# Entrance to College Grounds

The Henry Whittemore Memorial Gate, which is at the entrance to the campus, was given by the Classes of 1917, 1918, and 1919, being named for Mr. Whittemore who was principal of the Framingham Normal School from 1898 to 1917.
Greetings to Our New Students,—

You have been accepted as a member of our college. You will now become a part of it with your chances not only to receive the education and privileges which it will offer you, but to give it, in return, your interest, your loyalty, your very best, in fact. To tell all that Framingham will give you would fill a book. You will have to learn for yourself that it is a good place.

We who live and work here year after year look forward to your coming nearly as much as you do and try from the first to surround you with all that is good. Your ultimate success, however, rests with you alone. You are the one who must learn to choose well when more than one course of action is open, to fight your own battles, to stand alone at times, if the future is to give you rich returns.

EDITH A. SAVAGE, Dean of Women.

Greetings to the class of 1940 from the Student Coöperative Association,—

To you, new members of the Student Coöperative Association, we extend our most sincere and cordial welcome.

We are all anxiously awaiting your coming to Framingham as you bring with you new life, new ideas, fresh spirit to add to ours, and much enthusiasm.

In return for all that you bring us, our college offers you splendid opportunities for scholastic achievement and opportunities to take part in college activities. Here you may develop friendships which will be a comfort to you throughout your life.

Endeavor to leave our college with the satisfaction that during your four years here at Framingham your lives have been made ever so much more happy and rich.

EVELYN C. LEFORT, President.
A Hearty Welcome to the Freshman Class of State Teachers' College at Framingham.

The Alumnae Association congratulates you upon successfully fulfilling the requirements necessary to make you members of the entering class of September, 1936. You bring fresh enthusiasm, new life, and high aims as you enter the College, which we as alumnae admire and highly esteem. We wish for you four happy, profitable years enriched by new and lasting friendships. With the Framingham motto "Live to the Truth" always before you, may you gain inspiration to go forth to loyal service.

All success to the Class of 1940!

GRACE E. BARTLETT,
President of Alumnae Association.

HISTORY OF FRAMINGHAM STATE
(Teachers College)

A little less than a century ago, Massachusetts schools were faced with the fact that their teachers were unfitted for teaching because of ignorance not only of teaching methods but of the subject as well. To overcome this difficulty, the Massachusetts Board of Education was formed in 1837, with Horace Mann as its first secretary.

This board made possible the establishment of two normal schools, one of which has grown to be our Framingham State Teachers College. Our normal school was established in 1839 at Lexington under Reverend Cyrus Peirce, as principal.

Reverend Samuel J. May succeeded Peirce in 1842, but after two years the latter again became principal. In 1849, he was followed by Eben Stearns.

The school was moved to Framingham in 1853.

The first woman principal, Miss Annie E. Johnson, served from 1866-1875 and re-established the practice school. She was followed by Miss Ellen Hyde, who became principal in 1875.

From the establishment of the school until 1898, the courses given concerned academic and teaching matters only, but during that year the Mary Hemenway School of Domestic Science, which had been established in Boston, became a part of Framingham Normal School. In 1920 the Vocational Department was established by the Federal Board of Vocational Education.

Henry Whittemore became principal in 1898 and conducted the school for 19 years. He was succeeded by Dr. James Chalmers, who retired in 1930, after completing his thirteenth year as principal.

Francis A. Bagnall, who has been president for the past six years, is retiring this summer. A new president will then assume responsibilities.

With extension to the state normal schools of the privilege of granting degrees because of the establishment of the four-year course and the recognition of the work done as of collegiate grade, the Legislature in March, 1932, changed the names of all state normal schools in Massachusetts to state teachers colleges.

ON ARRIVING

To find the State Teachers College at Framingham is not really so hard as you may imagine. With your Freshman Handbook tucked in your pocket, and your “big sister” to greet you, why worry?

