Welcome to Freshmen

I offer you my warm-est welcome as you join us here at Framingham State College. Ahead of you lie the splendid opportunities which are part of a college steeped in tradition, attuned to current needs, and alert to the demands of the future. These opportunities are yours for the taking; only you can determine how fully you will capitalize on them.

Studies will occupy a place of first priority for you but you will find that Framingham provides many and varied activities as a part of campus life. If you will assess your own interests and abilities carefully and participate in activities insofar as your academic responsibilities permit, you should be able to enjoy Framingham and to reap a full measure of success.

Framingham, even in its rapid growth, strives to maintain a friendly spirit and to make available to its new young men and women students the help of upper classmen and the counsel of an excellent faculty. I hope you will make use of their assistance while keeping in mind that, in the long run, your success depends on you.

It is my hope that your start at Framingham will reflect enthusiasm and confidence. It will be good to have you here with us on The Hill in September.

D. JUSTIN McCARTHY, President
Greetings To Entering Students:

For all of you, this fall represents one more segment of change in your life. Probably no generation of college students has been, or will be, subject to a greater pace of change. Your capacity to make and accept changes may depend on your definition and interpretation of one word, FREEDOM.

Are you seeking freedom from responsible action or freedom to act more responsibly? Is freedom merely independence to act for your own satisfaction or is it a part of self-discipline which acknowledges pursuit of excellence, and the dignity of all mankind?

Here at Framingham you will find a measure of freedom in class preparation and attendance, extra-curricular activities, and student government participation. Classes mean more to the prepared student but no one will force you to study. The final evaluation will rest squarely on your use of freedom to pursue academic excellence.

Extra-curricular activities participation means a widening circle of acquaintances and friends, relaxation, and enjoyment of the total College culture. You will be free to do or not to do in this realm. Your action will reflect your interest in people and your relationship to them.

Student government participation means an opportunity to serve your College, fellow students, faculty, administration, and alumni. But, no one will coerce you into positions of responsible leadership or followership.

Change requires responsible action so that all may benefit. “Freedom is a two-edged sword.”

A. CAROLLA HAGLUND
Dean of Women

College Hymn

Dear Framingham, thy children round thee gather;
Our vows of love to thee we pledge anew.
Unfailing font of hope and joy forever,
We shall proclaim our homage to you.

Through countless years to all a fostering mother,
Thy bounteous blessings poured on age and youth;
Our supplicant prayer till time our chain shall sever
Will ever be, “Live to the Truth.”

Words by MARTIN F. O’CONNOR
Tune: “Finlandia”
Our Creed

*We believe* — in the Framingham State College and in its motto “Live to the Truth.”

*We believe* — in a spirit of loyalty to our teachers, classmates, and friends; in a spirit of cooperation and sportsmanship in the classroom, on the athletic field, and in all other activities.

*We believe* — in courtesy at all times, and a consideration for rights and privileges of others; in true and generous comradeship and mutual helpfulness that insure the well-being and advancement of the individual and the group.

*We believe* — in a high standard of scholarship, intellectual integrity, and thoroughness in all our undertakings; in making diligent search through our contacts with people and books after the best that life has to offer.

*We believe* — that an honest and consistent devotion to these ideals will so develop us as to give us “the good life” and sustain and build traditions for our college.

A Glance at the College

How to Find F.S.C.

As you approach Framingham Center on Route 9 from the west, you will cross the railroad tracks. Turn right off Route 9 at the “State College” sign, and follow Maynard Road to the campus on State Street.

Approaching on Route 9 from the east, you will come to the 1812 House and a “State College” sign. Turn left here onto Salem End Road, and then take your second left onto Maynard Road at another “State College” sign.

Should you come to Framingham by bus, the driver will stop at State Street at the cement steps. You will then walk south on State Street hill to the campus. A student arriving by train may take a cab from the railroad station.
Our Framingham Background

Over a hundred years ago Massachusetts schools were faced with the fact that their teachers were unfitted for teaching because of ignorance, not only of methods but of subject matter as well. To overcome this difficulty the Massachusetts Board of Education was formed in 1837, with Horace Mann as its Secretary. This board made possible the establishment of three normal schools, one of which has grown to be State College at Framingham. Our normal school was established in 1839 at Lexington with Reverend Cyrus Peirce as Principal. Reverend Samuel J. May succeeded Peirce in 1842, but after two years the latter again became Principal. In 1849 he was followed by Eben Stearns. The school was moved from Lexington to West Newton in 1844; and to Framingham in 1853. The first woman principal, Miss Annie E. Johnson, served from 1866-1875, and established the practice school. She was followed by Miss Ellen Hyde.

Until 1898 the school prepared for the elementary grades only, but during that year the Mary Hemenway School of Domestic Science in Boston was annexed. In 1920 the Vocational Department was established by the Federal Board of Vocational Education.

Henry Whittemore became Principal in 1898 conducting the school for nineteen years. He was succeeded by Dr. James Chalmers, who retired in 1930. Francis A. Bagnell served as president, from 1930-1936, and Martin F. O’Connor from 1936 until his retirement in 1961, when Dr. D. Justin McCarthy was appointed.

Extending to the normal schools the privilege of granting B.S. degrees for completion of the four-year course, now recognized as of collegiate grade, the Legislature, in 1932, made all state normal schools in Massachusetts State Teachers Colleges. In 1960 the Legislature dropped “Teachers” from the name and authorized the granting of the B.A. degree. In the fall of 1962 Framingham welcomed the first group of students in Liberal Arts in the Class of 1966. Majors are now being offered in English, History, Medical Technology and Biology. Beginning the fall of ’64, men were admitted to all departments except home economics.

Framingham Today

Dean’s List

Placement on the honor roll will be made in accordance with the following:

- First honors — 3.50 to 4.00
- Second honors — 3.40 to 3.49
- Third honors — 3.20 to 3.39

Warnings will be determined as follows:

- 60 - 69 — Minor Warning
- Below 60 — Major warning

Special Study Program

Students may request permission to enroll for honors work if they have an average quality rating of 3.0 or higher for the entire sophomore year, or for the last semester sophomore year plus the first semester junior year (excluding practice teaching and house practice.)

The program is carried on under the direction of a faculty member and must be related to the student’s major area of study. The student may begin to work any time after qualifying and must continue for four full academic quarters.

The choice of the faculty adviser and the actual program of study are matters of mutual
agreement between student and faculty member, but the faculty elected for that purpose and the acceptance of the project when completed must be approved by The Honors Committee.

Traditional Events

Freshman Initiation

"I will" must be the reply from new comers when commanded by a Senior on this inevitable day. One cannot miss the self-conscious Freshmen as they run around campus, but they sometimes have a difficult time recognizing each other! Initiation calls for special distinctions in attire and accessories, and the whole College enjoys the ingenuity and cleverness of the Freshmen in fulfilling their requirements. Those who are not obedient have the doubtful pleasure of looking forward to Freshman Court when punishment (tempered with mercy) is the order of the day.

Faculty-Student Field Day

Some bright day in October hilarity will reign on the athletic field when the Faculty demonstrate their daring by competing with the students. The students enjoy the democratic spirit of their elders, and faculty members enjoy the give-and-take with the students.

Black and Gold Weekend

The name of an event known in the past as the Harvard-Yale Weekend, so designated because it traditionally fell on the weekend of the big Harvard-Yale game, is now a combination of the names of the two teams within the school, the Black Knights and the Gold Stars.

Friday finds teams and cheering sections ready, practice and drills over, the students rallying to the support of either the Black Knights or the Gold Stars, and everyone impatient for the fun to begin. Although the competitive spirit is everywhere in evidence, sportsmanship and good will prevail.

As a rule the weekend is ushered in by a talent show Friday evening, full of fun and laughter. Saturday is given over to sports, two out of three events determining the winners of the day. A dinner to honor the teams follows at Peirce Hall; speeches, singing, and announcement of the various captains for the following year are highlights of this gathering. The weekend usually closes with a dance in the gym, which leaves everyone who has participated in this grand and glorious event of Black and Gold Weekend happy to have experienced the wonderful spirit and gaiety for which it is noted.

