HOW TO FIND F.T.C.

To find State Teachers College at Framingham is not really so hard as you may imagine. With your handbook tucked in your pocket, and your upper class adviser to greet you, why worry?

You can't get lost if you follow these simple directions. If you come into Framingham by train, you will want to take a B.&W. bus or taxi to Framingham Centre. You will find the bus across the railroad crossing at the first corner on the left and the taxi at the station. The distance from Framingham to the Centre is two miles. Ask the bus driver to stop at State Street, at the cement steps. These steps are situated at the foot of our “Hill”. The rest of your journey will be done “shank's mare” up the long hill, State Street, through Whittemore Gate and straight on to the college grounds. You will come first to Wells Hall, then to May Hall. Then take your left at the drive and go around the circular drive to Dwight Hall where all new students will be directed to their dormitory.

If you drive from Worcester, upon entering Framingham Centre you will cross the railroad tracks, then turn immediately right onto Maynard Road. You will follow Maynard Road on up the hill to the college grounds.

If you drive up from Boston you will come to the 1812 House on the left where there is a sign State Teachers College. Follow this road almost to the railroad crossing, take a left, Maynard Road, continue up the hill and take a right which will lead you to the college grounds.

ENTRANCE TO COLLEGE GROUNDS

The Henry Whittemore Memorial Gate, which is at the entrance to the campus, was given by the Classes of 1917, 1918, and 1919, and named for Mr. Whittemore, Principal of the Framingham Normal School from 1898 to 1917.
OUR FRAMINGHAM BACKGROUND

Over a hundred years ago, Massachusetts schools were faced with the fact that their teachers were unfitted for teaching because of ignorance, not only of teaching methods, but of the subject matter as well. To overcome this difficulty, the Massachusetts Board of Education was formed in 1837, with Horace Mann as its first Secretary. This board made possible the establishment of three normal schools, one of which has grown to be our Framingham State Teachers College. Our Normal School was established in 1839 at Lexington under Reverend Cyrus Peirce, as Principal. Reverend Samuel J. May succeeded Peirce in 1842, but after two years the latter again became Principal. In 1849 he was followed by Eben Stearns. The school was moved from Lexington to West Newton in 1844; and to Framingham in 1853. The first woman Principal, Miss Annie E. Johnson, served from 1866-1875, and re-established the practice school. She was followed by Miss Ellen Hyde, who became Principal in 1875. Until 1898, the school prepared for the elementary grades only, but during that year the Mary Hemenway School of Domestic Science in Boston was added. In 1920 the Vocational Department was established by the Federal Board of Vocational Education. Henry Whittemore became Principal in 1898 and conducted the school for nineteen years. He was succeeded by Dr. James Chalmers, who retired in 1930. Francis A. Bagnall, who followed Dr. Chalmers, retired in 1936. Martin F. O'Connor took his position as President in September of that year. With extension to the State Normal Schools of the privilege of granting degrees because of the establishment of the four-year course and the recognition of the work done as of collegiate grade, the Legislature in March, 1932, changed the names of all State Normal Schools in Massachusetts to State Teachers Colleges.

OUR CREED

We believe—in the Framingham State Teachers College and in its motto “Live to the Truth.”

We believe—in a spirit of loyalty to our teachers, classmates, and friends;

in a spirit of cooperation and sportsmanship in the classroom, on the athletic field, and in all other activities.

We believe—in courtesy at all times, and a consideration for the rights and privileges of others;

in true and generous comradeship and mutual helpfulness that insure the well-being and advancement of the individual and the group.

We believe—in a high standard of scholarship, intellectual integrity, and thoroughness in all our undertakings;

in making diligent search through our contacts with people and books after the best that life has to offer.

We believe—that an honest and consistent devotion to these ideals will so develop us as to give us “The Good Life” and sustain and build traditions for our college.
To the Freshmen:—

Welcome to Framingham. We are happy to have you here. Admission to our college, or to any other college for that matter, in this year of 1956 is a great privilege—one that is denied to many young people. But if you are greatly privileged you are also greatly obligated to make the best of this opportunity offered you. We hope that your years here will be both pleasant and profitable. They will be to the extent that you enter into the life of the college.

