THE HISTORY OF FRAMINGHAM

Over 130 years ago the Massachusetts public schools were faced with the fact that their teachers were poorly qualified for teaching because of ignorance of methods and subject matter. Consequently, the children attending the public schools were acquiring an education far below the standard of the private schools. To correct this situation, a group of men who believed that society must offer equal opportunity for development to all of its children formed the Massachusetts Board of Education in 1837 with Horace Mann as its secretary. The purpose of the Board of Education was to establish public normal schools for teacher training. The munificent gift of Edmund Dwight made possible the founding of three such schools. The first of the three locations decided upon was in Lexington. It opened in 1839 with Cyrus Peirce as principal. The school was moved to West Newton in 1844, and then to its present site in Framingham in 1853.

During the nineteenth century Framingham State Normal School had a great deal of influence on the development of normal schools for Negroes and Indians in the south. Ellen Hyde, class of 1875, taught at Hampton Normal Institute in Virginia for thirty years. Booker T. Washington, founder of Tuskegee Institute in Alabama, frequently visited Framingham. Here, he was inspired to establish the Normal School Section of Tuskegee with the help of his wife, Olivia Davidson, Framingham class of 1881.

Until 1898 the school prepared for the elementary grades only, but during that year the Mary Hemenway School of Domestic Science in Boston was annexed. In 1920 the Vocational Department was added by the Federal Board of Vocational Education.

Extending to the normal school the privilege of granting B.S. degrees for completion of the four-year course, now recognized as of collegiate grade, the Massachusetts Legisla-
ture, in 1932, made all state normal schools in Massachusetts State Teachers Colleges. In 1960 the Legislature dropped "Teachers" from the name and authorized granting of the B.A. degree. In the fall of 1962 Framingham welcomed the first group of students in Liberal Arts in the Class of 1966. Liberal Arts Majors are now being offered in English, Biology, Medical Technology, Math, Chemistry, and French. In the fall of 1964 men were admitted as commuters to all departments except home economics.

During the 1968-69 academic year two new buildings are scheduled for completion. A new hall, a six-story women's residence, will be ready for occupancy in September. Henry Whittemore Library will be ready in January. The enrollment for this year is approximately 1600 students.

BUILDINGS AND LANDMARKS

The Entrance to the College Grounds

The Henry Whittemore Memorial Gate, at the entrance to the Campus, was given by the Classes of 1917, 1918, and 1919, and named for Mr. Whittemore, Principal of the Framingham Normal School from 1898 to 1917.

Dwight Hall, the administration and classroom building, is named for Edmund Dwight of Boston, who by his munificent gift made it possible for Horace Mann to start the State Normal Schools in Massachusetts.

May Hall, named for Miss Abbie W. May, who was chairman of the board of visitors in the 1880's, was the main classroom and administration building prior to the opening of Dwight Hall. It was opened in September, 1889, and dedicated in June, 1890. The first floor was used then primarily as a practice school. In 1898 the Mary Hemenway Household Art Department was added to this building. In September 1962 when Hemenway Hall opened, the History and English departments moved to May Hall.
Hemenway Hall, named for Mary Hemenway who was in large measure responsible for the present Department of Home Economics at Framingham, was opened in September, 1962. Other departments now located in this building include the sciences and mathematics, audio-visual education and art.

The new Henry Whittemore Library will open its doors to Framingham students in February of 1969. Besides housing excellent library facilities, the building will also contain the Music, Language, and Visual-Aids Departments.

Peirce Hall is named after Cyrus J. Peirce, the first principal of the first State Normal School in America. Peirce accommodates one hundred and ten students of all classes. Here also is the residence dining room. Mrs. Fox is the head resident; Susan Johnson is house president.

Horace Mann Hall, which is named for Horace Mann, educator and father of the normal school movement in our country, was built in 1920 to replace old Normal Hall which had burned. All classes are represented in this house. The House is under the direction of Mrs. DeBruyn, head resident.

