachers’ College)

A little less than a century ago, Massachusetts schools were faced with the fact that their teachers were untrained for teaching because of ignorance not only of teaching methods but of the subject as well. To overcome this difficulty, the Massachusetts Board of Education was formed in 1837, with Horace Mann as it first secretary.

This board made possible the establishment of two normal schools, one of which has grown to be our Framingham State Teachers College. Our normal school was established in 1839 at Lexington under Reverend Cyrus Peirce, as principal.

Reverend Samuel J. May succeeded Peirce in 1842, but after two years the latter again became principal. In 1849, he was followed by Eben Stearns.

The school was moved to Framingham in 1852.

The first woman principal, Miss Annie E. Johnson, served from 1866-1875 and re-established the practice school. She was followed by Miss Ellen Hyde, who became principal in 1875.

From the establishment of the school until 1898, the courses given concerned academic and teaching matters only, but during that year the Mary Hemenway School of Domestic Science, which had been established in Boston, became a part of Framingham Normal School. In 1920 the Vocational Department was established by the Federal Board of Vocational Education.

Henry Whittemore became principal in 1898 and conducted the school for 19 years. He was succeeded by Dr. James Chalmers, who retired in 1930, after completing his thirtieth year as principal. Francis A. Bagnall, former principal of Hyannis Normal, is now the president.
To the Freshmen:

Ninety-four years is a long time, very long indeed in the life of an individual and even in that of an institution. And to this college, until a year and a half ago called the Framingham State Normal School, the oldest State Normal School in America, you are coming at the beginning of its ninety-fifth year of greatly honored service in preparing young women for the teaching profession. It has many fine traditions and high ideals, treasured by over six thousand intensely loyal alumnae.

To it you are bringing your ambitions and enthusiasms and hopes, to find many of them realized, especially if very soon you see that here as everywhere in life you get in proportion as you give. We are anticipating your coming. Our loved "College on the Hill", expressing itself through the friendship of upper classmen and faculty, extends most cordial greetings and best wishes for years of keen enjoyment and abiding satisfactions, as it offers to you its inspiring motto to become your very own, "Live to the Truth."

FRANCIS A. BAGNALL, President.

Greetings to our new friends of the Freshman Class of 1933.

This is the year when you are to start on a new path, "Just Over the Hill", as Margaret Slattery so aptly calls it. You will be looking for all sorts of good things to happen to you as individuals during your attendance here and Framingham has much to give to the girl who comes to her with the right spirit.

May I suggest that you come with your heart and mind filled with a desire to give of your best fully as much as to receive the many good things you anticipate? Whether you come as a boarder or as a commuter if you come with that spirit, your whole life in all its phases will be a successful one.

You will find here new conditions, new friends. Meet them intelligently, wisely, and you will spend three or four of the happiest years of your life here at this old "school on the hill."

I shall look forward to meeting each of you personally and shall want you to feel from the first that you have indeed a friend in the Dean.

EDITH A. SAVAGE, Dean.
To the Freshman Class of 1933:

The students of the Framingham State Teachers College extend to you, as Freshmen, the most sincere and cordial greetings!

We are all anxiously awaiting your coming here, and we hope that it will result in a love for the school, pleasure in your work, and the formation of life long friendships. In general, we hope that you will find here that joyous college life you have anticipated and dreamed of. This is your school and it is up to you to live up to its high standards and cooperate in all its activities, thereby making the school better and your life here happier.

JOSEPHINE CZELUSNIAK,
President Student Government.

Greetings to all members of the Freshman Class of State Teachers College at Framingham:

The Alumnae Association extends its congratulations to you for successfully fulfilling the requirements necessary to make you members of the entering class of September, 1933.

You bring with you new life and enthusiasm as you enter the college which we as Alumnae love and highly esteem. May our motto, "Live to the Truth," always be an inspiration to you for loyal service.

Success to the Freshman Class of 1933!

GRACE E. BARTLETT,
President Alumnae Association.

