### THE HISTORY OF FRAMINGHAM

Over 130 years ago the Massachusetts public schools were faced with the fact that their teachers were poorly qualified for their profession because of ignorance of methods and subject matter. Consequently, the children attending public schools were acquiring an education far below the standard of private schools. To remedy this situation, a group of men believing that society must offer equal opportunity for development to all its children formed the Massachusetts Board of Education in 1837 with Horace Mann as secretary. The Board of Education’s purpose was to establish public normal schools for teacher training. The munificent gift of Edmund Dwight made possible the founding of three such schools. Lexington, the site of the first school, opened in 1839 with Cyrus Peirce as principal. In 1844, the school was moved to West Newton, and then to its present site in Framingham in 1853.

During the nineteenth century Framingham State Normal School greatly influenced the development of normal schools for Negroes and Indians in the south. Ellen Hyde, class of 1875, taught at Hampton Normal Institute in Virginia for thirty years. Booker T. Washington, founder of Tuskegee Institute in Alabama, frequently visited Framingham. Here, he was inspired to establish the Normal School Section of Tuskegee with the help of his wife, Olivia Davidson, Framingham class of 1881.

Until 1898 the school prepared teachers for the elementary grades only, but during that year the Mary Hemenway School of Domestic Science in Boston was annexed. In 1920 the Vocational Department was added by the Federal Board of Vocational Education.
In 1932, the Massachusetts Legislature extended to the normal school the privilege of granting B.S. degrees upon completion of a prescribed four-year course, thus making all Massachusetts normal schools State Teachers Colleges. In 1960 the Legislature authorized granting of the B.A. degree and our school officially became known as the State College at Framingham. In the fall of 1962 Framingham welcomed the first group of students in Liberal Arts. In the fall of 1964 men were admitted as commuters to all departments except home economics.

During the 1968-69 academic year Larned Hall, a six-story women’s residence, was opened. Henry Whittemore Library will be ready in September. The enrollment for this year is approximately 2100 students.

The Entrance to the College Grounds

*The Henry Whittemore Memorial Gate*, at the entrance to the Campus, was given by the Classes of 1917, 1918, and 1919, and named for Mr. Whittemore, Principal of the Framingham Normal School from 1898 to 1917.

*Dwight Hall*, the administration and classroom building, is named for Edmund Dwight of Boston, who by his munificent gift made it possible for Horace Mann to start the State Normal Schools in Massachusetts.

*May Hall*, named for Miss Abbie W. May, who was chairman of the board of visitors in the 1880's, was the main classroom and administration building prior to the opening of Dwight Hall. It was opened in September, 1889, and dedicated in June, 1890. The first floor was used then primarily as a practice school. In 1898 the Mary Hemenway Household Art Department was added to this building. In September 1962 when Hemenway Hall opened, the History and English departments moved to May Hall.
Hemenway Hall, named for Mary Hemenway who was in large measure responsible for the present Department of Home Economics at Framingham, was opened in September, 1962. Other departments now located in this building include the sciences and mathematics, audio-visual education and art.

The new Henry Whittemore Library will open its doors to Framingham students during the 1969-70 academic year. Besides housing excellent library facilities, the building will also contain the Music, Language, and Visual-Aids Departments.

Peirce Hall, named after Cyrus J. Peirce the first principal of the first State Normal School in America, accommodates one hundred and ten students of all classes. Here also is the residence dining room. Mrs. Fox is the head resident; Laura Yellen is house president.

Horace Mann Hall, named for Horace Mann, educator and father of the normal school movement in our country, was built in 1920 to replace old Normal Hall which had burned. All classes are represented in this house. The House is under the direction of Mrs. DeBruyn, head resident. Dorothy Goodrich is house president.

Crocker Hall, named after Miss Lucretia Crocker, an outstanding teacher and the first woman to be appointed supervisor of the Boston schools, was built in 1886 to be used as a residence. On Christmas of the following year the hall was partially destroyed by fire. It was later repaired, enlarged and remodeled, and the new Crocker opened to the Junior Home Management Group on March 4, 1940. Other students from all classes make up the complement the Hall can house. Mrs. Savage is head resident of this Hall; Anne Marcotte is house president.