Crocker Hall, which was named after Miss Lucretia Crocker, an outstanding teacher and the first woman to be appointed supervisor of the Boston schools, was built in 1886 to be used as a residence. On Christmas of the following year the hall was partially destroyed by fire. It was later repaired, enlarged and remodeled, and the new Crocker opened to the Junior Home Management Group on March 4, 1940. Other students from all classes make up the complement the Hall can house. Mrs. Savage is head resident at this Hall; Margaret Gormally is president.

Martin F. O’Connor Hall, named in honor of the president who served from 1936-1961, is a combined student union and residence. In it, in addition to accommodations for 210 students, are commuter cafeteria, snack bar, game room, lounges, TV room, study hall, and guest rooms. The Alumni suite, the Student Government Association offices, and the publications suite are located on the second floor of the building. The Book Store and Mart are in the basement. Mrs. Kohrs is head resident; Mrs. Cahill and Mrs. Hervan are her assistants.

The new Women’s Residence Building, a six-floor women’s residence, is to open in September 1968. Karen Guimond and Linda Morin are house presidents in East and West wings.

**COLLEGE HYMN**

Dear Framingham, thy children around thee gather;
Our vows of love to thee we pledge anew.

Unfailing font of hope and joy forever,
We shall proclaim our homage to you.

Through countless years to all a fostering mother,
Thy bounteous blessings poured on age and youth:
Our suppliant prayer till time our chain shall sever
Will ever be, “Live to the Truth.”

GREGORY W. GALLAGHER  
_President of Student Government Association_
RESPONSIBILITY OF A FRAMINGHAM STATE COLLEGE STUDENT

On entering Framingham as a freshman, each student becomes a member of the Student Government Association, and from then on his membership in this Association implies that he will be willing to accept his responsibilities and privileges as a citizen of the college.

The best interests of the College community will be ably served by a constructively cooperative student body, alert to the needs for, and procedures of change. Each member of the Student Government Association may take an active part in offering suggestions for improvement and should feel his self to be a vital part of a flexible and progressive democracy.

CONSTITUTION OF THE STUDENT GOVERNMENT ASSOCIATION

The new constitution of the Student Government Association will not appear in this issue of The Ram. The main body of the constitution is done; but due to unforeseen difficulties the by-laws and Honor Council section are not fully completed. The constitution is being revised during the summer and the constitution committee expects all work to be completed by the fall of 1968. The constitution will be explained to the Freshmen class in their Ed. 121 orientation class and will be given to upper classmen sometime in the fall. The Student Government Association feels that the new constitution will allow greater participation by the student body.

THE HONOR COUNCIL

Chairman: JEAN A. McMANN
Faculty Members: MISS SHAWKEY and MR. STANTON

The students of the State College at Framingham believe that the major purpose of education is to develop character. Since honesty and a sense of responsibility are traits of good character, we seek to further their growth by maintaining an Honor System with an Honor Council. This system aims to develop principles of honorable conduct and increase intellectual integrity in all academic work. With this goal in view we pledge ourselves to the support of the constitution of the Honor system. According to the regulations of the honor system, each student is placed on his honor in all work designated as honor work in the constitution.

The Honor Council reviews all cases of reported dishonesty and infractions of the rules.

The chairman of the Honor Council is elected by the student body and is a member of the S.C.A. Council. In addition to the chairman, the Honor Council comprises the following members (elected according to the procedure explained in the Constitution): one Elementary major representative from each of the four classes, one Home Economics major representative from each of the four classes, one Liberal Arts major representative from each of the four classes, and two representatives from the faculty (elected by the faculty).

Since the success of the Honor System depends entirely upon the cooperation of all taking part in it, students are urged to help by taking a vital interest in its progress.

We are confident that the students of Framingham State College will uphold this privilege of self government.

