HISTORY OF FRAMINGHAM STATE TEACHERS COLLEGE

Over a hundred years ago, Massachusetts schools were faced with the fact that their teachers were unfit for teaching because of ignorance, not only of teaching methods, but of the subject as well. To overcome this difficulty, the Massachusetts Board of Education was formed in 1837, with Horace Mann as its first Secretary.

This board made possible the establishment of two normal schools, one of which has grown to be our Framingham State Teachers College. Our Normal School was established in 1839 at Lexington under Reverend Cyrus Peirce, as Principal.

Reverend Samuel J. May succeeded Peirce in 1842, but after two years the latter again became Principal. In 1849 he was followed by Eben Sterns.

The school was moved to Framingham in 1853. The first woman Principal, Miss Annie E. Johnson, served from 1866-1875, and re-established the practice school. She was followed by Miss Ellen Hyde, who became Principal in 1875.

From the establishment of the school until 1898, the courses given concerned academic and teaching matters only, but during that year the Mary Hemenway School of Domestic Science in Boston became a part of Framingham Normal School. In 1920 the Vocational Department was established by the Federal Board of Vocational Education.

Henry Whittemore became Principal in 1898 and conducted the school for nineteen years. He was succeeded by Dr. James Chalmers, who retired in 1930, after completing his thirteenth year as Principal.

Francis A. Bagnall, who followed Dr. Chalmers, retired in 1936. Martin F. O'Connor took his position as President in September of the same year.

With extension to the State Normal Schools of the privilege of granting degrees because of the establishment of the four year course and the recognition of the work done as of collegiate grade, the Legislature in March, 1932, changed the names of all State Normal Schools in Massachusetts to State Teachers Colleges.
ON ARRIVAL

To find the State Teachers College at Framingham is not really so hard as you may imagine. With your Freshman Handbook tucked in your pocket, and your “big sister” to greet you, why worry?

You can’t get lost if you follow these few simple directions. If you come into Framingham by train you will want to take a bus or taxi to the Centre. You will find the bus across the railroad crossing at the next corner by the drug store, and the taxi at the station. There is a difference between Framingham and Framingham Center, a difference of two miles. This you’ll agree to when you’ve walked it a few times! Ask the bus driver to stop at the cement steps leading to the college. These steps are situated at the foot of our “Hill.” The rest of your journey will be done “shanks mare” up a long hill. Go straight up State Street, through Whittemore Gate and straight on to the college buildings. You will first come to Wells Hall and May Hall, and if you are a commuter, you will stop at the latter. If you are a boarder, you will go on to the dormitory. Next on your left is Crocker Hall, the Junior Household Arts practice house. On your right is a brick building, Horace Mann Hall. The next building on your left is Peirce Hall, and the new building is Dwight Hall.

If you come by car, you will find it very easy if you follow the map of the streets you will find in this handbook. If you are coming from Worcester, upon entering Framingham you will cross the railroad tracks, then turn up to your right on Maynard Road. You will follow Maynard Road right up the hill to the college grounds.

If you come from the Boston direction you will come to a group of traffic lights at the corner of Main Street, High Street, and the Turnpike. At this point cross the Turnpike and go up High Street at the right of the gas station on the corner. Continue on this street until you come to State Street at which point you will turn left and continue up the hill to the college grounds.

ENTRANCE TO COLLEGE GROUNDS

The Henry Whittemore Memorial Gate, which is at the entrance to the campus, was given by the Classes of 1917, 1918, and 1919, being named for Mr. Whittemore who was principal of the Framingham Normal School from 1898 to 1917.
To the Freshmen:

Welcome to Framingham. All of us here are happy to know that you have chosen Framingham as your college. We know that you will never regret it.

College is a cooperative place. The best results are obtained by working together. We assure you that we shall do all in our power to make your years with us both pleasurable and profitable. They will be to the extent that you enter into the life of the college.

The time to begin is now. Carry your head high—wear a smile upon your face—speak to everyone. Do not hesitate to ask for assistance when you need it. Be challenging, be intellectually curious, be determined to look upon college as an enriching experience, not as an obstacle to be overcome.

MARTIN F. O'CONNOR,
President.

Greetings to the Freshman Class:

Every year at Framingham we look forward to the arrival of the new students in the freshman class, there is a certain mysterious expectancy. Just what will these new people look like? How will they fit into our interesting but complex life? Will they little by little become one with us in activities and in spirit?

Of course we expect every freshman to like us, to be glad she has come and cast her lot with ours. We expect her to fit into our atmosphere as she becomes more and more familiar with our life and customs. We expect her to contribute her bit to make our college better because she is a part of it.

So you will be welcomed by us with true cordiality. Faculty and students alike will make you feel at home as far as that is possible. The rest is up to you, and I feel sure you will, in turn, give us your friendship, your cooperation and your support.