Martin F. O'Connor Hall, built in 1959 and named in honor of the president who served from 1936-1961, is a combined student union and residence. In it, in addition to accommoda-
COLLEGE HYMN

Dear Framingham, thy children around thee gather;
Our vows of love to thee we pledge anew.
Unfailing font of hope and joy forever,
We shall proclaim our homage to you.

Through countless years to all a fostering mother,
Thy bounteous blessings poured on age and youth;
Our suppliant prayer till time our chain shall sever
Will ever be, "Live to the Truth."

OUR CREED

We believe—in the Framingham State College and in its motto “Live to the Truth.”

We believe—in a spirit of loyalty to our teachers, classmates, and friends;
in a spirit of cooperation and sportsmanship in the classroom, on the athletic field, and in all other activities.

We believe—in courtesy at all times, and a consideration for rights and privileges of others;
in true and generous comradeship and mutual helpfulness that insure the well-being and advancement of the individual and the group.

We believe—in a high standard of scholarship, intellectual integrity, and thoroughness in all our undertakings;
in making diligent search through our contacts with people and books after the best that life has to offer.

We believe—that an honest and consistent devotion to these ideals will so develop us as to give us “the good life” and sustain and build traditions for our college.
WELCOME TO ENTERING STUDENTS

It is a pleasure for me to welcome you to Framingham State College as a member of the Class of 1973. I am glad that you have been admitted to Framingham and I hope that you in turn will be glad that you have selected this College as your Alma Mater.

In these particularly crucial and restless times the years ahead will hold great significance for you. As an individual you will develop intellectually, socially, and professionally. As a Framingham student you will also become familiar with the College Creed. I call to your particular attention that part which says, "We believe—in consideration for rights and privileges of others—in true and generous comradeship and mutual helpfulness that insure the well-being and advancement of the individual and the group."

Framingham's rapidly expanding campus and broadened programs, growing from a time-honored history, hold forth to you an unusually fine opportunity for a splendid education in the years ahead. All of us—administration, faculty, students—stand ready to help you to make the best of the advantages offered you. In the long run, however, only you can determine how well you capitalize on the opportunities which are yours for the taking. The ultimate degree of success which you achieve depends upon you yourself.

I hope confidence and enthusiasm will launch you on a successful college career. I look forward to meeting you personally and to working with you in furthering your good and that of the College.

JAMES P. SAVAS

The Alumni Association of Framingham State College is a vital, enthusiastic, growing organization. The 7,900 women and men who presently comprise it are scattered throughout the world; nevertheless, they are contacted, informed, and kept current on college and alumni affairs by an active Alumni Office staff. The headquarters, located in O'Connor Hall, maintains an up-to-date mailing list of all graduates and is the basis for close contact, resulting in not only interest in the college but in a generous contribution program to the Alumni Fund. This fund, administered by officers elected by the membership, makes possible gifts to the college, whereby furnishings, library equipment, and various addenda, not provided for in the State budget, are made possible for the staff and students. The administration of the Ellen Hyde and the Dr. Martin F. O'Connor scholarship funds is another phase of alumni participation.

The Association of Massachusetts State Colleges (AMSCA) of which the Framingham State College Alumni Association has been a member since its inception in 1947, is a vehicle enabling state colleges to work in spearheading advances and improvements in public education through the development of an effective legislative program. The American Alumni Council, a national alumni organization, of which this alumni association has been a member since 1933, furnishes guidance, leadership, and new ideas resulting in the increased vitality of the association.

A close rapport between the Alumni Association and the students is established and maintained. Two alumni are appointed co-sponsors of each freshman class, becoming the liaison between the students and the Alumni Association. These two sponsors continue with this freshman class until graduation. As part of the Commencement Activities, the Senior Class is inducted into the Alumni Association, and representatives are elected to serve on the Council.