HONOR CONSTITUTION

Forward "LIVE TO THE TRUTH"

We, the students of State College at Framingham, desire to prove we can meet the test of this our challenging motto. We believe that the main purpose of education is to develop character. Since honesty and a sense of responsibility are traits of good character, we seek to further their growth by establishing an Honor System and Honor Council. This system aims to develop the principles of honorable conduct and to increase intellectual integrity in all academic work. It is our belief that pride in the establishment of honesty in our professional relationships will also increase our consciousness of the rights of others and will thus develop improved social behavior within our college community. With these goals in view we pledge ourselves to the support of the Constitution of the Honor System.

ARTICLE I
Application

Section 1. The Honor System shall apply to every member of the student body at State College at Framingham.

Section 2. The faculty are requested to cooperate by observing the rules of the Honor Constitution and by reporting to the Council infractions of rules.

ARTICLE II
Honor

Dishonesty shall be defined as either giving or receiving aid, comparing answers or attempting to do so, during an examination, test or quiz. In all assigned work such as a theme, term paper, or book report it shall be dishonest to hand in another's work as one's own. In those instances where sources are consulted, proper acknowledgment must be given. It must further be understood that students are to refrain from discussing examination questions in the presence of students who have not yet taken the examination.

It is permissible to engage in cooperative study. In the matter of work books or study questions if the instructor does not at any time wish students to engage in cooperative study or consult other sources, he must specifically say so.
Since it is recognized that uncertainty may arise in these points of cooperative study, study questions, work books, or late examination, it is the obligation of both student and faculty to clarify the status of all work assigned and all late tests given.

ARTICLE III
Honor Council

Only those students who have served for at least one year shall be eligible for chairmanship for the Honor Council.

C. The representatives shall be elected in the spring of the year before they are to serve:

F. Other faculty members may be called in to act in an advisory capacity as the faculty advisers deem necessary. They shall not be entitled to vote.

G. The secretary shall be elected by members of the Council.

F. Only those members who have been present at the majority of case meetings shall vote.

Section 1

ARTICLE V

Regulations

A. In order that all possible misunderstandings may be avoided, all students and faculty members must know and enforce the regulations below.

B. The following regulations are necessary to maintain a proper atmosphere during the examinations. A student must understand that infractions of a rule could mean that he has cheated, and the Honor Council shall report such cases. It is absolutely necessary to avoid all appearances of concealed papers or suspicious communications. The students must conduct themselves as follows:

1. Students are to bring the examination nothing but what the instructor specifics as permissible. Ordinarily this would include only writing materials, and loose paper and pocket books, glass cases, and loose wraps are brought into the room, the instructor is to designate where they are to be put.

2. At another's paper, and any unnecessary talking, no other student who has been turned in an examination must leave the room at once and is not to return until the examination has been terminated. He reports to the instructor first and has his permission.

3. A student finding clarification of examination questions necessary to leave the room to consult the instructor.

4. Students may leave the room to consult the instructor.

5. Students desiring clarification of examination questions must leave the room to consult the instructor.

6. A student may leave the examination early. It is recommended that he leave the room by the instructor and has his permission.

7. A student after leaving the examination room is to engage in no communication with anyone within hearing of students remaining in the examination room.
8. Examination papers once handed in must be left untouched and unread by other students taking the examination.

9. During hour tests and final examinations the instructor must make provisions for adequate spacing between students.

10. The instructor shall designate in writing at the beginning of the examination (on blackboard, question sheets, or otherwise):
   a. Where he may be found throughout the period.
   b. Where the examination papers are to be turned in.

Section 2.
A. It is the duty of every student and faculty member either to report in writing to the Council any instances of dishonesty or violation of regulations, or to approach the student concerned and to suggest that he report himself. In the latter case the student or faculty member will check with the Council to make certain that the student has reported himself.

B. It is the duty of every student and faculty member to report to the Council any knowledge of rumors concerning possible infractions of rules.

