HOW TO FIND F. T. C.

To find State Teachers College at Framingham is not really so hard as you may imagine. With your Handbook tucked in your pocket, and your “big sister” to greet you, why worry?

You can’t get lost if you follow these simple directions. If you come into Framingham by train, you will want to take a B & W bus or taxi to Framingham Centre. You will find the bus across the railroad crossing at the first corner on the left, and the taxi at the station. The distance from Framingham to the Centre is two miles. Ask the bus driver to stop at State Street, at the cement steps. These steps are situated at the foot of our “Hill.” The rest of your journey will be done “shank’s mare” up the long hill, State Street, through Whittemore Gate and straight on to the college grounds. You will come first to Wells Hall, then May Hall. Then take your left at the drive and go around the circular drive to Dwight Hall where all students register and where boarders will be directed to the dormitories.

If you drive from Worcester, upon entering Framingham Centre you will cross the railroad tracks, then turn immediately right on to Maynard Road. You will follow Maynard Road on up the hill to the college grounds.

If you drive in from Boston you will come to a group of traffic lights at the corner of Main Street, High Street, and the Turnpike. At this point cross the Turnpike and go up High Street at the right of the Esso Gas station on the corner. Continue on this street until you come to State Street, at which point you will turn left up the hill to the college grounds.

The Henry Whittemore Memorial Gate, which is at the entrance to the campus, was given by the Classes of 1917, 1918, and 1919, and named for Mr. Whittemore, Principal of the Framingham Normal School from 1898 to 1917.
OUR FRAMINGHAM BACKGROUND

Over a hundred years ago, Massachusetts schools were faced with the fact that their teachers were unfitted for teaching because of ignorance, not only of teaching methods, but of the subject matter as well. To overcome this difficulty, the Massachusetts Board of Education was formed in 1837, with Horace Mann as its first Secretary. This board made possible the establishment of three normal schools, one of which has grown to be our Framingham State Teachers College. Our Normal School was established in 1839 at Lexington under Reverend Cyrus Peirce, as Principal. Reverend Samuel J. May succeeded Peirce in 1842, but after two years the latter again became Principal. In 1849 he was followed by Eben Sterns. The school was moved to Framingham in 1853. The first woman Principal, Miss Annie E. Johnson, served from 1866-1875, and re-established the practice school. She was followed by Miss Ellen Hyde, who became Principal in 1875.

Until 1898, the school prepared for the elementary grades only, but during that year the Mary Hemenway School of Domestic Science in Boston was added. In 1920 the Vocational Department was established by the Federal Board of Vocational Education.

Henry Whittemore became Principal in 1898 and conducted the school for nineteen years. He was succeeded by Dr. James Chalmers, who retired in 1930.

Francis A. Bagnall, who followed Dr. Chalmers, retired in 1936. Martin F. O'Connor took his position as President in September of that year.

With extension to the State Normal Schools of the privilege of granting degrees because of the establishment of the four-year course and the recognition of the work done as of collegiate grade, the Legislature in March, 1932, changed the names of all State Normal Schools in Massachusetts to State Teachers Colleges.

OUR CREED

We believe—in the Framingham State Teachers College and in its motto “Live to the Truth.”

We believe—in a spirit of loyalty to our teachers, classmates, and friends;

in a spirit of coöperation and sportsmanship in the classroom, on the athletic field, and in all other activities.

We believe—in courtesy at all times, and a consideration for the rights and privileges of others;

in true and generous comradeship and mutual helpfulness that insures the well-being and advancement of the individual and the group.

We believe—in a high standard of scholarship, intellectual integrity, and thoroughness in all our undertakings;

in making diligent search through our contacts with people and books after the best that life has to offer.

