HOW TO FIND F. T. C.

To find State Teachers College at Framingham is not really so hard as you may imagine. With your Handbook tucked in your pocket, and your "big sister" to greet you, why worry? You can’t get lost if you follow these simple directions. If you come into Framingham by train, you will want to take a B & W bus or taxi to Framingham Centre. You will find the bus across the railroad crossing at the first corner on the left, and the taxi at the station. The distance from Framingham to the Centre is two miles. Ask the bus driver to stop at State Street, at the cement steps. These steps are situated at the foot of our "Hill." The rest of your journey will be done "shank’s mare" up the long hill, State Street, through Whittemore Gate and straight on to the college grounds. You will come first to Wells Hall, then May Hall. Then take your left at the drive and go around the circular drive to Dwight Hall where all students register and where boarders will be directed to the dormitories.

If you drive from Worcester, upon entering Framingham Centre you will cross the railroad tracks, then turn immediately right onto Maynard Road. You will follow Maynard Road on up the hill to the college grounds.

If you drive in from Boston you will come to a group of traffic lights at the corner of Main Street, High Street, and the Turnpike. At this point cross the Turnpike and go up High Street at the right of the Esso Gas station on the corner. Continue on this street until you come to State Street, at which point you will turn left up the hill to the college grounds.

The Henry Whittemore Memorial Gate, which is at the entrance to the campus, was given by the Classes of 1917, 1918, and 1919, and named for Mr. Whittemore, Principal of the Framingham Normal School from 1898 to 1917.
OUR FRAMINGHAM BACKGROUND

Over a hundred years ago, Massachusetts schools were faced with the fact that their teachers were unfitted for teaching because of ignorance, not only of teaching methods, but of the subject matter as well. To overcome this difficulty, the Massachusetts Board of Education was formed in 1837, with Horace Mann as its first Secretary. This board made possible the establishment of three normal schools, one of which has grown to be our Framingham State Teachers College. Our Normal School was established in 1839 at Lexington under Reverend Cyrus Peirce, as Principal. Reverend Samuel J. May succeeded Peirce in 1842, but after two years the latter again became Principal. In 1849 he was followed by Eben Sterns. The school was moved to Framingham in 1853. The first woman Principal, Miss Annie E. Johnson, served from 1866-1875, and re-established the practice school. She was followed by Miss Ellen Hyde, who became Principal in 1875.

Until 1898, the school prepared for the elementary grades only, but during that year the Mary Hemenway School of Domestic Science in Boston was added. In 1920 the Vocational Department was established by the Federal Board of Vocational Education.

Henry Whittemore became Principal in 1898 and conducted the school for nineteen years. He was succeeded by Dr. James Chalmers, who retired in 1930.

Francis A. Bagnall, who followed Dr. Chalmers, retired in 1936. Martin F. O'Connor took his position as President in September of that year. With extension to the State Normal Schools of the privilege of granting degrees because of the establishment of the four-year course and the recognition of the work done as of collegiate grade, the Legislature in March, 1932, changed the names of all State Normal Schools in Massachusetts to State Teachers Colleges.

OUR CREED

We believe—in the Framingham State Teachers College and in its motto “Live to the Truth.”

We believe—in a spirit of loyalty to our teachers, classmates, and friends;
in a spirit of cooperation and sportsmanship in the classroom, on the athletic field, and in all other activities.

We believe—in courtesy at all times, and a consideration for the rights and privileges of others;
in true and generous comradeship and mutual helpfulness that insures the well-being and advancement of the individual and the group.

We believe—in a high standard of scholarship, intellectual integrity, and thoroughness in all our undertakings;
in making diligent search through our contacts with people and books after the best that life has to offer.

We believe—that an honest and consistent devotion to these ideals will so develop us as to give us “The Good Life” and sustain and build traditions for our college.
To the Freshmen:—

Welcome to Framingham. We are just as happy to have you here as you are to be here. Admission to our college, or to any other college for that matter, in this year of 1952 is a great privilege—one that is denied to many young people. But if you are greatly privileged you are also greatly obligated to make the best of this opportunity offered you.

