ON ARRIVING

It is a very easy task to find your way to the State Teachers College at Framingham. With a previous word from your "Big Sister" as to the place where she will meet you, and your Freshman Handbook to guide you from the main thoroughfare to the college, there will be no need to worry.

If you come to Framingham by train, you will take a bus to Framingham Centre. If you come by bus from Boston or Worcester, ask to get off at State Street. Walk up the cement steps at the foot of the hill, up the hill through the beautiful college gate. This will be your first impression of our lovely campus at the college. The first two buildings you come to are Wells and May Hall respectively. These are the two administration buildings. If you are a commuter, May Hall will be your destination. If you are a boarder, you will continue your walk to the dormitories. The large wooden dormitory on the left is Crocker Hall, the college practice house for the Household Arts Juniors. The brick building on your right is Horace Mann Hall. On your left is Peirce Hall. Follow the sidewalk around to the front entrance. You will be greeted in the spacious living room by many friends, your "Big Sister" perhaps, your future classmates and the Dean. Here your dormitory and room will be assigned to you.

HISTORY OF FRAMINGHAM STATE NORMAL SCHOOL
(Now State Teachers' College)

A little less than a century ago, Massachusetts schools were faced with the fact that their teachers were unfitted for teaching because of ignorance not only of teaching methods but of the subject as well. To overcome this difficulty, the Massachusetts Board of Education was formed in 1837, with Horace Mann as its first secretary.

This board made possible the establishment of two normal schools, one of which has grown to be our Framingham State Teachers College. Our normal school was established in 1839 at Lexington under Reverend Cyrus Peirce, as principal.

Reverend Samuel J. May succeeded Peirce in 1842, but after two years the latter again became principal. In 1849, he was followed by Eben Stearns.

The school was moved to Framingham in 1852.

The first woman principal, Miss Annie E. Johnson, served from 1866-1875 and re-established the practice school. She was followed by Miss Ellen Hyde, who became principal in 1875.

From the establishment of the school until 1898, the courses given concerned academic and teaching matters only, but during that year the Mary Hemenway School of Domestic Science, which had been established in Boston, became a part of Framingham Normal School. In 1920 the Vocational Department was established by the Federal Board of Vocational Education.

Henry Whittemore became principal in 1898 and conducted the school for 19 years. He was succeeded by Dr. James Chalmers, who retired in 1930, after completing his thirtieth year as principal. Francis A. Bagnall, former principal of Hyannis Normal, is now the president.
To the Freshmen:

Speaking for the College and especially for those who constitute its Faculty and Administrative Officers, it is my very great pleasure and privilege to extend to you, the members of the entering class, our most cordial greetings and best wishes for college years of great enjoyment and ever-continuing satisfactions.

As the College approaches the one-hundredth anniversary of its founding, to be celebrated in 1939, in commemoration of that date, the 3rd of July, 1839, when the first State Normal School in America opened its doors to three students in Lexington, and later was moved to Framingham, its ever loyal alumnae are constantly showing their great interest and affection for the old school.

To add to their number you are coming to this College to share in all its honored traditions and ideals and influences. They will mean much to you in proportion to the cherished ambitions and devotion you bring in your lives here. May you always be mindful of the fact that your happiness and success in and after college days depend on the extent to which these lives are “In tune with the Infinite,” with the eternal sentiment of our motto, “Live to the Truth!”

FRANCIS A. BAGNALL, President.

Greetings to the Freshman Class,—

Soon you will be a part of this college. At first you will be confused, for there will be much going on which will seem strange to you. You will meet new people, students, and teachers, and there will be new customs, new programs, and methods. Don’t let all these distractions become worries or you will make a wrong start. Find your place.

You have chosen this particular college for your own. Because of this decision on your part, the college has a right to expect, rightfully, your loyalty and support. From the first give of your best and you in turn will receive the best from the college.

Our college has a long and honorable history. It would seem a privilege for you to come here and contribute your small part towards continuing its traditions. We shall count on you.

Everyone will greet you with a friendly manner. Personally, I shall hope to know each of you as an individual and, when occasion arises, to prove my interest in you materially or otherwise.