You can’t get lost if you follow these few simple directions. If you come into Framingham by train you will want to take a bus or taxi to the Center. You will find the bus across the railroad crossing at the next corner by the drug store, and the taxi at the station. There is a difference between Framingham and Framingham Center, a difference of two miles. This you’ll agree to when you’ve walked it a few times! Ask the bus driver to stop at the cement steps leading to the college. These steps are situated at the foot of our “Hill”. The rest of your journey will be done “shanks mare” up a long hill. Go straight up State Street, through Whittemore Gate and straight on to the college buildings. You will first come to Wells Hall and May Hall, and if you are a commuter, you will stop at the latter. If you are a boarder, you will go on to the dormitories. On your left is a reddish-brown wooden building, the Junior Household Arts practice house. On your right is a brick building, Horace Mann Hall. The next building on your left is Peirce Hall, to which you will go to register and probably live.

If you come by car, you will find it very easy if you follow the map of the streets you will find in this handbook. If you are coming from Worcester, upon entering Framingham you will cross the railroad tracks, then turn to your right on Maynard Road. You will follow Maynard Road right up the hill to the college grounds.

If you come from the Boston direction, you will come to a group of traffic lights at the corner of Main Street, High Street, and the Turnpike. At this point cross the Turnpike and go up High Street at the right of the gas station on the corner. Continue on this street until you come to State Street at which point you will turn left and continue up the hill to the college grounds.
May Hall, which is named for Miss Abbey W. May who was chairman of the board of visitors in the eighties, is the main classroom and administration building of the Framingham State Teachers College. It was opened in September, 1889, and dedicated in June, 1890. The first floor was used primarily as a Practice School. In 1898 the Mary Hemenway Household Art Department was added to this building.

In 1902 Wells Hall, which is connected to May Hall by a bridge, was completed. This hall was named for Kate Gannett Wells, a member of the Board of Education at that time.

11. Your conversation is for yourself and friends, not for publicity.

OBLIGATIONS OF A FRAMINGHAM STATE COLLEGE STUDENT

On entering Framingham as a Freshman, each student becomes automatically a member of the Student Coöperative Association and from then on her membership in this Association implies that she must be willing to accept her obligations as a citizen of the college group and conform to its standards.

There are certain obligations and responsibilities as well as privileges connected with the Student Coöperative Association at Framingham, and each girl should be under obligation to subordinate her own standards to those standards which the Association upholds. Each student should inform herself as to the academic and non-academic responsibilities which are hers and maintain them to the best of her ability.

The attitude of every student towards the college community should be that of constructive coöperation. She should accept and support the fundamental standards of the group and should also be willing to conform to all customs and procedures which have proved to be for the best interests of the community.

Each member of the Student Coöperative Association should take active part in offering suggestions for improvement and should feel herself to be a vital part of a flexible and progressive democracy.

Moreover, while each student is identified with the college, she is, inevitably, its representative wherever she goes and should feel the obligation of loyalty in maintaining its reputation.

Peirce Hall is named for Reverend Cyrus J. Peirce, the principal of the first normal school in America. Rooms in this building are occupied by freshmen, sophomores, and a few seniors. It is this building which houses the boarders' dining hall and the new kitchen. Miss Keith, dietitian and matron, and her assistant, Miss Bryant, have their offices here.
B. Commuters' Lunchroom:

The Lunchroom is located in the basement of May Hall. Lunch is served from 12:10 to 12:30 on school days from October 1st to June 1st.

IV. OFFICE HOURS:

A. The Business Office is open from 8:30 to 4:30 daily except Saturdays for the transaction of all business matters between the students and the College.

B. Miss Savage, the Dean of Women, may be found in her office at the school building from 8:30 to 4:00 p.m. on school days.

C. Miss French, Head of the Household Arts Department, may be found in her office at the school building on Mondays and Tuesdays, 11:15 to 12:00.

D. Miss Keith, Head Matron, may be found at her office, 8:00 a.m. to 7:30 p.m., in Peirce Hall. All matters of meals and laundry are referred to her. Any activity which concerns Peirce Hall is also referred to her.