Christmas Week

Regardless of dates Christmas Week is the week before College closes for the holidays. On Tuesday S.N.E.A. is hostess to a group of little folk less privileged than most. Wednesday evening the Musical Clubs present a program of Christmas music, secular and sacred. The dorm girls have their Christmas dinner by candlelight, with formal dress "de rigueur," and the commuters gather for an equally festive repast in the Student Union or at one of the many excellent inns in Framingham. During the week each dorm and many divisions of commuters have Christmas parties and trees. On Thursday evening the seniors go a-caroling, clad in warm clothes, accompanied by many of the male members of the Faculty. Seniors are often heard to say the caroling is just the nicest event of the year—possibly an exaggeration but nevertheless significant.
STUNT NIGHT

One Friday evening in March is always keenly anticipated by the whole college community. For weeks beforehand each class (and sometimes the Faculty) works on a "stunt," the nature of which is shrouded in mystery. Originality, attention to detail and time, thoroughness of preparation, and percentage of group participation are all considered by the judges when the stunts are presented in public. Happy is the class that is awarded the trophy and the privilege of having its numerals engraved on this trophy, which is displayed in Dwight Lobby a week before and a week after the program.

ARBOR DAY

The Governor's proclamation is the basis for the campus observance of Arbor Day, planned and executed by the Seniors, and featuring the planting of a tree. Much of the beauty of our campus can be traced to former arbor days.

MAY DAY

The Sophomores' own day, May Day, begins with an assembly, at which the theme chosen for the day is revealed in the course of the program. Sophomores occupy the seats ordinarily reserved for the Seniors, and the beauty and promise of Spring motivate the arrangements made for this the afternoon. The Sophomore Class is host to the College and guests at a pageant and an informal reception. The highlight of May Day is the presentation of the Queen and her Court, and the Spirits of Spring and Framingham. A semi-formal dance in honor of the Queen climaxes the festivities.

N.S.A. Forums

Several times during the year foreign students are invited to our campus from nearby colleges, to discuss with us the cultures of their respective countries. In this way interest is quickened in problems which often prove to be universal, and the importance of mutual understanding is stressed.

Public Relations

Good relations and sympathetic understanding between a state college and the public which has furnished and supports it are extremely important. As an undergraduate everything you do will reflect credit or discredit upon your college. Any awards or honors which may come to you, in college or out, will be shared by the college, just as you will share in any distinctions that may come to your college. The reverse is also true, of course.

This interdependence between you and your college is inevitable and inescapable. It is beyond your power to avoid this responsibility, but it is very much within your power to add substantially to the reputation and fame of your alma mater.

Seek out opportunities to promote her ideals and strengths. Be quick to resent and be prepared to refute any derogatory remarks about your chosen college or your chosen profession.

Bear in mind, however, that the best possible public relations are promoted by your own personality as a serious, maturing student.

Remember that you are entering a professional college, and a professional attitude is expected of you.
Begin well! Poor work in the first semester may handicap you through your whole college course. If you are not doing well in a subject, do not hesitate to ask for a conference with the instructor. Framingham recommends you on the basis of your accomplishments here.

This is the place to make friends; don’t chum with one student exclusively. Don’t be afraid to speak to the student who smiles at you. First impressions are important.

Cultural Aspects

A Framingham student aims to be informed. He is not enclosed behind brick walls, but rather sees vital connections between his studies and the world he lives in. All departments at Framingham encourage a close relationship between scholastic work and related cultural opportunities in the surrounding communities. Home economics students make supervised visits to markets, stores, and industrial plants. Geography, science, and art classes have field trips to plants, laboratories, and museums. Drama and music classes or groups from them take advantage of the offerings in Boston and many other nearby communities.

Cambridge, Sturbridge, Sudbury, and other towns within a narrow radius of Framingham all have unique features of special interest to the college student. Plan to investigate them.

Locally, Framingham offers many cultural programs: lectures on a variety of subjects, concerts, and plays. Organizations using College facilities often open their meetings to students; there are special student tickets at reduced prices for the community concert series presented in Framingham.

A series of lectures, during the college year, is arranged by the Special Programs Committee with the financial backing of the faculty Public Relations Committee. This series is presented in Dwight Auditorium and is open to students of our own and neighboring colleges and to the residents of the town of Framingham.

Community Offerings

Students with time and talent may join the Community Players or The Community Choral Society.

Through the courtesy of Babson Institute of Wellesley, F.S.C. students are privileged to use the Babson swimming pool once a week. Dr. Mackey, of our physical education department, arranges series of lessons during the year, and personally supervises the swimming and life-saving classes. A nominal fee is charged.

Red Cross

The Red Cross College Unit cooperates with the Framingham Chapter of the Red Cross. Through it the girls are able to participate as a group in Red Cross activities, such as “gray ladies,” and enjoy a valuable community relationship.

Current activities will continue while there is a demand for them. In addition, the College Unit stands ready to assume new and different duties, in accordance with the time and abilities at its disposal.

The Bloodmobile visits the College annually, and faculty, staff, and students contribute blood in order to maintain the percentage necessary for the all-college coverage which includes members of families. Identify yourself with your R.C. Unit.
Framingham Tomorrow

There are several projects now in various stages of planning, all of which will increase the size and quality of the physical plant of the college.

In the fall of 1961, a two hundred-student residence hall and student union, Martin F. O'Connor Hall, was opened. In September 1962 the new science-home economics building, Mary Hemenway Hall, was opened and the expansion of the vocational parking lot was completed. May Hall and Dwight Hall were renovated in the summer of 1964, dividing large rooms to provide additional classrooms, lecture rooms, and offices. In September of 1963 the new heating plant in back of Dwight was used.

Future plans call for a library building, another residence hall, an expansion of gymnasium facilities, a swimming pool, a home management house, and a full-sized playing field.

It is the intention of the college to increase the enrollment from its present 1200 to approximately 1500 by 1970. In September of 1962 a secondary education program was offered with two majors, history and English. In 1964 a biology and medical technology major was opened. In 1966 a non-education program with majors in history and English was opened.

VI. Rules Concerning Absences from Classes

A. General Absences (cuts)

1. All written excuses shall now be eliminated.

2. Unexcused absences (cuts) shall be equal to double the number of semester hours credit carried for that course. Unexcused absences in excess of the maximum allowed shall result in the lowering of a student grade for the course by one letter.

3. Excused absences shall be granted for
   a. religious holidays, such excuse to be obtained from the Dean in advance of the absence
   b. attendance at conferences which have received the advance approval of the Dean and/or a faculty member.
   c. death in the immediate family

4. The Physical Education Department may have freedom in administering a "cut" system in cases peculiar to the Physical Education program.

5. Absences immediately preceding or following a holiday, vacation, or long weekend shall be clarified as single or double cuts by each instructor at the first meeting of each of his classes each semester. Each instructor involved in laboratory classes shall also clarify his policy for cuts in his lab classes.

6. When a student through absences misses a test or fails to pass a paper the day it is due, permission to make up the test or to pass in the paper for full credit may be granted by the instructor, provided the rea-
son presented by the student for his absence
a. falls within those listed in 3
b. although not listed in 3, seems legitimate
to the instructor. Both instructor and
student may have recourse to the Per-
sionnel Committee for a final decision.
The faculty shall adopt a firm policy of
lowering credit for late papers due on a day
of absence but each teacher shall use that
system which best applies to the special
needs of his courses. (For example, late
themes in Freshman English might receive
a different penalty from the one applied to
the single long research paper in an ad-
vanced course.)

7. The student may in special legitimate cases
other than those listed above present to the
Personnel Committee a full written explana-
tion for an absence together with a peti-
tion that the penalty be remitted. This
petition should be made without undue de-
lay after an attempt has been made to settle
the issue with the faculty person involved.
The Personnel Committee, or a subcommit-
tee thereof, may ask for an additional oral
explanation of the absence. The Personnel
Committee may then recommend to the
faculty member concerned that the grade
shall not be lowered in this special case.

