HOW TO FIND F.T.C.

To find State Teachers College at Framingham is not really so hard as you may imagine. With your handbook tucked in your pocket, and your upper class adviser to greet you, why worry?

You can't get lost if you follow these simple directions. If you come into Framingham by train, you will want to take a B.&W. bus or taxi to Framingham Centre. You will find the bus across the railroad crossing at the first corner on the left and the taxi at the station.

The distance from Framingham to the Centre is two miles. Ask the bus driver to stop at State Street, at the cement steps. These steps are situated at the foot of our "Hill". The rest of your journey will be done "shank's mare" up the long hill, State Street, through Whittemore Gate and straight on to the college grounds. You will come first to Wells Hall, then to May Hall. Then take your left at the drive and go around the circular drive to Dwight Hall where all new students will be directed to their dormitory.

If you drive from Worcester, upon entering Framingham Centre you will cross the railroad tracks, then turn immediately right onto Maynard Road. You will follow Maynard Road on up the hill to the college grounds.

If you drive up from Boston you will come to the 1812 House on the left where there is a sign State Teachers College. Follow this road almost to the railroad crossing, take a left, Maynard Road, continue up the hill and take a right which will lead you to the college grounds.

ENTRANCE TO COLLEGE GROUNDS

The Henry Whittemore Memorial Gate, which is at the entrance to the campus, was given by the Classes of 1917, 1918, and 1919, and named for Mr. Whittemore, Principal of the Framingham Normal School from 1898 to 1917.
OUR FRAMINGHAM BACKGROUND

Over a hundred years ago, Massachusetts schools were faced with the fact that their teachers were unfitted for teaching because of ignorance, not only of teaching methods, but of the subject matter as well. To overcome this difficulty, the Massachusetts Board of Education was formed in 1837, with Horace Mann as its first Secretary. This board made possible the establishment of three normal schools, one of which has grown to be our Framingham State Teachers College. Our Normal School was established in 1839 at Lexington under Reverend Cyrus Peirce, as Principal. Reverend Samuel J. May succeeded Peirce in 1842, but after two years the latter again became Principal. In 1849 he was followed by Eben Sterns. The school was moved to Framingham in 1853. The first woman Principal, Miss Annie E. Johnson, served from 1866-1875, and re-established the practice school. She was followed by Miss Ellen Hyde, who became Principal in 1875. Until 1898, the school prepared for the elementary grades only, but during that year the Mary Hemenway School of Domestic Science in Boston was added. In 1920 the Vocational Department was established by the Federal Board of Vocational Education. Henry Whittemore became Principal in 1898 and conducted the school for nineteen years. He was succeeded by Dr. James Chalmers, who retired in 1930. Francis A. Bagnall, who followed Dr. Chalmers, retired in 1936. Martin F. O'Connor took his position as President in September of that year. With extension to the State Normal Schools of the privilege of granting degrees because of the establishment of the four-year course and the recognition of the work done as of collegiate grade, the Legislature in March, 1932, changed the names of all State Normal Schools in Massachusetts to State Teachers Colleges.

OUR CREED

We believe—in the Framingham State Teachers College and in its motto “Live to the Truth.”

We believe—in a spirit of loyalty to our teachers, classmates, and friends;

in a spirit of cooperation and sportsmanship in the classroom, on the athletic field, and in all other activities.

We believe—in courtesy at all times, and a consideration for the rights and privileges of others;

in true and generous comrade-ship and mutual helpfulness that insure the well-being and advancement of the individual and the group.

We believe—in a high standard of scholarship, intellectual integrity, and thoroughness in all our undertakings;

in making diligent search through our contacts with people and books after the best that life has to offer.

We believe—that an honest and consistent devotion to these ideals will so develop us as to give us “The Good Life” and sustain and build traditions for our college.
To the Freshmen:—

Welcome to Framingham. We are happy to have you here. Admission to our college, or to any other college for that matter, in this year of 1955 is a great privilege—one that is denied to many young people. But if you are greatly privileged you are also greatly obligated to make the best of this opportunity offered you. We hope that your years here will be both pleasant and profitable. They will be to the extent that you enter into the life of the college.

