To the Freshmen:

Welcome to Framingham. We are happy to have you here. Admission to our college, or to any other college for that matter, in this year of 1957 is a great privilege—one that is denied to many young people. But if you are greatly privileged you are also greatly obligated to make the best of this opportunity offered you. We hope that your years here will be both pleasant and profitable. They will be to the extent that you enter into the life of the college.

Make a good beginning. Those first days are so important. Carry your heads high. Greet everyone with a smile. Speak to everyone. Do not hesitate to ask for assistance when you need it. Be intellectually curious. Be determined to look upon college as an enriching experience. In this way lies success. God grant that you may achieve it.

MARTIN F. O'CONNOR,
President

Dear Freshmen:

For some weeks I have been conjuring up likenesses to suit names which have become more or less familiar during the “processing” of the incoming class. It will be a real pleasure to meet you face to face, (a few I have already met), and to find out whether Maureen is tall and dark, and whether Mary is lively, and Joan reserved, and Sue talented, as I have imagined them, or whether they are just the reverse!

Whatever your dimensions and characteristics, we are glad you have chosen to be Framingham’s “daughters”, and hope that your four years on our campus will make us as sorry to lose you in 1961 as we are glad to welcome you in 1957.

Very sincerely,

DOROTHY LARNED
Dean of Women
College Hymn

Dear Framingham, thy children round thee gather;
Our vows of love to thee we pledge anew.
Unfailing font of hope and joy forever,
We shall proclaim our homage to you.

Through countless years to all a fostering mother,
Thy bounteous blessings poured on age and youth;
Our suppliant prayer till time our chain shall sever
Will ever be, "Live to the Truth".

Our Creed

We believe—in the Framingham State Teachers College and in its motto “Live to the Truth.”

We believe—in a spirit of loyalty to our teachers, classmates, and friends;
in a spirit of cooperation and sportsmanship in the classroom, on the athletic field, and in all other activities.

We believe—in courtesy at all times, and a consideration for rights and privileges of others;
in true and generous comradeship and mutual helpfulness that ensure the well-being and advancement of the individual and the group.

We believe—in a high standard of scholarship, intellectual integrity, and thoroughness in all our undertakings;
in making diligent search through our contacts with people and books after the best that life has to offer.

We believe—that an honest and consistent devotion to these ideals will so develop us as to give us "The Good Life" and sustain and build traditions for our college.
A GLANCE AT THE COLLEGE

HOW TO FIND F. T. C.

To find State Teachers College at Framingham is not really so hard as you may imagine. With your handbook tucked in your pocket, and your upper class adviser to greet you, why worry?

You can’t get lost if you follow these simple directions. If you come into Framingham by train, you will want to take a B.&W. bus or taxi to Framingham Centre. You will find the bus across the railroad crossing at the first corner on the left and the taxi at the station. The distance from Framingham to the Centre is two miles. Ask the bus driver to stop at State Street, at the cement steps. These steps are situated at the foot of our “Hill”. The rest of your journey will be done “shank’s mare” up the long hill, State Street, through Whittemore Gate and straight on to the college grounds. You will come first to Wells Hall, then to May Hall. Then take your left at the drive and go around the circular drive to Dwight Hall where all new students will be directed to their dormitory.

If you drive from Worcester, upon entering Framingham Centre you will cross the railroad tracks, then turn immediately right onto Maynard Road. You will follow Maynard Road on up the hill to the college grounds.

If you drive up from Boston you will come to the 1812 House on the left where there is a sign State Teachers College. Follow this road almost to the railroad crossing, take a left, Maynard Road, continue up the hill and take a right which will lead you to the college grounds.

OUR FRAMINGHAM BACKGROUND

Over a hundred years ago, Massachusetts schools were faced with the fact that their teachers were unfitted for teaching because of ignorance, not only of methods, but of subject matter as well. To overcome this difficulty, the Massachusetts Board of Education was formed in 1837, with Horace Mann as its Secretary. This board made possible the establishment of three normal schools, one of which has grown to be Framingham State Teachers College. Our normal school was established in 1839 at Lexington under Reverend Cyrus Peirce, as Principal. Reverend Samuel J. May succeeded Peirce in 1842, but after two years the latter again became Principal. In 1849 he was followed by Eben Stearns. The school was moved from Lexington to West Newton in 1844; and to Framingham in 1853. The first woman Principal, Miss Annie E. Johnson, served from 1866-1875, and established the practice school. She was followed by Miss Ellen Hyde.