We hope that your years here will be both pleasant and profitable. They will be to the extent that you enter into the life of the college.

Make a good beginning. Those first days are so important. Carry your heads high. Greet everyone with a smile. Speak to everyone. Do not hesitate to ask for assistance when you need it. Be intellectually curious. Be determined to look upon college as an enriching experience. In this way lies success. God Grant that you may achieve it.

MARTIN F. O'CONNOR,
President

Dear Girls,

Numerous are the indications that you of 1956 are as excited about coming to college as were the upperclassmen when they entered. There is a wonderful new leaf to turn over, with space for many worthwhile entries! This chapter of your biography may well be one of the most interesting and important in your life.

There is nothing compulsory about coming to Framingham; for many of you there has been a great deal of planning and saving in order to make possible the dream of college. You who know yourselves, your capacities, and your longings, have chosen a profession for which you wish to prepare yourselves. It bypasses dead-end streets and leads on quiet, sunny roads or on the busy thorough-fares, straight to a rewarding life of service with endless opportunities for happiness.

If you have been honest with yourselves you will not regret your choice. I hope we may enjoy together your four years at Framingham.

OBLIGATIONS OF A FRAMINGHAM
STATE TEACHERS COLLEGE STUDENT

On entering Framingham as a freshman, each student upon payment of the budget fee becomes automatically a member of the Student Cooperative Association, and from then on her membership in this Association implies that she will be willing to accept her obligations as a citizen of the college and conform to its standards.

There are certain obligations and responsibilities as well as privileges connected with the Student Cooperative Association at Framingham, and each girl should be ready and willing to assume her full share.

A wisely adjusted balance of academic and nonacademic responsibilities contributes to the development of an all round student.

The attitude of every student towards the college community should be that of constructive cooperation. She should accept and support the fundamental standards of the group and should also be willing to conform to all customs and procedures which have proved to be for the best interests of the community.

Each member of the Student Cooperative Association should take active part in offering suggestions for improvement and should feel herself to be a vital part of a flexible and progressive democracy. Moreover, while each student is identified with the college, she is, inevitably, its representative wherever she goes and should feel the obligation of loyalty in maintaining its reputation at all times.

A Greeting to the Freshmen

The Alumnae Association cordially greets you upon this, your first, step toward becoming one of its members. The educational world has called for volunteers, for people who have faith in life and patience in service. You have responded to the call.

Framingham alumnae are outstanding for their success in education, business, homemaking, and community welfare. For them Framingham has proved to be a worthy laboratory for their study in the science of successful living.

What Framingham means to you now and later as an alumna will depend largely upon the extent to which you achieve the goals you set for yourself while you are here. Success at Framingham often means success for life. Your college years will be among your happiest years but they demand the most of you; they demand that you keep before you your goal, your pride in your goal, your college, and its motto, LIVE TO THE TRUTH.

LOUISE KINGMAN
President, Framingham State Teachers College
Alumnae Association
Welcome to Your College and Ours

Dear Freshmen,
I am very happy to have this opportunity to welcome every one of you to our college. It is with great pleasure that we anticipate your arrival at Framingham, and we are sure that you will be a group which will assume with sincerity the great responsibility of upholding the traditions and honor of our college.

The Student Cooperative Association is our self-governing body. Every student is an active member of this organization by her participation in mass meetings of the student body and by her participation in various clubs which have representation on an executive council. The success of this association depends on you and your cooperation. Come prepared, have something to offer; and as sure as you do this, your student government will have much to offer you.

CLASS AND CLUB COUNCIL

Chairman: Eleanor McGrail '53

The council was organized in 1937 as a part of the government of the Student Cooperative Association. Its purpose is to promote cooperation between the various club groups.

The duties are: to schedule activities for classes, clubs and college publications; to take charge of the voting for the Student Cooperative Association officers; to plan a voting procedure for the clubs and classes.

The second vice-president of the Student Cooperative Association is the chairman of this council. The Dean is a member ex-officio.