We believe—that an honest and consistent devotion to these ideals will so develop us as to give us “The Good Life” and sustain and build traditions for our college.
To the Freshman,
Welcome to Framingham. All of us here are pleased to know that you have chosen Framingham as your college.
In this year of 1947 admission to college is a great privilege. Many worthy applicants have been turned away on account of lack of facilities. The obligation is heavy upon those who are admitted to work doubly hard, for the college freshmen of today will be the leaders of tomorrow.
Our college is a coöperative place. The best results are obtained by working together.
We hope that your years here will be both pleasurable and profitable. They will be to the extent that you enter into the life of the college.
Make a good beginning. Carry your heads high. Greet everyone with a smile. Speak to everyone. Do not hesitate to ask for assistance when you need it. Be challenging, be intellectually curious, be determined to look upon college as an enriching experience. In this way lies success. God grant that you may achieve it.
MARTIN F. O'CONNOR, President.

Dear Girls,
One's imagination fairly runs riot when one begins to speculate on an entering class!
Will there be more coöperative ones and fewer self-centered ones? More purposeful ones and fewer "whirligigs"? More thinkers and fewer "blotters"? More ambitious ones and fewer drifters? More of those girls who quickly sense the difference between college and high school, and fewer of those who guard their immaturity as though it was youth itself? We hope so.
How far will they have progressed in the process of thinking? In the art of getting along with people? In the ability to adjust to unfamiliar situations? In discriminating values? In formulating high ideals?
We shall soon know, for you will soon be here.
Sincerely yours,
DOROTHY LARNED, Dean of Women.
Welcome to Framingham!

You are beginning four of the happiest and most profitable years of your life. Live each hour to its fullest extent. We, who are the graduates, know what a privilege it is to be connected with a college like Framingham.

Our Alumnae Association is a large one, over 4000 active members. We have a Reunion once in two years, when the graduates come back to the Hill, nearly one-thousand strong. Upon graduation your class officers will automatically become members of the Alumnae Council, meeting twice a year at the college. It is here that the policies of the Association are discussed and recommended. We are custodians of many thousands of dollars in the form of scholarships, funds and gifts. We are a member of the American Alumnae Council, one of the few Teachers Colleges so listed.

You can see that our association is an important part of college life and in that capacity we welcome you most cordially and in due time to membership in our Alumnae Association.

RITA K. HALL, 1907,
President of the Alumnae Association, F. S. T. C.

To the class of '51,

The Student Coöperative Association wishes to extend to you a most sincere welcome to our college on the hill.

Make each day of your four years an important day to yourself and to your class by contributing of your intellectual ability and any talent that you possess. Framingham exists through the coöperation of the students and the faculty. We have a united spirit which you will discover as you participate in all our activities, whether they are intellectual, cultural, or social.

There is no easy road to success. Everyone must do her part. May each of your four years be happy and successful. Good luck to each one of you.

CATHERINE BURKE,
President of Student Coöperative Association.

OBLIGATIONS OF A FRAMINGHAM STATE COLLEGE STUDENT

On entering Framingham as a freshman, each student upon payment of the budget fee becomes automatically a member of the Student Coöperative Association, and from then on her membership in this Association implies that she will be willing to accept her obligations as a citizen of the college and conform to its standards.

There are certain obligations and responsibilities as well as privileges connected with the Student Coöperative Association at Framingham, and each girl should be ready and willing to assume her full share.

A wisely adjusted balance of academic and non-academic responsibilities contributes to the development of an all round student.

The attitude of every student towards the college community should be that of constructive cooperation. She should accept and support the fundamental standards of the group and should also be willing to conform to all customs and procedures which have proved to be for the best interests of the community.

Each member of the Student Coöperative Association should take active part in offering suggestions for improvement and should feel herself to be a vital part of a flexible and progressive democracy.

Moreover, while each student is identified with the college, she is, inevitably, its representative wherever she goes and should feel the obligation of loyalty in maintaining its reputation at all times.

CLASS AND CLUB COUNCIL

Chairman: Marybeth McCann

The council was organized in 1937 as a part of the government of the Student Coöperative Association. Its purpose is to promote cooperation between the various club groups.

The duties are: to schedule activities for classes, clubs and college publications; to decide the general policies of the extra-curricular activities; to take charge of the voting for the Student Coöperative Association officers; to plan a voting procedure for the clubs.