Until 1898, the school prepared for the elementary grades only, but during that year the Mary Hemenway School of Domestic Science in Boston was annexed. In 1920 the Vocational Department was established by the Federal Board of Vocational Education.

Henry Whittemore became Principal in 1898 and conducted the school for nineteen years. He was succeeded by Dr. James Chalmers, who retired in 1930.

Francis A. Bagnall, served from 1930-1936, when Martin F. O’Connor became President. With extension to the State Normal Schools of the privilege of granting degrees because of the establishment of the four-year course and the recognition of the work done as of collegiate grade, the Legislature in March, 1932, changed the names of all State Normal Schools in Massachusetts to State Teachers Colleges.

FRAMINGHAM TODAY

Honors List
Students who have a quality rating of 4.0 or higher are considered to be on the first honor roll. Those who have attained an average of 3.8 or 3.9 are on the second honor roll; and those with an average of 3.5, 3.6 or 3.7 are on the third honor roll.

Special Study Program
Students who have an average quality rating 3.8 or higher for the entire sophomore year are eligible to apply for special work.

The program is initiated at the beginning of the junior year and continues for two academic years.

Special or advanced study under the guidance of a faculty member is arranged. The choice of faculty and the program of study are a matter of mutual agreement between student and faculty member, but the program must be approved by a committee of the Faculty elected for that purpose, and acceptance of the project when completed is to be decided by this committee.

TRADITIONAL EVENTS

Freshman Initiation
"I will" must be the reply from a Freshman when commanded by a Senior on this inevitable day. One cannot overlook the self-conscious Freshmen as they run around campus, but they sometimes have a difficult time recognizing each other! Initiation calls for special distinctions in attire and accessories, and the whole College enjoys the ingenuity and cleverness of the Freshmen in fulfilling their requirements. Those who are not obedient have the doubtful pleasure of looking forward to Freshman Court a week later when punishment (tempered with mercy) is the order of the day.

Faculty — Student Field Day
Some bright day in October hilarity will reign on the athletic field when the Faculty demonstrate their daring by competing with the students. The girls enjoy the democratic spirit of their elders, and faculty members enjoy the give-and-take with the students.

Frateaco Weekend
By combining the first few letters in each word in Framingham Teachers College there results the word FRATEACO, an event known in the past as the Harvard-Yale Weekend, so designated because it traditionally fell (as it still does) on the weekend of the big Harvard-Yale game.

Friday finds teams and cheering sections ready, practice and drills over, the students rallying to the support of either the Black Knights or the Gold Stars, and everyone impatient for the fun to begin. Although the competitive spirit is everywhere in evidence, sportsmanship and good will prevail.

As a rule the weekend is ushered in by a talent show Friday evening, full of fun and laughter. Saturday is given over to sports, two out of three events determining the winners for the day. A dinner to honor the teams follows in Peirce Hall; speeches, singing, and announcement of the various captains for the following year are highlights of this gathering. The weekend usually closes with a dance in the gym, which leaves everyone who has participated in this grand and glorious event of FRATEACO happy to have experienced the wonderful spirit and the gaiety for which it is noted.
Christmas Week
Regardless of dates Christmas week is the week before College closes for the holidays! Something suitable to the season is offered at Monday's Assembly. On Tuesday A. C. E. is hostess to a group of little folk less privileged than most. Wednesday evening the Musical Clubs present a program of carols, old and new, assisted by members of the Hilltop Players. The dorm girls have their Christmas dinner by candlelight, with formal dress "de rigueur", and the commuters gather at the Motor Inn or some other convenient inn for an equally festive repast. During the week each dorm and many divisions of commuters have Christmas parties and trees. On Thursday evening the Seniors go a-carolling, clad in warm clothes, accompanied by many of the male members of the Faculty. After making the rounds of the campus houses they widen their circuit to include homes of faculty members, the Home for the Aged, and many of the near-by friends of the College. Seniors are often heard to say the carolling is just the nicest event of the year — possibly an exaggeration but nevertheless significant.

