HOW TO FIND F. T. C.

To find State Teachers College at Framingham is not really so hard as you may imagine. With your handbook tucked in your pocket, and your upper class adviser to greet you, why worry?

You can’t get lost if you follow these simple directions. If you come into Framingham by train, you will want to take a B.&W. bus or taxi to Framingham Centre. You will find the bus across the railroad crossing at the first corner on the left and the taxi at the station. The distance from Framingham to the Centre is two miles. Ask the bus driver to stop at State Street, at the cement steps. These steps are situated at the foot of our “Hill”. The rest of your journey will be done “shank’s mare” up the long hill, State Street, through Whittemore Gate and straight on to the college grounds. You will come first to Wells Hall, then to May Hall. Then take your left at the drive and go around the circular drive to Dwight Hall where all new students will be directed to their dormitory.

If you drive from Worcester, upon entering Framingham Centre you will cross the railroad tracks, then turn immediately right onto Maynard Road. You will follow Maynard Road on up the hill to the college grounds.

If you drive up from Boston you will come to the 1812 House on the left where there is a sign State Teachers College. Follow this road almost to the railroad crossing, take a left, Maynard Road, continue up the hill and take a right which will lead you to the college grounds.

The Henry Whittemore Memorial Gate, which is at the entrance to the campus, was given by the Classes of 1917, 1918, and 1919, and named for Mr. Whittemore, Principal of the Framingham Normal School from 1898 to 1917.
OUR FRAMINGHAM BACKGROUND

Over a hundred years ago, Massachusetts schools were faced with the fact that their teachers were untrained for teaching because of ignorance, not only of teaching methods, but of the subject matter as well. To overcome this difficulty, the Massachusetts Board of Education was formed in 1837, with Horace Mann as its first Secretary. This board made possible the establishment of three normal schools, one of which has grown to be our Framingham State Teachers College. Our Normal School was established in 1839 at Lexington under Reverend Cyrus Peirce, as Principal. Reverend Samuel J. May succeeded Peirce in 1842, but after two years the latter again became Principal. In 1849 he was succeeded by Eben Sterns. The school was moved to Framingham in 1853. The first woman Principal, Miss Annie E. Johnson, served from 1866-1875, and re-established the practice school. She was followed by Miss Ellen Hyde, who became Principal in 1875. Until 1898, the school prepared for the elementary grades only, but during that year the Mary Hemenway School of Domestic Science in Boston was added. In 1920 the Vocational Department was established by the Federal Board of Vocational Education. Henry Whittemore became Principal in 1898 and conducted the school for nineteen years. He was succeeded by Dr. James Chalmers, who retired in 1930. Francis A. Bagnall, who followed Dr. Chalmers, retired in 1936. Martin F. O'Connor took his position as President in September of that year. With extension to the State Normal Schools of the privilege of granting degrees because of the establishment of the four-year course and the recognition of the work done as of collegiate grade, the Legislature in March, 1932, changed the names of all State Normal Schools in Massachusetts to State Teachers Colleges.

OUR CREED

We believe— in the Framingham State Teachers College and in its motto “Live to the Truth.”

We believe— in a spirit of loyalty to our teachers, classmates, and friends;

in a spirit of cooperation and sportsmanship in the classroom, on the athletic field, and in all other activities.

We believe— in courtesy at all times, and a consideration for the rights and privileges of others;

in true and generous comradeship and mutual helpfulness that insure the well-being and advancement of the individual and the group.

We believe— in a high standard of scholarship, intellectual integrity, and thoroughness in all our undertakings;

in making diligent search through our contacts with people and books after the best that life has to offer.

We believe— that an honest and consistent devotion to these ideals will so develop us as to give us “The Good Life” and sustain and build traditions for our college.
To the Freshmen:—

Welcome to Framingham. We are happy to have you here. Admission to our college, or to any other college for that matter, in this year of 1954 is a great privilege—one that is denied to many young people. But if you are greatly privileged you are also greatly obligated to make the best of this opportunity offered you. We hope that your years here will be both pleasant and profitable. They will be to the extent that you enter into the life of the college.

