HOW TO FIND F. T. C.

To find State Teachers College at Framingham is not really so hard as you may imagine. With your Handbook tucked in your pocket, and your "big sister" to greet you, why worry? You can't get lost if you follow these simple directions. If you come into Framingham by train, you will want to take a B & W bus or taxi to Framingham Centre. You will find the bus across the railroad crossing at the first corner on the left, and the taxi at the station. The distance from Framingham to the Centre is two miles. Ask the bus driver to stop at State Street, at the cement steps. These steps are situated at the foot of our "Hill." The rest of your journey will be done "shank's mare" up the long hill, State Street, through Whittemore Gate and straight on to the college grounds. You will come first to Wells Hall, then May Hall. Then take your left at the drive and go around the circular drive to Dwight Hall where all students register and where boarders will be directed to the dormitories.

If you drive from Worcester, upon entering Framingham Centre you will cross the railroad tracks, then turn immediately right on to Maynard Road. You will follow Maynard Road on up the hill to the college grounds.

If you drive in from Boston you will come to a group of traffic lights at the corner of Main Street, High Street, and the Turnpike. At this point cross the Turnpike and go up High Street at the right of the Esso Gas station on the corner. Continue on this street until you come to State Street, at which point you will turn left up the hill to the college grounds.

The Henry Whittemore Memorial Gate, which is at the entrance to the campus, was given by the Classes of 1917, 1918, and 1919, and named for Mr. Whittemore, Principal of the Framingham Normal School from 1898 to 1917.
OUR FRAMINGHAM BACKGROUND

Over a hundred years ago, Massachusetts schools were faced with the fact that their teachers were unfitted for teaching because of ignorance, not only of teaching methods, but of the subject matter as well. To overcome this difficulty, the Massachusetts Board of Education was formed in 1837, with Horace Mann as its first Secretary. This board made possible the establishment of three normal schools, one of which has grown to be our Framingham State Teachers College. Our Normal School was established in 1839 at Lexington under Reverend Cyrus Peirce, as Principal. Reverend Samuel J. May succeeded Peirce in 1842, but after two years the latter again became Principal. In 1849 he was followed by Eben Sterns. The school was moved to Framingham in 1853. The first woman Principal, Miss Annie E. Johnson, served from 1866-1875, and re-established the practice school. She was followed by Miss Ellen Hyde, who became Principal in 1875. Until 1898, the school prepared for the elementary grades only, but during that year the Mary Hemenway School of Domestic Science in Boston was added. In 1920 the Vocational Department was established by the Federal Board of Vocational Education.

Henry Whittemore became Principal in 1898 and conducted the school for nineteen years. He was succeeded by Dr. James Chalmers, who retired in 1930.

Francis A. Bàgnall, who followed Dr. Chalmers, retired in 1936. Martin F. O'Connor took his position as President in September of that year. With extension to the State Normal Schools of the privilege of granting degrees because of the establishment of the four-year course and the recognition of the work done as of collegiate grade, the Legislature in March, 1932, changed the names of all State Normal Schools in Massachusetts to State Teachers Colleges.

OUR CREED

We believe—in the Framingham State Teachers College and in its motto “Live to the Truth.”

We believe—in a spirit of loyalty to our teachers, classmates, and friends;
in a spirit of coöperation and sportsmanship in the classroom, on the athletic field, and in all other activities.

We believe—in courtesy at all times, and a consideration for the rights and privileges of others;
in true and generous comradeship and mutual helpfulness that insures the well-being and advancement of the individual and the group.

We believe—in a high standard of scholarship, intellectual integrity, and thoroughness in all our undertakings;
in making diligent search through our contacts with people and books after the best that life has to offer.

We believe—that an honest and consistent devotion to these ideals will so develop us as to give us “The Good Life” and sustain and build traditions for our college.
To the Freshman,

Welcome to Framingham. All of us here are pleased to know that you have chosen Framingham as your college.

In this year of 1948 admission to college is a great privilege. Many worthy applicants have been turned away on account of lack of facilities. The obligation is heavy upon those who are admitted to work doubly hard, for the college freshmen of today will be the leaders of tomorrow.

Our college is a coöperative place. The best results are obtained by working together.

We hope that your years here will be both pleasurable and profitable. They will be to the extent that you enter into the life of the college.

Make a good beginning. Carry your heads high. Greet everyone with a smile. Speak to everyone. Do not hesitate to ask for assistance when you need it. Be intellectually curious, be determined to look upon college as an enriching experience. In this way lies success. God grant that you may achieve it.