THE JUDICIARY BOARD

Chairman: Margaret Campbell '53

It is the function of this board to consider all cases involving infraction of rules and all violations of student government. The board has the authority to impose penalties for minor offenses; in more serious cases decisions of the Judiciary Board are referred to the Executive Council for final approval. Certain major offenses become automatically the concern of the President of the College, the Dean, or the Faculty.

This Judiciary Board, with the first Vice-President of the Student Cooperative Association as chairman, is composed of four other students and a faculty adviser.

LIBRARY COUNCIL

Chairman: To be elected

In 1936 the Library Council was organized and accepted by the Student Cooperative Association as a part of its government.

It is composed of eight girls, two representatives from each class, one an elementary and the other a household arts member. The librarian acts as adviser.

Its purpose is to secure full cooperation in the proper use and enjoyment of the library.

CHEMISTRY AND BIOLOGY COUNCIL

Chairman: To be elected

The Chemistry and Biology Departments, unlike any other departments, are under an Honor System, which we are glad to introduce to the Home Economics freshmen. Each freshman will be given an opportunity to sign a pledge stating that she will uphold the principles set by the Chemistry and Biology Council.

According to the regulations of this council, each girl is placed on her honor in all work designated as honor work in the Constitution.

The Chemistry and Biology Council consists of three members elected from each of the upper classes, four elected from the freshman class, and two members of the faculty, one of the Chemistry Department, and one of the Biology Department, to act in an advisory capacity. This council is a governing and advisory board, which deals with any violations which may occur.

The aims and ideals of the Honor System are best expressed in the "Foreword" of the Constitution which is as follows:

"We, the students of the Home Economics and Vocational Home Economics departments of the State Teachers College at Framingham believe that
the main purpose of education is to develop character. As honesty and sense of responsibility are traits of good character we seek to further their growth by establishing our own Honor System and Chemistry and Biology Council. This system aims to increase the spirit of fair play and good sportsmanship in the class room. With this goal in view we pledge ourselves to the support of the constitution of the Chemistry and Biology Council.

"Since the success of the Honor System depends entirely upon the cooperation of all taking part in it, students are urged to help by taking a vital interest in its progress."

We are confident that the Home Economics freshman will uphold this privilege of self government.

DINING ROOM COUNCIL
Chairman: Ruth Murphy ’53
The Dining Room Council exists for the purpose of representing the students in all matters pertaining to the dining room, of reviewing and enforcing the rules applying to conduct, etiquette, and dress in the dining room, and of cooperating with the dietitian in serving the best interests of the students.
All suggestions and grievances should be referred to the class representatives.

QUIET AND ORDER COMMITTEE
Chairman: To be elected
The general function of the Quiet and Order Committee is to help the students keep order so that activities may be conducted to the advantage of all concerned. In attending chapel and assembly, students are requested to cooperate by being on time and by becoming quiet when the bell rings.

THE NATIONAL STUDENT ASSOCIATION
Delegate: Noreen Dalton ’54
The National Student Association is an organization of which every student in the college is automatically a member, eligible, therefore, to participate in all its functions. Its functions include regional conferences, usually held at Harvard, and often at Dartmouth, Mt. Holyoke, and Smith; sectional meetings; and various social functions. The Chairman of N.S.A. represents F.S.T.C. at the annual conference which, during the summer is held at a mid-western university. It is hoped that all students, especially those entering F.S.T.C. for the first time, will take advantage of the opportunities offered by N.S.A., and feel free to enter into its activities.

THE WEEKEND CLUB
Our Weekend Club is organized with co-chairmen for each committee responsible for unscheduled weekend entertainment. A recently formed organization here on the hill, it owes its success to the wholehearted cooperation of all who want to join in the fun. Invitations are sent to nearby men’s colleges to come to informal dances. Here you may meet new friends or entertain old ones.
TO the Freshmen:

The Gate Post staff extends its welcome to the incoming class of 1956.
The Gate Post is your college paper, covering every field and phase of activities here at F.S.T.C. If you are interested in becoming a part of one of the main activities here "on the hill" be sure to watch for notifications of trials for new members to our staff. These trials will be held at the beginning of the college year.
We're looking forward to having the class of 1956 well represented on our Gate Post staff.