Make a good beginning. Those first days are so important. Carry your heads high. Greet everyone with a smile. Speak to everyone. Do not hesitate to ask for assistance when you need it. Be intellectually curious. Be determined to look upon college as an enriching experience. In this way lies success. God grant that you may achieve it.

MARTIN F. O'CONNOR,
President

Dear Girls:

September 1954 — the beginning of a new experience for you, and for us another generation of “Framingham girls”. In this, our one hundred and fifteenth year, there will be, with your help and enthusiasm, continued growth and improvement in this first public normal school in America, which has consistently justified its existence through all these years by sending out well-trained and able teachers, many of whom have become leaders in education and social service.

And what of you? You are inheriting a past; you are creating a future. Be proud of what has come to you without effort on your past, and diligent in laboring to make your contribution a record of your best. May 1958 be a class outstanding for its high ideals and memorable for its honorable achievements.

Most sincerely yours,
DOROTHY LARNED
Dean of Women
Welcome to Your College and Ours

Dear Freshmen:

Welcome to you — the class of '58! You are now a member of a student body, proud of its traditions. The years ahead should be stimulating as well as challenging. Feel free to consult the upperclassmen, where a cordial welcome always will be extended to you.

The Student Cooperative Association is our self-governing body. Every student is an active member of this organization by her participation in the mass meetings of the student body and by her participation in various clubs which have representation on the Executive Council.

The success of our association depends upon every student at Framingham. Cooperation is the key word. Come with ideas, have something to offer; as sure as you do this, your student government will have much to offer you.

MARY CHISHOLM, President
Student Cooperative Association

A Greeting to the Freshman Class

As president of the Framingham Alumnae Association I am most happy to welcome you to Framingham. Your Association members are proud of your response to the call for service in the teaching profession. We know that Framingham can offer you some of the happiest years of your life as you share with new friends the goals you have set for your future.

We shall follow your progress with interest. We hope that you will accept our invitations to attend our Framingham Club meetings and to meet the Framingham alumnae in or near your home town.

What Framingham means to you now, and later as an alumna, will depend upon the goals you set for yourself during your college years. Live toward this goal for yourself and for your college.

"Live To The Truth".

LOUISE KINGMAN
President
Alumnae Association of Framingham
OBLIGATIONS OF A FRAMINGHAM STATE TEACHERS COLLEGE STUDENT

On entering Framingham as a freshman, each student upon payment of the budget fee becomes automatically a member of the Student Cooperative Association, and from then on her membership in this Association implies that she will be willing to accept her obligations as a citizen of the college and conform to its standards.

There are certain obligations and responsibilities as well as privileges connected with the Student Cooperative Association at Framingham, and each girl should be ready and willing to assume her full share.

A wisely adjusted balance of academic and non-academic responsibilities contributes to the development of an all-round student.

The attitude of every student towards the college community should be that of constructive cooperation. She should accept and support the fundamental standards of the group and should also be willing to conform to all customs and procedures which have proved to be for the best interests of the community. Each member of the Student Cooperative Association should take active part in offering suggestions for improvement and should feel herself to be a vital part of a flexible and progressive democracy. Moreover, while each student is identified with the college, she is, inevitably, its representative wherever she goes and should feel the obligation of loyalty in maintaining its reputation at all times.
CLASS AND CLUB COUNCIL

Chairman: Mary MacDonald '55

The council was organized in 1937 as a part of the government of the Student Cooperative Association. Its purpose is to promote cooperation between the various club groups. The duties are: to schedule activities for classes, clubs and college publications; to take charge of the voting for the Student Cooperative Association officers; to plan a voting procedure for the clubs and classes. The second vice-president of the Student Cooperative Association is the chairman of this council. The Dean is a member ex-officio.

THE JUDICIARY BOARD

Chairman: Nancy Ryder '55

It is the function of this board to consider all cases involving infraction of rules and all violations of student government. The board has the authority to impose penalties for minor offenses; in more serious cases decisions of the Judiciary Board are referred to the Executive Council for final approval. Certain major offenses become automatically the concern of the President of the College, the Dean, or the Faculty.

This Judiciary Board, with the first Vice-President of the Student Cooperative Association as chairman, is composed of four other students and a faculty adviser.