EDITH A. SAVAGE,
Dean of Women.

A HEARTY WELCOME TO THE FRESHMAN CLASS

Welcome to the members of the Freshman Class of State Teachers College at Framingham.

The Alumnae Association extends its congratulations to you for successfully fulfilling the requirements necessary to make you members of the class of 1943.

You bring with you new life and enthusiasm as you enter our Alma Mater which we as Alumna love and highly esteem. We wish for you years of happiness in Framingham enriched by new and lasting friendships. With our motto “Live to the Truth” always before you, may you gain inspiration to go forth to loyal service.

GRACE E. BARTLETT,
President Alumnae Association.
OBLIGATIONS OF A FRAMINGHAM STATE COLLEGE STUDENT

On entering Framingham as a Freshman, each student becomes automatically a member of the Student Coöperative Association and from then on her membership in this Association implies that she must be willing to accept her obligations as a citizen of the college group and conform to its standards.

There are certain obligations and responsibilities as well as privileges connected with the Student Coöperative Association at Framingham, and each girl should be under obligation to subordinate her own standards to those standards which the Association upholds. Each student should inform herself as to the academic and non-academic responsibilities which are hers and maintain them to the best of her ability.

The attitude of every student towards the college community should be that of constructive coöperation. She should accept and support the fundamental standards of the group and should also be willing to conform to all customs and procedures which have proved to be for the best interests of the community.

Each member of the Student Coöperative Association should take active part in offering suggestions for improvement and should feel herself to be a vital part of a flexible and progressive democracy.

Moreover, while each student is identified with the college, she is, inevitably, its representative wherever she goes and should feel the obligation of loyalty in maintaining its reputation.

HORACE MANN HALL DORMITORY

Horace Mann Hall, which is named for Horace Mann, American educator and father of the normal school movement in our country, was built in 1920 to replace old Normal Hall, which had burned. Usually all classes are represented in this house. Miss Swan, the matron, and Miss Robbins, the resident nurse, have their rooms and offices here. The President of the college and his family occupy an apartment in the south wing of the first floor.
PEIRCE HALL DORMITORY

Peirce Hall is named for Cyrus J. Peirce, the principal of the first normal school in America. It is this building which contains the boarders' dining hall, as well as the offices of Miss Keith, dietitian and matron, and Miss Corea, her assistant, and also one hundred students' rooms.

CROCKER HALL

Crocker Hall, which was named for Miss Lucretia Crocker, an outstanding teacher and the first woman to be appointed supervisor to the Boston schools, was first built in 1886 to be used as a dormitory. On Christmas of the following year the hall was partially destroyed by fire; it was repaired and the new Crocker Hall enlarged and opened in February, 1889. The building is now used as a Practice House for the junior class under the direction of Miss Hall. Each semester one-half of the class takes care of the ordering, preparing, and serving of the meals for the group then in house practice. Since the two brick buildings have enough rooms to accommodate all boarding students, Crocker Hall is no longer used as a dormitory.
VOCATIONAL HOUSE

The Vocational House is the little house at the foot of State Street on Maple Street. It is here that the Vocational girls, in their freshman, junior, and senior years take care of the ordering, preparing, and serving of the meals for the group then in practice house, which is under the direction of Miss Lombard.

OUR CLUBS

The clubs of our Teachers College are seasoned organizations. These clubs represent extra-curricula activities that combine work with pleasure. Each club has some worthy goal to attain.

An institution with the heritage and high standards of Framingham requires that each club stand for all that is best in the social life of the school. It is probable that you will join a club that fits into the scheme of your school life and one that gives you the opportunity for service and the use of your executive ability.

Drive week gives you the chance to choose as you listen to the arguments made by the presidents of the clubs.

All classes and clubs have a faculty advisor, and to complete an activity program it is necessary for the officers to talk over the details of all events such as dances, entertainments, etc., very carefully with their advisors before submitting it to the Faculty Activities Committee and the Class and Club Council for scheduling on the yearly program. Remember, the experience of the Faculty advisor will aid you in keeping clear of unseen pitfalls in the way of contracts, prices, expediency of events, and other matters which might arise. This idea was created to help you in giving to the college the best collective effort of your class or club.

Choose carefully. Do not get stampeded into joining a club that you cannot support enthusiastically.

Good luck, Freshmen. Let us get better acquainted through our Clubs.

FREDERICK W. RIED,
Honorary Club Advisor of C.C.C.
THOMAS A'KEMPIS-NEWMAN CLUB

The Thomas A'Kempis Club, named for a priest and writer of the fourteenth century, was founded twenty-one years ago in this college for the purpose of Catholic culture and Catholic fellowship. It is affiliated with the New England Province of the Federation of College Catholic Clubs.