The second vice-president of the Student Coöperative Association is the chairman of this council. A faculty adviser is elected by the Class and Club Council each year.

THE JUDICIAL BOARD

Chairman: Jean Faulkner

The members of the board shall consider all cases of discipline except in academic matters; shall have the power of imposing penalties for minor offenses. For further offenses, all decisions of the Judicial Board shall be referred to the Executive Council for final approval.

The board is composed of the chairman, one senior, two juniors, and one sophomore. A faculty member acts as an adviser.

LIBRARY COUNCIL

Chairman: Elaine Connify

In 1936 the Library Council was organized and accepted by the Student Coöperative Association as a part of its government.

It is composed of eight girls, two representatives from each class, one an elementary and the other a household arts member, with the librarian as adviser.

Its purpose is to secure full coöperation in the proper use and enjoyment of the library.
CHEMISTRY COUNCIL  
*Chairman:* Patricia Williams  

The Chemistry Department, unlike any other department, is under an Honor System, which we are glad to introduce to the H. A. freshmen. Under this system each girl is placed on her honor in chemistry in all work designated as honor work in the Constitution.

The Chemistry Council consists of three members elected from each of the upper classes, four elected from the freshman class, and a faculty member of the chemistry department acting as adviser. This Council is a governing and advisory board, which deals with any violations which may occur.

The aims and ideals of the Honor System are best expressed in the "Foreword" of the Constitution which is as follows:

"We, the students of the Household Arts and Vocational Household Arts Department of the State Teachers College at Framingham, believe that the main purpose of Education is to develop character. As honesty and sense of responsibility are traits of good character, we seek to further their growth by establishing our own Honor System and Chemistry Council. This system aims to increase the spirit of fair play and good sportsmanship in the class room. With this goal in view we pledge ourselves to the support of the Constitution of the Chemistry Council.

"Since the success of the Honor System depends entirely upon the cooperation of all taking part in it, students are urged to help by taking a vital interest in its progress.

We are confident that the H. A. Freshmen will uphold this privilege of self-government.

QUIET AND ORDER COMMITTEE  
*Chairman:* Irene Szlyk  

The general function of the Quiet and Order Committee is to help the students keep order so that activities may be conducted to the best advantage of all.

Special attention is given to the attendance at chapel and assembly programs. In attending both chapel and assembly, students are requested to cooperate by being on time and by becoming quiet when the bell rings.

DINING ROOM COUNCIL  
*Chairman:* Geraldine Beaudry  

The Dining Room Council exists for the purpose of representing the students in all matters pertaining to the dining room, to review and enforce the rules applying to conduct, etiquette, and dress in the dining room, and to cooperate with Miss Haley in serving the best interests of the students.

The Council comprises a senior representative, who is the chairman; a junior representative, who is the secretary; and a representative from the sophomore and the freshman classes. To these representatives all suggestions should be referred.

**THE MUSICAL CLUBS**

The Musical Clubs here at Framingham are the Glee Club, Choir, and Instrumental Ensemble. The Glee Club members are chosen by try-outs early in September. Every girl in school has the chance to belong to it. Our Choir is a selected group who sing one morning a week in chapel, and give outside concerts during the course of the year.

The purpose of these clubs is to help members gain an understanding and appreciation of good music, and to add something of beauty and richness to the lives of those around them. This is carried out by several activities throughout the year. Thanksgiving music, the Christmas Candle-light Service, the Christmas radio broadcast, the combined concerts with the Glee Club of some men's college, and many other performances offer a varied program of activities for the clubs.

ATHLETIC ASSOCIATION

The Athletic Association is open to all who wish to join. No special skill is required to be a member. All that is necessary is enthusiasm for sports and the enjoyment of mingling with other classmates.

A variety of sports is offered. There are team sports—hockey, basketball, baseball and volleyball; there are individual games—tennis, archery, bowling, badminton and modern dancing. Although there are no inter-collegiate games, the girls enjoy interclass games. Points are given for participation in any athletic event. These points work to the award of the Lucie Shepard Reed Cup. This cup is awarded annually to the class having the greatest participation and showing the highest degree of excellence in athletics.