Make a good beginning. Those first days are so important. Carry your heads high. Greet everyone with a smile. Speak to everyone. Do not hesitate to ask for assistance when you need it. Be intellectually curious. Be determined to look upon college as an enriching experience. In this way lies success. God grant that you may achieve it.

MARTIN F. O'CONNOR,
President

Dear Freshmen:

As the first class of a new decade you may be emphasizing fresh values and establishing new precedents. We have had the “gay nineties” and the “roaring twenties”; right now people of perception and vision would question too much gaiety and too much roaring. As college students and, all too soon, college graduates, you will be expected to have this perceptive ability and vision, and to appreciate that living is more than good times, and world peace more than noisy vocalization.

What of the sixties? What are the needs you will try to meet? What are the goals you will sight? If not “gay” and not “roaring” how will this decade be characterized?

We welcome you to our campus. May you come to love Framingham, and may you make Framingham proud of you, so that future generations may say “The sixties got off to a good start”.

— DOROTHY LARNED
Dean of Women
Dear Freshmen:
We welcome you, class of 1960, to Framingham and the spirit that is Framingham. At present you don't feel much like a class, but it won't be long until you are proud of your numerals and what they stand for. Likewise, "Framingham" will come to mean responsibilities, friends, happiness—words that hold significance for us and will for you too.
As a start towards this feeling of oneness in spirit and in purpose, you will find that as a member of the student body you are also a member of the Student Co-operative Association—our student government. But automatically becoming a member doesn't insure you anything. You must prove yourselves as individuals and as a class. Your help is needed, for without your enthusiasm, cooperation, and ideas, our potential as a good, working student government is cut 25%. You can work, learn, and contribute ideas—but perhaps your greatest contribution is your cooperation. We want to help you—but you in turn must help us.
Welcome to Framingham, Freshmen! The student body greets you and extends a hand and a smile for the rough spots. With everyone working and sharing the load, we'll make a grand team.

BETTY JO GRAHAM, President
Student Co-operative Association

A Greeting from the Alumnae

The Alumnae Association extends warm greetings of welcome to the Freshman Class of the State Teachers College at Framingham. You have met the high standards of entrance to this college of your choice, and so you join a host of others who are proud of Framingham as their Alma Mater.

Soon the use of your own class numerals of 1960 will mean a developing spirit of unity and cooperation. You will find comfort in bonds of friendship, joy, and knowledge inspired by our motto, "Live to the Truth."

We hope that your years at Framingham will be both happy and successful, preparing you adequately for your place in life.

ELEANOR E. WELLS
President, Framingham State Teachers College Alumnae Association

OBLIGATIONS OF A FRAMINGHAM STATE TEACHERS COLLEGE STUDENT

On entering Framingham as a freshman, each student upon payment of the budget fee becomes automatically a member of the Student Cooperative Association, and from then on her membership in this Association implies that she will be willing to accept her obligations as a citizen of the college and conform to its standards.

There are certain obligations and responsibilities as well as privileges connected with the Student Cooperative Association at Framingham, and each girl should be ready and willing to assume her full share.

A wisely adjusted balance of academic and non-academic responsibilities contributes to
the development of an all round student. The attitude of every student towards the college community should be that of constructive cooperation. She should accept and support the fundamental standards of the group and should also be willing to conform to all customs and procedures which have proved to be for the best interests of the community.

Each member of the Student Cooperative Association should take active part in offering suggestions for improvement and should feel herself to be a vital part of a flexible and progressive democracy. Moreover, while each student is identified with the college, she is, inevitably, its representative wherever she goes and should feel the obligation of loyalty in maintaining its reputation at all times.

ELECTION SYSTEM

All voting is done preferentially, i.e., if three names are on the ballot, your first choice receives three points, your second choice receives two points and your third choice receives one point.

S.C.A. officers are nominated and elected preferentially by and from the school at large. Class and club officers are nominated by the members of the organization or a nominating committee as the constitution of the organization may direct and are elected by the whole organization. The names of those nominated are reviewed for academic and social standing.