The club sponsors many activities during the year, the most important being: two Communion Breakfasts, one in the Fall and one in the Spring; a “get acquainted” party; a formal dance; and speakers of note, who give inspirational and educational talks. At Christmas time baskets are donated to the needy of the town, and assistance is given to the Federation for their charity work.

The A'Kempis Club invites all eligible entering classmen to join, and it urges them to enjoy the many services and privileges that the club offers.

FINE ARTS CLUB

The purpose of the Fine Arts Club is to supplement the everyday life of the school with the pleasures derived from some of the cultural arts such as drama, radio, verse choir, arts and crafts, and puppetry. The annual three-act play offers opportunity for the study of stage design, costuming, lighting, and make-up.

THE HOME ECONOMICS CLUB

The Home Economics Club, organized in 1921, was the second student club in Massachusetts. In 1930 the club took the name of the Louisa A. Nicholass Home Economics Club in appreciation of Miss Nicholass, who was for many years the beloved head of the Household Arts Department of Framingham.

The purpose of the club is to bring together the students of the Household Arts Department in order to keep them in touch with the current topics of general home economics interest, to have an organization about which home economics may center, and to familiarize the students with the larger significance of home economics. The club is affiliated with the Massachusetts, the New England, and the American Home Economics Associations.

The club has had many interesting people speak at its regular meetings on topics of value to girls interested in home economics. The main activity of the year is International Night. Girls dress in costumes and present folk dances and songs typical of the countries represented. Characteristic foods are sold during the evening.

The club extends a most cordial greeting to all the students in the Household Arts Department to join and it wishes for them the greatest success in the coming year.

During the year, the Y.W.C.A. conducts a poetry hour especially for Freshmen, on the first Sunday of the college year; holds discussion groups on subjects of interest to students; participates with men and women of other New England colleges in meetings and week-end conferences; sponsors a major event in the college calendar, and holds monthly meetings with guest speakers, or as club parties.

All students in the college are welcome to join the Y.W.C.A., regardless of race or creed. When you choose your clubs, Freshmen, remember the "Y". We are what you help us to be.

ATHLETIC ASSOCIATION

As you look forward to four full years of college life, make up your mind that you are going to take advantage of every opportunity that Framingham offers for the development of an all round personality. No college life is complete without the activity and sociability provided through participation in healthful and beneficial sports, and games. The Athletic Association offers you opportunities in many types of favorite activities, in team sports, hockey, basketball, baseball, volleyball, and in individual games, tennis, archery, bowling, and badminton, as well as modern dance. We believe there is at least one sport to suit the capabilities and interests of every girl whether she be a beginner or an experienced athlete.

Although the Athletic Association sponsors no intercollegiate sports, it does encourage keen and enthusiastic inter-class competition in all sports working toward the award of the Lucie Shepard Reed cup. This cup is awarded annually to the class having the greatest participation and showing the highest degree of excellence in athletics.

The Athletic Association cordially invites every freshman and all upper-classmen to enjoy the fun and fellowship gained in active, enthusiastic participation in sports and games.

THE MUSICAL CLUBS

The Musical Clubs consist of the Glee Club, the Senior Choir, and the Orchestra. Members of the Glee Club are chosen from the school at large by try-outs in September.

The purpose of these clubs is to help members gain an understanding and an appreciation of good music, and to add something of beauty and richness to the lives of those around them. This is carried out by several activities throughout the year. Thanksgiving music, the Christmas Candle-light Service, the Christmas radio broadcast, the combined concerts with the Glee Club of some men's college, and many other performances offer a varied program of activities for the clubs. The last event of the college year is the privilege of singing at Pops Framingham night with the Boston Symphony Orchestra.

THE DIAL

The "Dial" is the college annual published by the Seniors for the whole school. It consists of pictures of faculty, senior group pictures of classes and clubs, campus scenes, and class and club write-ups. In short, it presents a cross-section of college life.

It is our hope that the incoming Freshmen will take an active interest in this publication.

GATE POST

The college paper, issued monthly, is called the Gate Post — appropriate because of the Whittemore Memorial Gateway at the entrance to the campus. It is essentially a newspaper publishing news of the college activities and items of interest to students, faculty, and alumnae.

The Gate Post year ends in February, and at that time a new editor (from the Junior Class) and staff (from the whole student body) are elected.

We, the editor, Ruth Clampitt, and staff, sincerely welcome you entering Freshmen with the hope that many of you will participate on the staff of the paper, and that all will loyally support it.

THE FORUMS

The forums consist of two voluntary groups: the noon forum for the commuters, and the evening forum for the dormitory girls. These groups are under the guidance of Miss Cummings, who is at the head of the history department, and two student leaders. The purpose of the forums which meet one hour weekly is to discuss current happenings in order that those participating may gain a clearer understanding of national and international affairs.