EDITH A. SAVAGE, Dean of Women.
Greetings from the Student Coöperative Association

Welcome Freshmen:

The members of the college greet you and wait your arrival with keen anticipation. Inasmuch as you have decided to enter a college that trains young women for useful service to humanity, we feel sure that you will bring new ideas and high standards which will be a benefit to all of us.

In return for the new ideas and high standards you bring, our college is able to offer you splendid opportunities for scholastic achievement, practical training and social contacts. Here you may acquire a training which will fit you for useful service and you may develop friendships which will be a source of comfort throughout your life.

MARJORIE A. STUDLEY, President.

HINTS TO FRESHMEN.

1. Framingham colors are black and gold.
2. Learn the words of college songs.
3. Do not limit your friendship to a small circle.
4. Get acquainted with your classmates.
5. Speak to those you meet on the Campus.
6. Form your own opinions and leave gossip alone.
7. It is customary to dress for dinner on Thursday nights.
8. Middies and H. A. uniforms are not to be worn to dinner.
9. It is a courtesy to stand when a member of the faculty or older person addresses you.
10. Join at least one club. You are advised not to join more than two.
11. If you don't know, ask. Curious freshmen make wise sophomores.
12. “Chapel is a religious not a social function.” Remember that talking, reading, or studying in chapel is discourteous and not in keeping with the spirit of the occasion.
13. Be a booster not a knocker.
14. Keep this little book. It will keep you from asking too many foolish questions.
15. The Students’ Room is for the use of all students and when there it is wise to consider other people who are studying. Treat the room as a reception room, as you are not the only one using it.
OBLIGATIONS OF A FRAMINGHAM STATE COLLEGE STUDENT

On entering Framingham as a Freshman, each student becomes automatically a member of the Student Cooperative Association and from then on her membership in this Association implies that she must be willing to accept her obligations as a citizen of the college group and conform to its standards.

There are certain obligations and responsibilities as well as privileges connected with the Student Coöperative Association at Framingham and each girl should be under obligation to subordinate her own standards to those standards which the Association upholds. Each student should inform herself as to the academic and non-academic responsibilities which are hers and maintain them to the best of her ability.

The attitude of every student towards the college community should be that of constructive cooperation. She should accept and support the fundamental standards of the group and should also be willing to conform to all customs and procedures which have proved to be for the best interests of the community.

Each member of the Student Coöperative Association should take active part in offering suggestions for improvement and should feel herself to be a vital part of a flexible and progressive democracy.

Moreover, while each student is identified with the college, she is, inevitably, its representative wherever she goes and should feel the obligation of loyalty in maintaining its reputation.

THE SOPHOMORES SUGGEST A CREED — 1934

We believe, — in the Framingham State Teachers College and in its motto “Live to the Truth”.

We believe, — in a spirit of loyalty to our teachers, classmates, and friends:
  in a spirit of cooperation and sportsmanship in the classroom, on the athletic field, and in all other activities.

We believe, — in courtesy at all times and a consideration for the rights and privileges of others:
  in true and generous comradeship and mutual helpfulness that insures the well-being and advancement of the individual and the group.

We believe, — in a high standard of scholarship, intellectual integrity, and thoroughness in all our undertakings:
  in making diligent search through our contacts with people and books after the best that life has to offer.

We believe, — that an honest and consistent devotion to these ideals will so develop us as to give us “The Good Life” and sustain and build traditions for our college.

There is a council, consisting of three members elected from each of the upper classes and two elected from the freshman class, with the three faculty members of the chemistry department as advisors, which acts as a governing and advisory board dealing with any violations which may occur.

We hope that the H. A. Freshmen will enjoy the privilege of self-government with all its opportunities for developing leadership and responsibility.

THE GATE POST

“The Gate Post”, the college paper is a monthly publication which has been in existence two years. The paper publishes college events, news of the alumnae, faculty and student notes. This year free speech columns have come into prominence, in which the students voice their opinions about life here “on the hill”.

In February the “Dial” and “Gate Post” combined in giving a formal dance, the proceeds of which went to the publications. “The Gate Post” also sponsored a unique entertainment called the “Tableau Vivante” in which girls posed as models in masterpieces representing many countries.

In welcoming the incoming freshmen to Framingham, we anticipate literary talent and artistic ability to help make “The Gate Post” an ideal college paper.

MARY A. NOLAN,
Editor of the Gate Post.