MARY FIRTH '53
Editor-in-Chief

Hello, Freshmen,

As editor of the Dial, I would like to extend a warm welcome on behalf of my staff and myself to all of you.
We hope that your four years at F.S.T.C. will be not only educationally profitable, but will also be filled with many memorable experiences. The Dial is our college annual. Although the seniors are responsible for its production and publication, the staff is inter-class, and the book covers the activities of every class and club, making it truly an all-college book.
We hope you will be interested in working with us in recording your activities on the hill, for through the Dial your memories of Framingham will be permanently recorded.

ATHLETIC ASSOCIATION

The Athletic Association is open to all who wish to join. No special skill is required to be a member. All that is necessary is enthusiasm for sports and the enjoyment of mingling with other students. A variety of sports is offered. There are team sports: hockey, basketball, volleyball, and softball. The individual games are tennis, badminton, bowling, and archery. And there is modern dancing. Along with the interclass games on campus the girls enjoy round-robin games with other colleges.
Points are given for participation in any athletic event. These points count toward various individual awards. Also there is the annual award of the Lucie Shepard Reed Cup to the class having the greatest participation and showing the highest degree of excellence in athletics.
You who are to be members of the class of '56 will find that your interests and sociability at Framingham will be further enriched through participation in college athletics.
"We believe—in a spirit of cooperation and sportsmanship in the classroom, on the athletic field, and in all other activities."

THE MUSICAL CLUBS

The Musical Clubs here at Framingham are the Glee Club, Chapel Choir and any such instrumental ensemble as may be formed. The Glee Club members are chosen by try-outs early in September, every girl in the college having an opportunity to try out. Our Chapel Choir, a selected group from within the Glee Club, sings two mornings a week in Chapel, and gives outside concerts during the course of the year. In past years, among other things, they have made television appearances.

The purpose of these clubs is to help members gain an understanding and appreciation of good music, and to add something of beauty and richness to the lives of those around them. This is carried out by several activities throughout the year. The Christmas Candlelight Service, Framingham Night at Pops, the Annual Glee Club Concert, Class Day Evening Concert on the Horace Mann Terrace, combined concerts with the Framingham Community Choral Society and glee clubs from men's colleges.

YOUNG WOMEN'S CHRISTIAN ASSOC.
The Framingham "Y" is affiliated with similar associations of the other colleges of all New England and is also connected with the Student Christian Movement of New England. Through this New England organization we attend many off-campus conferences, where we have an opportunity to meet students from other colleges and share our ideas. Through our association we introduce all the girls to the various churches in and around Framingham Centre. Besides our regular meetings we have study groups, discussion groups, sometimes discussing world problems of the day and the Christian attitude towards them; also we invite outside speakers to come in to give their view points.

The two calendar events of our association are the Sunrise Service when we rise at half past six, have chapel outdoors, and a delicious breakfast in Crocker, and the Moonlight Mood, a spring semi-formal.

The "Y" is a friendly association and we invite all students irrespective of race or creed to join.

THOMAS A KEMPIS CLUB

The Thomas A Kempis Club, named for a priest and writer of the fourteenth century, was founded twenty-six years ago in this college for the purpose of furthering Catholic culture and Catholic fellowship. It is affiliated with the New England Province of the Newman Federation.

The club sponsors many activities during the year; for members there are, among others, a Communion Breakfast, in the fall and in the spring, and a "get acquainted" tea; on the all-college program the club runs a formal dance and provides a speaker of note for an assembly. At Christmas time baskets are donated to the needy of the town, and assistance is given to the Federation for their charity work.

The A Kempis Club invites all eligible entering students to join, and urges them to enjoy the many services and privileges that the club offers.

THE HOME ECONOMICS CLUB

Organized in 1924, the Louisa A. Nicholass Home Economics Club was named in honor of Miss Nicholass, the beloved head of the Home Economics Department for many years.

The purpose of the club is to bring together the students of the Home Economics Department in order to keep them informed of current problems and topics of general interest to home economists, to have an organization for participation in off-campus home economics activities, and to familiarize the students with the broad fields of home economics. Our college club offers an opportunity to participate in meetings of the College Club Department through its affiliation with the Eastern Massachusetts Home Economics Association, the Massachusetts State Home Economics Association, and the American Home Economics Association.