Section 3.
A. The members of the Council shall maintain the utmost secrecy concerning the names of students reported or students reporting and all details of Council meetings.

B. All students involved, those reporting and those reported, are required to maintain the same secrecy.

C. The faculty committee appointed by the President of the College to review a case is required to maintain the same secrecy.

Section 4.
A. Each student must sign a statement that he has read this Constitution and is fully aware of its contents and will abide by it.

B. These statements are to be filed with the Secretary of the Honor Council.

ARTICLE VI
Procedure

Section 1.
The student or faculty member reporting must use a prepared form, one of which will be found at the end of this Constitution. Additional forms are to be in an envelope attached to the Student Cooperative bulletin board, first floor, Dwight Hall. The report must be sent immediately to the Chairman of the Council. It is requested that faculty members and students provide, if available, the proof necessary to support their charges.

Section 2.
A. Upon receipt of a report of alleged dishonesty or of alleged violation of rules in accordance with Article V, the Chairman and Secretary of the Council with one of the faculty members may interview the person or persons reported. The Chairman and Secretary shall report to the Council on said interview. If a student reports himself it is not necessary to have a preliminary interview.

B. The defendant shall be called before the Council. The student or faculty member reporting may be asked to meet with the Council separately.

C. The Council after all interviews are completed shall take definite action by secret ballot upon each case presented. (Article III, Section 1, I)

Section 3.
A. If it is the vote of the Council that a student has been guilty of dishonesty as specified in Article II, a faculty committee shall be appointed by the President of the College, and exclusive of the President, for confirmation of guilt and of disciplinary action. The faculty committee may require an interview with the student concerned. If it does not, but the student himself requests a hearing, such a hearing shall be granted. If the Council's decision is upheld by the faculty committee, the student shall face one or more of the following punishments:
1. A student shall be given a written warning.
2. A student shall hold no school office or committee chairmanship either that year or the following year. The Secretary of the Council shall, in this case, notify the Dean of Women at once in writing that the student is no longer eligible for office.
3. The student may be placed on honor probation and all faculty members in whose classes the student is enrolled shall be so notified.
4. A student shall be recommended for suspension without probation.
5. A notice of his offense and of disciplinary measure applied shall be entered as part of the student's permanent record.
6. A student may receive no credit for the course and will be required to make up the necessary credits before graduation. This shall not occur without the specific consent of the instructor in the course.

B. In the event that the faculty committee does not uphold the decision of the Honor Council, the faculty committee shall state to the Council its reasons for disagreeing, and ask the Honor Council to review the case.

C. In the extreme event that the Honor Council maintains its original decision, a new committee shall be set up. The final decision shall rest with this committee. The committee shall be composed of the President of the College, three faculty members appointed by the President, the Student Cooperative Association, senior class and junior class presidents.

D. Students found guilty of dishonesty will have to satisfy the conditions set by the instructor in whose course the trouble occurred to justify the awarding of a final grade for the course.

E. In the extreme event that a student is found guilty (Article VI, Section 3, A) a second time by the Council, such repetition of guilt being upheld by a faculty committee, recommendation for expulsion will follow.

F. It is clearly understood that final decision in all cases involving suspension or expulsion rests with the President of the College.

Section 4.

A. If it is the vote of the Council that a student has violated a regulation (Article V), the student shall be notified in writing to this effect. A warning shall be issued that a subsequent conviction for an infraction of a rule of the Honor Constitution during his college course shall call for disciplinary action.

B. If it is the vote of the Council that a student has violated more than one regulation at one time, it shall call for disciplinary action. Such action will be left to the discretion of the Council.

ARTICLE VII
Amendments

This constitution may be amended by majority vote of the student body and faculty. Any student or faculty member may propose to the Honor Council at any time an amendment for consideration. Such a proposal shall be given due consideration by the Council, and if the Council votes in favor of the proposal, it shall be presented to the student body and the faculty for a vote. If the Council does not vote in favor of the proposed amendment, it must be submitted to the student body and faculty for a vote, provided that a petition signed by 10 per cent of the student body or faculty so requests.