OUR CLUBS

Our college here on the hill has a unique and really great history. It is the pioneer teacher training institution of the country. The thousands of graduates of Framingham both as a Normal School and as a College have spread across the continent in practically every form of teaching service. It is important that you grasp this fact as you enter the college as a student. You have a duty to your parents, to yourself, to your state to perform. The responsibility should not be taken lightly. Many of our most successful graduates “found themselves” through “extra-curricula” activities in the school. Potential leaders are in many instances discovered in their undergraduate years. The moral to this is to join a club or two. Choose carefully. We have many fine clubs. There is variety enough for all types of minds and tastes.

Give your energy and enthusiasm to the clubs you choose. Learn the meaning of loyalty and teamwork. The clubs are supervised by a Faculty Committee, called the “Activities Committee,” and a parallel organization of students made up of the presidents of the clubs and classes, called the “Class and Club Council.” These two governing boards work together, one representing the faculty, the other the student body, to see that all clubs have their fair share of time allotment in the yearly program and that all events are up to a high standard.

It is also the duty of the Activities Committee to see that the yearly program goes through according to schedule.

Leadership comes from organizing ability and the clubs soon find out the members that have ability. Let us hope you may prepare for leadership through active membership in these clubs. We wish you many happy hours in our social scheme.

Help us to help you. Join at least one club.
All classes and clubs have a faculty advisor, and to complete an activity program it is necessary for the officers to talk over the details of all events such as dances, entertainments, etc., very carefully with their advisors before submitting it to the Faculty Activities Committee and the Class and Club Council for scheduling on the yearly program. Remember, the experience of the Faculty advisor will aid you in keeping clear of unseen pitfalls in the way of contracts, prices, expediency of events, etc. This idea was created to help you in giving to the college the best collective effort of your class or club.

FREDERICK W. RIED.

STUDENT COÖPERATIVE POINT SYSTEM

The Point System was installed in our college to give credit to all those holding any sort of a responsible office and to limit the number of offices to be held by each girl. Each office affords a definite number of points according to its character, the number being agreed and voted upon by members of the Student Cooperative Council. A recorder of points who is appointed by the Council is familiar with the system and keeps an individual card record for each girl who holds an office. The recorder is notified after all elections of those who have been elected and if any girl has over fourteen points to her credit she must relinquish the honor of some one of the offices to bring the number down to that quota.

SCHOOL SONGS

TO OUR COLLEGE
(Tune to Repasz Band March)
Here's to our college, we'll always adore her,
Our dear F. S. T. C.
We'll cherish and honor and bring praise upon her
Wherever we may be.
In classes and clubs we will do our best
To reach her high standards with vim and zest.
Our Framingham College to you,
We'll ever be faithful and true.

CHORUS
Let "Live to the Truth" be our motto and goal.
"Live to the Truth" 'tis the truth we do extol.
This is the lesson you aim to instill.
Our Alma Mater, our school upon the hill.

So—Here's to our college where we gain our knowledge
Our dear F. S. T. C.
Where fond teachers guide us to paths that will lead us
Through all the years to be.
Where friendships are formed that will last for aye,
Where lofty ideals will e'er hold sway,
Our Framingham College to you
We'll ever be faithful and true.

SCHOOL SONGS (Continued)

OUR F. T. C.
Ev'ry young girl has a college
About which she loves to tell,
For 'tis here she forms ideals,
And she learns life's lessons well.
Now the school we love to cheer for,
That doth rouse us with a will,
Is our F. T. C. forever,
Dear old school on College hill.

Chorus:
Let us cheer dear Alma Mater,
Let us sing her praises too,
May the spirit roused within us
Stronger grow our whole life thro'.
With a love that's never failing,
May we ever loyal be,
Give a cheer, girls, all together,
For our glorious F. T. C.

FRESHMAN SONG
Come, Freshmen, come, Sophomores,
Come one, and come all.
Ye Juniors and Seniors,
Come answer our call.
Let's lift up our voices;
Let clear echoes ring.
To Framingham College
Our praises we'll sing.

'Tis your spirit undaunted,
Your leadership true,
Your aims and ideals
That have won us to you.
We pledge our devotion
Forever and aye
To Framingham College,
Our College alway.