As the professional organization of the Home Economics Department it serves as an introduction to professional contacts with important people in the fields of home economics.

The club extends a cordial greeting to all the students of the Home Economics course, and invites them to join the Home Economics Club.

P.I.E. CLUB

The officers and members of the Partners in Education Club wish to extend a warm welcome to you, Class of ’56, with the hope that you will join in the activities of our club.

This club is a branch member of the Association for Childhood Education International which aims to promote a better understanding of children and the personal betterment of its members as future teachers. We carry out these objectives through our activities which include a Christmas Party for welfare children, various entertaining speakers, and an activity worked out with the assistance of the training school. During Education Week we broadcast a program over station WKOX in Framingham.

You may want to continue your membership in the national A.C.E. after you graduate, and this will provide an excellent carry over from your college years.

This past year we served pie and coffee at one of our meetings. This proved to be so successful that we intend to carry it out in the years to come, as a tradition appropriate to P.I.E.

This club offers much in the way of professional standing and contacts along with enjoyable social activities.

The Red Cross College Unit cooperates with the Framingham Chapter of the Red Cross. Through this College Unit the girls are able to participate as a group in Red Cross activities, and enjoy a valuable community relationship.

During the years the members have assumed responsibilities in different fields of work. They helped in the entertainment at Cushing Veterans’ Hospital by volunteering their services as hostesses, for card parties and dances. A group of the girls did volunteer teaching at Cushing Veterans' Hospital. Another group qualified for Motor Corps driving.

All these activities will continue if there is a demand for them. In addition, the College Unit stands ready to assume new and different duties, in accordance with the time and abilities at its disposal. Identify yourself with your Red Cross College Unit.

As the hall will not accommodate all students, upper classmen are required to attend once a week only. A required meeting of Juniors and Seniors is held at this time on Mondays, and of the Sophomores and Freshmen on Fridays. On Thursday the time is reserved for conferences and committee meetings. On Mondays, except the first Monday in each month when faculty, mass and class meetings are scheduled, the 2:15 period is reserved for lectures, music and other cultural programs. Attendance regulations parallel those for chapel.

VI. Rules Concerning Absences from Classes:
A. Attendance is taken in classes. The college has no "cut system." Every absence or tardiness must be accounted for. Excuses are to be presented directly to the instructor in writing, and then filed with the Dean.

B. No student may leave a class without reporting to the instructor in charge.

C. Any student who becomes ill during class hours must report such illness to the Dean, the nurse or a matron, before leaving campus if a commuter, and upon returning to her room if a boarder.

D. Any known contact with communicable diseases must be reported at once to the nurse. This statement applies to all students attending college.

VII. Study Places:
The Ritchie Library is open from 8:00 A.M. to 5:00 P.M. Monday through Friday except during chapel and assembly hours; from 7:00 to 9:00 P.M. from Monday through Thursday; and on Saturday from 9:00 A.M. to 12:00 noon. Empty classrooms and the commuters' annex may be used during the day.

VIII. Employment:
Information in regard to any type of employment connected with the school buildings, dormitories, village houses, or summer openings may be obtained from the Dean. Opportunities for self help during the college year are very limited and are offered first to the upper classmen.

IX. Lost and Found Articles:
Found articles should be taken promptly to the office of the Dean, where owners should inquire for them. From time to time the list of these articles will be posted on the Dean's bulletin board or published in the Gate Post. If they are not claimed by a specified date they will be returned to the finder, or disposed of at the discretion of the Dean.

MAY HALL

May Hall, named for Miss Abbie W. May, who was chairman of the board of visitors in the eighties, was the main classroom and administration building prior to the opening of Dwight Hall. It was opened in September, 1889, and dedicated in June, 1890. The first floor was used then primarily as a practice school. In 1898 the Mary Hemenway Household Art Department, now our Home Economics Department, was added to this building.