Each approved nominee is notified and is free to accept or decline a nomination. If a girl is nominated for two or more offices, she must decide immediately upon notification which nomination she accepts, if any. No one may hold two elective offices simultaneously. The Faculty advisers are nominated in the same way as the officers of the respective organization.

CLASS AND CLUB COUNCIL

Chairman: Ann Techan '57, H.Ec.

Within the S.C.A. there is a body which deals with organizational affairs on the campus level; this body is the Class and Club Council (C.C.C.). The 2nd vice-president of the S.C.A. is chairman of the C.C.C. which is made up of the presidents of all the classes and clubs, editors of the Gatepost and Dial, the N.S.A. delegate; the dean is available at all times as an advisor.

It is the aim of the C.C.C. to maintain cooperation and harmony among the organizations at Framingham. It has charge of scheduling college events and elections, and it assumes major responsibility in assisting with the plans and conduct of pre-registration activities for the Freshmen.
THE JUDICIARY BOARD
Chairman: Barbara Turner ’57, Voc.
Faculty Adviser: Miss Riley
The Judiciary Board (J.B.) with the 1st vice-president as chairman comprises four other student members—two seniors, a junior and a sophomore—and a faculty adviser. It is the function of this board to consider all cases involving infraction of rules and all violations of student government. The board has the authority to impose penalties for minor offenses; in more serious cases decisions of the Judiciary Board are referred to the Executive Council for final approval. Certain major offenses become automatically the concern of the President of the College, the Dean, or the Faculty.

THE HONOR COUNCIL
Chairman: Mary Reid ’57, Voc.
Faculty Members: Dr. Salenius, Miss Taylor
The students of the State Teachers College at Framingham believe that the main purpose of education is to develop character. Since honesty and a sense of responsibility are traits of good character, we seek to further their growth by maintaining an Honor System with an Honor Council. This system aims to develop principles of honorable conduct and increase intellectual integrity in all academic work. With this goal in view we pledge ourselves to the support of the Constitution of the Honor System. According to the regulations of the Honor Council, each girl is placed on her honor in all work designated as honor work in the Constitution. The Chairman of the Honor Council is elected by the student body and is a member of the council of S.C.A. In addition to the Chairman, the Honor Council comprises the following members (elected according to the procedure explained in the Constitution) four representatives from the Senior class, two elementary and two home economics or vocational students; two representatives, one elementary and one home economics or vocational student, from each of the other three classes; and two representatives from the faculty (elected by the faculty).
Since the success of the Honor System depends entirely upon the cooperation of all taking part in it, students are urged to help by taking a vital interest in its progress.
We are confident that the students of Framingham State Teachers College will uphold this privilege of self government.

INTERDORMITORY COUNCIL
Chairman: Patricia Hood ’57, H.Ec.
The Interdormitory Council (I.D.C.) has been established to promote better relations among the students living on the campus. The main objective of this council is to encourage self-discipline and cooperation with others. The Council is well represented by members of each class and it will be their duty to exert positive influence in maintaining quiet and orderly living in the dorms. Mass dorm meetings will be held regularly at which the students will have the benefit of voicing their opinions and offering their suggestions. It is the endeavor of the Council to fulfill the desires of every member living on the campus or in the village and to answer to the needs of each whenever possible.

DINING ROOM COUNCIL
Chairman: (To be announced)
The Dining Room Council exists to help maintain an atmosphere of homeliness and refinement in our dining room. Three days a week
at the evening meal girls are given assigned seats so that freshmen will become acquainted with the upperclassmen. Once a week we have "dress-up" night, when birthdays are celebrated.

It is hoped that each girl will feel at home in our dining room and will, by reflecting her home training and her own appreciation of good breeding, contribute to pleasant social intercourse.

**THE NATIONAL STUDENT ASSOCIATION**

**Delegate:** Maria O'Brien '58, H.Ec.

The National Student Association (N.S.A.) is a confederation of college student governments throughout the United States. It is the privilege of the chairman of our N.S.A. Committee to represent Framingham at the National Student Congress. The congress is the supreme legislative body of the association, an association composed of nineteen regional bodies. Framingham is a member of the New England Regional. Members of our campus committee attend regional conferences held at various colleges throughout New England.