RESPONSIBILITY OF A FRAMINGHAM STATE COLLEGE STUDENT

On entering Framingham as a freshman, each student becomes a member of the Student Government Association, and from then on his membership in this Association implies that he will be willing to accept his responsibilities and privileges as a citizen of the college.

The best interests of the College community will be ably served by a constructively cooperative student body, alert to the needs for, and procedures of change. Each member of the Student Government Association may take an active part in offering suggestions for improvement and should feel his self to be a vital part of a flexible and progressive democracy.

To the Class of 1973:

On behalf of the Student Government Association, I would like to take this opportunity to welcome you, the Class of 1973, to Framingham State College. As Freshmen, you are embarking on a rewarding experience and some day will learn what "LIVE TO THE TRUTH" stands for.

As members of the Student Government Association, you have a strong voice in the affairs of the college. The Officers and Senators of the Student Government Association are always available to help you with any problems you might have during your stay at Framingham.

Only if you actively participate in the workings of the college community will your four years at Framingham mean something to you in the future. Remember, your life here will be what you make of it.

Good luck at Framingham,

ARTICLE VII—JUDICIAL BRANCH

Section I. The Judicial Branch of the Student Government Association will include (1) a social judicial system and (2) an academic system. The need for two separate judiciaries is the result of intelligent reasoning that social infractions receive social justice and that academic infractions receive academic justice and that the scope of each division is broad enough to warrant two separate judicial systems.

The Judicial Branch of the Student Government Association will be established in accordance with the concept of "due process." Fair play, proper procedure, proper notification for determining guilt or innocence will be guaranteed to every student under this system. Any student accused of violating a regulation shall have the right to appear before one or more members of a duly constituted judicial body. All the judicial bodies shall adhere to the basic fundamentals of "due process."

Section II. The following procedural guidelines are established for the direction of all bodies conducting formal hearings in disciplinary matters:

A. Pre-trial:

1. The student shall be notified by an appropriate college official that he is accused of violating a regulation.

2. The student shall be notified that he has one of three courses of action: (a) the student may admit the alleged violation, and request, in writing, that the administrative officer take whatever action seems appropriate; (b) the student may admit the alleged violation and request a hearing before the appropriate judicial body; (c) the student may deny the alleged violation in which case the administrative officer shall refer him to the appropriate judicial body.
3. At least seventy-two (72) hours prior to the hearing the student shall be entitled to the following: (a) written notification of the time and place of the hearing; (b) written statement of the charges of sufficient particularity to enable the student to prepare his defense.

B. Trial:
1. The student shall be entitled to appear in person and to present his defense to the judicial body and may call witnesses in his behalf.
2. The student shall be entitled to be accompanied by counsel of his choice. Counsel shall be a member of the administration, the faculty, or the student body of the college.
3. The student or his counsel shall be entitled to ask questions of any witnesses, and point of fact questions of the judicial body.
4. The student shall be entitled to refuse to answer questions.
5. The student shall be entitled to an expeditious hearing of his case.

C. Post-trial:
1. The student shall be notified of his right to appeal the decision of the judicial body. Should the student appeal, any action assessed by the judicial body shall be held in suspension until acted upon by a higher body.
2. The student shall be entitled to refer his appeal only to the next highest court.

Section III. The guidelines herein above stated shall be implemented by the following judicial bodies:

SOCIAL JUDICIAL SYSTEM
A. Appellate Board: An appellate board shall be established and shall follow the guidelines for appeals as set forth in the Judiciary Statutes.
1. Composition:
   (a) Two students appointed by the Student Senate, at the first official meeting of the academic year, from nominations submitted by the All-College Student Judiciary. Initially one Junior shall be appointed for two years and one Senior for one year. Subsequently, one Junior shall be appointed each year for a two-year period. The students shall have served at least one year on the All-College Student Judiciary.