HONOR COUNCIL

The students of the State Teachers College at Framingham believe that the main purpose of education is to develop character. Since honesty and a sense of responsibility are traits of good character, we seek to further their growth by establishing an Honor System with an Honor Council. This system aims to develop principles of honorable conduct and to increase the spirit of fair play and good sportsmanship in the classroom. With this goal in view we pledge ourselves to the support of the Constitution of the Honor System. According to the regulations of the Honor Council, each girl is placed on her honor in all work designated as honor work in the Constitution.

The Honor Council shall consist of a chairman, who shall be the President of the Senior Class, ex-officio; six representatives from the Senior Class, three Elementary and three Home Economic students; and two representatives, one Elementary and one Home Economics student, from each of the other three classes. The election procedure is explained in detail in the Constitution. A faculty adviser of professorial rank shall be elected by the Faculty. In case of his inability to attend a meeting, the faculty adviser shall appoint a substitute advisor to act in his capacity. Other faculty members may be called in, as the situation warrants, to act in an advisory capacity. They will not be entitled to vote.

Since the success of the Honor System depends entirely upon the cooperation of all taking part in it, students are urged to help by taking a vital interest in its progress.

We are confident that the students of Framingham State Teachers College will uphold this privilege of self government.
DINING ROOM COUNCIL

Chairman: Joanne Gannon '55

The Dining Room Council exists to help maintain an atmosphere of homeliness and refinement in our dining room. Two days a week at the evening meal girls are given assigned seats so that freshmen will become acquainted with the upper classmen. Twice a month we have "dress-up" night, when something special is planned for dinner.

It is hoped that each girl will feel at home in our dining room and will, by reflecting her home training and her own appreciation of good breeding, contribute to pleasant social intercourse.

LIBRARY COUNCIL

Chairman: Ann Starkey '55

In 1936 the Library Council was organized and accepted by the Student Cooperative Association as a part of its government.

It is composed of eight girls, two representatives from each class, one an Elementary and the other a Home Economics member. The librarian acts as adviser.

Its purpose is to secure full cooperation in the proper use and enjoyment of the library.

QUIET AND ORDER COMMITTEE

Chairman: To be elected

The general function of the Quiet and Order Committee is to help the students in securing such conditions that activities may be conducted to the advantage of all concerned.

THE NATIONAL STUDENT ASSOCIATION

Delegate: Betty Jo Graham '57

The National Student Association is an organization of which every student is a member and eligible to participate in all its functions. Regional Conferences are held at member colleges such as Smith, Harvard, Mt. Holyoke, and Dartmouth; there are also sectional meetings and social functions.

At F.T.C. the association is made up of a chairman, who acts as delegate, and a committee of six sophomores chosen at the end of their freshman year by the student body. The committee helps the chairman with the Leadership Training Program, Parliamentary Procedure Group, and other projects which N.S.A. may take on during the year. The delegate is sent by the school to the regional conferences and the national summer congress usually held at a mid-western university. It is her job to bring back ideals helpful to the student government.

In order to have an active N.S.A. on campus it is necessary to have the complete support of the student body. We hope that all students, particularly those just entering F.T.C. will take advantage of the opportunities offered by this affiliation with the United States National Student Association.

THE WEEKENDERS

Co-Chairmen: Ann Lyons '56
          Gerry Salvin '56

On campus there is a Weekend Club which plans activities for dorm students over the weekend. The aim of this club is to encourage group social activities.

The club, consisting of dorm and village students, plans for the 1954-1955 year inter-dorm sport activities, hikes, theatre and movie
parties, "sing and gab" sessions, as well as dances to which nearby men's colleges are invited. With the cooperation, enthusiasm and suggestions of all, the Weekenders look forward to a most successful year.
We hope the Freshmen particularly, will take advantage of the opportunities that the Weekenders offer to make new friends and adjustments to college life.

TO the Freshmen:
Hello Freshmen!
The Gate Post, our college newspaper, wishes to greet you, the Class of '58. Our paper covers many sides of campus life and current affairs. We are welcoming new ideas and new staff members. Won't you join us and help our college paper to become bigger and better with each issue?