V. CHAPEL AND ASSEMBLY:

Attendance at both Chapel and Assembly is required.

Chapel is held in the Assembly Hall at 9:00 a.m., with regular sections for classes assigned for the year. This service is preceded by a musical selection, during which absolute quiet is expected.

Assembly is usually held on Monday in the Assembly Hall at 2 o'clock.

VI. RULES CONCERNING ABSENCES FROM CLASSES:

A. Careful attendance is taken each day by faculty members. We have no "cutting system." Every absence or tardiness must be accounted for.

B. All excuses for absence or tardiness are to be presented at the Dean’s Office as soon as possible after such absence or tardiness has occurred.

C. Slips for excuses may be found just inside the Dean’s Office. These must be used for all cases of absence or tardiness even when a personal note has been presented.

D. Excuses which concern an absence from school before a vacation are referred directly to the president. If such excuses are accepted they are returned later to the dean that she may record them.

E. Students are requested to consult the nurse during office hours—8:00 to 9:00 a.m. and 6:30 to 7:30 p.m., unless the illness requires more immediate attention.

Any known contact with communicable diseases must be reported at once to the nurse. This statement applies to all students attending the college.

F. In case of illness during hours for classes, the excuse for absence may be obtained from the nurse.

VII. STUDY PLACES:

Assembly Hall, empty classrooms, the commuters’ annex, library, and reading room may all be used for study. Study places should be quiet at all times during the school day.
VIII. EMPLOYMENT:

Information in regard to any type of employment connected with the school buildings, dormitories, village houses, or summer openings may be obtained from the Dean.

Opportunities for self help are very limited and are offered first to the upperclassmen.

IX. LOST AND FOUND ARTICLES:

Found articles should be taken to the office of the Dean and owners may inquire for them there.

X. SMOKING RULE:

So far as smoking in the buildings or on the campus of the school is concerned, its control is a matter which rests with the State Department of Education and it is strictly forbidden.

As to smoking elsewhere, a recommendation of the Student Co-operative Executive Council, presented to the Student Body, was unanimously adopted. Students may smoke in eating places in Framingham with the exception of the Drug Stores and Noyes Diner. They may also smoke as guests in private homes.

Smoking on the streets and on the campus is not allowed, and strict measures will be taken against anyone transgressing these rules. When representing Framingham as a group, students are not allowed to smoke.

Horace Mann Hall, which is named for Horace Mann, American educator and father of the normal school movement in our country, was erected in 1920 to replace old Normal Hall, which had burned. Seniors, juniors, a few sophomores, and Miss Swan, the matron, live in Horace Mann Hall; Miss Robbins, the resident nurse, has her rooms and office here; the President of the college and his family occupy an apartment in the south wing of the first floor.
THE SCHOOL LIBRARY

The school library is located on third floor in May Hall. It is open to the use of all pupils of the school at any time. It contains up-to-date reference books and other material to supplement class work, much reading matter for general culture, and periodicals of current interest.

Students are permitted to charge out the material they wish to borrow. Each student is held responsible to carry out the following regulations:

Everything borrowed must be charged;

Everything borrowed must be returned to the desk;

Fines will be collected after two weeks, unless renewed:

Current periodicals must be left in the library but back numbers may be circulated.

To charge out books and periodicals:—

1. Open back cover.

2. Write date on date slip.

3. Take card from pocket and write your name and the date of borrowing.

4. Leave card in box on desk.

To charge out periodicals and pamphlets:—

Write name and issue of the magazine or the name of the pamphlet on small pad on desk giving also your name and the date of borrowing. Place slip in box. Put date on back of magazine.

Reserved Books:—

Reserved books must be in the library during the day. They may be taken at night as follows:—

Commuters—May take books at 4 o'clock on Mondays and Thursdays. Return at 9 the next day.

Boarders—May take books any day at 7:15 and return at 9 the next day. Tuesday and Wednesday, may take books at 4 o'clock and return at 9 the next day.