MARTIN F. O’CONNOR, President.

Dear Girls,

A new class—what a provocative prospect! Fresh points of view, youthful enthusiasms, great expectations, to be loosed along an unfamiliar highway. Whither away?

The road to achievement is not often spectacular, paved, as it must be to withstand heavy traffic, with purpose, industry, and perseverance. It has signposts, although occasionally they are overgrown with lush foliage inviting dalliance. Discernment is protection here.

There is time to investigate a by-path if it leads to pleasure or beauty for the memory to cherish. Judgment must guide in their selection. One-way streets are to be avoided, for their alluring vistas lead but to frustration, serving only to retard progress. Self-control helps in reorientation.

Zest for the voyage, consideration for fellow travellers, a helping hand for the faltering, and a faith in Divine Goodness make of the road a joyful way of life. Map well your course along the route marked, “To your goal, via college.” It is worth traveling.

DOROTHY LARNE, Dean of Women.
A Hearty Welcome

Your Framingham State Teachers Alumnae Association welcomes you to our “college on the hill.” Many happy days lie ahead and every hour will be a precious memory if you follow the paths shown you by both your faculty and student governing board. “Effort” and “Coöperation” will yield large dividends in later years.

Friends you make here will remain dear to you for the rest of your lives, and although you may not see each other for long periods, when you meet again the years will roll back as nothing, and you will be the same “young girls” of college days, while conversation is carried on from where you left it at graduation.

We hope you will look forward to becoming members of our alumnae association and will feel it one of the greatest honors and privileges in your life, when you are accepted as “one of us” following your graduation. I know we would like to be right back where you are now with wide horizons ahead. “Live to the Truth.”

RUTH GRAVES WAKEFIELD.

Dear Freshmen,

Welcome to the college on the hill. We know with what trepidation you are looking forward to your college days. They can and should be the most memorable days of your life. Nowhere else will you find such friendliness and such a feeling of unity as here at Framingham.

Launch forward with a firm step—make yourself known—be an active member of your college—and your days at Framingham will be happy ones.

MADOLIN DALEY,
President of Student Coöperative Association.
OBLIGATIONS OF A FRAMINGHAM STATE TEACHERS COLLEGE STUDENT

On entering Framingham as a freshman, each student upon payment of the budget fee becomes automatically a member of the Student Coöperative Association, and from then on her membership in this Association implies that she will be willing to accept her obligations as a citizen of the college and conform to its standards. There are certain obligations and responsibilities as well as privileges connected with the Student Coöperative Association at Framingham, and each girl should be ready and willing to assume her full share.

A wisely adjusted balance of academic and non-academic responsibilities contributes to the development of an all round student. The attitude of every student towards the college community should be that of constructive coöperation. She should accept and support the fundamental standards of the group and should also be willing to conform to all customs and procedures which have proved to be for the best interests of the community.

Each member of the Student Coöperative Association should take active part in offering suggestions for improvement and should feel herself to be a vital part of a flexible and progressive democracy.

Moreover, while each student is identified with the college, she is, inevitably, its representative wherever she goes and should feel the obligation of loyalty in maintaining its reputation at all times.

CLASS AND CLUB COUNCIL

Chairman: Arlene Simmons '49

The Council was organized in 1937 as a part of the government of the Student Coöperative Association. Its purpose is to promote coöperation between the various club groups. The duties are: to schedule activities for classes, clubs and college publications; to decide the general policies of the extra-curricular activities; to take charge of the voting for the Student Coöperative Association officers; to plan a voting procedure for the clubs. The second vice-president of the Student Coöperative Association is the chairman of this council. A faculty adviser is elected by the Class and Club Council each year.

THE JUDICIARY BOARD

Chairman: Jean Mahaney '49

It is the function of this board to consider all cases involving infraction of rules and all violation of student government. The board has the authority to impose penalties for minor offenses; in more serious cases decisions of the Judiciary Board are referred to the Executive Council for final approval. Certain major offenses become automatically the concern of the President of the college, the Dean, and the Faculty.

This Judiciary Board, with the first Vice-President of the Student Coöperative Association as chairman, is composed of one senior, two juniors, and one sophomore. The class representatives are chosen by the president of the Student Coöperative Association in consultation with the presidents of the junior and senior classes, and must be approved by the Executive Council. A faculty member acts as adviser to the board.
LIBRARY COUNCIL
Chairman: Paula Olsen '49
In 1936 the Library Council was organized and accepted by the Student Coöperative Association as a part of its government.
It is composed of eight girls, two representatives from each class, one an elementary and the other a household arts member. The librarian acts as adviser.
Its purpose is to secure full cooperation in the proper use and enjoyment of the library.