MARIAN O'CONNELL '55
Editor-in-Chief

HELLO, Freshmen!
Speaking for myself and my staff of the Dial, may I extend a welcome to the Class of 1958. In your four years at Framingham, we hope you will take part in many activities which will afford you memories to carry with you in later years. It is the job of the Dial, the college annual, to record these memories for you. The seniors are responsible for its production and publication, but the book covers the activities of every class and club, making it an all-college book.

We are sure you will cooperate with us in making this a Dial worthy of the Framingham tradition.

ATHLETIC ASSOCIATION

The Athletic Association is open to all who wish to join. No special skill is required to be a member. All that is necessary is enthusiasm for sports and the enjoyment of mingling with other students.

A variety of sports is offered. There are team sports: hockey, basketball, volleyball, and softball. The individual sports are tennis, badminton, bowling, and swimming. And there is modern dancing. Along with the interclass games on campus the girls enjoy round-robin games with other colleges.

Points are given for participation in any athletic event. These points count toward various individual awards. Also there is the annual award of the Lucie Shepard Reed Cup to the class having the greatest participation and showing the highest degree of excellence in athletics.

You who are to be members of the class of '58 will find that your interests and sociability at Framingham will be further enriched through participation in college athletics.

"We believe—in a spirit of cooperation and sportsmanship in the classroom, on the athletic field, and in all other activities."

THE MUSICAL CLUBS

The Musical Clubs here at Framingham are the Glee Club, Chapel Choir and any such instrumental ensemble as may be formed. The Glee Club members are chosen by try-outs early in September, every girl in the college having an opportunity to try out. Our Chapel Choir, a selected group from within the Glee Club, sings two mornings a week in Chapel, and gives outside concerts during the course of the year. In past years, among other things, they have made television appearances. Last summer they sang in Brussels in the International Music Conference.

The purpose of these clubs is to help members gain an understanding and appreciation of good music, and to add something of beauty and richness to the lives of those around them. This is carried out by several activities throughout the year: the Christmas Candlelight Service, the Annual Glee Club Concert, Class Day Evening Concert on the Horace Mann Terrace, combined concerts with the Framingham Community Choral Society and glee clubs from men's colleges.

HILLTOP PLAYERS

The officers and members of Hilltop Players are looking forward to meeting all the members of the class of 1958 and hope that all will enjoy the activities of the club.

Our program for this year includes a Christmas pageant, presented in cooperation with the Glee Club, one act plays during our club hours, climax by our spring production.

We aren't looking for people straight from Broadway. What we really need are willing hands in the important field of production: light technicians, scene designers, costume designers, publicity agents, and of course actresses. We are sure that whatever may prompt you to join, you will profit both in experience and fun.

YOUNG WOMEN'S CHRISTIAN ASSOCIATION

The Framingham “Y” is affiliated with similar associations of the other colleges of all New England and is also connected with the Student Christian Movement of New England. Through this New England organization we attend many off-campus conferences, where we have an opportunity to meet students from other colleges and share our ideas. Through our association we introduce all the girls to the various churches in and around Framingham Centre. Besides our regular meetings we have Bible study groups, discussion groups, sometimes discussing world problems of the day and the Christian attitude towards them; also we invite outside speakers to come in to give their view points.

The three calendar events of our association are the Freshman Y weekend at a nearby camp, the Sunrise Service when we rise at half past six, have chapel outdoors, and a delicious breakfast in Crocker, and the Moonlight Mood, a spring semi-formal.

The “Y” is a friendly association and we invite all students irrespective of race or creed to join.

THE HOME ECONOMICS CLUB

Organized in 1924, the Louisa A. Nicholass Home Economics Club was named in honor of Miss Nicholass, the beloved head of the Home Economics Department for many years.

The purpose of the club is to bring together the students of the Home Economics Department in order to keep them informed of current problems and topics of general interest to home economists, to have an organization for participation in off-campus home economics activities, and to familiarize the students with the broad fields of home economics. Our college club offers an opportunity to participate in meetings of the College Club Department through its affiliation with the Eastern Massachusetts Home Economics Association, the Massachusetts State Home Economics Association, and the American Home Economics Association.

As the professional organization of the Home Economics Department it serves as an introduction to professional contacts with important people in the fields of home economics. The club extends a cordial greeting to all the students of the Home Economics course, and invites them to join the Home Economics Club.