You who are to be members of the class of '49 will find that life at Framingham will be further enriched through participation in school athletics. The aim of the Athletic Association is to develop interest in sports and also to further the sociability of its members.

The club sponsors many activities during the year, the most important being two Communion Breakfasts, one in the fall and one in the spring; a “get acquainted” party; a formal dance; and speakers of note, who give inspirational and educational talks. At Christmas time baskets are donated to the needy of the town, and assistance is given to the Federation for their charity work.

THE HOME ECONOMICS CLUB

The Home Economics Club, organized in 1924, was the second student club in Massachusetts. In 1930 the club took the name of the Louisa A. Nicholass Home Economics Club in appreciation of Miss Nicholass, who was for many years the beloved head of the Household Arts Department of Framingham.

The purpose of the club is to bring together the students of the Household Arts Department in order to keep them informed of current problems and topics of general interest to home economists, to have an organization for participation in off-campus home economics activities, and to familiarize the students with the broad fields of home economics. Our college club is affiliated with the Eastern Massachusetts Home Economics Association, the Massachusetts State Home Economics Association, the American Home Economics Association, and is a member of the College Club Department.

The club offers a varied program including an annual fall fashion review, speakers from many different fields of home economics and an annual May Supper, and it also offers an opportunity to participate in meetings of the College Club Department.

As the professional organization of the Household Arts Department it serves as an introduction to professional contacts with important people in the fields of home economics. The club extends a cordial greeting to all the students in the Household Arts Department and invites them to join the Home Economics Club.

THE MART

During the year there is much activity in the Mart, the headquarters of the Student Alumnae Building Fund.

Here is where you may purchase art and penmanship supplies, stationery, banners, stickers, playing cards, and silver and jewelry with the Framingham seal. We have an embroidered college seal for your blazer or sweat shirt, too.

When you need a birthday card or gift, something for your weekend hostess, or prizes for any occasion, visit the Mart. Here, too, is where magazines and newspapers are salvaged, and articles stored for rummage sales.

We shall be waiting for you daily from 8:30-8:50 (Thursdays and Fridays: 9:00-9:20) and 12:45-1:10, and Monday, Wednesday, and Thursday evenings from 6:30-7:00.
Hello, freshmen!

"The Dial" is the college yearbook, edited annually by the members of the senior class. This publication will pictorially record all the academic and social activities of your life on the "hill."

We, the members of "The Dial" staff, shall be eagerly waiting to greet you, our Freshmen Sisters, at "The Dial" tea on Tuesday, September 16, and invite you to patronize "The Dial" Halloween Dance, our big social event of the coming year.

VIRGINIA HALPIN, 1948, Editor-in-chief.

GATE POST

The members of the "Gate Post" staff welcome you, the class of 1951! The "Gate Post" is your college paper, issued eight times during the academic year, to bring the news of college activities and other items of interest to students, faculty and alumnae.

The "Gate Post," which gets its name from the Whittmore Memorial Gateway at the entrance to the campus, is the sponsor of one of the festive mid-winter dances held annually by the various college organizations.

In the spring of each year, the entire student body elects a new editor-in-chief, assistant editor, business manager and assistant business manager, who assume the responsibilities of their office from this time on. This group, in turn, appoints the new staff for the coming year.

We hope that you, Freshmen, in the near future, will become interested in your college publication and will become a part of this organization.

RED CROSS ACTIVITIES

The Red Cross College Unit coöperates with the Framingham Chapter of the Red Cross. Through this College Unit the girls are able to participate in Red Cross activities as a group, and enjoy valuable community relationship.

During the past year the members have assumed responsibilities in different fields of work. They helped in the entertainment at Cushing Veterans' Hospital by furnishing a modern dance program, and repeating the three act play which was given by the Fine Arts Club. Other Red Cross activities included Motor Corps driving, first aid classes, and home nursing classes for which college credit was given.