The N.S.A. Committee includes five sophomores elected at the end of their freshman year by their class and three juniors elected from the previous group of five sophomores who have served one year. One of these juniors will be chairman and the adviser will be the girl who served as chairman the previous year.

In addition to the valuable suggestions and ideas our N.S.A. Committee brings to student government, international forums are arranged monthly, bringing to the campus foreign students who speak of conditions and ideology with which they are personally familiar in their native country.

**LIBRARY COUNCIL**

**Chairman:** (To be announced)

In 1936 the Library Council was organized and accepted by the Student Cooperative Association as a part of its government. It is composed of eight girls, two representatives from each class, one an Elementary and the other a Home Economics member. The librarian acts as adviser.

Its purpose is to secure full cooperation in the proper use and enjoyment of the library.

**DORMITORIES**

The spirit of Framingham fosters close relationships among students; this is evidenced in the dormitories where girls from all classes live together under the guidance of a house mother and a student house president who represents the dorms on the Interdormitory Council (I.D.C.).

Each dormitory functions under the overall direction of the I.D.C. and the house president who cooperate in planning activities and carrying out the plans of the dorm family. Cheerfulness and friendliness create a homelike atmosphere in the dormitory.

**SCIENCE GROUP**

The Science Group, which was organized last year, has done several interesting things in the field of science under the direction of Dr. Jost. Discussion groups, field trips, and scientific movies were part of the many activities, and more and better things are planned for next year.
THE DIAL

We, the staff of your yearbook, The Dial, extend greetings and a hearty welcome to you as you enter our college at Framingham. The Dial portrays, through a literary and pictorial medium, the history of the graduating class and tries to convey just what four years at F.S.T.C. means to the class. Although essentially a senior book, all college events and clubs, as well as the faculty and underclasses are well represented. We believe the purpose of the Dial is to aid you in remembering your years at college. We hope these years will be happy and successful ones for you.

ATHLETIC ASSOCIATION

The Athletic Association (A.A.) is open to all who wish to join. No special skill is required to be a member. All that is necessary is enthusiasm for sports and the enjoyment of mingling with other students. A variety of sports is offered. There are team sports: hockey, basketball, volleyball and softball; the individual sports are tennis, badminton, bowling, and swimming, and there is modern dancing. Along with the interclass games on campus the girls enjoy round-robin games with several other colleges.

Points are given for participating in any athletic event. These points count toward various individual awards. Also there is the annual award of the Lucie Shepard Reed Cup to the class having the greatest participation and showing the highest degree of excellence in athletics. You who are to be members of the class of 1960 will find that your interests and sociability at Framingham will be further enriched through participation in college athletics.

"We believe in the spirit of cooperation and sportsmanship in the classroom, in the athletic field and in all other activities."

THE MUSICAL CLUBS

The Musical Clubs would like to take this opportunity to extend a welcome to the class of '60. We hope that many of you will want to join us this year in our various musical activities. The Glee Club members are chosen by tryouts early in September, every girl in the college having an opportunity to try out. Our chapel choir, a selected group from within the Glee Club, sings two mornings a week in chapel, and gives outside concerts during the course of the year.

If you can play a musical instrument we want you in the orchestra. Since the orchestra is a recently organized group, your help is needed to build it up.

Again, we hope you will want to help us further our purpose of enjoying and appreciating good music. Sing with us at the Christmas Candlelight Service, the annual Glee Club Concert and the class day evening concert on the Horace Mann Terrace.

Throughout the year our meetings feature readings, discussions, and talks that give a keener understanding of the theater itself. In December we present a Christmas pageant in cooperation with the Musical Clubs. Our year is climaxed by a full scale spring production.

Whatever your interest, there's a place for it in Hilltop Players as a light technician, publicity agent, set designer, costume designer or an actress. We are all looking forward to meeting and working with you.