Make a good beginning. Those first days are so important. Carry your heads high. Greet everyone with a smile. Speak to everyone. Do not hesitate to ask for assistance when you need it. Be intellectually curious. Be determined to look upon college as an enriching experience. In this way lies success. God grant that you may achieve it.

MARTIN F. O’CONNOR,
President

Dear Girls of 1959:

Have you been conscious of checking off milestones in your as yet relatively short existence? Perhaps some of you have—educational milestones, I mean: the first day of school, graduation from high school, and now admission to college!

Now is the time to resolve to make this the most wonderful, the most significant, milestone of any you have yet passed. You are on your way to further exploration of new and interesting ideas, to deeper development of capacities and character, to increased productivity through your efforts and native endowment, and to boundless enjoyment of intellectual, cultural, and recreational activities consistent with your new status—that of college student.

You will meet us on the path; don’t forget we want to make the way “both pleasurable and profitable”.

DOROTHY LARNED
Dean
WELCOME TO YOUR COLLEGE AND OURS

DEAR FRESHMEN:

Welcome—Class of '59! I am very happy to have this opportunity to welcome every one of you to our college. The years ahead will be stimulating and challenging. We are sure that you will be a group which will assume with sincerity the great responsibility of upholding the traditions and honor of FSTC. The Student Cooperative Association is our self governing body. Every student is an active member of this organization by her participation in the mass meetings of the student body and by her participation in various clubs which have representation on the Executive Council. The success of our association depends upon every student at Framingham. Cooperation is the key word. Come with ideas, have something to offer; as sure as you do this, your student government will have much to offer you.

PAULA FALLONI, President
Student Cooperative Association

A GREETING FROM THE ALUMNAE

The Alumnae Association extends warm greetings of welcome to the Freshman Class of the State Teachers College at Framingham. You have met the high standards of entrance to this college of your choice, and so you join a host of others who are proud of Framingham as their Alma Mater.

Soon the use of your own class numerals of 1959 will mean a developing spirit of unity and cooperation. You will find comfort in bonds of friendship, joy, and knowledge inspired by our motto, "Live to the Truth."

We hope that your years at Framingham will be both happy and successful, preparing you adequately for your place in life.

ELEANOR E. WELLS
President, Framingham State Teachers College Alumnae Association
OBLIGATIONS OF A FRAMINGHAM STATE TEACHERS COLLEGE STUDENT

On entering Framingham as a freshman, each student upon payment of the budget fee becomes automatically a member of the Student Cooperative Association, and from then on her membership in this Association implies that she will be willing to accept her obligations as a citizen of the college and conform to its standards.

There are certain obligations and responsibilities as well as privileges connected with the Student Cooperative Association at Framingham, and each girl should be ready and willing to assume her full share.

A wisely adjusted balance of academic and non-academic responsibilities contributes to the development of an all round student.

The attitude of every student towards the college community should be that of constructive cooperation. She should accept and support the fundamental standards of the group and should also be willing to conform to all customs and procedures which have proved to be for the best interests of the community.

Each member of the Student Cooperative Association should take active part in offering suggestions for improvement and should feel herself to be a vital part of a flexible and progressive democracy. Moreover, while each student is identified with the college, she is, inevitably, its representative wherever she goes and should feel the obligation of loyalty in maintaining its reputation at all times.

CLASS AND CLUB COUNCIL
Chairman: Evelyn Hamm '56
The council was organized in 1937 as a part of the government of the Student Cooperative Association. Its purpose is to promote cooperation between the various club groups. The duties are: to schedule activities for classes, clubs and college publications; to take charge of the voting for the Student Cooperative Association officers; to plan a voting procedure for the clubs and classes. The second vice-president of the Student Cooperative Association is the chairman of this council. The Dean is a member ex-officio.

THE JUDICIARY BOARD
Chairman: Pearle Barber '56
Faculty Adviser: Miss Taylor
It is the function of this board to consider all cases involving infraction of rules and all violations of student government. The board has the authority to impose penalties for minor offenses; in more serious cases decisions of the Judiciary Board are referred to the Executive Council for final approval. Certain major offenses become automatically the concern of the President of the College, the Dean, or the Faculty.
This Judiciary Board, with the first Vice-President of the Student Cooperative Association as chairman, is composed of four other students and a faculty adviser.