All these activities will continue if there is a demand for them. In addition the College Unit stands ready to assume new or different duties, in accordance with the time and abilities at its disposal. Identify yourself with your Red Cross College Unit.

C. Absences before or after a holiday or vacation must be reported at the Dean's office before a student returns to any class.

D. Any student who becomes ill during class hours must report such illness to the Dean, the nurse, or a matron.

E. No student may leave a class without reporting to the instructor in charge.

F. Any known contact with communicable diseases must be reported at once to the nurse. This statement applies to all students attending college.

Opportunities for self help during the college year are very limited and are offered first to the upperclassmen.

IX. Lost and Found Articles:

Found articles should be taken promptly to the office of the Dean where owners should inquire for them. From time to time the list of these articles will be published in the Gate Post. MAY HALL

May Hall, named for Miss Abbie W. May, who was chairman of the board of visitors in the eighties, was the main classroom and administration building prior to the opening of Dwight Hall. It was opened in September, 1889, and dedicated in June, 1890. The first floor was used then primarily as a practice school. In 1898 the Mary Hemenway Household Art Department was added to this building.

WELLS HALL

In 1902 Wells Hall, which is connected to May Hall by a bridge, was completed. This hall was named for Kate Gannett Wells, a member of the Board of Education at that time.
HORACE MANN HALL

Horace Mann Dormitory, which is named for Horace Mann, educator and father of the normal school movement in our country, was built in 1920 to replace old Normal Hall, which had burned. All classes are represented in this house.

The House is under the direction of Miss Johnson. Miss Pope, Resident Nurse, has her office and treatment rooms in this dormitory.

PEIRCE HALL

Peirce Hall is named after Cyrus J. Peirce, the first principal of the first State Normal School in America. Accommodating one hundred students this building is principally a house for freshmen and sophomores. Here also is the boarders’ dining room.

Miss Haley, dietitian, and Miss Fox, assistant matron, have their offices and rooms in this hall.
CROCKER HALL

Crocker Hall, which was named after Miss Lucretia Crocker, an outstanding teacher and the first woman to be appointed supervisor of the Boston schools, was built in 1886 to be used as a dormitory. On Christmas of the following year the hall was partially destroyed by fire. It was later repaired, enlarged and reopened in February, 1889. After the hurricane of September, 1938, Crocker was brick-faced, somewhat remodeled, and the new Crocker opened to the Junior Home Management Group on March 4, 1940. The building is now used as The Home Management and Practice House for the Junior Class of the Household Arts Department under the direction of Miss Corinne Hall. Each semester one half of the class does the ordering, preparing, and serving of the meals for the group then in the House Practice.

VOCAATIONAL HOUSE

The Vocational House is the little house at the foot of State Street on Maple Street. It is here that the Vocational girls, in their freshman, junior, and senior years take care of the ordering, preparing, and serving of the meals for the group. The house is under the direction of the head of the Vocational Department, Miss Lou Lombard.
THE ELLA C. RITCHIE LIBRARY

On the second floor of Dwight Hall is located the college library recently named the Ella C. Ritchie Library as a tribute to the librarian who served the college from 1923 until her death in 1941. In addition to this main library there are several departmental libraries on the campus, making more easily available the books and other library materials needed for special class work.

The library of about 18,000 volumes includes an adequate collection of reference books, books specifically chosen for class work, books for recreational and cultural reading, newspapers, and more than 150 periodicals on a wide variety of subjects. Since the books and periodicals have been selected to answer the many needs of both faculty and students, certain rules regarding the use of the library and its materials are necessary so that all members of the college community may enjoy equal library privileges.

1. Reference books do not circulate; they are needed in the library at all times.
2. Current periodicals do not circulate; they may be read in the library.
3. Certain books needed for class assignments are taken from the main collection from time to time and placed on special shelves for limited periods. These so-called reserved books are charged for over night only. In this way a few copies serve many students.
4. All other books and other library materials may be taken out for a period of two weeks; at the end of that time renewal is allowed.

