The Henry Whittemore Memorial Gate, which is at the entrance to the campus, was given by the Classes of 1917, 1918, and 1919, and named for Mr. Whittemore, Principal of the Framingham Normal School from 1898 to 1917.
ON ARRIVAL

To find the State Teachers College at Framingham is not really so hard as you may imagine. With your Freshman Handbook tucked in your pocket, and your “big sister” to greet you, why worry?

You can’t get lost if you follow these few simple directions. If you come into Framingham by train, you will want to take a bus or taxi to the Centre. You will find the bus across the railroad crossing at the next corner on the left, and the taxi at the station. There is a difference between Framingham and Framingham Centre, a difference of two miles. This you’ll agree to when you’ve walked it a few times! Ask the bus driver to stop at State Street, at the cement steps leading to the college. These steps are situated at the foot of our “Hill.” The rest of your journey will be done “shank’s mare” up a long hill. Go straight up State Street, through Whittamore Gate and straight on to the college buildings. You will first come to Wells Hall and May Hall, and if you are a commuter, you will stop at the latter. If you are a boarder, you will go on to the dormitory. Next on your left is Crocker Hall, the Junior Household Arts practice house. On your right is a brick building, Horace Mann Hall. The next building on your left is Peirce Hall, and the new building at the rear of the campus is Dwight Hall.

If you are coming from Worcester, upon entering Framingham you will cross the railroad tracks, then turn up to your right on Maynard Road. You will follow Maynard Road right up the hill to the college grounds.

If you come from the Boston direction you will come to a group of traffic lights at the corner of Main Street, High Street, and the Turnpike. At this point cross the Turnpike and go up High Street at the right of the gas station on the corner. Continue on this street until you come to State Street, at which point you will turn left and continue up the hill to the college grounds.

HISTORY OF FRAMINGHAM STATE TEACHERS COLLEGE

Over a hundred years ago, Massachusetts schools were faced with the fact that their teachers were unfit for teaching because of ignorance, not only of teaching methods, but of the subject matter as well. To overcome this difficulty, the Massachusetts Board of Education was formed in 1837, with Horace Mann as its first Secretary. This board made possible the establishment of three normal schools, one of which has grown to be our Framingham State Teachers College. Our Normal School was established in 1839 at Lexington under Reverend Cyrus Peirce, as Principal. Reverend Samuel J. May succeeded Peirce in 1842, but after two years the latter again became Principal. In 1849 he was followed by Eben Sterns. The school was moved to Framingham in 1853. The first woman Principal, Miss Annie E. Johnson, served from 1866-1875, and re-established the practice school. She was followed by Miss Ellen Hyde, who became Principal in 1875.

From the establishment of the school until 1898, it prepared for the elementary grades only, but during that year the Mary Hemenway School of Domestic Science in Boston became a part of Framingham Normal School. In 1920 the Vocational Department was established by the Federal Board of Vocational Education.

Henry Whittemore became Principal in 1898 and conducted the school for nineteen years. He was succeeded by Dr. James Chalmers, who retired in 1930, after completing his thirteenth year as Principal.

Francis A. Bagnall, who followed Dr. Chalmers, retired in 1936. Martin F. O’Connor took his position as President in September of that year. With extension to the State Normal Schools of the privilege of granting degrees because of the establishment of the four-year course and the recognition of the work done as of collegiate grade, the Legislature in March, 1932, changed the names of all State Normal Schools in Massachusetts to State Teachers Colleges.
To the Freshmen:

Welcome to Framingham. All of us here are happy to know that you have elected to serve your country through teaching. It is a distinctive, an essential, a patriotic type of service.

College is a cooperative place. The best results are obtained by working together. We assure you that we shall do all in our power to make your years with us both pleasurable and profitable. They will be to the extent that you enter into the life of the college.

The time to begin is now. Carry your head high—wear a smile upon your face—speak to everyone. Do not hesitate to ask for assistance when you need it. Be challenging, be intellectually curious, be determined to look upon college as an enriching experience, not as an obstacle to be overcome.

MARTIN F. O'CONNOR,  
President.