ARTICLE VIII
Interpretations for the Student

Since the success of the Honor System depends entirely upon the cooperation of all taking part in it, students are urged to help by assuming a vital interest in its progress. May it be the aim of each member of the student body to instill in the minds of the incoming students the tradition of honesty and the
principles of honor which exist in all contacts among students and among students and faculty. With such whole-hearted acceptance of the aims and purposes of the Honor System by each participant, violations of our system will be rare and intolerable, and the judicial functions of the Council will be reduced to a minimum.

**Forms for Reporting Violations of Rules to the Honor Council**

Your cooperation in reporting infractions immediately is most urgently requested. A delay of even a day or two may hamper the Council in carrying out their judicial functions.

ACADEMIC AFFAIRS

A. Registration

The procedure for registration is outlined in the booklet, Day Courses of Instruction, for the particular semester. This booklet is available in the Registrar's office before registration.

B. Attendance

1. General Absences (cuts)
   a. There shall be an unlimited attendance "cut" system excluding the Physical Education Department and the Student Teaching Experience.
   1. The Physical Education Department may have freedom in administering a "cut" system in cases particular to the Physical Education Program.
   2. All absences in the Student Teaching Experience shall be made up at the discretion of the College supervisors.
   b. All written excuses shall now be eliminated except as stated in E following.

2. Extended Absences

A student who has been absent for a protracted period of time because of illness, home difficulties, etc., or a student who has absences due to illness and/or physical difficulty of a recurring nature as verified by the college nursing staff and/or the Dean of Women or Men, shall be required to complete 80% of the work to receive a grade in the course. What constitutes 80% of the work in any course shall be determined by the instructor in consultation with the Head of the department and the Academic Dean.

3. Any student who becomes ill during class hours must report such illness to the Dean of Women/Men, the nurse or a House Director before leaving campus if a commuter, upon returning to her room if a resident student.

4. Any known contact with communicable diseases must be reported at once to the nurse.

5. Mid-year and final examination absences
   a. Resident students must receive a signed excuse from the college nurse stating that they are unable to take the examination due to illness. This excuse must be given by the student to the Academic Dean who, in turn, will notify the appropriate faculty member.
   b. Commuting students must receive a medical excuse from their physician stating that they are unable to take the examination. This excuse must be given by the student to the Academic Dean who will in turn notify the appropriate faculty member.
   c. Make-up examinations due to illness will be administered by the Academic Dean at times and places announced prior to each examination period.

C. Grading System

1. A system of quality points is used at Framingham State College. Under this system, grades will be given the following values: A 4.0, B 3.0, C 2.0, D 1.0, E 0, plus INC., WP, and WF.

2. The number of quality points which a student receives in a course is determined by multiplying the total number of semester hours in the course by the corresponding number of quality points, e.g., a six-semester-hour course with a rating of "4" has a value of 24 quality points. The average is computed by dividing the total number of quality points by the total number of semester hours.

3. The determination of quality points is made at the end of each academic year (two semesters) for that year, and cumulatively. The number of points is not affected by grades in courses subsequently taken and passed. Exception to this are:
4. A student must have a quality point ratio of 1.5 at the end of the first year; 1.75 at the end of the second year, cumulative for two years; 2.0 at the end of the third year, cumulative for three years; and 2.0 at the end of the fourth year, cumulative for four years. The student must have a final cumulative ratio of 2.0 in order to graduate.

5. "E" grades can never be removed, but the subjects in which they have been received must be repeated and passed, or, in the case of electives, other approved courses must be taken and passed either in approved summer sessions, or, when possible, during the regular college year. Continuing subjects in which "E" grades have been received must be successfully repeated before the student may take advanced work.