B. EXTENDED ABSENCEs

A student who has been absent for a protract-
ed period of time because of illness, home dif-
ficulties, etc. or a student who has absences due
to illness and/or physical difficulty of a recur-
ing nature as verified by the College nursing staff
and/or the Dean of Women or Dean of Men,
shall be required to complete 80% of the work to
receive a grade in the course. What constitutes

80% of the work in any course shall be deter-
mined by the instructor in consultation with the
Head of the Department and the Academic
Dean.

C. Any student who becomes ill during class
hours must report such illness to the Dean of
Women/Men, the nurse or a House Director
before leaving campus if a commuter, upon
returning to her room if a boarder.

D. Any known contact with communicable di-
seases must be reported at once to the nurse.
This statement applies to all students attend-
ing college.

E. STUDENT TEACHER ABSENCEs

The rules concerning unexcused absences do
not extend to student teachers. All absences must
be made up at the discretion of the college super-
visor.

VII. Alcoholic Beverages Notice

Regulations concerning alcoholic beverages at
Framingham are simple and to the point. A
statement of President McCarthy’s ruling fol-
low.

found guilty:

1. of drinking any alcoholic beverage or mix
on campus or in a dormitory or off-campus
house,

2. of having liquor in his possession.

3. of behaving in an inappropriate manner
(including talking noisily) either on or off
campus, while in residence at the college
will be recommended for suspension, and
may, with the approval of the Board of
Education, be expelled.
VIII. Regulations for Framingham Men

Male students may use all areas of O'Connor Hall, Student Union Section, until 10:00 P.M. with the following exceptions:

c. Cafeteria regulations must be followed at all times.
d. Non-Framingham State College male students must be accompanied by a Farmingham State College student whenever they are in the Lounge, Cafeteria or Game Room. They may not use other areas.

IX. Withdrawal Procedures

Any student considering withdrawal from the College should confer with his faculty advisor, and Dean of Women or Men, to discuss problems contributing to this possibility. If a final decision is made to withdraw, the student must notify three offices: Registrar, Academic Dean, and Dean of Women or Men. At the last office students are requested to complete a withdrawal form.

Dress at Framingham

Classes and Examinations

Class dress and suitable footwear are required for all classes and examinations except when art and physical education or other instructors specifically approve something less formal because the nature of the work makes that desirable.

Library

After meals when approved informal may be worn, students may wear this dress in the library. Library student assistants are to wear class dress and suitable footwear, however.

Dwight

Informal dress may be worn in Dwight Hall above the Student Room level only when it is specifically permitted in the library, (see above) and when productions in the auditorium require it. Otherwise students are not to appear in the lobby, auditorium, or any of the offices on any day in informal dress. When in approved informal students are to use the end doors and stairways only.

May and Hemenway

Informal attire may be worn after 5:15 on days when classes are held and all day on holidays and Saturday, except in the foods laboratories, where departmental regulations apply.

Mid-semester holidays
Examination days

Key:
1. Suitable foot wear; socks permitted.
2. Approved informal is either slacks with blouse or sweater, or Bermuda shorts with blouse or sweater.
3. “Heels” call for full length stockings.

Notes:

a. Blue “jeans” and extreme (length and tolerance) shorts are not to be worn on or off campus except for room cleaning, preparation for or cleaning up after a college event, cook-outs, or other activities unquestionably calling for “old clothes.”

b. Smocks are acceptable only when an apron would be.

c. If College or Faculty guests are to be entertained at a meal where “approved informal” is permitted, it is expected that students will, upon request, substitute whatever the occasion calls for.

The following regulations apply to curlers, bobby pins, or any pins used for setting waves or curls or “hair-do”:

A. They may be worn, if suitably covered with a scarf,
   1. when approved informal is acceptable, except to meals or in the library.
   2. to rehearsals for plays, stunt night, talent shows, May Day, etc.
   3. anywhere in the dormitory area unless elsewhere restricted.
   4. when decorating, cleaning up, or engaged in stage work, etc.

Facilities and Services

Smoking:

Smoking is permitted in the recreation rooms in the basement of each dormitory, at hours determined by the Inter-Dorm Committee, in the Students' Room in Dwight Hall, May, Mary Hemenway Hall, and in the Student Union as posted. Smoking is also permitted on the steps north and south of Dwight, on the steps north of May, and, for Crocker residents only, on Crocker back porch.

In order that no one group of girls be responsible for the care of the Students Room, the S.C.A. has set up a committee to acquaint the students with the system for keeping the smoker attractive and neat. It is expected that each girl using this room will assume the responsibilities assigned to her.

Where there are regulations restricting hours when pianos and TV may be used, they should be carefully noted and followed, as all regulations are in the interest of the College as a whole. All rules are posted, and carelessness in observing them is cause for closing the room. A room may be closed at any time by President McCarthy, the Dean of Women, or the S.C.A. committee if there is not full co-operation on the part of the students in maintaining it.

Calendar events have priority rights in the use of rooms.

Reservation of Rooms and Facilities:

Rooms needed for special events, meetings, or rehearsals must be reserved with the Dean of Women, well in advance to avoid conflict. The coffee urn, dishes and silver, punch bowls and glasses may also be reserved by filing with the Dean of Women a reservation form properly filled in.

Sunning:

Sunning is limited to the rear of the Athletic Field on weekends only when there are no activities (such as May Day, Class Day, Commencement, etc.) scheduled there.

Parking:

A parking area is provided for students on Maple Street, next to the Vocational House. If demand exceeds the space, the Campus Improvement Committee will advise where cars may be parked. Our neighbors complain, justly, when students park on the street in such a way that oil trucks and other delivery trucks cannot get in and out of private driveways. A local ordinance forbids parking for longer than two hours on a public street. Any towing will be at the owner's expense.

Study Places:

The Ritchie Library is open from 8:00 A.M. to 9:00 P.M. Monday through Friday except during assembly hours; and from 9:00 A.M. to 4:00 P.M. on Saturday.

The Home Economics library in Mary Hemenway Hall as well as unused classrooms may be used during the day. The Study Room in the Student Union is available as posted.

Employment:

Information in regard to any type of employment connected with the college buildings, dor-
mitories, village houses, or summer openings may be obtained from the Dean of Women.

Opportunities for campus employment are very limited and are offered first to the upper-classmen.

Lost and Found Articles:

Found articles should be taken promptly to the office of the Dean of Women, where owners should inquire for them. From time to time the list of these articles will be posted on the Dean's bulletin board or published in the Gate Post. If they are not claimed by a specified date they will be disposed of at the discretion of the Dean of Women.

The Mart

The Mart confines its offerings to student supplies, special F.S.C. items, gifts and cards.

Mrs. William Hilliard manages the Mart. Mart hours are posted on the doors. Profits go to the Student Cooperative Building Fund.

Here you will find art supplies, notebooks, paper, stationery, paper back books, fountain pens, and the dozen and one items every college student finds useful. You will also be delighted with the many items for your own use and for gifts, featuring the College seal and colors. Among these are sweatshirts acceptable to the Physical Education Department. The absolutely necessary college calendar may also be purchased in the Mart.

The Book Store

The Bookstore, located in O'Connor Hall, lower floor, handles all the texts used in our courses. It is open at hours posted; all profits are devoted to promoting College public relations.

Telephone

Pay stations for general use are situated in the cloak room to the left, in Dwight Hall Lobby, in the lobby of O'Connor Hall, and first floor of Mary Hemenway Hall. There are also dorm pay stations for dorm residents.

The Ella C. Ritchie Library

On the second floor of Dwight Hall is located the college library named the Ella C. Ritchie Library as a tribute to the librarian who served the college from 1923 until her death in 1941. In addition to this main library there are several departmental libraries on the campus, making more easily available the books and other library materials needed for special class work. The library of 45,000 volumes includes an adequate collection of reference books, books specifically chosen for class work, books for recreational and cultural reading, newspapers, and nearly 375 periodicals on a wide variety of subjects. Since the books and periodicals have been selected to answer the many needs of both faculty and students, certain rules regarding the use of the library and its materials are necessary so that all members of the college community may enjoy equal library privileges.