MAY HALL

May Hall, named for Miss Abbie W. May, who was chairman of the board of visitors in the eighties, was the main classroom and administration building prior to the opening of Dwight Hall. It was opened in September, 1889, and dedicated in June, 1890. The first floor was used then primarily as a practice school. In 1898 the Mary Hemenway Household Art Department, now our Home Economics Department, was added to this building.

HORACE MANN HALL

Horace Mann Dormitory, which is named for Horace Mann, educator and father of the normal school movement in our country, was built in 1920 to replace old Normal Hall, which had burned. All classes are represented in this house.

The House is under the direction of Miss Johnson. Mrs. Taylor, Resident Nurse, has her office and treatment rooms in this dormitory.
PEIRCE HALL

Peirce Hall is named after Cyrus J. Peirce, the first principal of the first State Normal School in America. Peirce accommodates one hundred and ten students of all classes. Here also is the boarders' dining room.

CROCKER HALL

Crocker Hall, which was named after Miss Lucretia Crocker, an outstanding teacher and the first woman to be appointed supervisor of the Boston schools, was built in 1886 to be used as a dormitory. On Christmas of the following year the hall was partially destroyed by fire. It was later repaired, enlarged and reopened in February, 1889. After the hurricane of September, 1938, Crocker was brick-faced, somewhat remodeled, and the new Crocker opened to the Junior Home Management Group on March 4, 1940. The building is now used as The Home Management and Practice House for the Junior Class of the Home Economics Department. Each quarter one section of the class does the ordering, preparing, and serving of the meals for the group then in House Practice.
VOCATIONAL HOUSE

The Vocational House is the little house at the foot of State Street on Maple Street. It is here that the Vocational girls, in their freshmen, junior, and senior years, take a turn at ordering, preparing, and serving meals for the group. The house is under the direction of the Head of the Vocational Department, Miss Agnes M. Hornby.

THE ELLA C. RITCHIE LIBRARY

On the second floor of Dwight Hall is located the college library named the Ella C. Ritchie Library as a tribute to the librarian who served the college from 1923 until her death in 1941. In addition to this main library there are several departmental libraries on the campus, making more easily available the books and other library materials needed for special class work. The library of over 21,000 volumes includes an adequate collection of reference books, books specifically chosen for class work, books for recreational and cultural reading, newspapers, and nearly 200 periodicals on a wide variety of subjects. Since the books and periodicals have been selected to answer the many needs of both faculty and students, certain rules regarding the use of the library and its materials are necessary so that all members of the college community may enjoy equal library privileges.

1. Reference books do not circulate; they are needed in the library at all times.

2. Current periodicals do not circulate; they may be read in the library.

3. Certain books needed for class assignments are taken from the main collection from time to time and placed on special shelves for limited periods. These so-called reserved books are charged for over night only. In this way a few copies serve many students.

4. All other books and other library materials may be taken out for a period of two weeks; at the end of that time renewal is allowed.

Either the librarian or a student assistant is always on duty in the library. All users of the library are urged to consult the desk attendant at any time when they need help in using the library. The college library is a place for quiet reading and study; it is an agency of instruction rather than a storehouse of books; it should be the academic center of the institution.

OFF-CAMPUS CONTACTS

A Framingham girl aims to be informed. She is not enclosed behind brick walls, but rather sees vital connections between her studies and the world she lives in.

Many students join organizations where they have an opportunity to attend lectures on the social, economic, and political problems in the world today. They also broaden their cultural background by visiting some of the museums that are comparatively near the college: in Boston, Cambridge, and Worcester.

Organizations using college facilities often throw their meetings open to students.

Home economic students make supervised visits to markets, stores, and industrial plants. All departments at Framingham encourage a close relationship between scholastic work and related cultural opportunities in the surrounding communities. There are opportunities to continue affiliation with Scouts, 4-H, and Rainbow, and to become an active member of the Civic League Players, the Civic League Basketball League, and the Framingham Community Choral Society.

Students are encouraged to become actively identified with their church in Framingham through social service work, choir, and young people's organizations.