Boarders and Commuters—May take books at 3 o'clock on Fridays and return Monday at 9.

To charge out Reserved Books:—

Never remove the colored card from the pocket. Sign on the sheets placed on the table for that purpose. When returning, cross all off and return the books to the shelves. Take one book only on a subject.

If in doubt at any time consult posted rules or ask the librarian.

The Library Council is composed of a member of the faculty who shall be the librarian; a chairman chosen from the Senior Class; two representatives from each Class, one boarder and one commuter. The Elementary and the H.A. Departments should be equally represented. The object of this council is to assist the librarian, Miss Ritchie, in enforcing library regulations.
THE CHEMISTRY COUNCIL

All courses in the Chemistry Department are conducted under an Honor System, and all students taking such courses come under the direction of the Chemistry Council.

This council consists of three members elected from each of the upper classes and two elected from the freshman class, with the three faculty members of the Chemistry Department as advisors. The council acts as a governing and advisory board dealing with any violations which may occur.

We hope that the H. A. and Vocational H. A. Freshmen will appreciate the opportunity to cooperate fully in the privilege of self-government with all its opportunities for developing leadership and responsibility.

CHEMISTRY COUNCIL

Officers for 1936-37
President—Elsie Miller
Vice President—Genoveffa Corea
Secretary—Jean White

QUIET AND ORDER COMMITTEE

The general function of this committee is to govern the conduct of the students in the school buildings and in the dining room.

Special attention is given to making chapel and assembly programs orderly. All students are expected to attend these exercises and are requested to use the rear doors when entering the Assembly Hall for chapel after the nine o'clock bell has rung.

A definite seating plan and order of dismissal will be announced in September.

COMMUTERS' COUNCIL

During the past year, the commuters voted to disorganize as a large organization but with the understanding that a small group continue to represent them. This group or council at present consists of eight members with Miss Savage as advisor. Two members are elected from each of the four classes and the chairman is chosen by the group from the two senior representatives.

This change of plan gives all commuters more opportunity to join any of the various college clubs and tends to increase the college spirit. The council concentrates on the immediate problems or interests of the commuters which concerns them alone and has already been very active in studying and working out various situations which have arisen.
THE GATE POST

The college paper, issued monthly, is called the Gate Post—appropriate because of the Whittemore Memorial Gateway at the entrance to the campus. It is essentially a newspaper, publishing news of college activities and items of interest to students and alumnae.

At the end of the Gate Post year in February, a new Editor (from the Junior Class) and staff are chosen for the ensuing year.

The Gate Post sponsors a dance each year for the purpose of raising money. We sincerely welcome you entering Freshmen with the hope that many of you will offer your talent and ideas to the Gate Post and that all of you will give it your loyal support.

THE DIAL

The college year-book, The Dial, is published yearly by the Senior Class. Although it is essentially a record of the activities of this group during its four years of college life, it also devotes sections to the members and activities of the faculty, the lower classes, and the organizations.

Each year The Dial staff sponsors a formal dance in Peirce Hall to help defray the cost of publication, and during Senior Week a “Freak Night” and bonfire after which the Dials are distributed.

We feel sure that each Freshman will wish to begin her set of year-books during her first year on the hill, for in them she will find a constant reminder of the good times she has had, and of the friends she has made.

OUR CLUBS

The clubs of our Teachers College are seasoned organizations. These clubs represent extra-curricula activities that combine work with pleasure. Each club has some worthy goal to attain.

An institution with the heritage and high standards of Framingham requires that each club stand for all that is best in the social life of the school. It is probable that you will join a club that fits into the scheme of your school life and one that gives you the opportunity for service and the use of your executive ability.

Drive week gives you the chance to choose as you listen to the arguments made by the presidents of the clubs.