The Framingham "Y" is affiliated with similar associations of the other colleges in New England and is also connected with the Student Christian Movement of New England. Through this New England organization we attend many off-campus conferences, where we have the opportunity to meet students from other colleges and share our ideas. Our association tries to introduce the girls to the various churches in and around Framingham Center. In addition to our regular meetings we have Bible study groups, discussion groups, and invited outside speakers to come in to give us their viewpoints on various subjects. Our two main events this year are the Sunrise Service and Breakfast and the Moonlight Mood, a late winter semi-formal.

The "Y" is a friendly association, and we are looking forward to your joining us and sharing in our many events.

As a club member one may attend the annual communion breakfast, the Mother-Daughter Tea, the frequent meetings offering Catholic instruction under the direction of our Chaplain, and many off-campus lectures, and socials. The entire student body is invited to patronize the annual A Kempis Formal. At an assembly the A Kempis Club brings a noted speaker to the campus.

THE HOME ECONOMICS CLUB

Organized in 1924, the Louisa A. Nicholas Home Economics Club was named in honor of Miss Nicholas, for many years, the beloved head of the Home Economics Department.

The purpose of the club is to bring together the students of the department in order to keep them well informed of current problems and topics of general interest to home economists, to have an organization for participation in off-campus home economics activities, and to familiarize the students with the broad fields of home economics. Our college club offers an opportunity to participate in meetings of the College Club Department through its affiliation with the Eastern Massachusetts Home Economics Association, The Massachusetts Home Economics Association and The American Home Economics Association.

Our club wishes to extend a warm welcome to you, the class of 1960, with the hope that you will join us and become active participating members.

RED CROSS
The Red Cross College Unit cooperates with the Framingham Chapter of the Red Cross. Through this College Unit the girls are able to participate as a group in Red Cross activities, and enjoy a valuable community relationship.

During the years the members have assumed responsibilities in different fields of work. They helped in the entertainment at Cushing Veterans' Hospital by volunteering their services as hostesses, for card parties and dances. A group of the girls did volunteer teaching at Cushing Veterans' Hospital. Another group qualified for Motor Corps driving.

All these activities will continue if there is a demand for them. In addition, the College Unit stands ready to assume new and different duties, in accordance with the time and abilities at its disposal. Identify yourself with your Red Cross College Unit.

THE BOOK MART

Student Ass't.: Sylvia Barros '57, El.

Up to the present time the Mart has confined its offerings to student supplies, special F.T.C. items, gifts and cards. This fall it assumes additional importance by taking over the college book business, previously handled by the faculty.

Here you will find the texts designated for your several courses, art supplies, notebooks, paper, stationery, fountain pens, and the dozen and one items every college girl finds useful. You will also be delighted with the many items for your own use and for gifts, bearing the College seal or colors.

Mrs. Stuart Foster has been engaged to manage the Mart with Sylvia Barros, Third Vice-president of the S.C.A. as student assistant. Profits are allocated on a percentage basis to the Student Alumnae Building Fund and the College Public Relations Committee. Mart hours are posted on the doors.

   (State Department Regulation)

C. Budget Fee:
The students at Framingham have voted that each student shall pay an annual budget fee of $14.00.

This fee is due and payable on Registration Day. Checks or money orders are to be made out to the Student Cooperative Association. This fee is not to be included with tuition or board payment.
The fee includes class dues, the College year book, the College paper, membership in the Student Cooperative Association, contribution to the Student-Alumnae Building Fund, the Glee Club concert, the Players' production, Stunt Night, Frateaco Weekend, Home Ec. Club Event, a contribution of 25 cents for student recreational facilities, and a contribution of one dollar for benevolences. This eliminates all drives on the campus.

D. Application blanks for reduced rates on the B. & W. and B. & A.R.R. will be signed at the business office or by the Dean.

III. Meals:
A. Meals for boarding students are served at Peirce Hall as follows:
Monday through Friday ... 7:30 12:30 5:40
Saturday .................. 8:00 12:00 5:40
Sunday ..................... 8:00 1:00 5:40

Guests may be accommodated if reservations are made in advance with Miss Harding. Rates may be secured from the head matron or the house mother and are to be paid the same day.