6. Incomplete grades must be made up within eight weeks after the opening of the following semester. (No course may be marked "incomplete" unless 80% of the work has been done at the time of discontinuance.)

7. WP grades are issued to students withdrawing from a course before its completion whose work at the time of leaving was academically satisfactory (passing).

8. WF grades are issued to students withdrawing from a course before its completion whose work at the time of leaving was academically unsatisfactory (failing).

9. Warnings are given out after the first quarter of class to inform students they are doing below average work. Minor warning denotes a 60-69 average. Major warnings denote a below 60 average.

10. First semester grades will be picked up in the commuters mail box several weeks after second semester begins. Second semester grades are mailed to the student's home.

D. Dean's List

Placement on the honor roll will be made in accordance with the following:

- First honors: 3.50 to 4.00
- Second honors: 3.40 to 3.49
- Third honors: 3.20 to 3.39

E. Graduation Honors

The baccalaureate degree is conferred:

- **cum laude** upon a student with a seven semester cumulative quality point average of 3.2 through 3.39.
- **magna cum laude** upon a student with a seven semester cumulative quality point average of 3.4 through 3.69.
- **summa cum laude** upon a student with a seven semester cumulative quality point average of 3.7 through 4.0.

To be eligible for honors, a student must never have incurred loss of good standing for disciplinary or academic reasons.

F. Honors Program

Students may request permission to enroll for honors work if they have an average quality rating of 3.0 or higher for the entire sophomore year or for the last semester sophomore year plus the first semester junior year (excluding student teaching and house practice).
The program is carried on under the direction of a faculty member and must be related to the student’s major area of study. The student may begin to work any time after qualifying and must continue for four full academic quarters.

The choice of the faculty advisor and the actual program of study are matters of mutual agreement between student and faculty member, but the faculty elected for that purpose and the acceptance of the project when completed must be approved by the Honors Committee.

G. Each year students who have shown outstanding academic achievement in certain areas are honored at the Awards Assembly in the Spring.

H. Withdrawal

Any student considering withdrawal from the College must confer with his faculty advisor and the Dean of Women or Men to discuss problems contributing to this possibility. If a final decision is made to withdraw, the student must notify three offices; Registrar, Academic Dean, and Dean of Women or Men. At the last office students are requested to complete a withdrawal form.

I. Readmission

A student who leaves the college in good academic standing without completing his baccalaureate studies may be readmitted upon request to the college Registrar. A student who is required to leave the college because of an academic average below that required for good standing and continuation of study may, after a year of other work or study, petition for readmission through the Admissions Office. Final decisions concerning such readmission are made by the Readmissions Committee upon recommendation by the Director of Admissions.

b. Each student regardless of class or academic standing, may have six, 1:00 A.M. mid-week, cultural lates per semester.

c. Each student is allowed 15 minutes grace each semester. All students, except seniors, will have lates curtailed as follows for academic deficiency:

1. Those whose E or more than one D mark(s) are for an 8-week (one quarter) course remain on the previous semester's late privileges through the ensuing quarter.

2. Those whose E or more than one D mark(s) are for a semester course remain the previous semester's lates during the ensuing semester.

d. A late beyond scheduled hours Monday through Thursday must be secured from the Dean as a special and requires the forfeiture of two additional lates. Only in exceptional cases will students who do not have two 12:00's within the week be accorded a "special."
6. **Written Permission**

Each fall the parents of Framingham resident women are asked to file a Permission Sheet with the Dean of Women indicating the kind of permission (blanket or special) they wish their daughter to have in regard to motoring, sports and overnight absences from the campus when the destination is other than to the student's home. Blanket permissions are not applicable to Freshmen women: changes in Freshman permissions may be made by notifying the Dean of Women.

In addition, students must comply with the following Women's Inter-Residence Council regulations:

a. Overnight absences from the Framingham campus are registered with the House Director who has a list of each student's kind of permission, blanket or special.