All classes and clubs have a faculty advisor, and to complete an activity program it is necessary for the officers to talk over the details of all events such as dances, entertainments, etc., very carefully with their advisors before submitting it to the Faculty Activities Committee and the Class and Club Council for scheduling on the yearly program. Remember, the experience of the Faculty advisor will aid you in keeping clear of unseen pitfalls in the way of contracts, prices, expediency of events, and other matters which might arise. This idea was created to help you in giving to the college the best collective effort of your class or club.

Choose carefully. Do not get stampeded into joining a club that you cannot support enthusiastically.

Good luck. Freshmen. Let us get better acquainted through our Clubs.

FREDERICK W. RIED,
An Interested Faculty Friend.

FINE ARTS CLUB

The purpose of the Fine Arts Club is to supplement the everyday life of the school with the pleasures derived from some of the cultural arts such as literature, art, and drama. A program of one-act plays directed by seniors offers opportunity for those interested in acting. The annual three-act play offers opportunity for the study of stage design, costuming, lighting, and make up.

ATHLETIC ASSOCIATION

In this day of whirling machines and speed, there is a real necessity for relaxation and recreation. This need is satisfied through healthful and beneficial sports and games. We believe that there is a sport or game for every girl—not just for the few who excel; therefore it is the aim of the Athletic Association to provide for all Framingham students the opportunity to learn and participate in those sports which provide them with the most enjoyment and the most benefit, both during school days and in after-life.

In furthering this aim, we have added many individual sports to our long list of activities, endeavoring in this way, to meet every girl’s choice, and to carry out our slogan, “A sport for every girl, and a girl for every sport.”

HOME ECONOMICS CLUB

The Home Economics Club was organized in Framingham in 1924. In 1930 it took the name of Louisa A. Nicholass Home Economics Club in appreciation of Miss Nicholass, who was for many years the beloved head of the Household Arts Department at Framingham.

The purpose of the club is to bring together students who are interested in Home Economics topics and through its affiliation with the New England, State, and American Home Economics Associations to make broader contacts.

International Night, our main activity of the year, was a huge success both financially and socially. The program consisted of local school talent as well as speakers and dancers from outside sources. Foreign foods made by students and friends were sold as well as novelties, Christmas cards and candy.

The club was fortunate in being the guests of the Mary Hemenway Association at a meeting at the Garland School of Homemaking in Boston in May.

Many interesting people from various lines of work were guest speakers at our regular club meetings.

Miss Emma Maurice Tighe told of her work at the Edison Illuminating Company.
Miss Rachel Butterworth spoke on “Flower Arrangement”.
Miss Maniza Moore, on “The Work of a Dieterian”.
Mr. Chester Whittemore, on “Furs”.
Mr. Arthur T. Gregorian, on “Oriental Rugs”.

We extend most cordial greetings to our new members and wish them the greatest success in the coming year.

THOMAS A'KEMPIS-NEWMAN CLUB

The Thomas A'Kempis-Newman Club, named after a priest and a writer of the fourteenth century, was founded in this college for the purpose of Catholic culture and Catholic fellowship. This year our club has played an active part in the New England Province of the Federation of College Catholic Clubs. We are represented at every meeting in Boston and also on all the various committees.

Our meetings are held monthly, the purposes being religious, educational and social, in this order of importance, and are modeled somewhat on the same line as the Federation meetings. We have two Communion Breakfasts a year, outside speakers, socials, teas, as well as very interesting business meetings. Much of the club's success has been due to the capable and spiritual guidance of our chaplain, the Reverend James Dunford, and the kindly interest of our faculty advisor, Miss Alice Joyce.

YOUNG WOMEN'S CHRISTIAN ASSOCIATION

The Young Women's Christian Association at Framingham is affiliated with the Y.W.C.A. of nine colleges in and around Boston which comprise the Metropolitan Board which is a part of the National Y.W.C.A. It is also a participant in the Student Christian movement of New England.