CHEMISTRY AND BIOLOGY COUNCIL
Chairman: Joan Kelleher '49
The Chemistry and Biology Departments, unlike any other departments, are under an Honor System, which we are glad to introduce to the Home Economics freshmen. Each freshman will be given an opportunity to sign a pledge stating that she will uphold the principles set by the Chemistry and Biology Council.
According to the regulations of this council, each girl is placed on her honor in all work designated as honor work in the Constitution.
The Chemistry and Biology Council consists of three members elected from each of the upper classes, four elected from the freshman class, and two members of the faculty, one of the Chemistry Department, and one of the Biology Department to act in an advisory capacity. This Council is a governing and advisory board, which deals with any violations which may occur.
The aims and ideals of the Honor System are best expressed in the “Foreword” of the Constitution which is as follows:
“We, the students of the Home Economics and Vocational Home Economics departments of the State Teachers College at Framingham believe that the main purpose of education is to develop character. As honesty and sense of responsibility are traits of good character we seek to further their growth by establishing our own Honor System and Chemistry and Biology Council. This system aims to increase the spirit of fair play and good sportsmanship in the classroom. With this goal in view we pledge ourselves to the support of the constitution of the Chemistry and Biology Council.
“Since the success of the Honor System depends entirely upon the cooperation of all taking part in it, students are urged to help by taking a vital interest in its progress.”
We are confident that the Home Economics freshman will uphold this privilege of self government.

DINING ROOM COUNCIL
Chairman: Jean Palmer '49
The Dining Room Council exists for the purpose of representing the students in all matters pertaining to the dining room, of reviewing and enforcing the rules applying to conduct, etiquette, and dress in the dining room, and of cooperating with the dietitian in serving the best interests of the students.
All suggestions and grievances should be referred to the class representatives:
Dorothy MacIntosh '50 Marty Ellison '51
(To be elected) '52

QUIET AND ORDER COMMITTEE
Chairman: Elizabeth Quillard '49
The general function of the Quiet and Order Committee is to help the students keep order so that activities may be conducted to the best advantage of all concerned.
Special attention is given to the attendance at chapel and assembly programs. In attending both chapel and assembly, students are requested to cooperate by being on time and by becoming quiet when the bell rings.
THE MUSICAL CLUBS

The Musical Clubs here at Framingham are the Glee Club, Choir, and Instrumental Ensemble. The Glee Club members are chosen by try-outs early in September. Every girl in the college has an opportunity to join the Glee Club. Our Choir, a selected group from within the Glee Club, sings one morning a week in Chapel, and gives outside concerts during the course of the year.

The purpose of these clubs is to help members gain an understanding and appreciation of good music, and to add something of beauty and richness to the lives of those around them. This is carried out by several activities throughout the year. The Christmas Candlelight Service, Framingham Night at Pops, the Annual Glee Club Concert, the Class Day Evening Concert on the Horace Mann Terrace, and combined concerts with the Framingham Community Choral Society and with the Glee Club of some men's colleges. The making of Glee Club Records, and broadcasts of outstanding musical programs over Framingham's Station WKOX have added variety to the activities of the Musical Clubs on the hill.

ATHLETIC ASSOCIATION

The Athletic Association is open to all who wish to join. No special skill is required to be a member. All that is necessary is enthusiasm for sports and the enjoyment of mingling with other students.

A variety of sports is offered. There are team sports: hockey, basketball, volleyball, and softball. The individual games are tennis, badminton, bowling, and archery. And there is modern dancing. Along with the interclass games on campus the girls enjoy round-robin games with other colleges.

Points are given for participation in any athletic event. These points count toward various individual awards. Also there is the annual award of the Lucie Shepard Reed Cup to the class having the greatest participation and showing the highest degree of excellence in athletics.

You who are to be members of the class of ’52 will find that your interests and sociability at Framingham will be further enriched through participation in college athletics.

“We believe—in a spirit of coöperation and sportsmanship in the classroom, on the athletic field, and in all other activities.”

THOMAS A’KEMPIS CLUB

The Thomas A’Kempis Club, named for a priest and writer of the fourteenth century, was founded twenty-five years ago in this college for the purpose of furthering Catholic culture and Catholic fellowship. It is affiliated with the New England Province of the Newman Federation.