PUBLIC RELATIONS

Good relations and sympathetic understanding between a teachers college and the public which has furnished and supports it are extremely important. As an undergraduate everything you do will reflect credit or discredit upon your college. Any awards or honors which may come to you, in college or out, will be shared by the college, just as you will share in any distinctions that may come to your college. The reverse is also true, of course.

This interdependence between you and your college is inevitable and inescapable. It is beyond your power to avoid this responsibility, but is very much within your power to add substantially to the reputation and fame of your college.

Seek out opportunities to promote its ideals and strengths. Be quick to resent and be prepared to refute any derogatory remark about your chosen college or your chosen profession.

Bear in mind, however, that the best possible public relations are promoted by your own personality as a serious, maturing student of education, in training for the most important duty and privilege civilization offers, the honor of instructing its young.
PERTINENT POINTS

Remember that you are entering a professional college, and a professional attitude is expected of you.

Begin well! Poor work in the first semester may handicap you through your whole college course. If you are not doing well in a subject, do not hesitate to ask for a conference with the instructor. Framingham recommends you on the basis of your reputation here.

Students rise upon presentation of guest artists and assembly speakers, who should always receive courteous attention.

Rise when an older person stops to speak to you. Pass through the corridors quietly and as seldom as possible while classes are being held.

Refrain from talking out the dormitory windows at any time.

Leaders must first be followers—be cooperative.

Avoid carrying unnecessary material to Chapel or Assembly programs.

Books or equipment obligingly loaned should be returned promptly and in good condition.

Permission should be secured for the use of any laboratory equipment outside of class.

This is the place to make friends; don't chum with one girl exclusively. There are approximately six hundred at Framingham. Don't be afraid to speak to the girl who smiles at you.

First impressions are important.

Careful grooming is expected of every student. The best dressed student is the one who dresses to suit the occasion.

Framingham with its beautiful campus, attractive dorms, and informal recreation offers ideal facilities for weekend entertainment. The Centre is not the only direction in which to walk; there are many lovely spots in and around Framingham.

THE LISTENING ROOM

Our campus offers another opportunity for enrichment through the use of the Listening Room. A collection of records, which is kept in the library, may be borrowed for use between 2 P.M. and 5 P.M. and Saturday morning. Many students have found using the Listening Room both a profitable and enjoyable experience. The key may be obtained at the library.

THE SMOKER

For the present the Students Room in Dwight Hall is used as a smoker. No smoking is allowed in the dormitories at any time.

The Student Cooperative Association has a committee to draw up such rules as are necessary for the use of the smoker. All rules are posted, and carelessness in observing them is cause for closing the room.

The room is regularly open from 8 A.M. till 10 P.M. It may be closed at any time by President O'Connor, Dean Larned, or the S.C.A. committee if there is not full cooperation on the part of the students in maintaining it.

The committee will acquaint the students with the system for keeping the smoker attractive and neat. It is expected that each girl wishing to use this room will assume the responsibilities assigned to her.

Calendar events have priority rights in the use of the room.
THE POINT SYSTEM

A recorder of points shall keep, and make available upon request, a record of the students elected to the positions listed below. A girl is advised not to hold offices aggregating more than fourteen points.

COLLEGE SONGS

Alma Mater
Dear Framingham, our hearts to thee are holden
By this, our love for each familiar scene;
Thy towers shine with sunset light all golden
'Neath skies of blue, cloud-flecked, serene.
Thy towers shine with sunset light all golden
'Neath skies of blue, cloud-flecked, serene.
Thy children we, our love and pride confessing
In this, our Alma Mater and our home;
And may we strive to bring a richer blessing
To crown thee now and for years to come,
And may we strive to bring a richer blessing
To crown thee now and for years to come.

Come One and Come All
Come Freshmen, come Sophomores,
Come one and come all;
Ye Juniors and Seniors,
Come answer our call.
We'll lift up our voices,
Let clear echoes ring
To Framingham College
Your praises we'll sing.
'Tis your spirit undaunted,
Your leadership true,
Your aims and ideals
That have won us to you.
We pledge our devotion
For ever and aye
To Framingham College,
Our College alway.

Framingham
Framingham so dear,
We sing to you;
Right on our College hill
We love you, yes, we do,
Our College
Long may we cherish thee,
Love and adore,
Sing praise and honor forevermore.