1. Reference books do not circulate; they are needed in the library at all times.
2. Current periodicals do not circulate; they may be read in the library.
3. Certain books needed for class assignments are taken from the main collection from time to time and placed on special shelves for limited periods. These so-called reserved books are charged for over night only. In this way a few copies serve many students.
4. All other books and other library materials may be taken out for a period of two weeks; at the end of that time renewal is allowed.

5. Fines are charged as scheduled:
   Reserve books ............. 25c per hour
   All others ................ 2c per day
   Either the librarian or a student assistant is always on duty in the library. All users of the library are urged to consult the desk attendant at any time when they need help in using the library. The college library is a place for quiet reading and study; it is an agency of instruction rather than a storehouse of books; it should be the academic center of the institution.

Entrance to College Grounds

The Henry Whittemore Memorial Gate, at the entrance to the campus, was given by the Classes of 1917, 1918, and 1919, and named for Mr. Whittemore, Principal of the Framingham Normal School from 1898 to 1917.
Dwight Hall

Dwight Hall, the administration and classroom building, is named for Edmund Dwight of Boston, who by his munificent gift made it possible for Horace Mann to start the State Normal Schools in Massachusetts.

May Hall

May Hall, named for Miss Abbie W May, who was chairman of the board of visitors in the eighties, was the main classroom and administration building prior to the opening of Dwight Hall. It was opened in September, 1889, and dedicated in June, 1890. The first floor was used then primarily as a practice school. In 1898 the Mary Hemenway Household Art Department, was added to this building. In September 1962 when Hemenway Hall opened, the History and English departments moved to May Hall.

**Residences**

Framingham fosters close relationships among students; this is evidenced in the residences where girls from all classes live together under the guidance of head resident and a student house president, who represents the house on the Inter-dormitory Council (I.D.C.).

The residences function under the overall direction of the I. D. C., the house president and head resident cooperating in arranging activities and carrying out the plans of the dorm family. Each dorm has in addition to the president a vice-president, a secretary, and treasurer; nominal dues provide for newspaper and magazine subscriptions, and other items voted by the dorm.

Weekends when college events are not scheduled residence students participate in informal activities; sports, cook-outs, and excursions are all popular.

Students who are assigned to housing operated by the College are expected to remain in occupancy for the academic year and may not be released sooner except as their places are taken by suitable substitutes. The College reserves the right to change room assignments whenever necessary.

Residence halls will be open for occupancy on the day of the opening of the college year. All student property must be removed from the rooms and key turned in immediately after the final examination in June. Such property not removed by the owner will be removed by the College and stored or disposed of at the owner’s risk and expense. Students assigned to residence hall rooms will be responsible for the room rent of the entire semester. Room rent is not refundable. The College reserves the right to utilize student rooms during vacations for conferences and other groups which meet occasionally on the campus.

**Vocational House**

The vocational House is the little house at the foot of State Street on Maple Street. The house is under the direction of a student assistant. The House presently provides residence quarters for eight Freshmen Women.
Crocker Hall

Crocker Hall, which was named after Miss Lucretia Crocker, an outstanding teacher and the first woman to be appointed supervisor of the Boston schools, was built in 1886 to be used as a dormitory. On Christmas of the following year the hall was partially destroyed by fire. It was later repaired, enlarged and reopened in February, 1889. After the hurricane of September, 1938, Crocker was brickfaced, somewhat remodeled, and the new Crocker opened to the Junior Home Management Group on March 4, 1940. Other students from all classes make up the complement the Hall can house. Mrs. Savage is head resident at this Hall.

Horace Mann Hall

Horace Mann Hall, which is named for Horace Mann, educator and father of the normal school movement in our country, was built in 1920 to replace old Normal Hall, which had burned. All classes are represented in this house.

The House is under the direction of a head resident, Mrs. DeBruyn.

Martin F. O'Connor Hall, named in honor of the president who served from 1936-1961, is a combined student union and dormitory. In it, in addition to accommodations for 210 students, are cafeteria, snack bar, game room, lounges, TV room, study hall, guest rooms, Alumnae suite, and Student Government and publications suite. The Book Store and Mart are in the basement. Mrs. Kohrs is head resident; Mrs. Cahill and Mrs. Hervan are her assistants.
Obligations of a Framingham State College Student

On entering Framingham as a freshman, each student upon payment of the activity fee becomes automatically a member of the Student Cooperative Association, and from then on his membership in this Association implies that he will be willing to accept his obligations as a citizen of the college and conform to its standards.

There are certain obligations and responsibilities as well as privileges connected with the Student Cooperative Association at Framingham, and each student should be ready and willing to assume his full share.

A wisely adjusted balance of academic and non-academic responsibilities contributes to the development of an all-around student.

The attitude of every student towards the college community should be that of constructive cooperation. He should accept and support the fundamental standards of the group and should also be willing to conform to all customs and procedures which have proved to be for the best interests of the community.

Each member of the Student Cooperative Association should take an active part in offering suggestions for improvement and should feel his self to be a vital part of a flexible and progressive democracy. Moreover, while each student is identified with the college, he is, inevitably, its representative wherever he goes and should feel the obligation of loyalty in upholding its reputation at all times.
To the Class of 1970:

The Student Body welcomes you to Framingham and into the Framingham spirit.

New opportunities, experiences and acquaintances will be yours in the forthcoming college years. Upon entering in the fall of 1966, each of you will become a member of the Student Cooperative Association. Upon graduating in the spring of 1970, we hope that you will take with you both academic and social growth and leave behind a part of yourself—the activities you have participated in and the ideas you offered.

We extend to your our warmest welcome.

   sentative not already serving as a member will
   take his place, this representative having the
   right to vote. If a member be absent more than
   once even though he had adequate representa-
   tion, he may be dropped by a 2/3 vote of
   the Executive Council and his organization
   asked to elect another representative. Infra-
   ctions shall be judged by the special conditions
   surrounding each case.
7. The members of the Class and Club Council
   shall attend all scheduled meetings of the
   Council unless excused by the Council in cases
   of extreme emergency. If a member is unable
   to attend the regular Class and Club Council
   meeting, he shall secure a substitute not al-
   ready serving as a member, this substitute hav-
   ing the right to vote. Absence more than once
   or failure to send a substitute will result in a
   request from the Class and Club Council to
   the organization that a new permanent repre-
   sentative be named to succeed the present
   representative.
8. Any change in the amount of the Budget Fee
   must after recommendation by the Faculty-
   Student Budget Committee be approved by a
   2/3 vote of the students present at a meeting
   of the Student Cooperative Association.
   Seniors are ineligible to vote on matters con-
   cerning an increase in the Budget Fee for the
   following year.
9. Students wishing to form a new club or or-
   ganization shall:
A. Announce their intentions.
B. Establish a tentative organization.
C. Hold preliminary meetings.
D. Submit to the Executive Council:
   1. A copy of the Constitution and/or By-laws of the proposed organization.
   2. A petition signed by at least twenty potential members:
      a. Expressing a desire to establish a new organization.
      b. Specifying the name of the organization.
      c. Specifying the purpose of the organization, by demonstrating its capacity to be of interest and benefit to the undergraduates of the college, showing that it is unlike any other organization previously granted representation on the Class and Club Council.
      d. Indicating the name of a temporary adviser.
      e. Requesting that the Executive Council authorize the formation of such a club or organization. Such authorization requires a 2/3 vote of the Executive Council.

10. The Executive Council may, if it is found that an existing organization does not continue to fulfill its purpose, revoke the authorization by a 2/3 vote of the entire Executive Council.