HORACE MANN HALL
Horace Mann Dormitory, which is named for Horace Mann, educator and father of the normal school movement in our country, was built in 1920 to replace old Normal Hall, which had burned.

All classes are represented in this house.

The House is under the direction of Miss Johnson. Mrs. Taylor, Resident Nurse, has her office and treatment rooms in this dormitory.
Peirce Hall is named after Cyrus J. Peirce, the first principal of the first State Normal School in America. Accommodating one hundred students this building is principally a house for freshmen and sophomores. Here also is the boarders' dining room.

Crocker Hall, which was named after Miss Lucretia Crocker, an outstanding teacher and the first woman to be appointed supervisor of the Boston schools, was built in 1886 to be used as a dormitory. On Christmas of the following year the hall was partially destroyed by fire. It was later repaired, enlarged and reopened in February, 1889. After the hurricane of September, 1938, Crocker was brick-faced, somewhat remodeled, and the new Crocker opened to the Junior Home Management Group on March 4, 1940. The building is now used as The Home Management and Practice House for the Junior Class of the Household Arts Department under the direction of Miss Corinne Hall. Each quarter one section of the class does the ordering, preparing, and serving of the meals for the group then in House Practice.
VOCATIONAL HOUSE
The Vocational House is the little house at the foot of State Street on Maple Street. It is here that the Vocational girls, in their freshmen, junior, and senior years take a turn at ordering, preparing, and serving meals for the group. The house is under the direction of the head of the Vocational Department, Miss Agnes M. Hornby.

THE ELLA C. RITCHIE LIBRARY
On the second floor of Dwight Hall is located the college library recently named the Ella C. Ritchie Library as a tribute to the librarian who served the college from 1923 until her death in 1941. In addition to this main library there are several departmental libraries on the campus, making more easily available the books and other library materials needed for special class work.

The library of over 20,000 volumes includes an adequate collection of reference books, books specifically chosen for class work, books for recreational and cultural reading, newspapers, and more than 150 periodicals on a wide variety of subjects. Since the books and periodicals have been selected to answer the many needs of both faculty and students, certain rules regarding the use of the library and its materials are necessary so that all members of the college community may enjoy equal library privileges.

1. Reference books do not circulate; they are needed in the library at all times.

2. Current periodicals do not circulate; they may be read in the library.

3. Certain books needed for class assignments are taken from the main collection from time to time and placed on special shelves for limited periods. These so-called reserved books are charged for over night only. In this way a few copies serve many students.

4. All other books and other library materials may be taken out for a period of two weeks; at the end of that time renewal is allowed.

Either the librarian or a student assistant is always on duty in the library. All users of the library are urged to consult the desk attendant at any time when they need help in using the library. The college library is a place for quiet reading and study; it is an agency of instruction rather than a storehouse of books; it should be the academic center of the institution.

OFF-CAMPUS CONTACTS

A Framingham girl aims to be informed. She is not enclosed behind brick walls, but rather sees vital connections between her studies and the world she lives in.

Many students join the Foreign Policy Association, the Twentieth Century Club, and the Pan-American League, where they have an opportunity to attend lectures on the social, economic, and political problems in the world today. They also broaden their cultural background by visiting some of the museums that are comparatively near the college: in Boston, Cambridge, and Worcester.

Many of the students join the Civic Music Association which brings to Framingham outstanding artists in the musical world.

Home economic students make supervised visits to markets, stores, and industrial plants.

All departments at Framingham encourage a close relationship between scholastic work and related cultural opportunities in the surrounding communities. There are opportunities to continue affiliation with Scouts, 4-H, and Rainbow, and to become an active member of the Civic League Players, and the Framingham Community Choral Society.

Students are encouraged to become actively identified with their church in Framingham through social service work, choir, and young people's organizations.

PUBLIC RELATIONS

Good relations and sympathetic understanding between a teachers college and the public which has furnished and supports it are extremely important. As an undergraduate everything you do will reflect credit or discredit upon your college. Any awards or honors which may come to you, in college or out, will be shared by the college, just as you will share in any distinctions that may come to your college. The reverse is also true, of course.