B. Commuters' Lunchroom:
The lunchroom is located in the basement of May Hall. Lunch is served from 12:25 to 12:50 on school days throughout the year. Patrons are permitted to smoke in the lunchroom annex at noontime.

IV. Office Hours:
A. The business office, which is located at the left of Dwight Hall front entrance, is open daily except Saturdays and Sundays. Applications for students' bus and train tickets may be obtained from this office from 8:30 to 9:00 A.M. and 12:45 to 1:15. If possible, payment of college fees should also be made during these hours.
B. The Dean of Women may be found in her office at Dwight Hall at hours posted on the bulletin board outside her office, and at other times by appointment.

C. The Head of the Home Economics Department may be found in her office in May Hall at hours posted and at other times by appointment.

D. The Chairman of the Elementary Department has her office in Dwight Hall.

E. Miss Harding, head matron, may be found at her office in Peirce Hall 9:00 to 10:00 A.M. and 4:30 to 5:30 P.M. All matters pertaining to meals are to be referred to her, as is any activity which concerns the use of Peirce Hall.

F. Mrs. Taylor, resident nurse, may be consulted at her office in Horace Mann Hall daily, from 8:00 A.M. to 7:30 P.M.

G. Dr. Bowler, registrar, may be found in his office in Dwight Hall during a part of each day. Special appointments may be made with him as his teaching program allows.

V. Chapel and Assembly:
Chapel is held in the Auditorium from 9:05 to 9:25 A.M. on Tuesday and Wednesday. Attendance is required. Absenteeism is handled by the Chapel and Assembly Committee. A required meeting of Juniors and Seniors is held at this time on Monday, and of Sophomores and Freshmen on Thursday. On Fridays the time is reserved for conference and committee meetings. On Monday, except the first Monday in each month when faculty, mass and class meetings are scheduled, the 2:15 period is reserved for cultural programs. Chapel and Assembly attendance is as much a College obligation as class attendance.

VI. Rules Concerning Absences from Classes:
A. Attendance is taken in classes. The college has no “cut system.” Every absence or tardiness must be accounted for. Excuses are to be presented directly to the instructor in writing, and then filed with the Dean.

B. No student may leave a class without reporting to the instructor in charge.

C. Any student who becomes ill during class hours must report such illness to the Dean, the nurse or a matron, before leaving campus if a commuter, and upon returning to her room if a boarder.

D. Any known contact with communicable diseases must be reported at once to the nurse. This statement applies to all students attending college.

VII. Study Places:
The Ritchie Library is open from 8:00 A.M. to 5:00 P.M. Monday through Friday except during chapel and assembly hours; from 7:00 to 9:00 P.M. from Monday through Thursday; and on Saturday from 9:00 A.M. to 12:00 noon. Empty classrooms and the commuters' annex may be used during the day.

VIII. Employment:
Information in regard to any type of employment connected with the school buildings, dormitories, village houses, or summer openings may be obtained from the Dean. Opportunities for self help during the college year are very limited and are offered first to the upperclassmen.

IX. Lost and Found Articles:
Found articles should be taken promptly to the office of the Dean, where owners should inquire for them. From time to time the list of these articles will be posted on the Dean's bulletin board or published in the Gate Post. If they are not claimed by a specified date they will be returned to the finder, or disposed of at the discretion of the Dean.
X. Sunning:

Sunning is limited to the rear of the Athletic Field when there are no activities scheduled there. It is expected that students will not abuse this privilege and will forego it on such occasions as May Day, Class Day, and Commencement, etc.

PERTINENT POINTS

Remember that you are entering a professional college, and a professional attitude is expected of you.

Begin well! Poor work in the first semester may handicap you through your whole college course. If you are not doing well in a subject, do not hesitate to ask for a conference with the instructor. Framingham recommends you on the basis of your reputation here.

This is the place to make friends; don't chum with one girl exclusively. There are approximately six hundred at Framingham. Don't be afraid to speak to the girl who smiles at you. First impressions are important.

Leaders must first be followers—be cooperative.