11. The method of electing representatives to the Judiciary Board will be as follows: in May, the four class officers of the freshman, sophomore, and junior classes will submit five names from the class to the Judiciary Board for approval; the outgoing president of the S.C.A. and the presidents of the classes will then vote upon the approved representatives—two juniors, one sophomore, one freshman, to serve during the following year. The student lounge chairman appointed by the S.C.A. executive council automatically becomes a member of the Judiciary Board. In February of that academic year, a second semester freshman will be elected in the same manner to serve the remainder of the year. In case of resignations the officers of the class of the resigning member shall submit names to be voted upon as stated above. The faculty will elect the new adviser immediately following the S.C.A. adviser election, for a period of two years.

The Judiciary Board
Chairman: JILL HEALEY, '67
Faculty Adviser: MISS MONROE

The Judiciary Board (J.B.) with the 1st Vice-President as chairman is comprised of six other student members—the chairman of the student lounge, two seniors, a junior, a sophomore, and a freshman after first semester, and a faculty adviser.

The function of this board is described in Article IV, Part III of the S.C.A. Constitution. Certain major offenses become automatically the concern of the President of the College, the Dean of Women, or the Faculty.

The Class and Club Council
Chairman: DONNA CAREY, '67
Faculty Adviser: DEAN OF WOMEN

It is the aim of the C.C.C. to maintain cooperation and harmony among the organizations at Framingham. It has charge of scheduling college events and elections, and it assumes major responsibility in assisting with the plans and con-
duct of pre-registration activities of the Freshmen.

All nominating is done preferentially, i.e., if three names are on the ballot, your first choice receives three points, your second choice receives two points and your third choice receives one point. In voting, indicate by a check mark your first choice only.

S.C.A. officers are nominated and elected by and from the school at large. Class and club officers are nominated by the members of the organization or a nominating committee as the constitution of the organization may direct and are elected by the whole organization. The names of those nominated are reviewed for academic and social standing.

Each approved nominee is notified and is free to accept or decline a nomination. If a student is nominated for two or more offices, he must decide, immediately upon notification, which nomination he accepts, if any.

The Faculty advisers are nominated and elected in the same way as the officers of the respective organization.

**The National Student Association**

*Coordinator: Donna Harwood, '68*

The National Student Association (N.S.A.) is an organization composed of college student governments throughout the United States. Framingham is a member of the New England Region of N.S.A. Members of our committee attend conferences held at various colleges throughout New England. The delegate represents the college both at regional conferences and at the national congress, which is the supreme legislative body of the Association.

The N.S.A. Committee includes ten sophomores elected at the end of their freshman year by their class, and one junior elected from the previous group of ten sophomores who have served one year. One of these juniors will be chairman and the adviser will be the girl who served as chairman the previous year.

It is our hope that the entering students will become interested in N.S.A., and realize that the success of the student government and N.S.A. is dependent on their active support and participation.

**The Honor Council**

*Chairman: Nancy Swiacki, '68*

*Faculty Members:*

**Miss Kunde and Dr. Sellers**

The students of the State College at Framingham believe that the major purpose of education is to develop character. Since honesty and a sense of responsibility are traits of good character, we seek to further their growth by maintaining an Honor System with an Honor Council. This system aims to develop principles of honorable conduct and increase intellectual integrity in all academic work. With this goal in view we pledge ourselves to the support of the constitution of the honor system. According to the regulations of the honor system, each student is placed on his honor in all work designated as honor work in the constitution.

The Honor Council reviews all cases of reported dishonesty and infractions of rules.

The chairman of the Honor Council is elected by the student body and is a member of the S.C.A. Council. In addition to the chairman, the Honor Council comprises the following members...
(elected according to the procedure explained in the constitution): two representatives from the senior class, two representatives from the junior class, one representative and two alternates from the sophomore class, one representative from the freshman class, and two representatives from the faculty (elected by the faculty).

Since the success of the Honor System depends entirely upon the cooperation of all taking part in it, students are urged to help by taking a vital interest in its progress.

We are confident that the students of Framingham State College will uphold this privilege of self government.

**HONOR CONSTITUTION**

*Foreword* "LIVE TO THE TRUTH"

We, the students of State College at Framingham, desire to prove we can meet the test of this our challenging motto. We believe that the main purpose of education is to develop character. Since honesty and a sense of responsibility are traits of good character, we seek to further their growth by establishing an Honor System and Honor Council. This system aims to develop the principles of honorable conduct and to increase intellectual integrity in all academic work. It is our belief that pride in the establishment of honesty in our professional relationships will also increase our consciousness of the rights of others and will thus develop improved social behavior within our college community. With these goals in view we pledge ourselves to the support of the Constitution of the Honor System.

**ARTICLE I**

*Application*

Section 1. The Honor System shall apply to every member of the student body at State College at Framingham.

Section 2. The faculty are requested to cooperate by observing the rules of the Honor Constitution and by reporting to the Council infractions of rules.

**ARTICLE II**

*Honor*

Dishonesty shall be defined as either giving or receiving aid, comparing answers or attempting to do so, during an examination, test or quiz. In all assigned work such as a theme, term paper, or book report it shall be dishonest to hand in another's work as one's own. In those instances where sources are consulted, proper acknowledgement must be given. It must further be understood that students are to refrain from discussing examination questions in the presence of students who have not yet taken the examination.

It is permissible to engage in cooperative study. In the matter of work books or study questions if the instructor does not at any time wish students to engage in cooperative study or consult other sources, he must specifically say so.

Since it is recognized that uncertainty may arise in these points of cooperative study, study questions, work books, or late examination, it is the obligation of both student and faculty to clarify the status of all work assigned and all late tests given.
ARTICLE III
Honor Council

Section 1. Organization

A. The Honor Council shall consist of the Chairman, elected by the student body; two representatives from the senior class, and two representatives from the junior class, one Elementary and one Home Economics or Vocational student from each of the above classes; one representative from each of the other two classes; and two faculty members.

B. The eligibility of a member of the student body to serve as a member of the Honor Council shall be determined by the Dean of Women, in the same manner as eligibility is determined for any other office in college and shall be further checked with the faculty members of the Honor Council. 2. The three eligible students receiving the most votes in each of the categories shall be considered nominated for the Council.

3. Each member of the incoming senior class and incoming junior class shall vote for one of the three Elementary and one of the three Home Economics or Vocational nominees from his class. These two alternates will be required to attend all meetings; they may participate in the discussions; they shall not vote unless they are taking the place of a member who is absent. An alternate is eligible for chairmanship.

D. There shall be two representatives of the faculty on the Honor Council, one member

ARTICLE V.
Regulations

Section 1.

A. In order that all possible misunderstandings may be avoided, all students and faculty members must know and enforce the regulations below.

B. The following regulations are necessary to maintain a proper atmosphere during the taking of examinations and quizzes. A student must understand that infraction of a rule could mean that her name might be reported to the Council, (Sec. 2, A. below). Since it is absolutely necessary to avoid all appearances of concealed papers or of suspicious communications, the students must conduct themselves as follows:

1. Students are to bring to the examination nothing but what the instructor specifies as permissible. Ordinarily this would include only writing materials, and loose paper handkerchiefs. If pocket books, glass cases and wraps are brought into the room, the instructor is to designate where they are to be put.

2. Avoid all suspicious actions such as seemingly to look at another's paper, and any unnecessary talking; necessary talking shall be spoken out loud for all to hear.

3. Students desiring clarification of examination questions must leave the room to consult the instructor.

4. A student finding it necessary for any reason to leave the room is to report directly to the instructor.

5. A student may leave the examination early. It is recommended that he put on his paper the hour of leaving.

6. A student who has turned in his examination must leave the room at once and is not to return until the examination has been terminated unless he reports to the instructor first and has his permission.

7. A student after leaving the examination room is to engage in no communication with anyone within hearing of students remaining in the examination room.

8. Examination papers once handed in must be left untouched and unread by other students taking the examination.

9. During hour tests and final examinations the instructor must make provisions for adequate spacing between students.

10. The instructor shall designate in writing at the beginning of the examination (on blackboard, question sheet, or otherwise):

a. Where he may be found throughout the period.
b. Where the examination papers are to be turned in.