HINTS TO FRESHMEN

Framingham you have chosen as a place to come to, not a place to go away from.
Framingham colors are black and gold.
Let gossip alone and form your own opinions.
Speak to fellow students on the campus.
Get acquainted with your classmates. Do not limit your friendships to a small circle.
Your conversation is for yourself and friends, not for the public.
A good book fills in empty hours.
It is a courtesy to stand when a member of the faculty or an older person speaks to you.
It is customary to dress for dinner on Thursday nights.
Middies and H. A. uniforms are not to be worn to dinner.
If you don't know, ask. Curious freshmen make wise sophomores.
Communism has never been successfully worked out. Wear your own clothes and let other girls wear theirs.
"Chapel is a religious, not a social function."
Be friendly. A college friendship sometimes lasts forever.
A club needs you for co-operation. You are advised to join not more than two.
"Don't be afraid to make mistakes; you can be a freshman but once." You need reminiscences for your "Mem" book, and we need new songs.
Leaders must first be followers.

VII. STUDY PLACES:

Assembly Hall, empty classrooms, the commuters' annex, library, and reading room may all be used for study.

Information in regard to any type of employment connected with the school buildings, dormitories, village houses or summer openings may be obtained from the Dean.

Opportunities for self help are very limited and are offered first to the upperclassmen.

IX. LOST AND FOUND ARTICLES:

Found articles should be taken to the office of the Dean and owners may inquire for them there.

X. SMOKING:

So far as smoking in the buildings or on the campus of the school is concerned, its control is a matter which rests with the State Department of Education and is strictly forbidden. Houses in Framingham in which rooms are rented for the occupancy of students are regarded as campus dormitories.

As to smoking elsewhere, a recommendation of the Student Government Executive Council was presented to the Student Body and unanimously adopted. Students are permitted to smoke in three approved eating places in South Framingham; The Wellworth, the Hotel Kendall, and the Sandwich Shoppe. Smoking in any other place in Framingham is not allowed, and strict measures are taken by the Student Government Council to enforce this ruling as it now stands.

COMMUTERS' ORGANIZATION

During the past year the commuters' group has become an integral part of Student Government. Formerly a club, it is now an organization including automatically every girl who belongs to the commuting system. Its two-fold purpose is to bring the commuting girls together within a group, and to make that group a very definite part of the whole college system.

President—Alice Murphy
Vice President—Gertrude Bell
Secretary—Dorothy Fisher
Treasurer—To be chosen from entering class.
Adviser—Dean Savage

THE SCHOOL LIBRARY

The school library is located on third floor in May Hall. It is open to the use of all pupils of the school at any time. It contains up-to-date reference books and other material to supplement class work, much reading matter for general culture, and periodicals of current interests. Full regulations for the use of the library are posted and the Student Council Library Committee assists the librarian in enforcing these rules. The cooperation of all students is appreciated and expected by the Council and Librarian.

The Library Council is composed of a member of the faculty, who shall be the librarian; a president chosen from the Student Council; a representative from each class, and two commuters. The object of this council is to assist the librarian, Miss Ritchie, in keeping track of missing books.

Committee for 1933-1934:
Chairman, Marion Hicks.

To be elected in the Fall.
Representative from senior class,
Representative from junior class,
Representative from sophomore class,
Representative from commuters,
Two representatives will be chosen from the entering class in September.

CHEMISTRY COUNCIL

The chemistry department of the State Teachers College at Framingham differs from the others in that the girls take full responsibility for the condition of the laboratories, take attendance at all classes for chemistry and do all written work under the honor system. We hope the incoming class will help to carry on the spirit of self government and individual responsibility that this council sponsors.

Officers for 1933-1934
President—Sylvia Putnam
Vice President—Aura Louhi
Secretary—Eleanor Dutton
Faculty Adviser—Dr. Foster

QUIET AND ORDER COMMITTEE

The general functions of this Committee are to govern the conduct in chapel and assembly, in the dining room and in the school buildings and also to assist in the distribution of mail.

Marjorie Evans, Chairman.
In welcoming the freshmen to Framingham we wish to interest you in The Gate Post, the school newspaper, published each month by a staff which has been chosen from and by the students. The publication brings to you news items, literary efforts of your classmates, reports of interviews with famous people, and current humor of the campus.

Since the freshman class is probably the largest class of the college, we depend upon your support, support not only through subscriptions to our paper, but also through contributions to its content.

