ON ARRIVING

It is a very easy task to find your way to the State Teachers College at Framingham. With a previous word from your "Big Sister" as to the place where she will meet you, and your Freshman Handbook to guide you from the main thoroughfare to the college, there will be no need to worry.

If you come to Framingham by train, you will take a bus to Framingham Centre. If you come by bus from Boston or Worcester, ask to get off at State Street. Walk up the cement steps at the foot of the hill, up the hill through the beautiful college gate. This will be your first impression of our campus at the college. The first two buildings you come to are Wells and May Hall respectively. These are the two administration buildings. If you are a commuter, May Hall will be your destination. If you are a boarder, you will continue your walk to Peirce Hall. The large wooden dormitory on the left is Crocker Hall, the college practice house for the Household Arts Juniors. The brick building on your right is Horace Mann Hall. On your left is Peirce Hall. Follow the sidewalk around to the front entrance. You will be greeted in the living room by many friends, your "Big Sister" perhaps, your future classmates and the Dean. Here your dormitory and room will be assigned to you.

HISTORY OF FRAMINGHAM STATE NORMAL SCHOOL
(Now State Teachers' College)

A little less than a century ago, Massachusetts schools were faced with the fact that their teachers were unfitted for teaching because of ignorance not only of teaching methods but of the subject as well. To overcome this difficulty, the Massachusetts Board of Education was formed in 1837, with Horace Mann as its first secretary.

This board made possible the establishment of two normal schools, one of which has grown to be our Framingham State Teachers College. Our normal school was established in 1839 at Lexington under Reverend Cyrus Peirce, as principal.

Reverend Samuel J. May succeeded Peirce in 1842, but after two years the latter again became principal. In 1849, he was followed by Eben Stearns.

The school was moved to Framingham in 1853.

The first woman principal, Miss Annie E. Johnson, served from 1866-1875 and re-established the practice school. She was followed by Miss Ellen Hyde, who became principal in 1875.

From the establishment of the school until 1898, the courses given concerned academic and teaching matters only, but during that year the Mary Hemenway School of Domestic Science, which had been established in Boston, became a part of Framingham Normal School. In 1920 the Vocational Department was established by the Federal Board of Vocational Education.

Henry Whittemore became principal in 1898 and conducted the school for 19 years. He was succeeded by Dr. James Chalmers, who retired in 1930, after completing his thirteenth year as principal. Francis A. Bagnall, former principal of Hyannis Normal, is now the president.
To the Freshmen:

The beginning of a new venture is often most interesting and challenging. For you the coming to the "College on the Hill" is to prove a new, perhaps thrilling, experience, offering repeated opportunities for receiving and giving. For our faculty of this oldest State teacher training institution in America, I bid you the most cordial welcome possible as you bring to it your fond ambitions and enthusiasms, to make the wisest use from the very first of its many ways for the acquiring of scholarship, of culture, of friendships, and of high ideals.

We crave for each of you a year of great happiness and hopefulness and helpfulness, a fine record of accomplishment in the dedication of heads that think, of hands that work, and of hearts that love and serve. We want you to come to Framingham to get all you can that is worth while, and also to contribute to our college life in all its varied interests the best you have that "the best may come back to you."

FRANCIS A. BAGNALL, President.

Greetings to the Freshmen,—

You are looking forward to coming here. You feel that you are prepared or you would not have been accepted. But there are other things than studies to be considered.

When you arrive you will discover that there are many new conditions to meet, new adjustments to make, about which you never dreamed. In order to be at your best you will need to be in good condition both physically and mentally. Prepare yourself in these ways as you have in studies, so that you may meet the new experiences as they come, intelligently and wisely.

EDITH A. SAVAGE, Dean of Women.
Greetings to the Class of 1939 from the Student Coöperative Association,—

It is a pleasure to greet you as you are about to enter our college. Doubtless you have heard much about Framingham—its social life, its scholastic standing, its instructors, and the responsible positions held by the alumnae.

You have chosen this college to be your home for the next four years because you wish that what it has to offer may become yours — yours for life. And we hope that during these four years with us you will make acquaintances with the entire student body as well as to form many friendships with the faculty. You will have the opportunity to take part in many of the college activities where it will be possible to express your real self either by word or deed. It is also anticipated that you, as a member of the Student Coöperative Association, will share in the responsibilities of this organization.