Section 2.
A. It is the duty of every student and faculty member either to report in writing to the Council any instances of dishonesty or violation of regulations, or to approach the student concerned and to suggest that he report himself. In the latter case the student or faculty member will check with the Council to make certain that the student has reported himself.
B. It is the duty of every student and faculty member to report to the Council any knowledge of rumors concerning possible infractions of rules.

Section 3.
A. The members of the Council shall maintain the utmost secrecy concerning the names of students reported or students reporting and all details of Council meetings.
B. All students involved, those reporting and those reported, are required to maintain the same secrecy.
C. The faculty committee appointed by the President of the College to review a case is required to maintain the same secrecy.

Section 4.
A. Each student must sign a statement that he has read this Constitution and is fully aware of its contents and will abide by it.
B. These statements are to be filed with the Secretary of the Honor Council.

ARTICLE VI
Procedure

Section 1.
The student or faculty member reporting must use a prepared form, one of which will be found at the end of this Constitution. Additional forms are to be in an envelope attached to the Student Cooperative bulletin board, first floor, Dwight Hall. The report must be sent immediately to the Chairman of the Council. It is requested that faculty members and students provide, if available, the proof necessary to support their charges.

Section 2.
A. Upon receipt of a report of alleged dishonesty or of alleged violation of rules in accordance with Article V, the Chairman and Secretary of the Council with one of the faculty members may interview the person or persons reported. The Chairman and Secretary shall report to the Council on said interview. If a student reports himself it is not necessary to have a preliminary interview.
B. The defendant shall be called before the Council. The student or faculty member reporting may be asked to meet with the Council separately.
C. The Council after all interviews are completed shall take definite action by secret ballot upon each case presented. (Article III, Section 1, I)

Section 3.
A. If it is the vote of the Council that a student has been guilty of dishonesty as specified in Article II, a faculty committee shall be appointed by the President of the College, and exclusive of the President, for confirmation of guilt and of disciplinary action. The faculty committee may require an interview with the student concerned.
If it does not, but the student himself requests a hearing, such a hearing shall be granted. If the Council's decision is upheld by the faculty committee, the student shall face one or more of the following punishments:

1. A student shall be given a written warning.
2. A student shall hold no school office or committee chairmanship either that year or the following year. The Secretary of the Council shall, in this case, notify the Dean of Women at once in writing that the student is no longer eligible for office.
3. The student may be placed on honor probation and all faculty members in whose classes the student is enrolled shall be so notified.
4. A student shall be recommended for suspension without probation.
5. A notice of his offense and of disciplinary measure applied shall be entered as part of the student's permanent record.
6. A student may receive no credit for the course and will be required to make up the necessary credits before graduation. This shall not occur without the specific consent of the instructor in the course.

B. In the event that the faculty committee does not uphold the decision of the Honor Council, the faculty committee shall state to the Council its reasons for disagreeing, and ask the Honor Council to review the case.

C. In the extreme event that the Honor Council maintains its original decision, a new committee shall be set up. The final decision shall rest with this committee. The committee shall be composed of the President of the College, three faculty members appointed by the President, the Student Cooperative Association, senior class and junior class presidents.

D. Students found guilty of dishonesty will have to satisfy the conditions set by the instructor in whose course the trouble occurred to justify the awarding of a final grade for the course.

E. In the extreme event that a student is found guilty (Article VI, Section 3, A) a second time by the Council, such repetition of guilt being upheld by a faculty committee, recommendation for expulsion will follow.

F. It is clearly understood that final decision in all cases involving suspension or expulsion rests with the President of the College.

Section 4.

A. If it is the vote of the Council that a student has violated a regulation (Article V), the student shall be notified in writing to this effect. A warning shall be issued that a subsequent conviction for an infraction of a rule of the Honor Constitution during his college course shall call for disciplinary action.

B. If it is the vote of the Council that a student has violated more than one regulation at one time, it shall call for disciplinary action. Such action will be left to the discretion of the Council.

ARTICLE VII
Amendments

This constitution may be amended by majority vote of the student body and faculty. Any student
or faculty member may propose to the Honor Council at any time an amendment for consideration. Such a proposal shall be given due consideration by the Council, and if the Council votes in favor of the proposal, it shall be presented to the student body and the faculty for a vote. If the Council does not vote in favor of the proposed amendment, it must be submitted to the student body and faculty for a vote, provided that a petition signed by 10 per cent of the student body or faculty so requests.

ARTICLE VIII
Interpretations for the Student

Since the success of the Honor System depends entirely upon the cooperation of all taking part in it, students are urged to help by assuming a vital interest in its progress. May it be the aim of each member of the student body to instill in the minds of the incoming students the tradition of honesty and the principles of honor which exist in all contacts among students and among students and faculty. With such whole-hearted acceptance of the aims and purposes of the Honor System by each participant, violations of our system will be rare and intolerable, and the judicial functions of the Council will be reduced to a minimum.

Form for Reporting Violations of Rules to the Honor Council

Your cooperation in reporting infractions immediately is most urgently requested. A delay of even a day or two may hamper the Council in carrying out their judicial functions.

Under the Honor System I am bound to report this infraction:

DATE INFRINGEMENT OCCURRED ........
HOUR OF CLASS ...... COURSE No. ....

Be sure your information includes the name or names of students involved and give as specific an account as possible of what you observed.

Interdormitory Council

Chairman: LORRAINE WEEKS, ’67
Advisor: DEAN OF WOMEN

The Interdormitory Council (I.D.C.) has been established to promote better relations among the students living on the campus. The principal objective of this council is to encourage self-discipline and cooperation with others. As a council, I.D.C. endeavors to consider the needs of every person living on the campus or in the village and to answer to the desires of each when and where feasible.

The members of the council are: Chairman of I.D.C., Dining Room Chairman, Student Assistant at the Vocational House, Dormitory Presidents, and Faculty Adviser, the Dean of Women.

The council functions to uphold regulations set forth in Dormitory Living (with the exception of those problems handled by the individual Dormitory Councils) and the council has the authority to impose penalties for all infractions thereof.

Dormitory Council (each residence)

The Dormitory Council functions to promote better relations among students living in each
dormitory. They have jurisdiction over problems involving excessive noise, lights, telephone and smoker duty, room inspection, and those other problems which may be unique to individual residences.

The Dormitory Council with the House President as chairman, is comprised of the Vice-President, Secretary, Treasurer of the dormitory, and the floor representatives. The council may refer frequent violators to I.D.C.

**Commuters Council**

*Chairman: Bonnie Averr, '67  
Adviser: Dean of Women*

The Commuters Council exists in order to voice the interests of commuters in student government. The principal objective of the council is to encourage commuters to participate and voice their opinion in matters which directly involve them. In order to bring commuters together and to increase their interest in college activities, the council will organize special functions such as the Christmas banquet. It is hoped that the council will have much cooperation during its first year serving in its newly elected capacity, and that commuters will find their years more enjoyable due to the efforts of the council.

**Dining Room Council**

*Chairman: Judith Scarbrough, '67  
Adviser: Dean of Women*

The Dining Room Council exists to help maintain an atmosphere of homeliness and refinement in our dining room. Two days a week at the evening meal girls are given assigned seats so that freshmen will become acquainted with the upper-classmen. Once a week we have “dress-up” night, when birthdays are celebrated.

It is hoped that each girl will feel at ease in our dining room and will, by reflecting her home training and her own appreciation of good breeding, contribute to pleasant social intercourse.
Dormitory Living

Only when the rights and privileges of others are as important to us as our own rights and privileges can we honestly say we are glad we are living under democratic government.

— Dorothy Larned

1. General Permission

The dormitories have a definite system for signing out when a student leaves campus at any time for any reason, and this must be observed. Also, each student must sign out, at the place designated by the Head Resident, if she leaves her dormitory during the evening or on a day when there are no classes, to work in any of the college buildings.

NOTE:

A late beyond scheduled hours Monday through Thursday must be secured from the Dean as a special, and requires the forfeiture or exchange of two 11:00’s. Only in exceptional cases will students who do not have two 11:00’s within the week be accorded a “special.”