The staff looks forward to the coming of a new freshman class. We will welcome you, your support, your ideas, and any suggestions which will contribute in making The Gate Post a better publication.

DOROTHY SEISIG,
Chairman of the Gate Post,

OUR CLUBS

Our college here on the hill has a unique and really great history. It is the pioneer teacher training institution of the country. The thousands of graduates of Framingham both as a Normal School and as a College have spread across the continent in practically every form of teaching service. It is important that you grasp this fact as you enter the college as a student. You have a duty to your parents, to yourself, to your state to perform. This responsibility should not be taken lightly. Many of our most successful graduates "found themselves" through "extra-curricula" activities in the school. Potential leaders are in many instances discovered in their undergraduate years. The moral to this is to join a club or two. Choose carefully. We have many fine clubs. There is variety enough for all types of minds and tastes.

Give your energy and enthusiasm to the clubs you choose. Learn the meaning of loyalty and team work. The clubs are supervised by a Faculty Committee, called the "Activities Committee," and a parallel organization of students made up of the presidents of the clubs and classes, called the "Class and Club Council." These two governing boards work together, one representing the faculty, the other the student body, to see that all clubs have their fair share of time allotment in the yearly program and that all events are up to a high standard.

Leadership comes from organizing ability and the clubs soon find out the members that have ability. Let us hope you may prepare for leadership through active membership in these clubs. We wish you many happy hours in our social scheme.

Help us to help you. Join at least one club.

FREDERICK W. RIED,
Chairman of Activities Committee.
FACULTY ADVISERS FOR CLASSES & CLUBS

All classes and clubs have a faculty adviser, and to complete an activity program it is necessary for the officers to talk over the details of all events such as dances, entertainments, etc., very carefully with their advisers before submitting it to the Faculty Activity Committee and the Class and Club Council for acceptance. Remember, the experience of the Faculty adviser will aid you in keeping clear of unseen pitfalls in the way of contracts, prices, expediency of events, etc. This idea was created to help you in giving to the college the best collective effort of your class or club.

FREDERICK W. RIED.

SCHOOL SONGS

OUR F. T. C.

Ev'ry young girl has a college
About which she loves to tell,
For 'tis here she forms ideals,
And she learns life's lessons well.
Now the school we love to cheer for,
That doth rouse us with a will,
Is our F. T. C. forever,
Dear old school on Normal hill.

Chorus:
Let us cheer dear Alma Mater,
Let us sing her praises too,
May the spirit roused within us
Stronger grow our whole life thro'.
With a love that's never failing,
May our loy'ltv ne'er grow less,
Give a cheer, girls, all together,
For our glorious F. T. C.

FRAMINGHAM

Framingham so dear,
We sing to you;
Right on our Normal hill;
We love you, yes we do, (Our College)
Long may we cherish thee,
Love and adore,
Sing praise and honor forevermore.

TO OUR COLLEGE

(Tune to Repasz Band March)

Here's to our college, we'll always adore her,
Our dear F. S. T. C.
We'll cherish and honor and bring praise upon her
Wherever we may be.
In classes and clubs we will do our best
To reach her high standards with vim and zest.
Our Framingham College to you,
We'll ever be faithful and true.

CHORUS

Let "Live to the Truth" be our motto and goal.
"Live to the Truth" 'tis the truth we do extol.
This is the lesson you aim to instill.
Our Alma Mater, our school upon the hill.

So—Here's to our college where we gain our knowledge
Our dear F. S. T. C.
Where fond teachers guide us to paths that will lead us
Through all the years to be.
Where friendships are formed that will last for aye,
Where lofty ideals will e'er hold sway,
Our Framingham College to you
We'll ever be faithful and true.
The Point System was installed in our college to give credit to all those holding any sort of a responsible office and to limit the number of offices to be held by each girl. Each office affords a definite number of points according to its character, the number being agreed and voted upon by members of the Student Government Council. A recorder of points who is appointed by the Council is familiar with the system and keeps an individual card record for each girl who holds an office. The recorder is notified after all elections of those who have been elected and if any girl has over fourteen points to her credit she must relinquish the honor of some one of the offices to bring the number down to that quota.