This year the first important event which took place in the fall was the Country Fair. At Christmas time as a part of our activities we visited the various local hospitals and old peoples' homes and sang carols and left Christmas greetings. Delegates have been sent to conferences at the University of New Hampshire, Cedar Hill, the monthly Christian Council meetings in Boston and Maqua. Some of our members have attended the discussion groups at Boston. We have also had discussion groups here on the campus and have sponsored speakers at our regular meetings and also one assembly speaker.

The Y.W.C.A. invites any girl whether a Freshman or upperclassman to participate in its various activities. We hope through our mutual experiences in Y.W.C.A. to learn to lead happier and better lives. Help make this year one of inspiration and helpfulness to us all through interest and enthusiasm in the various activities of the Y.W.C.A.

MUSICAL CLUBS

The Musical Clubs consist of Glee Club, Orchestra, and Choir; the Choir being made up of Juniors and Seniors only.

It is the aim of the club to contribute something of beauty and richness through the medium of music, to the college. It endeavors to provide a source through which the students who are members, may gain a greater knowledge and appreciation of good music.

The Club is a very active one, and any member is assured of an enjoyable year. It gives Thanksgiving and Christmas concerts for the school, and of recent years we have been privileged to broadcast carols over the radio. In the spring we have our annual joint concert and formal dance with some men's college. We also have the privilege of singing at "Pops" Framingham night.

These are the Club's foremost activities, but all during the school year we give minor concerts and programs.

CROCKER HALL

Crocker Hall, which was named for Miss Lucretia Crocker, an outstanding teacher and the first woman to be appointed supervisor of the Boston schools, was first built in 1886 to be used as a dormitory. On Christmas of the following year the hall was partially destroyed by fire; it was repaired and the new Crocker Hall opened in February, 1889. The building is now used as a Practice House. Each semester one half of the Junior Class takes care of the ordering, preparing and serving of the meals for the group then in house practice. The building is no longer used as a dormitory, as the two brick buildings have enough rooms to accommodate all boarding students.
POINT SYSTEM

A girl may hold only one major office during the college year.

A girl holding a major office may hold no more than two minors with a possible total of fourteen points as a maximum.

4. The Registrar and any girl concerned should cooperate with the Dean in case of one girl's being overburdened with activities even if she is within the limit of points.

SCHOOL SONGS

TO OUR COLLEGE
(Tune to Repasz Band March)

Here's to our college, we'll always adore her,
Our dear F. S. T. C.
We'll cherish and honor and bring praise upon her
Wherever we may be.
In classes and clubs we will do our best
To reach her high standards with vim and zest.
Our Framingham College to you,
We'll ever be faithful and true.

CHORUS

Let "Live to the Truth" be our motto and goal.
"Live to the Truth" 'tis the truth we do extol.
This is the lesson you aim to instill.
Our Alma Mater, our school upon the hill.
So—Here's to our college where we gain our knowledge
Our dear F. S. T. C.
Where fond teachers guide us to paths that will lead us
Through all the years to be.
Where friendships are formed that will last for aye.
Where lofty ideals will e'er hold sway,
Our Framingham College to you
We'll ever be faithful and true.

SCHOOL SONGS (Continued)

OUR F. T. C.

Ev'ry young girl has a college
About which she loves to tell,
For 'tis here she forms ideals,
And she learns life's lessons well.
Now the school we love to cheer for,
That doth rouse us with a will,
Is our F. T. C. forever,
Dear old school on College hill.

Chorus:

Let us cheer dear Alma Mater,
Let us sing her praises too,
May the spirit roused within us
Stronger grow our whole life thro'.
With a love that's never failing,
May we ever loyal be,
Give a cheer, girls, all together,
For our glorious F. T. C.

FRESHMAN SONG

Come, Freshmen, come,
Sophomores, come one, and come all.
Ye Juniors and Seniors,
Come answer our call.
Let's lift up our voices;
Let clear echoes ring.
To Framingham College
Our praises we'll sing.

'Tis your spirit undaunted,
Your leadership true,
Your aims and ideals
That have won us to you.
We pledge our devotion
Forever and aye
To Framingham College,
Our College alway.