1) Students will sign out on their Residence Registration Card prior to weekend departure from campus for visits to their own homes, to the home of other Framingham women students, to a women's college, or to other destinations as noted on their permission slip.

2) For all other absences, students must register with their House Director using an overnight permission slip. A duplicate registration is to be sent to the Dean of Women. If your House Director is absent at the time you want to sign out, you may register directly with the Dean of Women. It is hoped that by anticipating your mid-week overnight visiting you will apply for permission well in advance.

*Note:* Registering with the House Director rather than the Dean of Women is an experiment designed to ease the burdens of the Office of the Dean of Women, to let the Head Resident be more aware of where a student is when absent from campus, and as a convenience to the resident student. This alteration is subject to change if not efficient for both the Dean of Women and the House Director.

---

b. The Dean of Women is ready and willing to give special permission, beyond those mentioned above, when an occasion warrants it. She should also be informed promptly of any emergency permission obtained from the House Director or other recognized authority.
CAMPUS SERVICES

ATHLETIC FACILITIES

With permission of a faculty member of the Physical Education Department, students may use the gym and its equipment after class hours. A tennis court on State Street is also available to students.

BOOKSTORE

The Bookstore, which is located in O'Connor Hall, carries the texts used in all the college courses. Its hours are as posted. It is operated by Public Relations Committee of the college council, which committee receives modest profits which are used to benefit the college community.

CIVIL DEFENSE SHELTER

This College is registered for civil defense shelters. Signs designating shelters are located on the appropriate buildings.

INFIRMARY

The Infirmary is located in O'Connor Hall. Any illness must be reported to the Nurse and Head Resident. Necessary doctor's appointments should be made through the College nurses.

Any student who, due to illness, is unable to return to College from home or elsewhere, should notify the House Director of her college residence.

Trays from the dining room are available only with a written request signed by a member of the nursing staff.

LOST AND FOUND

Found articles are taken to the Office of the Dean of Women where owners may claim them. From time to time the list of these articles will be posted on the Dean's bulletin board or published in the Gatepost. If they are not claimed by a specified date, they will be disposed of at the discretion of the Dean of Women.

MAIL

Mail for resident students is delivered to each student's own residence. Commuters will receive their mail in the commuters' mailboxes located on the second floor students' room, May Hall.

THE MART

The Mart, the campus store, is located in O'Connor Hall. It offers to students school supplies, special F.S.C. items, gifts and cards. Its hours are as posted.

TELEPHONES

Pay stations for general use are situated in the cloakroom in Dwight Hall Lobby, in the lobby of O'Connor Hall, and on the first floor of Hemenway Hall. There are also pay stations in the residences. Their numbers are as follows:

FINANCIAL AID

A. Scholarship and College Employment information is available from Dean Haglund, Coordinator of Financial Aid.

C. College Work-Study Program opportunities—Dean Haglund. Funds are available whereby students may be employed to help defray college expenses. Jobs vary from library assistant, college dining service, secretarial, lab assistants, to limited janitorial service. No student may work more than an average of fifteen hours per week while classes are in session; forty hours per week otherwise. Students must submit application and meet certain qualifications for CWSP assistance.

COMMUNITY OFFERINGS

CULTURAL ASPECTS

Framingham offers many cultural programs: lectures on a variety of subjects, concerts, and plays. Organizations using College facilities often open their meetings to students; there are special student tickets at reduced prices for the Community Concert series presented in Framingham.

Sudbury and other towns within a narrow radius of Framingham also have unique features of special interest to the college student.

A series of lectures during the college year is arranged by the Special Programs Committee, open to students of our own and neighboring colleges and to the residents of the town of Framingham.

RED CROSS

The Red Cross College Unit cooperates with the Framingham Chapter of the Red Cross. Through it students are able to participate as a group in Red Cross activities.