ARTICLE VIII

THE HONOR COUNCIL

The students of the Framingham State College believe that the major purpose of education is to develop character. Since honesty and a sense of responsibility are traits of good character, we seek to further their growth by maintaining an Honor System with an Honor Council. This system aims to develop principles of honorable conduct and increase intellectual integrity in all academic work. With this goal in view we pledge ourselves to the support of the constitution of the honor system. According to the regulations of the honor system, each student is placed on his honor in all work designated as honor work.

The Honor Council reviews all cases of reported dishonesty and infractions of the rules.

The chairman of the Honor Council is elected by the student body and is a member of the SGA Council. In addition to the chairman, the Honor Council comprises the following members (elected according to the procedure explained in the Constitution): one Elementary major representative from each of the four classes, one Home Economics major representative from each of the four classes, one Liberal Arts major representative from each of the four classes, and two representatives from the faculty.

Since the success of the Honor System depends entirely upon the co-operation of all taking part in it, students are urged to help by taking a vital interest in its progress.

We are confident that the students of Framingham State College will uphold this privilege of self-government.

HONOR COUNCIL STATUTES

Foreword "LIVE TO THE TRUTH"

We, the students of Framingham State College, desire to prove we can meet the test of this our challenging motto. We believe that the main purpose of education is to develop character. Since honesty and a sense of responsibility are traits of good character, we seek to further their growth by establishing an Honor System and Honor Council. This system aims to develop the principles of honorable conduct and to increase intellectual integrity in all academic work. It is our belief that pride in the establishment of honesty in our professional relationships will also increase our consciousness of the rights of others and will thus develop improved social behavior within our college community. With these goals in view we pledge ourselves to the support of the Honor System.

I

Application

Section I. The Honor System shall apply to every member of the Student body at Framingham State College.

Section II. The faculty are requested to co-operate by observing the rules of the Honor System and by reporting to the Council infractions of rules.

II

Honor

Dishonesty shall be defined as either giving or receiving aid, comparing answers or attempting to do so, during an examination, test, or quiz. In all assigned work such as a theme, term paper, or book report it shall be dishonest to hand in another's work as one's own. In those instances where sources are consulted, proper acknowledgment must be given. It must further be understood that students are to refrain from discussing examination questions in the presence of students who have not yet taken the examination.

It is permissible to engage in co-operative study. In the matter of work books or study questions, if the instructor does not at any time wish students to engage in co-operative study or consult other sources, he must specifically say so.
Since it is recognized that uncertainty may arise in these points of co-operative study, study questions, work books, or late examination, it is the obligation of both student and faculty to clarify the status of all work assigned and all late tests given.

III

Honor Council

Section 1. Organization

A. The Honor Council shall consist of the Chairman, elected by the student body; one Elementary representative from each of the four classes; one Home Economics representative from each of the four classes; one Liberal Arts representative from each of the four classes; and two faculty members.

The eligibility of a member of the student body to serve as a member of the Honor Council shall be determined by the Student Government Association, in the same manner as eligibility is determined for any other office in college and shall be further checked with the faculty members of the Honor Council. Only those students who have served for at least one year shall be eligible for chairmanship for the Honor Council.

C. The representatives shall be elected in the spring of the year before they are to serve:

B. Re-election is permissible.

Section 3. The duties of the Honor Council shall be as follows:

A. To have charge of all matters pertaining to the Honor System.

Section 3.

A. It will be the duty of all elected representatives to attend meetings unless they are not regularly on campus for classes.

B. If a representative misses three meetings in a semester, the Council may vote to eliminate that member from the Council. In the event that this should occur, a replacement will be sought from that division of the particular class.

V. Regulations

Section 1.

A. In order that all possible misunderstandings may be avoided, all students and faculty members must know and enforce the regulations below.