Dear Freshmen-to-be,

If you are looking forward to life at Framingham with mingled feelings of anticipation, curiosity, and perhaps a bit of anxiety, let me assure you that the college you have chosen is a friendly college, and that your arrival is awaited with expectancy.

A strong Freshman Class is a guarantee of continued vitality and excellence, and what you bring to Framingham and grow to while you are here is enormously important to us. We, too, are waiting with mingled feelings—certainly with anticipation, naturally with curiosity, and possibly with a bit of anxiety!

In these days when students the world over are involuntarily foregoing education in schools and colleges you will, I am sure, appreciate the more the advantages you are about to enjoy. May Framingham prove all you are hoping for and more.

Sincerely yours,

DOROTHY LARNED.
To the Freshmen from the Alumnae Association,

Greetings to you—our young friends, now freshmen in our college. These are serious days—these days of war. You, with all of us, face a call to serve that will tax every ounce of determination, ability, and intelligence that you possess. The faith that can move mountains must be in all of us if we are to look sanely at the devastation man has inflicted upon his fellow man. With fathers in service and mothers working outside the home, school children need as never before in our history, sympathy, wise discipline, and understanding help from all possible sources. The duty and privilege of satisfying these needs rests increasingly with schools and teachers.

You must accept the fact that the profession for which you are training is an exacting one. It is subject to constant criticism and little praise; it is inadequately paid; it is not rewarded with fanfare and medals. But no profession on earth brings such satisfaction as teaching and such rich rewards in intangibles if you are willing to give it the best that you have.

There may be occasions when you will watch the Wacs and the Waves, the Spars and the Marines swing down the street and envy them, perhaps. Don’t do it, you have no reason for envy. All of you are in the fight together and your own work is by far the most important. While they are releasing men for combat, you are learning to train citizens to prevent combat, and who, if you do your work well, will preserve not only our own beloved country, but the integrity of other countries also. Yours is a tremendous and sobering responsibility. The Framingham of today will sustain you and the traditions of the past will enable you as you gird yourselves for the tasks ahead.

CHRISTINE L. BENNETT,
President of the Alumnae Association.

Welcome to the Class of 1948,

The Student Coöperative Association extends to you a most sincere welcome. Here at Framingham we look forward to each incoming class with anticipation—wondering what new ideas the girls will bring, and what abilities the class as a whole will demonstrate.

Framingham has much to offer—you must have realized that when you chose to come here. It is a friendly place, and, if you enter wholeheartedly into its life, your four years on the Hill should be successful and happy ones.

Best wishes for the future, Freshmen.

CLaire Fitzpatrick.

OBLIGATIONS OF A FRAMINGHAM STATE COLLEGE STUDENT

On entering Framingham as a freshman, each student becomes automatically a member of the Student Coöperative Association, and from then on her membership in this Association implies that she must be willing to accept her obligations as a citizen of the college group and conform to its standards.

There are certain obligations and responsibilities as well as privileges connected with the Student Coöperative Association at Framingham, and each girl should be under obligation to subordinate her own standards to those standards which the Association upholds. Each student should inform herself as to the academic and non-academic responsibilities which are hers and maintain them to the best of her ability.

The attitude of every student towards the college community should be that of constructive coöperation. She should accept and support the fundamental standards of the group and should also be willing to conform to all customs and procedures which have proved to be for the best interests of the community.

Each member of the Student Coöperative Association should take active part in offering suggestions for improvement and should feel herself to be a vital part of a flexible and progressive democracy.

Moreover, while each student is identified with the college, she is, inevitably, its representative wherever she goes and should feel the obligation of loyalty in maintaining its reputation.

OUR CREED

We believe—in the Framingham State Teachers College and in its motto “Live to the Truth.”

We believe—in a spirit of loyalty to our teachers, classmates, and friends:

in a spirit of coöperation and sportsmanship in the classroom, on the athletic field, and in all other activities.

We believe—in courtesy at all times, and a consideration for the rights and privileges of others:

in true and generous comradeship and mutual helpfulness that insures the well-being and advancement of the individual and the group.

We believe—in a high standard of scholarship, intellectual integrity, and thoroughness in all our undertakings:

in making diligent search through our contacts with people and books after the best that life has to offer.