Endeavor to leave the college with the satisfaction that it is better because of your four years' life here as a student and because you have contributed something to the college out of your own life.

MARJORIE L. WHITTIER, President.

HINTS TO FRESHMEN

1. Framingham colors are black and gold.

2. Learn the words of college songs.

3. Do not limit your friendships to a small circle.

4. Speak to those you meet on the campus.

5. Don’t believe everything you hear, and don’t pass on a rumor unless you know it is true.

6. Gym suits, H. A. uniforms, ski suits or smocks are not to be worn to dinner.

7. Special attention is given to dress on Thursday nights.

8. It is a courtesy to stand when a member of the faculty or older person addresses you.

9. Join at least one club. You are advised not to join more than two.

10. If you don’t know, ask. Curious freshmen make wise sophomores.

11. “Chapel is a religious not a social function.” Remember that talking, reading, or studying in chapel is discourteous and not in keeping with the spirit of the occasion.

12. Quietness is required at all times in the library and the study halls.

13. Silence and busy signs are not put up for decoration.

14. Your conversation is for yourself and friends, not for publicity.

15. Be a booster not a knocker.

16. Communism has never been successfully worked out. Wear your own clothes and let other girls wear theirs.

17. In your work and studies, keep a day ahead not a day behind.

18. You are expected to attend all of your class meetings and support all of its activities.

20. Students are responsible for the books and supplies signed for on the lists given out by the members of the faculty, and for all materials on definite orders. Be sure you wish to purchase before signing.
ONoblATIONS OF A FRAMINGHAM STATE COLLEGE STUDENT

On entering Framingham as a Freshman, each student becomes automatically a member of the Student Coöperative Association and from then on her membership in this Association implies that she must be willing to accept her obligations as a citizen of the college group and conform to its standards.

There are certain obligations and responsibilities as well as privileges connected with the Student Coöperative Association at Framingham and each girl should be under obligation to subordinate her own standards to those standards which the Association upholds. Each student should inform herself as to the academic and non-academic responsibilities which are hers and maintain them to the best of her ability.

The attitude of every student towards the college community should be that of constructive cooperation. She should accept and support the fundamental standards of the group and should also be willing to conform to all customs and procedures which have proved to be for the best interests of the community.

Each member of the Student Coöperative Association should take active part in offering suggestions for improvement and should feel herself to be a vital part of a flexible and progressive democracy.

Moreover, while each student is identified with the college, she is, inevitably, its representative wherever she goes and should feel the obligation of loyalty in maintaining its reputation.

A. Careful attendance is taken each day by faculty members. We have no “cutting system.” Every absence or tardiness must be accounted for.

B. All excuses for absence or tardiness are to be presented at the Dean’s office as soon as possible after such absence or tardiness has occurred.

C. Slips for excuses may be found just inside the Dean’s office. These must be used for all cases of absence or tardiness even when a personal note has been presented.

D. Permissions which concern an absence from school before a vacation or for a continued absence during the school week are referred directly to President Bagnall. Students bring the result of such an interview to Dean Savage, that she may record them.

E. Students are requested to consult the nurse during office hours—8:00 to 9:00 a.m. and 6:30 to 7:30 p.m., unless the illness requires more immediate attention.

Any known contact with communicable diseases must be reported at once to the nurse. This statement applies to all students attending the college.

F. In case of illness, during hours for classes, the excuse for absence may be obtained from the nurse.

VII. STUDY PLACES:

Assembly Hall, empty classrooms, the commuters’ annex, library, and reading room may all be used for study. Study places should be quiet at all times during the school day.

VIII. EMPLOYMENT:

Information in regard to any type of employment connected with the school buildings, dormitories, village houses or summer openings may be obtained from the Dean.

Opportunities for self help are very limited and are offered first to the upperclassmen.

IX. LOST AND FOUND ARTICLES:

Found articles should be taken to the office of the Dean and owners may inquire for them there.

X. SMOKING RULE:

So far as smoking in the buildings or on the campus of the school is concerned, its control is a matter which rests with the State Department of Education and is strictly forbidden. Houses in Framingham in which rooms are rented for the occupancy of students are regarded as campus dormitories:

As to smoking elsewhere, a recommendation of the Student Cooperative Executive Council, presented to the Student Body, was unanimously adopted. Students may smoke in eating places in Framingham with the exception of the Drug Stores and Noyes Diner. They may also smoke as guests in private homes.