Either the librarian or a student assistant is always on duty in the library. All users of the library are urged to consult the desk attendant at any time when they need help in using the library. The college library is a place for quiet reading and study; it is an agency of instruction rather than a storehouse of books; it should be the academic center of the institution.

OFF-CAMPUS CONTACTS

A Framingham girl aims to be informed. She is not enclosed behind brick walls, but rather sees vital connections between her studies and the world she lives in.

Many students join the Foreign Policy Association, the Twentieth Century Club, and the Pan-American League, where they have an opportunity to attend lectures on the social, economic, and political problems in the world today. They also broaden their cultural background by visiting some of the museums that are comparatively near the college: in Boston, Cambridge, and Worcester.

Many of the students join the Civic Music Association which brings to Framingham outstanding artists in the musical world.

Home economic students make supervised visits to markets, stores, and industrial plants.

All departments at Framingham encourage a close relationship between scholastic work and related cultural opportunities in the surrounding communities. There are opportunities to continue affiliation with Scouts, 4-H, and Rainbow.

Students are encouraged to become actively identified with their church in Framingham through social service work, choir, and young people's organizations.

PERTINENT POINTS

Remember that you are entering a professional college, and a professional attitude is expected of you.

First impressions are important.
Rise when an older person stops to speak to you.
Framingham recommends you on the basis of your reputation here.
Books or equipment obligingly loaned should be returned promptly and in good condition.
Permission should be secured for the use of any laboratory equipment outside of class.
Pass through the corridors quietly and as seldom as possible while classes are being held.
Avoid calling to people, or watching campus programs, from dormitory or classroom windows.
Chapel is a spiritual exercise and merits reverent attention.
Avoid carrying unnecessary material to Chapel or Assembly programs.
Students rise upon presentation of guest artists and Assembly speakers, who should always receive courteous attention.
Begin well! Poor work in the first semester may handicap you through your whole college course.
If you are not doing well in a subject, do not hesitate to ask for a conference with the instructor.
Leaders must first be followers—be cooperative.
Framingham with its beautiful campus, attractive dorms, and vic parties offers ideal facilities for week-end entertainment.
The Centre is not the only direction in which to walk; there are many lovely spots in and around Framingham.

This is the place to make friends; don't chum with one girl exclusively. There are approximately four hundred at Framingham. Don't be afraid to speak to the girl who smiles at you.
Careful grooming is expected of every student.
The best dressed student is the one who dresses to suit the occasion.
The electric current in the dormitories is D.C. not alternating and care should be taken lest electrical appliances requiring alternating be ruined.
Attendance is expected at every chapel.

SMOKING ROOM

There is a smoking room in the basement of Dwight Hall and this is the only place on the campus where smoking is allowed.
The student government rules relative to the smoking room will acquaint all students with the system for keeping this room attractive and clean. It is expected that each girl wishing to use this room will assume the responsibility assigned to her.
The smoking room is not to be used during Chapel or Assembly hours, otherwise it is open all day, and is available between dinner and quiet hours and on week-ends.
No smoking is permitted in the dormitories or any of the other college buildings.

SOME SONGS

Dear Framingham

Dear Framingham, thy children round thee gather;
Our vows of love to thee we pledge anew.
Unfailing font of joy and hope forever,
We shall proclaim our homage to you.

(repeat last two lines)

Through countless years to all a fostering mother,
Thy bounteous blessings poured on age and youth.
Our suppliant prayer till time our chain shall sever.
Will ever be Live To The Truth.

(repeat last two lines)

Come One and Come All

Come Freshmen, come Sophomores,
Come one and come all;
Ye Juniors and Seniors,
Come answer our call.
We'll lift up our voices,
Let clear echoes ring
To Framingham College
Your praises we'll sing.
'Tis your spirit undaunted,
Your leadership true,
Your aims and ideals
That have won us to you.
We pledge our devotion
For ever and aye
To Framingham College,
Our College alway.

Framingham

Framingham so dear,
We sing to you;
Right on our College hill
We love you, yes, we do,
(Our College)
Long may we cherish thee,
Love and adore,
Sing praise and honor forevemore.