We believe—that an honest and consistent devotion to these ideals will so develop us as to give us “The Good Life” and sustain and build traditions for our college.
CLASS AND CLUB COUNCIL
The council was organized in 1937 as a part of the government of the Student Coöperative Association.

The duties are: to schedule activities for classes and clubs; to decide the general policies of the extra-curricular activities; to take charge of the voting for the Student Coöperative Association officers; to plan a voting procedure for the clubs.

The second vice-president of the Student Coöperative Association is the chairman of this council. A faculty advisor is elected by the Class and Club Council each year.

THE JUDICIAL BOARD
The members of the board shall consider all cases of discipline except in academic matters; shall have the power of imposing penalties for minor offenses. For further offenses, all decisions of the Judicial Board shall be referred to the Executive Council for final approval.

The board is composed of the chairman, one senior, two juniors, and one sophomore. A faculty member acts as an advisor.

THE COMMUTERS’ COUNCIL
The Commuters’ Council, organized several years ago, is composed of eight girls, two representatives from each class, with the Dean as advisor. The chairman represents the council in the Student Coöperative Association.

It is the aim of this council to discuss and settle problems pertaining to the school life of the commuters.

During the past three years the council has functioned continually, helping to make happy the life of the commuters on the hill.

LIBRARY COUNCIL
In 1936 the Library Council was organized and accepted by the Student Coöperative Association as a part of its government.

It is composed of eight girls, two representatives from each class, one an elementary and the other a household arts member, with the librarian as advisor.

Its purpose is to secure full cooperation in the proper use and enjoyment of the library.

CHEMISTRY COUNCIL
The Chemistry Department, unlike any other department, is under an Honor System, which we are glad to introduce to the H. A. freshmen.

Under this system each girl is placed on her honor in chemistry in all work designated as honor work in the Constitution.

The Chemistry Council consists of three members elected from each of the upper classes, four elected from the freshman class, and a faculty member of the chemistry department acting as advisor. This Council is a governing and advisory board, which deals with any violations which may occur.

The aims and ideals of the Honor System are best expressed in the “Foreword” of the Constitution which is as follows:

“We, the students of the Household Arts and Vocational Household Arts Department of the State Teachers College at Framingham, believe that the main purpose of Education is to develop character. As honesty and sense of responsibility are traits of good character, we seek to further their growth by establishing our own Honor System and Chemistry Council. This system aims to increase the spirit of fair play and good sportsmanship in the class room. With this goal
in view we pledge ourselves to the support of the Constitution of the Chemistry Council.

"Since the success of the Honor System depends entirely upon the cooperation of all taking part in it, students are urged to help by taking a vital interest in its progress.

"May it be the aim of each girl to instill into the minds of incoming students the tradition of honesty and the principles of honor which exist in all contests among students, and among students and faculty. With such whole-hearted acceptance of the aims and purposes of the honor system by each participant, violations of our system will be rare and intolerable, and the judicial work of the Council will be reduced to a minimum."

We are confident that the H. A. Freshmen will uphold this privilege of self-government.

QUICK AND ORDER COMMITTEE

The general function of the Quiet and Order Committee is to help the students keep order so that activities may be conducted to the best advantage of all.

Special attention is given to the attendance at chapel and assembly programs. In attending both chapel and assembly, students are requested to cooperate by being on time and by becoming quiet when the bell rings.

This year the committee organized fire drills that were held during recitation periods as well as during assembly periods.

MAY HALL

May Hall, named for Miss Abbie W. May, who was chairman of the board of visitors in the eighties, was the main classroom and administration building prior to the opening of Dwight Hall. It was opened in September, 1889, and dedicated in June, 1890. The first floor was used then primarily as a practice school. In 1898 the Mary Hemenway Household Art Department was added to this building.

HORACE MANN HALL

Horace Mann Dormitory, which is named for Horace Mann, educator and father of the normal school movement in our country, was built in 1920 to replace old Normal Hall, which had burned. All classes are represented in this house.

The House is under the direction of Miss Johnson. Miss Robbins, Resident Nurse, has her office and treatment rooms in this dormitory.