Stunt Night
One Friday evening in February is always keenly anticipated by the whole college community. For weeks beforehand each class (and the Faculty) works on a "stunt", the nature of which is shrouded in mystery. Originality, attention to detail in every particular, thoroughness of preparation, and percentage of group participation are all considered by the judges when the stunts are presented in public, and happy is the class that is awarded the privilege of having its numerals affixed to the Stunt Night banner, which always hangs in the main lobby of Dwight for several weeks prior to the program.

Arbor Day
The Governor's proclamation is the basis for the campus observation of Arbor Day, planned and executed by the Seniors, and featuring the planting of a tree. Much of the beauty of our campus can be traced to former arbor days.

May Day
The Sophomores' own day, May Day, begins with Chapel, at which the theme chosen for the day is revealed in the course of the program. Sophomores occupy the seats ordinarily reserved for the Seniors, and the beauty and promise of Spring motivate the arrangements made for this beautiful morning prelude to the celebration of the afternoon. After classes the Sophomore Class is hostess to the College and guests at a pageant in Chalmers Theatre and an informal reception in the grove. The highlight of May Day is the presentation of the Queen and her Court, and the Spirits of Spring and Framingham. An informal dance in honor of the Queen climaxes the day's festivities.

N. S. A. Forums
Several times during the year foreign students are invited to our campus from nearby colleges, to discuss with us the cultures of their respective countries. In this way interest is quickened in problems which often prove to be universal, and the importance of mutual understanding is stressed.

Chapel and Assembly
Respecting the religious creeds of all members of our college community, the aim of Chapel is to be inspirational and free of denominational bias of any sort. Leadership is furnished by seniors or members of the faculty, or guest speakers, the latter often secured by the Young
Women’s Christian Association, which invites spiritual leaders of Jewish, Catholic, and Protestant groups to be guest speakers. To these generous guests the College is indebted for many inspirational talks.

PUBLIC RELATIONS
Good relations and sympathetic understanding between a teachers college and the public which has furnished and supports it are extremely important. As an undergraduate everything you do will reflect credit or discredit upon your college. Any awards or honors which may come to you, in college or out, will be shared by the college, just as you will share in any distinctions that may come to your college. The reverse is also true, of course.

This interdependence between you and your college is inevitable and inescapable. It is beyond your power to avoid this responsibility, but it is very much within your power to add substantially to the reputation and fame of your alma mater.

Seek out opportunities to promote her ideals and strengths. Be quick to resent and be prepared to refute any derogatory remarks about your chosen college or your chosen profession.

Bear in mind, however, that the best possible public relations are promoted by your own personality as a serious, maturing student of education, in training for the most important duty and privilege civilization offers, the honor of instructing its young.

Remember that you are entering a professional college, and a professional attitude is expected of you.

Begin well! Poor work in the first semester may handicap you through your whole college course. If you are not doing well in a subject, do not hesitate to ask for a conference with the instructor. Framingham recommends you on the basis of your reputation here.

This is the place to make friends; don’t chum with one girl exclusively. There are approximately six hundred at Framingham. Don’t be afraid to speak to the girl who smiles at you. First impressions are important.

CULTURAL ASPECTS—Chapel and assembly
A Framingham girl aims to be informed. She is not enclosed behind brick walls, but rather sees vital connections between her studies and the world she lives in. All departments at Framingham encourage a close relationship between scholastic work and related cultural opportunities in the surrounding communities. Home economics students make supervised visits to markets, stores, and industrial plants. Geography, science, and art classes have field trips to plants, laboratories, and museums. Drama and music classes or groups from them take advantage of the cultural offerings in Boston and many other nearby communities.

Cambridge, Sturbridge, Sudbury, and other towns within a narrow radius of Framingham all have unique features of special interest to the college student. Plan to investigate them.

Locally Framingham offers many cultural programs: lectures on a variety of subjects, concerts, and plays. Organizations using College facilities often throw their meetings open to students.