A Framingham girl aims to be informed. She is not enclosed behind brick walls, but rather sees vital connections between her studies and the world she lives in. All departments at Framingham encourage a close relationship between scholastic work and related cultural opportunities in the surrounding communities. Home economic students make supervised visits to markets, stores, and industrial plants. Geography, science, and art classes have field trips to plants, laboratories, and museums. Drama and music classes or groups from them take advantage of the cultural offerings in Boston and other near by communities.

Cambridge, Sturbridge, Sudbury and other towns within a narrow radius of Framingham all have unique features of special interest to the college student.

Locally Framingham offers many cultural programs: lectures on a variety of subjects, concerts, and plays. Organizations using College facilities often throw their meetings open to students.

Students with time and talent may join the Civic League Players or The Community Choral Society.

Through the courtesy of the Babson Institute of Wellesley, F.T.C. students are privileged to use the Babson swimming pool once a week. Miss Mackey, of our physical education department, arranges two series of lessons during the year, and personally supervises the swimming and life saving classes. A nominal fee is charged.

PUBLIC RELATIONS

Good relations and sympathetic understanding between a teachers college and the public which has furnished and supports it are extremely important. As an undergraduate everything you do will reflect credit or discredit upon your college. Any awards or honors which may come to you, in college or out, will be shared by the college, just as you will share in any distinctions that may come to your college. The reverse is also true, of course.

This interdependence between you and your college is inevitable and inescapable. It is beyond your power to avoid this responsibility, but is very much within your power to add substantially to the reputation and fame of your college.

Seek out opportunities to promote its ideals and strengths. Be quick to resent and be prepared to refute any derogatory remark about your chosen college or your chosen profession.

Bear in mind, however, that the best possible public relations are promoted by your own personality as a serious, maturing student of education, in training for the most important duty and privilege civilization offers, the honor of instructing its young.

MAY HALL

May Hall, named for Miss Abbie W. May, who was chairman of the board of visitors in the eighties, was the main classroom and administration building prior to the opening of Dwight Hall. It was opened in September, 1889, and dedicated in June, 1890. The first floor was used then primarily as a practice school. In 1898 the Mary Hemenway Household Art Department, now our Home Economics Department, was added to this building.

WELLS HALL

In 1902 Wells Hall, which is connected to May Hall by a bridge, was completed. This hall was named for Kate Gannett Wells, a member of the Board of Education at that time.
PEIRCE HALL
House President .... Lillian Lynch '57, H.Ec.
Peirce Hall is named after Cyrus J. Peirce, the first principal of the first State Normal School in America. Peirce accommodates one hundred and ten students of all classes. Here also is the boarders' dining room.

HORACE MANN HALL
House President .... Phyllis Brown '57, El.
Horace Mann Dormitory, which is named for Horace Mann, educator and father of the normal school movement in our country, was built in 1920 to replace old Normal Hall, which had burned. All classes are represented in this house.
The House is under the direction of Miss Johnson. Mrs. Taylor, Resident Nurse, has her office and treatment rooms in this dormitory.
CROCKER HALL

House President .. Margaret Doyle '58, H.Ec.

Crocker Hall, which was named after Miss Lucretia Crocker, an outstanding teacher and the first woman to be appointed supervisor of the Boston schools, was built in 1886 to be used as a dormitory. On Christmas of the following year the hall was partially destroyed by fire. It was later repaired, enlarged and reopened in February, 1889. After the hurricane of September, 1938, Crocker was brick-faced, somewhat remodeled, and the new Crocker opened to the Junior Home Management Group on March 4, 1940. The building is now used as The Home Management and Practice House for the Junior Class of the Home Economics Department. Each quarter one section of the class does the ordering, preparing, and serving of the meals for the group then in House Practice.

TR. 3-3945

VOCATIONAL HOUSE

The Vocational House is the little house at the foot of State Street on Maple Street. It is here that the Vocational girls, in their freshmen, junior, and senior years take a turn at ordering, preparing, and serving meals for the group. The house is under the direction of the Head of the Vocational Department, Miss Agnes M. Hornby.
THE ELLA C. RITCHIE LIBRARY

On the second floor of Dwight Hall is located the college library named the Ella C. Ritchie Library as a tribute to the librarian who served the college from 1923 until her death in 1941. In addition to this main library there are several departmental libraries on the campus, making more easily available the books and other library materials needed for special class work.