PEIRCE HALL

Peirce Hall is named after Cyrus J. Peirce, the first principal of the first State Normal School in America. Accommodating one hundred students this building is principally a house for freshmen and sophomores. Here also is the boarders’ dining room.

Miss Keith, dietitian, and Miss Fox, assistant matron, have their offices and rooms in this hall.
CROCKER HALL

Crocker Hall, which was named after Miss Lucretia Crocker, an outstanding teacher and the first woman to be appointed supervisor of the Boston schools, was built in 1886 to be used as a dormitory. On Christmas of the following year the hall was partially destroyed by fire. It was later repaired, enlarged and reopened in February, 1889. After the hurricane of September, 1938, Crocker was brick-faced, somewhat remodeled, and the new Crocker opened to the Junior Home Management Group on March 4, 1940. The building is now used as The Home Management and Practice House for the Junior Class of the Household Arts Department under the direction of Miss Corinne Hall. Each semester one half of the class does the ordering, preparing, and serving of the meals for the group then in the House Practice.

VOCATIONAL HOUSE

The Vocational House is the little house at the foot of State Street on Maple Street. It is here that the Vocational girls, in their freshman, junior, and senior years take care of the ordering, preparing, and serving of the meals for the group. The house is under the direction of the head of the Vocational Department, Miss Lou Lombard.
On the second floor of Dwight Hall is located the college library recently named the Ella C. Ritchie Library as a tribute to the librarian who served the college from 1923 until her death in 1941. In addition to this main library there are several departmental libraries on the campus, making more easily available the books and other library materials needed for special class work.

The library of over 15,000 volumes includes an adequate collection of reference books, books specifically chosen for class work, books for recreational and cultural reading, newspapers, and more than 150 periodicals on a wide variety of subjects. Since the books and periodicals have been selected to answer the many needs of both faculty and students, certain rules regarding the use of the library and its materials are necessary so that all members of the college community may enjoy equal library privileges.

1. Reference books do not circulate; they are needed in the library at all times.
2. Current periodicals do not circulate; they may be read in the library.
3. Certain books needed for class assignments are taken from the main collection from time to time and placed on special shelves for limited periods. These so-called reserved books are charged for over night only. In this way a few copies serve many students.
4. All other books and other library materials may be taken out for a period of two weeks; at the end of that time renewal is allowed.

Either the librarian or a student assistant is always on duty in the library. All users of the library are urged to consult the desk attendant at any time when they need help in using the library. The college library is a place for quiet reading and study; it is an agency of instruction rather than a storehouse of books; it should be the academic center of the institution.
THE MUSICAL CLUBS

The Musical Clubs consist of the Glee Club, the Senior Choir, and the Orchestra. Members of the Glee Club are chosen from the school at large by try-outs in September. Members of the choir are a small selective group. This group sings once a week in chapel and gives many outside concerts during the course of the year.

The purpose of these clubs is to help members gain an understanding and appreciation of good music, and to add something of beauty and richness to the lives of those around them. This is carried out by several activities throughout the year. Thanksgiving music, the Christmas Candle-light Service, the Christmas radio broadcast, the combined concerts with the Glee Club of some men's college, and many other performances offer a varied program of activities for the clubs.

ATHLETIC ASSOCIATION

The Athletic Association is open to all who wish to join. No special skill is required to be a member. All that is necessary is enthusiasm for sports and the enjoyment of mingling with other classmates.

A variety of sports is offered. There are team sports—hockey, basketball, baseball and volleyball; there are individual games—tennis, archery, bowling, badminton and modern dancing. Although there are no inter-collegiate games, the girls enjoy interclass games. Points are given for participation in any athletic event. These points work to the award of the Lucie Shepard Reed Cup. This cup is awarded annually to the class having the greatest participation and showing the highest degree of excellence in athletics.

You who are to be members of the class of '48 will find that life at Framingham will be further enriched through participation in school athletics. The aim of the Athletic Association is to develop interest in sports and also to further the sociability of its members.

THOMAS A’KEMPIS-NEWMAN CLUB

The Thomas A’Kempis Club, named for a priest and writer of the fourteenth century, was founded twenty-five years ago in this college for the purpose of Catholic culture and Catholic fellowship. It is affiliated with the New England Province of the Federation of College Catholic Clubs.