COMMUNITY OFFERINGS
Students with time and talent may join the Civic League Players of The Community Choral Society.
Through the courtesy of Babson Institute of Wellesley, F. T. C. students are privileged to use the Babson swimming pool once a week. Dr. Mackey, of our physical education department, arranges two series of lessons during the year, and personally supervises the swimming and life saving classes. A nominal fee is charged.

RED CROSS
The Red Cross College Unit cooperates with the Framingham Chapter of the Red Cross. Through this College Unit the girls are able to participate as a group in Red Cross activities, and enjoy a valuable community relationship.

During the years the members have assumed responsibilities in different fields of work. They helped in the entertainment at Cushing Veterans' Hospital by volunteering their services as hostesses, for card parties and dances. A group of the girls did volunteer teaching at Cushing Veterans' Hospital. Another group qualified for Motor Corps Driving.

All these activities will continue if there is a demand for them. In addition, the College Unit stands ready to assume new and different duties, in accordance with the time and abilities at its disposal. Identify yourself with your Red Cross College Unit.

c. Smocks are acceptable only when an apron would be.

FACILITIES AND SERVICES

Smoking:

Smoking is permitted in the recreation rooms in the basement of each dormitory, at hours determined by the Inter-Dorm Committee, and in the Students' Room in Dwight Hall, where a piano and a television set are available for relaxation and enjoyment.

The girls may use the Students Room for smoking during hours which are posted. Smoking is also permitted on the steps North and South of Dwight, and, for Crocker residents only, on Crocker back porch.

In order that no one group of girls be responsible for the care of the Students Room, the S.C.A. has sent up a committee to acquaint the students with the system for keeping the smoker attractive and neat. It is expected that each girl using this room will assume the responsibilities assigned to her.

All rules are posted, and carelessness in observing them is cause for closing the room. It may be closed at any time by President O'Connor, Dean Larned, or the S.C.A. committee if there is not full co-operation on the part of the students in maintaining it.

Calendar events have priority rights in the use of the room.

Reservation of Rooms and Facilities:

Rooms needed for special events, meetings, or rehearsals must be reserved with the Dean of Women, well in advance to avoid conflict. The coffee urn, dishes and silver, punch bowls and glasses may also be reserved by filing with the Dean a reservation form properly filled in.

Sunning:

Sunning is limited to the rear of the Athletic Field when there are no activities scheduled there. It is expected that students will not abuse this privilege and will forego it on such occasions as May Day, Class Day, and Commencement, etc.

Parking:

A parking area is provided for students on Maple Street, next to the Vocational House. If demand exceeds the space, the Campus Improvement Committee will advise where cars may be parked. Our neighbors complain, justly, when students park on the street in such a way that oil trucks and other delivery trucks cannot get in and out of private drive ways. The local police have said that they will have towed away at the owner's expense cars parked other than directly adjacent to the College property along State Street.

Typing:

A portable typewriter is available for student use. It may be obtained by applying to Mrs. Mallar in the main office in Dwight Hall; it is
to be used on campus only, and must be returned to the office by 9:00 A.M. the following morning. Dorm students may not type in the dorms after 10:00 P.M.

Study Places:

The Ritchie Library is open from 8:00 A.M. to 5:00 P.M. Monday through Friday except during chapel and assembly hours; from 7:00 to 9:00 P.M. from Monday through Thursday; and on Saturday from 9:00 A.M. to 12:00 noon. Empty classrooms and the commuters' annex may be used during the day.

Employment:

Information in regard to any type of employment connected with the school buildings, dormitories, village houses, or summer openings may be obtained from the Dean.

Opportunities for self help during the college year are very limited and are offered first to the upperclassmen.

Lost and Found Articles:

Found articles should be taken promptly to the office of the Dean, where owners should inquire for them. From time to time the list of these articles will be posted on the Dean's bulletin board or published in the Gate Post. If they are not claimed by a specified date they will be returned to the finder, or disposed of at the discretion of the Dean.