The library of over 21,000 volumes includes an adequate collection of reference books, books specifically chosen for class work, books for recreational and cultural reading, newspapers, and nearly 200 periodicals on a wide variety of subjects. Since the books and periodicals have been selected to answer the many needs of both faculty and students, certain rules regarding the use of the library and its materials are necessary so that all members of the college community may enjoy equal library privileges.

1. Reference books do not circulate; they are needed in the library at all times.
2. Current periodicals do not circulate; they may be read in the library.
3. Certain books needed for class assignments are taken from the main collection from time to time and placed on special shelves for limited periods. These so-called reserved books are charged for over night only. In this way a few copies serve many students.
4. All other books and other library materials may be taken out for a period of two weeks; at the end of that time renewal is allowed.

Either the librarian or a student assistant is always on duty in the library. All users of the library are urged to consult the desk attendant at any time when they need help in using the library. The college library is a place for quiet reading and study; it is an agency of instruction rather than a storehouse of books; it should be the academic center of the institution.

THE LISTENING ROOM

Our campus offers another opportunity for enrichment through the use of the Listening Room. A collection of records, which is kept in the library, may be borrowed for use whenever the library is open. Many students have found using the listening room both a profitable and enjoyable experience. The key may be obtained at the library.

SMOKING

Because it is not allowed in the dormitories, smoking is permitted in the Students’ Room in Dwight Hall, where a piano and a television set are available for relaxation and enjoyment.

The girls may use the Students Room for smoking during hours which are posted. Smoking is also permitted on the steps North and South of Dwight, and, for Crocker residents only, on Crocker back porch.

In order that no one group of girls be responsible for the care of the Students Room, the S.C.A. has set up a committee to acquaint the students with the system for keeping the smoker attractive and neat. It is expected that each girl using this room will assume the responsibilities assigned to her.

All rules are posted, and carelessness in observing them is cause for closing the room. It may be closed at any time by President O’Connor, Dean Larned, or the S.C.A. committee if there is not full co-operation on the part of the students in maintaining it.

Calendar events have priority rights in the use of the room.

DRESS AT FRAMINGHAM

Classes and Examinations

Class dress and suitable footwear are required for all classes and examinations except
when art and physical education or other instructors specifically approve something less formal because the nature of the work makes that desirable.

Library

After meals when approved informal may be worn, students may wear this dress in the library. Library student assistants are to wear class dress and suitable footwear.

Dwight

Informal dress may not be worn in Dwight Hall above the Student Room level except when it is specifically permitted in the library (see above). Students are not to appear in the lobby, auditorium, or any of the offices on any day in informal dress. When in approved informal students are to use the end doors and stairways only.

May and Wells

Informal attire may be worn after 5:15 on days when classes are held and all day on holidays and Saturdays, except in the foods laboratories, where departmental regulations apply.

College Hymn

Dear Framingham, thy children round thee gather.
Our vows of love to thee we pledge anew;
Unfailing font of hope and joy forever,
We shall proclaim our homage to you.

Through countless years to all a fostering mother,
Thy bounteous blessings poured on age and youth;
Our suppliant prayer till time our chain shall sever
Will ever be, "Live to the Truth".

Words by: Martin F. O'Connor
Tune: Finlandia

Come One and Come All

Come Freshmen, come Sophomores,
Come one and come all;
Ye Juniors and Seniors,
Come answer our call.
We'll lift up our voices,
Let clear echoes ring
To Framingham College
Your praises we'll sing.
'Tis your spirit undaunted,
Your leadership true,
Your aims and ideals
That have won us to you.
We pledge our devotion
For ever and aye
To Framingham College,
Our College alway.

Framingham

Framingham so dear,
We sing to you;
Right on our College hill
We love you, yes, we do,
Our College
Long may we cherish thee,
Love and adore,
Sing praise and honor forevermore.