THE HONOR COUNCIL
Chairman: Helen Tracy '56
Faculty members: Miss Hemenway
Dr. Salenius
The students of the State Teachers College at Framingham believe that the main purpose of education is to develop character. Since honesty and a sense of responsibility are traits of good character, we seek to further their growth by establishing an Honor System with an Honor Council. This system aims to develop principles of honorable conduct and increase intellectual integrity in all academic work. With this goal in view we pledge ourselves to the support of the Constitution of the Honor System. According to the regulations of the Honor Council, each girl is placed on her honor in all work designated as honor work in the Constitution.
The Honor Council consists of a chairman, elected by the student body, four representatives from the Senior class, two Elementary and two Home Economics or Vocational students; and two representatives, one Elementary and one Home Economics or Vocational student, from each of the other three classes. The election procedure is explained in detail in the Constitution. Two faculty members are elected by the Faculty.
Since the success of the Honor System depends entirely upon the cooperation of all taking part in it, students are urged to help by taking a vital interest in its progress.
We are confident that the students of Framingham State Teachers College will uphold this privilege of self government.

INTER-DORM. COUNCIL
Chairman: To be elected
The function of the inter-dorm council is to concern itself with the maintenance of quiet and order in the dormitories. Under the present regime, an experiment designed to discover the most satisfactory methods, to students and administration, of developing self-discipline, consideration of others, and
mature reactions to conditions of group living, the Council administers such regulations as are set up by democratic procedure. Every student is expected to collaborate, not alone by being quiet and cooperative herself, but also by reminding others, if from time to time they become forgetful, of their responsibility to observe the regulations, and to keep in mind that the welfare of the group is ever of primary importance.

DIbING ROOM COUNCIL
Chairman: Dorothy Lopes '56

The Dining Room Council exists to help maintain an atmosphere of homeliness and refinement in our dining room. Three days a week at the evening meal girls are given assigned seats so that freshmen will become acquainted with the upperclassmen. Once a week we have "dress-up" night, when birthdays are celebrated.

It is hoped that each girl will feel at home in our dining room and will, by reflecting her home training and her own appreciation of good breeding, contribute to pleasant social intercourse.

LIBRARY COUNCIL
Chairman: Barbara Wilmot '56

In 1936 the Library Council was organized and accepted by the Student Cooperative Association as a part of its government. It is composed of eight girls, two representatives from each class, one an Elementary and the other a Home Economics member. The librarian acts as adviser.

Its purpose is to secure full cooperation in the proper use and enjoyment of the library.

THE NATIONAL STUDENT ASSOCIATION
Delegate: Betty Britt '57

The National Student Association is an organization of which every student is a member and therefore eligible to participate in all its functions. New England Regional Conferences are held at member colleges such as Smith, Harvard, Dartmouth, A.I.C., Mount Holyoke; also, sectional meetings are held which offer both educational and social opportunities. At F.T.C. the association is made up of a chairman, who is Framingham's delegate to the conferences, and a committee of six sophomores elected at the end of their freshman year by the student body. The chairman and the committee work together on the newly formed Parliamentary Procedure Groups and on other programs such as the Books for Korea project undertaken this year. The delegate represents the school both at regional conferences and at the national congress usually held at a Mid-western college. It is her responsibility to bring back suggestions and ideas helpful to student government. The complete support of the student body is necessary in order to derive the full benefits of our N.S.A. affiliation. It is our hope that those entering F.T.C. will become interested in the N.S.A. and will take part in the educational and social opportunities which it offers.

THE WEEKENDERS
Co-Chairman: Edna Mannos '57
To be elected

On campus there is a Weekend Club which plans activities for dorm students over the weekend. The aim of this club is to encourage group social activities.

The club plans for the year inter-dorm sport activities, hikes, theatre and movie parties, "sing and gab" sessions, as well as dances to which nearby men's colleges are
invited. With the cooperation, enthusiasm and suggestions of all, the Weekenders look forward to a most successful year. We hope the Freshmen particularly, will take advantage of the opportunities that the Weekenders offer to make new friends and adjustments to college life.

**SCIENCE GROUP**
The Science Group, which was organized last year, has done several interesting things in the line of science under the direction of Dr. Jost. Discussion groups, field trips, and scientific movies were part of the many activities, and more and better things are planned for next year.