ENTRANCE TO COLLEGE GROUNDS

The Henry Whittemore Memorial Gate, which is at the entrance to the campus, was given by the Classes of 1917, 1918, and 1919, and named for Mr. Whittemore, Principal of the Framingham Normal School from 1898 to 1917.
THE ELLA C. RITCHIE LIBRARY

On the second floor of Dwight Hall is located the college library named the Ella C. Ritchie Library as a tribute to the librarian who served the college from 1923 until her death in 1941. In addition to this main library there are several departmental libraries on the campus, making more easily available the books and other library materials needed for special class work. The library of over 21,000 volumes includes an adequate collection of reference books, books specifically chosen for class work, books for recreational and cultural reading, newspapers, and nearly 200 periodicals on a wide variety of subjects. Since the books and periodicals have been selected to answer the many needs of both faculty and students, certain rules regarding the use of the library and its materials are necessary so that all members of the college community may enjoy equal library privileges.

1. Reference books do not circulate; they are needed in the library at all times.
2. Current periodicals do not circulate; they may be read in the library.
3. Certain books needed for class assignments are taken from the main collection from time to time and placed on special shelves for limited periods. These so-called reserved books are charged for over night only. In this way a few copies serve many students.
4. All other books and other library materials may be taken out for a period of two weeks: at the end of that time renewal is allowed.

Either the librarian or a student assistant is always on duty in the library. All users of the library are urged to consult the desk attendant at any time when they need help in using the library. The college library is a place for quiet reading and study; it is an agency of instruction rather than a storehouse of books; it should be the academic center of the institution.

Dwight Hall, the administration and classroom building, is named for Edmund Dwight of Boston, who by his munificent gift made it possible for Horace Mann to start the State Normal Schools in Massachusetts.

MAY HALL
May Hall, named for Miss Abbie W. May, who was chairman of the board of visitors in the eighties, was the main classroom and administration building prior to the opening of Dwight Hall. It was opened in September, 1889, and dedicated in June, 1890. The first floor was used then primarily as a practice school. In 1898 the Mary Hemenway Household Art Department, now our Home Economics Department, was added to this building.

WELLS HALL

In 1902 Wells Hall, which is connected to May Hall by a bridge, was completed. This hall was named for Kate Gannett Wells, a member of the Board of Education at that time.
DORMITORIES

Framingham fosters close relationships among students; this is evidenced in the dormitories where girls from all classes live together under the guidance of a house mother and a student house president, who represents the dorm on the Interdormitory Council (I. D. C.)

The dormitories function under the overall direction of the I. D. C., the house president and house mother cooperating in arranging activities are carrying out the plans of the dorm family. Each hall has in addition to the president, a vice-president, a secretary, and treasurer; normal dues provide for newspaper and magazine subscriptions, and other items voted by the house dorm.

Weekends when college events are not scheduled events are taken up by activities planned by the dorm girls; sports, cook-outs, and excursions are all popular, and during the winter term coffee is served after dinner on Sunday in one of the living rooms.

VOCATIONAL HOUSE

Student Assistant ...... Elaine Poremski '58, Voc.

The Vocational House is the little house at the foot of State Street on Maple Street. It is here that the Vocational girls, in their freshmen, junior, and senior years take a turn at ordering, preparing, and serving meals for the group. The house is under the direction of the Head of the Vocational Department, Miss Agnes M. Hornby.
Crocker Hall, which was named after Miss Lucretia Crocker, an outstanding teacher and the first woman to be appointed supervisor of the Boston schools, was built in 1886 to be used as a dormitory. On Christmas of the following year the hall was partially destroyed by fire. It was later repaired, enlarged and re-opened in February, 1889. After the hurricane of September, 1938, Crocker was brick-faced, somewhat remodeled, and the new Crocker opened to the Junior Home Management Group on March 4, 1940. The building is now used as The Home Management and Practice House for the Junior Class of the Home Economics Department. Each quarter one section of the class does the ordering, preparing, and serving of the meals for the group then in House Practice.

Horace Mann Dormitory, which is named for Horace Mann, educator and father of the normal school movement in our country, was built in 1920 to replace old Normal Hall, which had burned. All classes are represented in this house.