COMmuters' Council

The Commuters’ Council, organized three years ago, is composed of eight girls, two representatives from each class with Dean Savage as advisor and the president of the council represented on the Student Cooperative Association.

It is the aim of this council to discuss and settle problems of the commuters, pertaining to their school life, that may arise.

During the past three years the council has functioned continually, helping to make happy the life of the commuters on the hill.

FRESHMAN CHOIR

The Freshman Choir is for those with good voices to do extra work in music. For the present it will function only during the second term. It is entirely selective.
THE MART

During the year there is much activity in the Mart, the headquarters of the Student Building Fund. Here is where you may purchase your pencils, writing paper, banners, pins, Framingham creeds, and many other useful articles.

We will be waiting for you on Mondays, Wednesdays, and Fridays from eight-thirty to nine o'clock, and on Tuesdays and Thursdays at twelve forty-five o'clock.

QUIET AND ORDER COMMITTEE

The general function of this committee is to help the students in keeping order so that activities may be conducted to the best advantage of all.

Special attention is given to chapel and assembly programs. In attending both chapel and assembly, students are requested to cooperate by being on time and by becoming quiet when the bell rings.

More definite details concerning these activities will be announced in the fall.

THE CHEMISTRY COUNCIL

The Chemistry department unlike any other department is under an Honor System, which we are glad to introduce to the H. A. Freshman.

Under this system, each girl is placed on her honor in all matters pertaining to Chemistry, both in written and in laboratory work.

There is a council consisting of three members elected from each of the upper classes and two elected from the freshman class, with the three faculty members of the chemistry department as advisors, which acts as a governing and advisory board dealing with any violations which may occur.

We hope that the H. A. Freshmen will enjoy the privilege of self-government with all its opportunities for developing leadership and responsibility.

THE SCHOOL LIBRARY

The library is located on second floor of Dwight Hall. It is open to the use of all students of the college. It contains up-to-date reference books and other material to supplement class work, much reading matter for general culture, and periodicals of current interest.

Students are permitted to charge out the material they wish to borrow. Each student is held responsible to carry out the following regulations:

Everything borrowed must be charged.

Everything borrowed must be returned to the desk;

Current periodicals must be left in the library but back numbers may be circulated.

To charge out books and periodicals:

1. Open back cover.
2. Write date on date slip.
3. Take card from pocket and write your name and the date of borrowing.
4. Leave card in box on desk.

To charge out periodicals and pamphlets:

Write name and issue of the magazine or the name of the pamphlet on small pad on desk giving also your name and the date of borrowing. Place slip in box. Put date on back of magazine.

Rules for use of reserved books are posted in the library.

If in doubt, consult the librarian.

The Library Council is composed of a member of the faculty who shall be the librarian; a chairman chosen from the Senior Class; two representatives from each Class, one boarder and one commuter. The Elementary and the H. A. Departments should be equally represented. The object of this council is to assist the librarian, Miss Ritchie, in enforcing library regulations.
BOARD OF LIMITATION

This Board consists of the Dean, a chairman, and the secretaries of classes and clubs. Its duty is to keep a record of the extra-curricula activities of each student, so as to advise her if she is overburdened, even if she is within the limit of points; and also to suggest activities for the student who wishes advice.

The Point System is to guide the students and the Board in the wise selection of these activities.

POINT SYSTEM

A girl is advised not to hold more than one major office during the college year.

A girl holding a major office is advised not to hold more than two minors with a possible total of fourteen points as a maximum.

All Class and Club Presidents are to use copies of the point system during elections and committee appointments.

PERTINENT POINTS

Don't be afraid to smile at the girl who smiles at you. You have met her.

Begin well! Bad work the first semester may handicap you through your whole college course.

You have chosen Framingham as a place to come to, not a place to go away from.

Framingham has an attendance system, not a cut system.

Communism has never been successfully worked out, wear your own clothes and let other people wear theirs.

Don't cut classes or chapel or friends.

Try out for activities and show your ability.

“Chapel is a religious, not a social function.”

This is a place to make many friends, so don't play with one girl exclusively. There are approximately five hundred in College.

It is customary to dress for dinner on Thursday nights.

Leaders must first be followers—be coöperative.

“Above all, don't be afraid to make mistakes; you can be a Freshman only once.”

If you smoke, smoke like a lady. We have a special ruling concerning this practice.

When you are financially low, rent or buy second-hand books.

Help others by wearing soft-soled slippers in the dorm.

H.A.s, better buy long-sleeved uniforms at the start. You will need them for teaching your Junior year.

Now is the time to start to fill your intellectual hope chest.