**THE DIAL**
We, the staff of your yearbook, The Dial, extend greetings and a hearty welcome to you as you enter our college at Framingham. The Dial portrays, through a literary and pictorial median, the history of the graduating class and tries to convey just what four years at F.S.T.C. means to the class. Although essentially a senior book, all college events and clubs, as well as the faculty and underclasses are well represented. We believe the purpose of the Dial is to aid you in remembering your years at college. We hope these years will be happy and successful ones for you.

JENIFER SAXTON
Editor-in-Chief

**THE GATEPOST**
Source of communication to faculty and students is your college newspaper, The Gatepost. You may become a member of the staff after your first quarter marks are out and approved. Every field is open to you in newspaper work, and we, the staff, welcome new ideas and interests. Our office is in Wells Hall where we shall look for you. Come and get acquainted.

MAUREEN DEE, Editor

**ATHLETIC ASSOCIATION**
The Athletic Association is open to all who wish to join. No special skill is required to be a member. All that is necessary is enthusiasm for sports and the enjoyment of mingling with other students.

A variety of sports is offered. There are team sports: hockey, basketball, volleyball, and softball. The individual sports are tennis, badminton, bowling, and swimming. And there is modern dancing. Along with the interclass games on campus the girls enjoy round-robin games with other colleges.

Points are given for participation in any athletic event. These points count toward various individual awards. Also there is the annual award of the Lucie Shepard Reed Cup to the class having the greatest participation and showing the highest degree of excellence in athletics.

You who are to be members of the class of '58 will find that your interests and sociability at Framingham will be further enriched through participation in college athletics.

"We believe—in a spirit of cooperation and sportsmanship in the classroom, on the athletic field, and in all other activities."

The Musical clubs would like to take this opportunity to extend a welcome to the class of '59. We hope many of you will want to join us this year in our various musical activities. Our largest musical organization is the glee club. Tryouts are held early in the fall and everyone interested is welcome. From the Glee Club a few persons are selected to form a choir, which sings at chapels and many off-campus affairs.

If you play a musical instrument we want and need you in the orchestra. Since the orchestra is a recently organized group, your help is needed to build it up.

Again, we hope you will want to help us further our purpose of enjoying and appreciating good music. See you in the tryouts!

YOUNG WOMEN'S CHRISTIAN ASSOCIATION

The Framingham "Y" is affiliated with similar associations of the other colleges in New England and is also connected with the Student Christian Movement of New England. Through this New England organization we attend many off-campus conferences, where we have the opportunity to meet students from other colleges and share our ideas. Our association tries to introduce the girls to the various churches in and around Framingham Center. In addition to our regular meetings we have Bible study groups, discussion groups, and invited outside speakers to come in to give us their viewpoints on various subjects. Our two main events this year are the Sunrise Service and Breakfast and the Moonlight Mood, a late winter semi-formal.

The "Y" is a friendly association, and we are looking forward to your joining us and sharing in our many events.

THOMAS A KEMPIS CLUB

The Thomas A Kempis Club, named for a priest and writer of the fourteenth century, was founded twenty-eight years ago in this college for the purpose of furthering Catholic culture and Catholic fellowship. It is affiliated with the New England Province of the Newman Federation.

As a club member one may attend the annual communion breakfast, the "get-acquainted" tea, the weekly meetings offering Catholic instruction under the direction of our Chaplain, and many off-campus lectures and socials. The entire student body is invited to attend the annual A Kempis Formal, and the A Kempis assembly which brings a noted speaker to the campus.

This year the A Kempis is going to try to promote many spiritual and charitable functions that will be beneficial to all. Among these the Club will sponsor its annual retreat.

The A Kempis Club invites all entering Catholic students to join to help make the A Kempis Club a success spiritually and socially.

The aim of the club is multifold: to bring the home economics students together and thus keep them informed of current problems and developments in the field of Home Economics; to familiarize the students with the broad field of home economics; to offer opportunities for off-campus professional home economics activity, and of course, to have fun.

Since this is the professional club of the Home Economics Department, it serves as a medium of professional contact with eminent people in the field of Home Economics through the club's affiliation with the Eastern Massachusetts Home Economics Association, and the American Home Economics Association.