The House is under the direction of Miss Johnson. Mrs. Taylor, Resident Nurse, has her office and treatment rooms in this dormitory.
STUDENT ORGANIZATION

Dear Freshmen:

On behalf of the upper classmen I welcome you most heartily to Framingham. I congratulate you upon your choice of college. This college, the first public teacher training institution to be established in this country, presents to you the opportunity for a meaningful college life and a thorough preparation for a career of teaching. Many of you will be living away from home for the first time. Here we learn to live with each other through a sympathetic understanding of the rights of each and a helpful and cooperative attitude toward all. Here you will find a real family atmosphere and a genuine spirit of friendship between the college administration and the student body. We are happy to have you become members of our remarkable family. Whether you live on or off the campus we hope you will take an active part in our student activities. We extend to you our very best.

ANNE MARIE LOONEY, President
Student Cooperative Association
OBLIGATIONS OF A FRAMINGHAM STATE TEACHERS COLLEGE STUDENT

On entering Framingham as a freshman, each student upon payment of the budget fee becomes automatically a member of the Student Cooperative Association, and from then on her membership in this Association implies that she will be willing to accept her obligations as a citizen of the college and conform to its standards.

There are certain obligations and responsibilities as well as privileges connected with the Student Cooperative Association at Framingham, and each girl should be ready and willing to assume her full share.

A wisely adjusted balance of academic and non-academic responsibilities contributes to the development of an all-round student.

The attitude of every student towards the college community should be that of constructive cooperation. She should accept and support the fundamental standards of the group and should also be willing to conform to all customs and procedures which have proved to be for the best interests of the community.

Each member of the Student Cooperative Association should take active part in offering suggestions for improvement and should feel herself to be a vital part of a flexible and progressive democracy. Moreover, while each student is identified with the college, she is, inevitably, its representative wherever she goes and should feel the obligation of loyalty in maintaining its reputation at all times.

THE JUDICIARY BOARD
Chairman: Louise Frizzel ’58, El.  
Faculty Adviser: Miss Riley

The Judiciary Board (J.B.) with the 1st vice-president as chairman comprises four other student members—two seniors, a junior and a sophomore—and a faculty adviser.

It is the function of this board to consider all cases involving infraction of rules and all violations of student government. The board has the authority to impose penalties for minor offenses; in more serious cases decisions of the Judiciary Board are referred to the Executive Council for final approval. Certain major offenses become automatically the concern of the President of the College, the Dean, or the Faculty.

THE CLASS AND CLUB COUNCIL
Chairman: Maria O’Brien ’58, H. Ec.  
Faculty Adviser: Dean Larned

It is the aim of the C.C.C. to maintain cooperation and harmony among the organizations at Framingham. It has charge of scheduling college events and elections, and it assumes major responsibility in assisting with the plans and conduct of pre-registration activities for the Freshmen.

All voting is done preferentially, i.e., if three names are on the ballot, your first choice receives three points, your second choice receives two points and your third choice receives one point.

S.C.A. officers are nominated and elected preferentially by and from the school at large. Class and club officers are nominated by the members of the organization or a nominating committee as the constitution of the organization may direct and are elected by the whole organization. The names of those nominated are reviewed for academic and social standing.
Each approved nominee is notified and is free to accept or decline a nomination. If a girl is nominated for two or more offices, she must decide immediately upon notification which nomination she accepts, if any. No one may hold two elective offices simultaneously. The Faculty advisers are nominated in the same way as the officers of the respective organization.

THE BOOK MART
Student Ass't.: Elizabeth Head '58, El.

Up to the present time the Mart has confined its offerings to student supplies, special F.T.C. items, gifts and cards. Last fall it assumed additional importance by taking over the college book business, previously handled by the faculty.

Here you will find the texts designated for your several courses, art supplies, notebooks, paper, stationery, fountain pens, and the dozen and one items every college girl finds useful. You will also be delighted with the many items for your own use and for gifts, bearing the College seal or colors.

Mrs. Stuart Foster has been engaged to manage the Mart with Elizabeth Head, Third Vice-president of the S.C.A. as student assistant. Profits are allocated on a percentage basis to the Student Alumnae Building Fund and the College Public Relations Committee. Mart hours are posted on the doors.