Smoking on the streets and on the campus is not allowed and strict measures will be taken against anyone transgressing these rules. When representing Framingham as a group, students are not allowed to smoke.

4. The representative from the Junior class shall be elected for a term of two years, thus automatically becoming the Senior representative.

THE COMMUTERS' ASSOCIATION

The Commuters' Association was formed several years ago at the request of a group of commuting students. Every girl who travels to and from college each day becomes automatically a member of the association.

The Commuters' Council is composed of four faculty members and the four officers of the association. The Council meets regularly each month to discuss anything which concerns the life of the commuting students. This year the commuting group has become so large and so vital a part of the college life that it has seemed advisable to induce these students to join other clubs and activities rather than to encourage them to concentrate on social programs which concern only themselves.

The Council is at present studying the situation and trying to formulate a plan by which commuters may more easily share the various phases of college life with the boarding group. Such a participation on their part would seem to increase the general school spirit as well as to give opportunity for much cooperation.
QUIET AND ORDER COMMITTEE

The general function of this committee is to govern the conduct of students in the school buildings, in the dining room, in chapel, and in assembly.

A definite order is followed in the dismissal of chapel, Seniors leaving first, then Juniors, followed by Sophomores, and lastly the Freshmen.

Students entering the Assembly Hall for chapel, after the nine o'clock bell has rung are asked to use rear doors.

MAYDELL CHAMPNEY.

THE SCHOOL LIBRARY

The school library is located on third floor in May Hall. It is open to the use of all pupils of the school at any time. It contains up-to-date reference books and other material to supplement class work, much reading matter for general culture, and periodicals of current interest.

Students are permitted to charge out the material they wish to borrow. Each student is held responsible to carry out the following regulations:

Everything borrowed must be charged;

Everything borrowed must be returned to the desk;

Fines will be collected after two weeks, unless renewed;

Current periodicals must be left in the library but back numbers may be circulated.

To charge out books and periodicals:—

1. Open back cover.
2. Write date on date slip.
3. Take card from pocket and write your name and the date of borrowing.
4. Leave card in box on desk.

Boarders and Commuters—May take books at 3 o'clock on Fridays and return Monday at 9.

To charge out Reserved Books:—

Never remove the colored card from the pocket. Sign on the sheets placed on the table for that purpose. When returning cross all off and return the books to the shelves. Take one book only on a subject.

If in doubt at any time consult posted rules or ask the librarian.

The Library Council is composed of a member of the faculty, who shall be the librarian; a president chosen from the Student Council; a representative from each class, and two commuters. The object of this council is to assist the librarian, Miss Ritchie, in enforcing library regulations.

ESTHER HOWE,
Chairman of Library Council.

THE CHEMISTRY COUNCIL

All courses in the Chemistry Department are conducted under an Honor System, and all students taking such courses come under the direction of the Chemistry Council.

This council consists of three members elected from each of the upper classes and two elected from the freshman class, with the three faculty members of the Chemistry Department as advisors. The council acts as a governing and advisory board dealing with any violations which may occur.

We hope that the H. A. and Vocational H. A. Freshmen will appreciate the opportunity to cooperate fully in the privilege of self-government with all its opportunities for developing leadership and responsibility.

OUR CLUBS

The clubs of our Teachers College are seasoned organizations. These clubs represent extra-curricula activities that combine work with pleasure. Each club has some worthy goal to attain.

An institution with the heritage and high standards of Framingham requires that each club stand for all that is best in the social life of the school. It is probable that you will join a club that fits into the scheme of your school life and one that gives you the opportunity for service and the use of your executive ability.

Drive week gives you the chance to choose as you listen to the arguments made by the Presidents of the clubs.

All classes and clubs have a faculty advisor, and to complete an activity program it is necessary for the officers to talk over the details of all events such as dances, entertainments, etc., very carefully with their advisors before submitting it to the Faculty Activities Committee and the Class and Club Council for scheduling on the yearly program. Remember, the experience of the Faculty advisor will aid you in keeping clear of unseen pitfalls in the way of contracts, prices, expediency of events, and other matters which might arise. This idea was created to help you in giving to the college the best collective effort of your class or club.