The Red Cross College Unit cooperates with the Framingham Chapter of the Red Cross. Through this College Unit the girls are able to participate as a group in Red Cross activities, and enjoy a valuable community relationship. During the years the members have assumed responsibilities in different fields of work. They helped in the entertainment at Cushing Veterans' Hospital by volunteering their services as hostesses, for card parties and dances. A group of the girls did volunteer teaching at Cushing Veterans' Hospital. Another group qualified for Motor Corps driving. All these activities will continue if there is a demand for them. Information in regard to any type of employment connected with the school buildings, dormitories, village houses, or summer openings may be obtained from the Dean. Opportunities for self help during the college year are very limited and are offered first to the upperclassmen.

IX. Lost and Found Articles:
Found articles should be taken promptly to the office of the Dean, where owners should inquire for them. From time to time the list of these articles will be posted on the Dean's bulletin board or published in the Gate Post. If they are not claimed by a specified date they will be returned to the finder, or disposed of at the discretion of the Dean.
X. Sunning:
Sunning is limited to the rear of the Athletic Field when there are no activities scheduled there. It is expected that students will not abuse this privilege and will forego it on such occasions as May Day, Class Day, and Commencement, etc.

PERTINENT POINTS
Remember that you are entering a professional college, and a professional attitude is expected of you.
Begin well! Poor work in the first semester may handicap you through your whole college course. If you are not doing well in a subject, do not hesitate to ask for a conference with the instructor. Framingham recommends you on the basis of your reputation here.
This is the place to make friends; don't chum with one girl exclusively. There are approximately six hundred at Framingham. Don't be afraid to speak to the girl who smiles at you. First impressions are important.
Leaders must first be followers—be cooperative.
A Framingham girl aims to be informed. She is not enclosed behind brick walls, but rather sees vital connections between her studies and the world she lives in. All departments at Framingham encourage a close relationship between scholastic work and related cultural opportunities in the surrounding communities. Home economic students make supervised visits to markets, stores, and industrial plants. Geography, science, and art classes have field trips to plants, laboratories, and museums. Drama and music classes or groups from them take advantage of the cultural offerings in Boston and other near by communities.

Cambridge, Sturbridge, Sudbury and other towns within a narrow radius of Framingham all have unique features of special interest to the college student.
Locally Framingham offers many cultural programs: lectures on a variety of subjects, concerts, and plays. Organizations using College facilities often throw their meetings open to students.
Students with time and talent may join the Civic League Players or The Community Choral Society.
Through the courtesy of the Babson Institute of Wellesley, F.T.C. students are privileged to use the Babson swimming pool once a week. Miss Mackey, of our physical education department, arranges two series of lessons during the year, and personally supervises the swimming and life saving classes. A nominal fee is charged.

Good relations and sympathetic understanding between a teachers college and the public which has furnished and supports it are extremely important. As an undergraduate everything you do will reflect credit or discredit upon your college. Any awards or honors which may come to you, in college or out, will be shared by the college, just as you will share in any distinctions that may come to your college. The reverse is also true, of course.

This interdependence between you and your college is inevitable and inescapable. It is beyond your power to avoid this responsibility, but is very much within your power to add substantially to the reputation and fame of your college.

Seek out opportunities to promote its ideals and strengths. Be quick to resent and be prepared to refute any derogatory remark about your chosen college or your chosen profession.

Bear in mind, however, that the best possible public relations are promoted by your own personality as a serious, maturing student of education, in training for the most important duty and privilege civilization offers, the honor of instructing its young.

MAY HALL
May Hall, named for Miss Abbie W. May, who was chairman of the board of visitors in the eighties, was the main classroom and administration building prior to the opening of Dwight Hall. It was opened in September, 1889, and dedicated in June, 1890. The first floor was used then primarily as a practice school. In 1898 the Mary Hemenway Household Art Department, now our Home Economics Department, was added to this building.

WELLS HALL

In 1902 Wells Hall, which is connected to May Hall by a bridge, was completed. This hall was named for Kate Gannett Wells, a member of the Board of Education at that time.
Peirce Hall is named after Cyrus J. Peirce, the first principal of the first State Normal School in America. Peirce accommodates one hundred and ten students of all classes. Here also is the boarders' dining room.