THE NATIONAL STUDENT ASSOCIATION
Delegate: Barbara Hobin '59, El.

The National Student Association (N.S.A.) is an organization composed of college student governments throughout the United States. Framingham is a member of the New England Regional of N.S.A. Members of our committee attend conferences held at various colleges throughout New England. The delegate represents the college both at regional conferences and at the national congress, which is the supreme legislative body of the association.

The N.S.A. Committee includes five sophomores elected at the end of their freshman year by their class and three juniors elected from the previous group of five sophomores who have served one year. One of these juniors will be chairman and the adviser will be the girl who served as chairman the previous year.

It is our hope that the entering students will become interested in N.S.A., and realize that the success of the Student government and N.S.A. is dependent on their active support and participation.

INTERDORMITORY COUNCIL
Chairman: Karolin Manakas '58, El.

The Interdormitory Council (I.D.C.) has been established to promote better relations among the students living on the campus. The main objective of this council is to encourage self-discipline and cooperation with others. The Council is well represented by members of each class and it will be their duty to exert positive influence in maintaining quiet and orderly living in the dorms.

Mass dorm meetings will be held regularly at which the students will have the benefit of voicing their opinions and offering their suggestions.

It is the endeavor of the Council to fulfill the desires of every member living on the campus or in the village and to answer to the needs of each whenever possible.

DINING ROOM COUNCIL
Chairman: Paula Haley '58, El.

The Dining Room Council exists to help main-
tain an atmosphere of homeliness and refinement in our dining room. Three days a week at the evening meal girls are given assigned seats so that freshmen will become acquainted with the upperclassmen. Once a week we have “dress-up” night, when birthdays are celebrated.

It is hoped that each girl will feel at home in our dining room and will, by reflecting her home training and her own appreciation of good breeding, contribute to pleasant social intercourse.

THE HONOR COUNCIL
Chairman: Leona Marinacci ’58, El.
Faculty Members: Miss Taylor, Miss Shawkey

The students of the State Teachers College at Framingham believe that the main purpose of education is to develop character. Since honesty and a sense of responsibility are traits of good character, we seek to further their growth by maintaining an Honor System with an Honor Council. This system aims to develop principles of honorable conduct and increase intellectual integrity in all academic work. With this goal in view we pledge ourselves to the support of the Constitution of the Honor System. According to the regulations of the Honor Council, each girl is placed on her honor in all work designated as honor work in the Constitution.

The Chairman of the Honor Council is elected by the student body and is a member of the council of S.C.A. In addition to the Chairman, the Honor Council comprises the following members (elected according to the procedure explained in the Constitution) four representatives from the Senior class, two elementary and two home economics or vocational students; two representatives, one elementary and one home economics or vocational stu-

dent, from each of the other three classes; and two representatives from the faculty (elected by the faculty).

Since the success of the Honor System depends entirely upon the cooperation of all taking part in it, students are urged to help by taking a vital interest in its progress.

We are confident that the students of Framingham State Teachers College will uphold this privilege of self government.

THE DIAL

We, the staff of your yearbook, The Dial, extend greetings and a hearty welcome to you as you enter our college at Framingham. The Dial portrays, through a literary and pictorial medium, the history of the graduating class and tries to convey just what four years at F.S.T.C. means to the class. Although essentially a senior book, all college events and clubs, as well as the faculty and underclasses are well represented. We believe the purpose of the Dial is to aid you in remembering your years at college. We hope these years will be happy and successful ones for you.

COMMUTERS' CLUB

The Commuters' Club welcomes the class of 1961 to Framingham. Our club's main purpose is to increase the interest of the commuter in the activities of the college. Among the activities are a cook-out, a dance and a Christmas dinner. Through the Commuters Club representation on the S.C.A. Council problems peculiar to commuters are brought to the attention of the student body. Membership in the club is one way for a commuter to feel a closer bond with the college and the campus life.