Resident students will sign out time, place, and escort or companion only when going out-of-town between the hours of 7:30 a.m. and 7:30 p.m. They will not need to sign to go to the Center, Shoppers World, south Framingham, etc, unless they are expecting a telephone call. It seems reasonable if a call is expected, however, that the student stay around until the call is received. After 7:30 p.m. students must sign out regardless of their destination. No student may sign out to leave the dormitory after 10:00 p.m. Sunday through Thursday, or after 10:30 p.m. on Friday and Saturday. No student is to sign out in another’s name. Failure to follow these regulations will be referred to the I.D.C. for appropriate action.

A pen is to be used for signing out.
The schedule is not affected by regular holidays.

Week-end lates, i.e. Friday, Saturday, and Sunday, are not affected by a D or E mark. Monday through Thursday lates are affected, as follows:

1. Those whose E or more than one D mark(s) are for an 8 week course lose the Monday through Thursday privileges until the end of the next quarter.
2. Those whose E or more than one D mark(s) are for a full semester course lose the privileges for the following semester.
3. Instead of the usual privileges, lates for these students from Monday through Thursday will be as follows:

Regardless of academic standing, each resident student will have six mid-week 12:00 M. lates for off campus activities. Lates for the following traditional college dances will be 2:00 o’clocks:

- Student Cooperative Association (usually in October)
- Black and Gold Weekend (usually in November)
- May Day (in May and for Sophomores only)

Junior Weekend (Juniors only)
Senior Week privileges will be posted annually as each class plans activities which may not necessarily follow any previous schedule.

2. Written Permissions

At the beginning of the college year written permission from home and approved by the Dean of Women is required for:

A. Spending the night or week-end away from College, not at one’s own home.

Note: Special permission from the Dean of Women is required for:

1. Spending a night away from College anywhere during the school week.

2. Spending a school day or any part of such a day when classes would be missed, away from College for other than College appointments.

B. Canoeing, swimming, sailing, flying, skating, cycling, or horseback riding.

C. Leaving College with escorts.

D. Driving with friends or relatives.

Note: A form, used for most of the permissions named above, is mailed out to all students before they return to College in the fall. Specific names and definite addresses are requested on all permissions, college as well as home addresses for escorts. If parents wish to leave A, B, C, or D to the discretion of their daughter, a notation to that effect should be made on the permission blank. This does not apply to Freshmen.

Names may be added or deleted by notifying the Dean of Women.
The Dean of Women is ready and willing to give special permissions at any time when an occasion warrants it. She should also be informed promptly of any emergency permission obtained from the Head Resident or other recognized authority.

Students are reminded that it is courteous to introduce their escorts to the Head Resident.

3. Quiet

In order that each student may enjoy her privilege and right to study, rest and sleep, as well as to relax, quiet and order are necessary. Consideration for others and self-control can, with an effort on the part of each individual student, produce the conditions of a well-regulated dormitory.

Unless students are interested in producing these conditions and in securing the rights of all who are living in the residence, they will be requested to withdraw from the residence.

Every student should be in her own room by 11:00 p.m. Sunday through Thursday.

An Inter-dorm Council administers the quiet and order regulations, which are set up by the students with the approval of the administration.

The residences should be quiet from 7:30 p.m. on and during the hours of classes.

The residences must be quiet until 6:45 a.m. Monday through Saturday, and until 9:00 a.m. on Sunday.

All day Sunday reasonable quiet is expected, both in the residences and on the campus.

No musical instrument shall be played in the dormitories after 7:30 from Sunday to Thursday; nor after 10:00 p.m. on Friday and Saturday nights.

Exception has been made in the case of radios; they may be used at the discretion of the owners, so long as they are not heard outside the room where located. Abuse of this privilege will be reason for forfeiting the right to use the radio.

The wearing of soft-soled slippers during the evening is recommended. Residence rooms are far from sound proof.

Students who return late are expected to go quietly to their own rooms, and to be particularly quiet in preparing for bed.

4. Lights

The College furnishes one overhead light in Crocker Hall, Peirce Hall, Horace Mann Hall, O'Connor Hall; any other light the student furnishes herself; in O'Connor Hall desk lamps and floor lamps are also furnished.

Unwise and inconsiderate use of the unrestricted late light privilege may result in suspension of an individual's late lights.

Lights should be turned off when not in use.

5. Rooms

Residence rooms are to be kept clean and in order at all times.

It is expected that beds shall be made by 8:30 a.m.

Decorations may be hung only from the moldings. Bulletin boards of monk's cloth or wall board are useful for putting up small souvenirs and decorations. No decorations in any medium may be applied directly to any wall or painted surface.

No pins, tacks, nails, tape, or paste shall be used on walls. Residence groups may vote fines for any infraction of these regulations.
No electrical appliances except radios, clocks, record players, razors, and electric blankets may be used in the rooms. Hair dryers, irons, “stingers” and all types of coffee makers may not be brought to residences.

Tin containers are advised for storing food.

Shades should be drawn when lights are burning in rooms.

6. Dress

Unconventional or informal attire such as shorts, bathing and sun suits, negligees, etc., is not to be worn in the living room or dining room, to classes, or in May, Dwight, or Hemenway Hall. See the regulations, which are printed elsewhere in this handbook.

“Sunning” on campus is restricted to weekends as previously stated, and in places approved by the President and Dean of Women.

7. Guests

Parents and family are welcome at any time when such visits do not interfere with college routine, either class or residence.

Male guests (FSC students or others) may call at the women’s residences between 1:30 p.m. and 10:00 p.m., Monday through Friday; between 10:00 a.m. and 10:00 p.m. Saturday and Sunday.

After 7:30 p.m. visitors (male or female) may be received in the residence living rooms for a short time (not more than 30 minutes); the resident student may however, if she has a “late” use it, either remaining in the living room or signing out in the usual manner.

Other than for scheduled college events, visitors may be entertained in residence living rooms on Friday and Saturday evenings only, until 11:00 p.m. and on Sunday evening until 10:00 p.m.

(Note: O’Connor Hall Lounge, street floor, shall be considered the living room for that residence during evening hours when no special college function is being held there. It will, therefore, be subject to the same guest regulations as other residence living rooms.)

Guests, whether escorts, family, or friends, should be introduced to the Head Resident.

Rooms may be visited by parents ONLY on Sunday from 2-6 p.m. The Head Resident should always be consulted before any visitors are taken to a student’s room.

Arrangements for overnight or week-end guests should be made in advance with the Head Resident.

Permission for meal guests should be secured from the head matron in Peirce Hall.

8. Motor Vehicles

Boarders are not allowed to have motor vehicles at College, unless, in an emergency, special permission is secured from the President or Dean of Women.

Note: During Commencement Week special arrangements for seniors will be approved by the Dean of Women.

Boarders are reminded not to exceed the restrictions of their permission blanks with respect to automobiles.

9. Study Places

The Student Union, second floor, provides one study hall for the use of all students.
Sewing rooms, primarily for the use of H.Ec. clothing students, are maintained in the residences.

School buildings must not be used before 7 a.m. except by special arrangement by a faculty member.

The library in Dwight Hall is available as posted.

Never at any time should students study alone in any part of the school buildings in the evening.

10. Illness

Any illness must be reported to the Resident Nurse and Head Resident. Doctors’ appointments should be made through the College Nurses.

Any student unable to return to College from home or elsewhere because of illness should communicate with the Dean of Women, if unable to reach her, with the Head Resident.

No student may go home for illness without first presenting to the Head Resident a permission statement from a College Nurse.

When a tray is needed, a slip explaining the need and approved by the nurse or whoever is replacing her at the moment must be left with the Head Resident, at least one hour before the meal if possible except for breakfast and then directly after the meal. Tray dishes must be washed and dried and returned to the office before the next meal.

11. Telephone

Pay stations may be found in each building, and all student calls should be placed and received at these stations. The numbers are as follows: Pierce Hall 873-9064 and 873-9365, Horace Mann 873-9053 and 873-9225, Crocker 873-9025, O’Connor, ground floor 873-9469, first floor 873-9462, second floor 873-9414, third floor 873-9442.