The club sponsors many activities during the year, the most important being two Communion Breakfasts, one in the fall and one in the spring; a “get acquainted” party; a formal dance; and speakers of note, who give inspirational and educational talks. At Christmas time baskets are donated to the needy of the town, and assistance is given to the Federation for their charity work.

The A’Kempis Club invites all eligible entering classmen to join, and it urges them to enjoy the many services and privileges that the club offers.

The Young Women’s Christian Association at Framingham is affiliated with the associations of the other women’s colleges of Metropolitan Boston, and also with the Student Christian Movement of New England.

During the year the Y. W. C. A. holds discussion groups on subjects of interest to students; participates with men and women of other New England colleges in meetings and week-end conferences; sponsors a major event in the college calendar; holds monthly meetings with guest speakers; and on the first Sunday morning of the school year traditionally leaves a red rose for each boarding freshman.

All students in the college are welcome to join the Y. W. C. A., regardless of race or creed; so we invite you, freshmen, to join this club of service.

THE HOME ECONOMICS CLUB

The Home Economics Club, organized in 1924, was the second student club in Massachusetts. In 1930 the club took the name of the Louisa A. Nicholass Home Economics Club in appreciation of Miss Nicholass, who was for many years the beloved head of the Household Arts Department of Framingham.

The purpose of the club is to bring together the students of the Household Arts Department in order to keep them in touch with the current topics of general home economics interest, to have an organization about which home economics may centre, and to familiarize the students with the larger significance of home economics. The club is affiliated with the Massachusetts, the Eastern Massachusetts, and the American Home Economics Associations.

The club has had many interesting people speak at its regular meetings on topics of value to girls interested in home economics. The main activity of the year is International Night. Girls dress in costumes and present folk dances and songs typical of the countries represented. Characteristic foods are sold during the evening.

The club extends a most cordial greeting to all the students in the Household Arts Department to join and it wishes for them the greatest success in the coming year.

FINE ARTS CLUB

The officers and members of the Fine Arts Club extend a warm welcome to all new Framingham students and express the sincere wish that you may all join in the activities of the club.

If you would like to study radio broadcasting technique, marionettes, acting, stage costumes, setting, lighting or make-up, the club offers you all these opportunities.

If you are interested in dramatic art, you will find your greatest pleasure with the Workshop Players who present programs for community groups.

As a Fine Arts Club member you may participate in any one or in several of these activities, and we feel sure that no matter what group you may decide to join, you will profit both in experience and in fun.

THE DIAL

Welcome to the Class of 1948 from the members of the Dial staff.

The function of a sun dial is to tell time; the function of our yearbook, the Dial, is to record time, time which has been spent at Framingham Teachers College on the campus, at classes, at various activities, and in the dorms.

And so the Dial staff of 1945 will endeavor to record for the seniors especially, but also for the entire student body, a reflection of one year of their educational history with pictures and stories of every worthwhile event.

The Dial enables all of us to make the year's events lasting memories.

JEAN SPRAGUE, '45, 
Editor.

GATE POST

The Gate Post, the college paper, is issued eight times a year. It gets its name from the Whitemore Memorial Gateway at the entrance to the campus.

The purpose of the Gate Post is to publish the news of college happenings and related items which are of interest to students, faculty, and alumnae.

The Gate Post year ends in February, at which time a new editor-in-chief, assistant editor, business manager, and assistant business manager are elected by the entire student body.

The entire staff of the paper extend to the entering freshmen a hearty welcome and express the sincere hope that many of them will be members of our staff in the future.

ELEANOR HARRINGTON, '45, 
Editor.

THE MART

During the year there is much activity in the Mart, the headquarters of the Student Alumnae Building Fund.

Here is where you may purchase college supplies, stationery, banners, pins, plates, playing cards, and the new silver spoons and jewelry with the Framingham seal. Here, too, is where magazines and newspapers are salvaged for defense work and articles stored for rummage sales.

We shall be waiting for you daily from 8:30-8:50 (Thursdays and Fridays: 9:00-9:20) and 12:45-1:10 and Mondays, Wednesdays, and Thursdays—evenings from 6:30-7:00.