ATHLETIC ASSOCIATION

The Athletic Association (A.A.) is open to all who wish to join. No special skill is required to be a member. All that is necessary is enthusiasm for sports and the enjoyment of mingling with other students. A variety of sports is offered. There are team sports: hockey, basketball, volleyball and softball; the individual sports are tennis, badminton, bowling, and swimming, and there is modern dancing. Along with the interclass games on campus the girls enjoy round-robin games with several other colleges.

Points are given for participating in any athletic event. These points count toward various individual awards. Also there is the annual award of the Lucie Shepherd Reed Cup to the class having the greatest participation and showing the highest degree of excellence in athletics. You who are to be members of the class of 1961 will find that your interests and sociability at Framingham will be further enriched through participation in college athletics.

"We believe in the spirit of cooperation and sportsmanship in the classroom, in the athletic field and in all other activities."

THE MUSICAL CLUBS

The Musical Clubs would like to take this opportunity to extend a welcome to the class of '60. We hope that many of you will want to join us this year in our various musical activities. The Glee Club members are chosen by tryouts early in September, every girl in the college having an opportunity to try out. Our chapel choir, a selected group from within the Glee Club, sings two mornings a week in chapel, and gives outside concerts during the course of the year.

If you can play a musical instrument we want you in the orchestra. Since the orchestra is a recently organized group, your help is needed to build it up.

Again, we hope you will want to help us further our purpose of enjoying and appreciating good music. Sing with us at the Christmas Candlelight Service, the annual Glee Club Concert and the class day evening concert on the Horace Mann Terrace.

HILLTOP PLAYERS

Here on the campus Hilltop Players is our dramatic club, the purpose of which is to maintain an interest in drama and stimulate participation in the many aspects of dramatics and the theater and a growth in self-expression.

Throughout the year our meetings feature readings, discussions, and talks that give a keener understanding of the theater itself. In December we present a Christmas pageant in cooperation with the Musical Clubs. Our year is climaxd by a full scale spring production.

Whatever your interest, there's a place for it in Hilltop Players as a light technician, publicity agent, set designer, costume designer or an actress. We are all looking forward to meeting and working with you.

YOUNG WOMEN'S CHRISTIAN ASSOCIATION

The Framingham "Y" is affiliated with similar associations of the other colleges in New England and is also connected with the Student Christian Movement of New England. Through this New England organization we attend many off-campus conferences, where we have the opportunity to meet students from other colleges and share our ideas. Our association tries to introduce the girls to the various churches in and around Framingham Center. In addition to our regular meetings we have Bible study groups, discussion groups, and invited outside speakers to come in to give us their view points on various subjects. Our two main events this year are the Sunrise Service and Breakfast and the Moonlight Mood, a late winter semi-formal.

The "Y" is a friendly association, and we are looking forward to your joining us and sharing in our many events.

THOMAS A KEMPIS CLUB

The Thomas A Kempis Club, named for a priest and writer of the fourteenth century, was founded thirty years ago in this college for the purpose of furthering Catholic culture and Catholic fellowship. It is affiliated with the New England Province of the Newman Federation.

As a club member one may attend the annual communion breakfast, the Mother-Daughter Tea, the frequent meetings offering Catholic instruction under the direction of our Chaplain, and many off-campus lectures, and socials. The entire student body is invited to patronize the annual A Kempis Formal. At an assembly the A Kempis Club brings a noted speaker to the campus.

This year the A Kempis Club will emphasize spiritual and charitable activities. The annual retreat will come in the spring.

The A Kempis Club invites all Catholic students to join to help make the A Kempis Club a fine club spiritually and socially.

THE HOME ECONOMICS CLUB

Organized in 1924, the Louisa A. Nicholas Home Economics Club was named in honor of Miss Nicholas, for many years the beloved head of the Home Economics Department.

The purpose of the club is to bring together the students of the department in order to keep them well informed of current problems and topics of general interest to home economists, to have an organization for participation in off-campus home economics activities, and to familiarize the students with the broad fields of home economics. Our college club offers an opportunity to participate in meetings of the College Club Department through its affiliation with the Eastern Massachusetts Home Economics Association, The Massachusetts Home Economics Association and The American Home Economics Association.

Our club wishes to extend a warm welcome to you, the class of 1961, with the hope that you will join us and become active participating members.