The club sponsors many activities during the year; for members there are, among others, two Communion Breakfasts, one in the fall and one in the spring, and a “get acquainted” tea; on the all-college program the club runs a formal dance and provides a speaker of note for an assembly. At Christmas time baskets are donated to the needy of the town, and assistance is given to the Federation for their charity work.

The A’Kempis Club invites all eligible entering classmen to join, and urges them to enjoy the many services and privileges that the club offers.

THE HOME ECONOMICS CLUB

Organized in 1924, the Louisa A. Nicholass Home Economics Club was named in honor of Miss Nicholass, the beloved head of the Household Arts Department for many years.

The purpose of the club is to bring together the students of the Household Arts Department in order to keep them informed of current problems and topics of general interest to home economists, to have an organization for participation in off-campus home economics activities, and to familiarize the students with the broad fields of home economics. Our college club offers an opportunity to participate in meetings of the College Club Department through its affiliation with the Eastern Massachusetts Home Economics Association, the Massachusetts State Home Economics Association, and the American Home Economics Association.

As the professional organization of the Household Arts Department it serves as an introduction to professional contacts with important people in the fields of home economics.

The club extends a cordial greeting to all the students of the Household Arts course, and invites them to join the Home Economics Club.

RED CROSS CLUB

The Red Cross College Unit coöperates with the Framingham Chapter of the Red Cross. Through this College Unit the girls are able to participate as a group in Red Cross activities, and enjoy a valuable community relationship.

During the past year the members have assumed responsibilities in different fields of work. They helped in the entertainment at Cushing Veterans’ Hospital by volunteering their services as hostesses. A small group qualified for Motor Corps driving. Several enrolled in a First Aid Course, for which college credit was given. All these activities will continue if there is a demand for them. In addition, the College Unit stands ready to assume new and different duties, in accordance with the time and abilities at its disposal. Identify yourself with your Red Cross College Unit.

It was opened in September, 1889, and dedicated in June, 1890. The first floor was used then primarily as a practice school. In 1898 the Mary Hemenway Household Art Department was added to this building.

HORACE MANN HALL

Horace Mann Dormitory, which is named for Horace Mann, educator and father of the normal school movement in our country, was built in 1920 to replace old Normal Hall, which had burned. All classes are represented in this house.

The House is under the direction of Miss Johnson. Mrs. Taylor, Resident Nurse, has her office and treatment rooms in this dormitory.
PEIRCE HALL

Peirce Hall is named after Cyrus J. Peirce, the first principal of the first State Normal School in America. Accommodating one hundred students this building is principally a house for freshmen and sophomores. Here also is the boarders' dining room.

Miss Townsend, dietitian, and Miss Fox, assistant matron, have their offices and rooms in this hall.

CROCKER HALL

Crocker Hall, which was named after Miss Lucretia Crocker, an outstanding teacher and the first woman to be appointed supervisor of the Boston schools, was built in 1886 to be used as a dormitory. On Christmas of the following year the hall was partially destroyed by fire. It was later repaired, enlarged and reopened in February, 1889. After the hurricane of September, 1938, Crocker was brick-faced, somewhat remodeled, and the new Crocker opened to the Junior Home Management Group on March 4, 1940. The building is now used as The Home Management and Practice House for the Junior Class of the Household Arts Department under the direction of Miss Corinne Hall. Each semester one half of the class does the ordering, preparing, and serving of the meals for the group then in the House Practice.
VOCATIONAL HOUSE

The Vocational House is the little house at the foot of State Street on Maple Street. It is here that the Vocational girls, in their freshman, junior, and senior years take care of the ordering, preparing, and serving of the meals for the group. The house is under the direction of the head of the Vocational Department, Miss Lou Lombard.

THE ELLA C. RITCHIE LIBRARY

On the second floor of Dwight Hall is located the college library recently named the Ella C. Ritchie Library as a tribute to the librarian who served the college from 1923 until her death in 1941. In addition to this main library there are several departmental libraries on the campus, making more easily available the books and other library materials needed for special class work. The library of about 18,000 volumes includes an adequate collection of reference books, books specifically chosen for class work, books for recreational and cultural reading, newspapers, and more than 150 periodicals on a wide variety of subjects. Since the books and periodicals have been selected to answer the many needs of both faculty and students, certain rules regarding the use of the library and its materials are necessary so that all members of the college community may enjoy equal library privileges.