OFF-CAMPUS CONTACTS

A Framingham girl aims to be informed. She is not enclosed behind brick walls, but rather sees vital connections between her studies and the world she lives in.

Many students join the Foreign Policy Association, the Twentieth Century Club, and the Pan-American League, where they have an opportunity to attend lectures on the social, economic, and political problems in the world today. They also broaden their cultural background by visiting some of the museums that are comparatively near the college: in Boston, Cambridge, and Worcester.

Many of the students join the Civic League Association which brings to Framingham outstanding artists in the musical world.

Home economic students make supervised visits to markets, stores, and industrial plants.

All departments at Framingham encourage a close relationship between scholastic work and related cultural opportunities in the surrounding communities.
POINT SYSTEM

A recorder of points shall keep, and make available upon request, a record of the students elected to the positions listed below.

A girl is advised not to hold offices aggregating more than fourteen points.

PERTINENT POINTS

Remember that you are entering a professional college, and a professional attitude is expected of you.

The first impressions you make last the longest. Rise when an older person stops to speak to you. Framingham recommends you on the basis of your reputation here.

Books or equipment courteously loaned should be returned promptly and in good condition.

Permission should be secured for the use of any laboratory equipment outside of class.

Chapel is a spiritual exercise and merits reverent attention.

Attendance is expected at every Chapel.

Avoid carrying unnecessary material to Chapel or Assembly programs.

Students rise upon introduction to guest artists and Assembly speakers who should always receive courteous attention.

Begin well! Poor work in the first semester may handicap you through your whole college course.

If you are not doing well in a subject, do not hesitate to ask for a conference with the instructor.

Leaders must first be followers—be coöperative.

Student cars should not be parked on campus drives. Use Wells hill or the campus side of State Street.

Narrow campus walks may require a single line of traffic; they are not “one way,” and you give room for passage both ways.

Pass through the corridors quietly and as seldom as possible while classes are being held.

Avoid calling to people, or watching campus programs, from dormitory or classroom windows.

If you are financially low, rent or buy second-hand books from upper classmen. Terms: renting—50 cents a semester; buying—one third off original price.

Framingham with its beautiful campus, attractive dorms, and vic parties offers ideal facilities for week-end entertainment.

The Centre is not the only direction in which to walk; there are many lovely spots in and around Framingham.

Now is the time to add to your intellectual hope chest.

Don't be afraid to speak to the girl who smiles at you.

This is the place to make friends; don't chum with one girl exclusively. There are approximately four hundred at Framingham.

Careful grooming is expected of every student.

Apply cosmetics in a natural way.

Avoid wearing sport clothes at dinner on Thursdays and Sundays in the dormitories.

A wee kitchenette in each dormitory offers opportunity for making a cup of coffee or a sandwich.

The electric current in the dormitories is D.C. not alternating and care should be taken lest electrical appliances requiring alternating be ruined.

Bring three or four ply yarn and needles to knit six inch squares for afghans for Cushing Hospital.
SONGS

**Our F. T. C.**

Ey'ry young girl has a college
About which she loves to tell,
For 'tis here she forms ideals,
And she learns life's lessons well.
Now the school we love to cheer for
That doth rouse us with a will,
Is our F. T. C. forever,

Dear old school on College hill.

Chorus:
Let us cheer dear Alma Mater,
Let us sing her praises too,
May the spirit roused within us
Stronger grow our whole life thro'.
With a love that's never failing,
May we ever loyal be,
Give a cheer, girls, all together,
For our glorious F. T. C.

**To Our Dear Framingham**

To our dear Framingham, we give our love,
Our honor, loyalty and service true.
Our love will urge us on to higher life
And honor will our characters imbue.
Our loyalty is as a guiding star
To lead us on in paths of service far.
With eager hands may we our love out-pour
And honor Framingham forevemore,
And so we sing our Alma Mater song
A symbol of our trust secure and strong;
And when from Framingham we all must part
Her love will be deep-rooted in each heart.

**Framingham**

Framingham so dear,
We sing to you;
Right on our College hill
We love you, yes, we do,
(Our College)
Long may we cherish thee,
Love and adore,
Sing praise and honor forevermore.