This interdependence between you and your college is inevitable and inescapable. It is beyond your power to avoid this responsibility, but it is very much within your power to add substantially to the reputation and fame of your college.

Seek out opportunities to promote its ideals and strengths. Be quick to resent and be prepared to refute any derogatory remark about your chosen college or your chosen profession.

Bear in mind, however, that the best possible public relations are promoted by your own personality as a serious, maturing student of education, in training for the most important duty and privilege civilization offers, the honor of instructing its young.
PERTINENT POINTS

Remember that you are entering a professional college, and a professional attitude is expected of you. This is the place to make friends; don’t chum with one girl exclusively. There are approximately six hundred at Framingham. Don’t be afraid to speak to the girl who smiles at you.

First impressions are important.

Begin well! Poor work in the first semester may handicap you through your whole college course. If you are not doing well in a subject, do not hesitate to ask for a conference with the instructor. Framingham recommends you on the basis of your reputation here.

Students rise upon presentation of guest artists and Assembly speakers, who should always receive courteous attention.

Rise when an older person stops to speak to you. Pass through the corridors quietly and as seldom as possible while classes are being held.

Leaders must first be followers—be cooperative. Chapel is an inspirational exercise and merits regular participation.

Avoid carrying unnecessary material to Chapel or Assembly programs.

Books or equipment obligingly loaned should be returned promptly and in good condition.

Permission should be secured for the use of any laboratory equipment outside of class.

The electric current in Horace Mann Hall is A.C., not direct, but in Peirce and Crocker Halls it is only D.C. and care should be taken lest electrical appliances requiring a specific type of current be ruined.

Careful grooming is expected of every student. The best dressed student is the one who dresses to suit the occasion.

Framingham with its beautiful campus, attractive dorms, and informal recreation offers ideal facilities for weekend entertainment.

The Centre is not the only direction in which to walk; there are many lovely spots in and around Framingham.

THE LISTENING ROOM

Our campus offers another opportunity for enrichment through the use of the Listening Room. A collection of records, which is kept in the library, may be borrowed for use between 2 P.M. and 5 P.M. and Saturday morning. Many students have found using the Listening Room both a profitable and enjoyable experience. The key may be obtained at the library.

SMOKING ROOM

There is a smoking room in the basement of Dwight Hall and this is the only place on the campus where smoking is allowed.

No smoking is permitted in the dormitories or any of the other college buildings.

The Student Cooperative has rules relative to the smoking room, and the smoking room committee will acquaint all students with the system for keeping this room attractive and clean. It is expected that each girl wishing to use this room will assume the responsibilities assigned to her.

A donation of twenty-five cents per semester is asked of every student who smokes to be used for replacements and needed equipment in the smoking room.

The smoking room is not to be used during Chapel or Assembly hours; otherwise it is open all day, and is available between dinner and quiet hours and on weekends.
THE POINT SYSTEM

A recorder of points shall keep, and make available upon request, a record of the students elected to the positions listed below.
A girl is advised not to hold offices aggregating more than fourteen points.

COLLEGE SONGS

Alma Mater
Dear Framingham, our hearts to thee are holden
By this, our love for each familiar scene;
Thy towers shine with sunset light all golden
'Neath skies of blue, cloud-flecked, serene.
Thy towers shine with sunset light all golden
'Neath skies of blue, cloud-flecked, serene.
Thy children we, our love and pride confessing
In this, our Alma Mater and our home;
And may we strive to bring a richer blessing
To crown thee now and for years to come,
And may we strive to bring a richer blessing
To crown thee now and for years to come.

Come One and Come All
Come Freshmen, come Sophomores,
Come one and come all;
Ye Juniors and Seniors,
Come answer our call.
We'll lift up our voices,
Let clear echoes ring
To Framingham College
Your praises we'll sing.
'Tis your spirit undaunted,
Your leadership true,
Your aims and ideals
That have won us to you.
We pledge our devotion
For ever and aye
To Framingham College,
Our College alway.

Framingham
Framingham so dear,
We sing to you;
Right on our College hill
We love you, yes, we do,
(Our College)
Long may we cherish thee,
Love and adore,
Sing praise and honor forevermore.