Horace Mann Dormitory, which is named for Horace Mann, educator and father of the normal school movement in our country, was built in 1920 to replace old Normal Hall, which had burned. All classes are represented in this house.

The House is under the direction of Miss Johnson. Mrs. Taylor, Resident Nurse, has her office and treatment rooms in this dormitory.
CROCKER HALL

Crocker Hall, which was named after Miss Lucretia Crocker, an outstanding teacher and the first woman to be appointed supervisor of the Boston schools, was built in 1886 to be used as a dormitory. On Christmas of the following year the hall was partially destroyed by fire. It was later repaired, enlarged and reopened in February, 1889. After the hurricane of September, 1938, Crocker was brick-faced, somewhat remodeled, and the new Crocker opened to the Junior Home Management Group on March 4, 1940. The building is now used as The Home Management and Practice House for the Junior Class of the Home Economics Department. Each quarter one section of the class does the ordering, preparing, and serving of the meals for the group then in House Practice.

VOCATIONAL HOUSE

The Vocational House is the little house at the foot of State Street on Maple Street. It is here that the Vocational girls, in their freshmen, junior, and senior years take a turn at ordering, preparing, and serving meals for the group. The house is under the direction of the Head of the Vocational Department, Miss Agnes M. Hornby.
THE ELLA C. RITCHIE LIBRARY

On the second floor of Dwight Hall is located the college library named the Ella C. Ritchie Library as a tribute to the librarian who served the college from 1923 until her death in 1941. In addition to this main library there are several departmental libraries on the campus, making more easily available the books and other library materials needed for special class work.

The library of over 21,000 volumes includes an adequate collection of reference books, books specifically chosen for class work, books for recreational and cultural reading, newspapers, and nearly 200 periodicals on a wide variety of subjects. Since the books and periodicals have been selected to answer the many needs of both faculty and students, certain rules regarding the use of the library and its materials are necessary so that all members of the college community may enjoy equal library privileges.

1. Reference books do not circulate; they are needed in the library at all times.
2. Current periodicals do not circulate; they may be read in the library.
3. Certain books needed for class assignments are taken from the main collection from time to time and placed on special shelves for limited periods. These so-called reserved books are charged for over night only. In this way a few copies serve many students.
4. All other books and other library materials may be taken out for a period of two weeks; at the end of that time renewal is allowed.

Either the librarian or a student assistant is always on duty in the library. All users of the library are urged to consult the desk attendant at any time when they need help in using the library. The college library is a place for quiet reading and study; it is an agency of instruction rather than a storehouse of books; it should be the academic center of the institution.

THE LISTENING ROOM

Our campus offers another opportunity for enrichment through the use of the Listening Room. A collection of records, which is kept in the library, may be borrowed for use whenever the library is open and Saturday morning. Many students have found using the listening room both a profitable and enjoyable experience. The key may be obtained at the library.

THE SMOKER

During certain hours the Students Room in Dwight Hall is used as a smoker. (No smoking is allowed in the dormitories at any time.) The Student Cooperative Association has a committee to draw up such rules as are necessary for the use of the smoker. All rules are posted, and carelessness in observing them is cause for closing the room.

It may be closed at any time by President O'Connnor, Dean Larned, or the S.C.A. committee if there is not full co-operation on the part of the students in maintaining it. Hours are also posted.

The committee will acquaint the students with the system for keeping the smoker attractive and neat. It is expected that each girl wishing to use this room will assume the responsibilities assigned to her.

Calendar events have priority rights in the use of the room.

DRESS AT FRAMINGHAM

Classes and Examinations

Class dress and suitable footwear are required for all classes and examinations except when art and physical education or other instructors specifically approve something less formal because the nature of the work makes that desirable.
Library

After meals when approved informal may be worn, students may wear this dress in the library. (Library Council regulations shall apply to students at the desk.)

Dwight

Informal dress may not be worn in Dwight Hall above the Student Room level except when it is specifically permitted in the library (see above). Students are not to appear in the lobby, auditorium, or any of the offices on any day in informal dress. When in approved informal students are to use the end doors and stairways only.

May and Wells

Informal attire may be worn after 5:15 on days when classes are held and all day on holidays and Saturdays, except in the foods laboratories, where departmental regulations apply.