1. Reference books do not circulate; they are needed in the library at all times.
2. Current periodicals do not circulate; they may be read in the library.
3. Certain books needed for class assignments are taken from the main collection from time to time and placed on special shelves for limited periods. These so-called reserved books are charged for over night only. In this way a few copies serve many students.
4. All other books and other library materials may be taken out for a period of two weeks; at the end of that time renewal is allowed.

Either the librarian or a student assistant is always on duty in the library. All users of the library are urged to consult the desk attendant at any time when they need help in using the library. The college library is a place for quiet reading and study; it is an agency of instruction rather than a storehouse of books; it should be the academic center of the institution.
OFF-CAMPUS CONTACTS

A Framingham girl aims to be informed. She is not enclosed behind brick walls, but rather sees vital connections between her studies and the world she lives in.

Many students join the Foreign Policy Association, the Twentieth Century Club, and the Pan-American League, where they have an opportunity to attend lectures on the social, economic, and political problems in the world today. They also broaden their cultural background by visiting some of the museums that are comparatively near the college: in Boston, Cambridge, and Worcester.

Many of the students join the Civic Music Association which brings to Framingham outstanding artists in the musical world.

Home economic students make supervised visits to markets, stores, and industrial plants.

All departments at Framingham encourage a close relationship between scholastic work and related cultural opportunities in the surrounding communities. There are opportunities to continue affiliation with Scouts, 4-H, and Rainbow, and to become an active member of the Civic League Players, and the Framingham Community Choral Society.

Students are encouraged to become actively identified with their church in Framingham through social service work, choir, and young people’s organizations.

PERTINENT POINTS

Remember that you are entering a professional college, and a professional attitude is expected of you.

First impressions are important.
Rise when an older person stops to speak to you.
Framingham recommends you on the basis of your reputation here.
Books or equipment obligingly loaned should be returned promptly and in good condition.
Permission should be secured for the use of any laboratory equipment outside of class.
Pass through the corridors quietly and as seldom as possible while classes are being held.
Avoid calling to people, or watching campus programs, from dormitory or classroom windows.
Chapel is a spiritual exercise and merits reverent attention.
Avoid carrying unnecessary material to Chapel or Assembly programs.
Students rise upon presentation of guest artists and Assembly speakers, who should always receive courteous attention.
Begin well! Poor work in the first semester may handicap you through your whole college course.
If you are not doing well in a subject, do not hesitate to ask for a conference with the instructor.
Leaders must first be followers—be coöperative.
Framingham with its beautiful campus, attractive dorms, and vic parties offers ideal facilities for week-end entertainment.
The Centre is not the only direction in which to walk; there are many lovely spots in and around Framingham.
This is the place to make friends; don't chum with one girl exclusively. There are approximately four hundred at Framingham. Don't be afraid to speak to the girl who smiles at you.

Careful grooming is expected of every student.
The best dressed student is the one who dresses to suit the occasion.
The electric current in the dormitories is D.C. not alternating and care should be taken lest electrical appliances requiring alternating be ruined.

Attendance is expected at every chapel.

**SMOKING ROOM**

There is a smoking room in the basement of Dwight Hall and this is the only place on the campus where smoking is allowed.

The student government rules relative to the smoking room will acquaint all students with the system for keeping this room attractive and clean. It is expected that each girl wishing to use this room will assume the responsibility assigned to her.

The smoking room is not to be used during Chapel or Assembly hours, otherwise it is open all day, and is available between dinner and quiet hours and on week-ends.

No smoking is permitted in the dormitories or any of the other college buildings.

SOME SONGS

Alma Mater
Dear Framingham, our hearts to thee are holden
By this, our love for each familiar scene;
Thy towers shine with sunset light all golden
'Neath skies of blue, cloud-flecked, serene,
Thy towers shine with sunset light all golden
'Neath skies of blue, cloud-flecked, serene.
Thy children we, our love and pride confessing
In this, our Alma Mater and our home;
And may we strive to bring a richer blessing
To crown thee now and for years to come,
And may we strive to bring a richer blessing
To crown thee now and for years to come.

Come One and Come All
Come Freshmen, come Sophomores,
Come one and come all;
Ye Juniors and Seniors,
Come answer our call.
We'll lift up our voices,
Let clear echoes ring
To Framingham College
Your praises we'll sing.
'Tis your spirit undaunted,
Your leadership true,
Your aims and ideals
That have won us to you.
We pledge our devotion
For ever and aye
To Framingham College,
Our College alway.

Framingham
Framingham so dear,
We sing to you;
Right on our College hill
We love you, yes, we do,
(Our College)
Long may we cherish thee,
Love and adore,
Sing praise and honor forevermore.