Parents and friends should be given the numbers of the pay stations, and the hours when the students may be called.

All telephone calls should be received or made during the free hours — avoiding classroom schedules — and before 10:30 p.m.

The Business Office of the College is at Dwight Hall. All business matters will be cared for there during the hours 8:30 a.m. to 4:30 p.m. Telephone — 872-3501.

The Dean of Women’s office telephone number is 872-3501, Ext. 34.

No office telephone—in any school office or residence office—shall be used by students.

12. Smoking

The Student Cooperative Association expects students not to smoke while on the streets of Framingham, while traveling in public vehicles in the vicinity of Framingham, or when Framingham students go in a group for professional reasons connected with the college life.

Smoking in places off campus other than above is left to the student’s own wishes, just as long as he conducts himself in a becoming manner and in a way not to bring discredit to the college.

Regularly designated smoking rooms are the only rooms where smoking is permitted on campus. Hours for their use are posted on the bulletin boards.

Smoking in a residence room is cause for immediate removal from the residence.
13. Bulletin Boards

Students should consult their residence bulletin board regularly at meal time, as they are held responsible for acquainting themselves promptly with all notices posted there.

Student Organizations

The Dial

Our yearbook, The Dial, is essentially a senior book compiled by a staff of seniors. Even so, all college events and clubs as well as all underclassmen are represented. The Dial portrays, through literary and pictorial media, the history of the graduating class and tries to convey just what four years of F.S.C. means to the class. The Dial is everyone's yearbook and it will bring back memories of college days many years hence.

We, the staff of The Dial, extend a warm welcome to you, an entering student, and also the hope that your years at Framingham State College will be rewarding ones.

The Gatepost

We, the staff of your college newspaper, The Gatepost, wish to welcome you to Framingham. We know you’ll enjoy your college days here and will build many friendships. We are all looking forward to meeting you.

Communication is of extreme importance in any situation where a group of people desire to have information. The Gatepost is our college newspaper. The members of the staff spend much time in trying to make it serve its innate purpose of spreading news while it is still news. They keep the students informed of different aspects of college life through news articles, editorials, and features. Positions on the staff are open to upper classmen at any time and to Freshmen after the first quarter marks are out. We welcome new workers and new ideas. We can only be a success if you give us your support.

The Literary Magazine

For the first time in the history of Framingham State College, a literary magazine is being introduced on our campus. Our editors and writers hope to publish original poems, short stories, plays, essays, and drawings showing the creative talents of our faculty and students. We are always open for your suggestions and sincerely hope you will submit your original efforts to us.

In this new attempt to increase the cultural publications here, we ask your whole-hearted support. Please make it your personal responsibility to insure the success of this publication.

Debate Society

The Framingham State College Debate Society was organized in 1964 under the Student Cooperative Association as a member of the Massachusetts State College Debate League. The
Society is now also a member of the American Forensic Association.

Activity of the group during its first year included weekly meetings and participation in intercollegiate debates. Among the events entered were the Massachusetts State College Debate Tournament at Worcester and the Eastern Forensics Tournament at Queens College in New York City. Members of the team observed several other tournaments including the Nationals at West Point.

The Debate Society welcomes all students, with or without previous debate experience, who would like to further an interest in forensics. An active debate season is anticipated.

The Hillel Organization

The Hillel Organization, co-sponsored by the Bay State Lodge of B'nai B'rith and the Women's Chapter of B'nai B'rith of Framingham, was formed in the fall of 1959 under the name of the "Menorah Club," to serve the cultural and social needs of the Jewish girls on campus. The spring of 1964 found us officially becoming a member of National Hillel. Included among the activities for the coming year are a Welcoming Tea for the Freshmen, an Israeli-Dance Festival, and an Inter-Faith Forum.

As the club is not large, it is hoped that the programs interpreting Jewish culture may be of interest to non-member friends. We are looking forward to welcoming you on campus and sharing our activities with you.

Hilltop Players

Here on the campus Hilltop Players is our dramatic club, the purpose of which is to maintain an interest in drama and stimulate participation in the many aspects of dramatics and the theater and a growth in self-expression.

Throughout the year our meetings feature readings, discussions, and talks that give a keener understanding of the theater itself. In December we present a Christmas production.

Our year is climaxed by a full scale spring production.

Whatever your interest, there's a place for it in Hilltop Players as a light technician, publicity agent, set designer, costume designer or an actress. We are looking forward to meeting and working with you.

The Home Economics Chapter

Organized in 1924, the Louisa A. Nicholas Home Economics Chapter was named in honor of Miss Nicholas, for many years the beloved head of the Home Economics Department.
The purpose of the club is to bring together the students of the department in order to keep them well informed on current problems and topics of general interest to home economists, to have an organization for participation in off-campus home economics activities, and to familiarize the students with the broad fields of home economics. Our college club offers an opportunity to participate in meetings of the College Chapter Department through its affiliation with the Eastern Massachusetts Home Economics Association, The Massachusetts Home Economics Association and The American Home Economics Association. Our chapter is well represented this year by Sandra Haney, ’64, who is Vice Chairman of the College Chapter Department of the Massachusetts Home Economics Association.

The International Relations Club

The International Relations Club, formed in the spring of 1961, has as its main purpose the stimulation of student interest in world affairs, the increase of understanding of the workings of the United Nations, and the development of insight into the behavior of the countries and peoples of the world. As an affiliate member of the Collegiate Council of the United Nations the club has sent delegates to the annual Model General Assembly and representatives to other conferences.

Activities planned for the coming year include a model United Nations meeting, foreign students as speakers, panel discussions with groups from other colleges, and, again, participation in the Model General Assembly. There will be frequent discussions on United States foreign policy, United Nations action, and international relations. These will be supplemented by discussions of current literature, including both non-fiction and historical novels.

The International Relations Club is looking to you for support. All the officers join in welcoming you to Framingham and in inviting you to share in our activities. We hope that many of you will soon be members of I.R.C.

The Music Club:

The Music Clubs would like to take this opportunity to extend a welcome to the entering students. We hope that many of you will want to join us this year in our various music activities. The Glee Club members are chosen by tryouts early in September, every girl in the college having an opportunity to try out. Our concert choir, a selected group from within the Glee Club, sings in assembly, and gives outside concerts during the course of the year.

If you can play a musical instrument we want you in the orchestra. Since the orchestra is a recently organized group, your help is needed to build it up.

Again, we hope you will want to help us further our purpose of enjoying and appreciating good music. Sing with us at the Christmas Candlelight Service, the annual Glee Club Concert or Operetta and the Class Day evening concert on the Horace Mann Terrace.

Newman Club

The Newman Club was founded thirty years ago in this college for the purpose of furthering Catholic culture and Catholic fellowship. It is directly affiliated with the Boston Province of the National Newman Club Federation.

As a club member one may attend a Day of Recollection to be held during Lent, the Communion Supper in the spring, and all the club meetings. All college students are invited to patronize the annual Newman Club Formal in December. The club presents excellent speakers at the regular meetings and sponsors an assembly program.

Through this organization we attend many off-campus conferences, where we have the opportunity to meet and share ideas with students from other colleges. The many churches in the Framingham Centre area welcome students.

In addition to our four regular afternoon meetings we have Bible study groups, bi-weekly and Lenten worship services, and guest speakers who share with us their viewpoints on various subjects. Our two main social events this year are the informal dance in March and the Sunrise Service and Breakfast in May.

Women's Recreation Association

The Women's Recreation Association is open to all who wish to join. No special skill is required to be a member. All that is necessary is enthusiasm for sports and the enjoyment of mingling with other students. A variety of sports is offered. There are team sports: hockey, basketball, volleyball, and softball; the individual sports are tennis, badminton, bowling, and swimming, and there is ice skating. Along with the interclass games and the interdorm games on campus the girls enjoy round-robin games with several other colleges.

Points are given for participating in any athletic event. These points count toward various individual awards. You who are to be members of the entering class will find that your interests and sociability at Framingham will be further enriched through participation in college athletics.