Choose carefully. Do not get stampeded into joining a club that you cannot support enthusiastically.

Good luck Freshmen. Let us get better acquainted through our clubs.

FREDERICK W. RIED.

CLASS AND CLUB COUNCIL

The Class and Club Council aims to bring about active cooperation between the classes and clubs. At the beginning of each school year the council plans the yearly activities program for the classes and various clubs.

The Council sponsors a formal dance which is given in the spring of each year. The Class and Club Council Cottage is situated on the campus, and provides a place where any of the students may go, cook their own meals and have good times together.

THOMAS A'KEMPIS-NEWMAN CLUB

This year our club has played an active part in the New England Province of the Federation of College Catholic Clubs. We are represented at every meeting in Boston and also on all the various committees.

Our meetings are held monthly, the purposes being religious, educational and social, in this order of importance, and are modeled somewhat on the same line as the Federation meetings. We have two Communion Breakfasts a year, outside speakers, socials, teas, as well as very interesting business meetings. Much of the club's success has been due to the capable and spiritual guidance of our chaplain, the Reverend James Dunford, and the kindly interest of our faculty advisor, Miss Alice Joyce.

THE GATE POST

The college paper, issued monthly, is called the Gate Post—appropriate because of the Whittemore Memorial Gateway at the entrance to the campus. It is essentially a newspaper, publishing news of college activities and items of interest to students and alumnae. There are several feature columns, too, such as Alumnae and Faculty News, Dormitory Doings, Commuters, Humor, Club Notes, The Roving Reporter (a very recent addition), and Literary Lines, a column open to any student thus talented.

If you are interested in Newspaper work, be sure to join the cub reporter group in September. This group is being established for the purpose of finding the girls who have ability for newspaper work and to train them for the positions which will be automatically vacated at the end of the Gate Post year in February, when a new Editor (from the Junior class) and staff are chosen for the ensuing year.

Every year the Gate Post and the Dial (the college year book) sponsor the Publication Dance which has always been a formal, taking place in Peirce Hall.

We sincerely welcome you entering Freshmen with the hope that many of you will offer your talent and ideas to the Gate Post and that all of you will give it your loyal support.

RUTH LOVELACE, Editor.
SCHOOL SONGS

TO OUR COLLEGE
(Tune to Repasz Band March)

Here's to our college, we'll always adore her,
Our dear F. S. T. C.
We'll cherish and honor and bring praise upon her
Wherever we may be.
In classes and clubs we will do our best
To reach her high standards with vim and zest.
Our Framingham College to you,
We'll ever be faithful and true.

CHORUS

Let "Live to the Truth" be our motto and goal.
"Live to the Truth" 'tis the truth we do extol.
This is the lesson you aim to instill.
Our Alma Mater, our school upon the hill.

So—Here's to our college where we gain our knowledge
Our dear F. S. T. C.
Where fond teachers guide us to paths that will lead us
Through all the years to be.
Where friendships are formed that will last for aye,
Where lofty ideals will e'er hold sway,
Our Framingham College to you
We'll ever be faithful and true.

SCHOOL SONGS (Continued)

OUR F. T. C.
Ev'ry young girl has a college
About which she loves to tell,
For 'tis here she forms ideals,
And she learns life's lessons well.
Now the school we love to cheer for,
That doth rouse us with a will,
Is our F. T. C. forever,
Dear old school on College hill.

Chorus:
Let us cheer dear Alma Mater,
Let us sing her praises too,
May the spirit roused within us
Stronger grow our whole life thro'.
With a love that's never failing,
May we ever loyal be,
Give a cheer, girls, all together,
For our glorious F. T. C.

FRESHMAN SONG

Come, Freshmen, come, Sophomores,
Come one, and come all.
Ye Juniors and Seniors,
Come answer our call.
Let's lift up our voices;
Let clear echoes ring.
To Framingham College
Our praises we'll sing.

'Tis your spirit undaunted,
Your leadership true,
Your aims and ideals
That have won us to you.
We pledge our devotion
Forever and aye
To Framingham College,
Our College alway.
Miss Agnes Garvey, H. A. Senior and President of Horace Mann Dormitory, was chairman of the committee responsible for gathering the material in this year's handbook. She and her committee should be given a great deal of credit for their cooperation and effort in making the handbook a valuable source of information for the incoming Freshmen.