B. The following regulations are necessary to maintain a proper atmosphere during the taking of examinations and quizzes. A student must understand that infraction of a rule could mean that his name might be reported to the Council. (See Section 2A following.) Since it is absolutely necessary to avoid all appearances of concealed papers or suspicious communications, the students must conduct themselves as follows:

1. Students are to bring to the examination nothing but what the instructor specifies as permissible. Ordinarily this would include only writing materials, and loose paper handkerchiefs. If pocketbooks, glass cases and wraps are brought into the room, the instructor is to designate where they are to be put.

2. Avoid all suspicious actions such as seemingly to look at another's paper, and any unnecessary talking; necessary talking shall be spoken out loud for all to hear.

3. Students desiring clarification of examination questions must leave the room to consult the instructor.

4. A student finding it necessary for any reason to leave the room is to report directly to the instructor.

5. A student may leave the examination early. It is recommended that he put on his paper the hour of leaving.

6. A student who has turned in his examination must leave the room at once and is not to return until the examination has been terminated unless he reports to the instructor first and has his permission.
7. A student after leaving the examination room is to engage in no communication with anyone within hearing of students remaining in the examination room.

8. Examination papers once handed in must be left untouched and unread by other students taking the examination.

9. During hour tests and final examinations the instructor must make provisions for adequate spacing between students.

10. Before the instructor leaves, he shall designate in writing at the beginning of the examination:
   a. where he may be found during the period;
   b. where the exam papers are to be turned in.

Section 2.

A. It is the duty of every student and faculty member either to report in writing to the Council any instances of dishonesty or violation of regulations, or to approach the student concerned and to suggest that he report himself. In the latter case, the student or faculty member will check with the Council to make certain that the student has reported himself.

B. It is the duty of every student and faculty member to report to the Council any knowledge of rumors concerning possible infractions of rules.

Section 3.

A. The members of the Council shall maintain the utmost secrecy concerning the names of students reported or students reporting and all details of Council meetings.

B. All students involved, those reporting and those reported, are required to maintain the same secrecy.

C. The faculty committee appointed by the President of the College to review a case is required to maintain the same secrecy.

Section 4.

Acceptance of admission to Framingham State College shall imply agreement with the provisions of the Honor System.

VI

Section 1.

Procedure

The student or faculty member reporting must use a prepared form, one of which will be found at the end of Article VIII. Additional forms are to be found in an envelope attached to the Student Co-operative bulletin board, first floor, Dwight Hall. The report must be sent immediately to the Chairman of the Council. It is requested that faculty members and students provide, if available, the proof necessary to support their charges.

Section 2.

A. Upon receipt of a report of alleged dishonesty or of alleged violation of rules in accordance with V, the Chairman and Secretary of the Council with one of the faculty members may interview the person or persons reported. The Chairman and Secretary shall report to the Council on said interview. If a student reports himself it is not necessary to have a preliminary interview.

B. The defendant shall be called before the Council. The student or faculty member reporting may be asked to meet with the Council separately.

C. The Council after all interviews are completed shall take definite action by secret ballot upon each case presented.

Section 3.

A. If it is the vote of the Council that the student has been guilty of dishonesty, as specified in II, the Appellate and Review Board shall review the case. The Appellate and Review Board shall consist of three faculty members and two students. One faculty member shall be the Chairman and vote in case of a tie. The President of the College shall appoint the faculty and students. The students shall be recommended by the Honor Council. This board shall serve for revolving terms.
1. A student shall be given a written warning.

2. A student shall hold no school office or committee chairmanship either that year or the following year. The Secretary of the Council shall, in this case, notify the Dean of Women at once in writing that the student is no longer eligible for office.

3. The student may be placed on honor probation and all faculty members in whose classes the student in enrolled shall be so notified.

4. A student shall be recommended for suspension without probation.

5. A notice of his offense and of disciplinary measure applied shall be entered as part of the student's permanent record.

6. The student shall receive an E for the course. This E shall be taken into consideration in computing the student's quality point rating. He shall be required to make up the necessary credits before graduation. This punishment shall not be used without the specific consent of the instructor in the course.

7. The student shall receive an E for the particular assignment or examination. This E is to be taken into consideration in awarding the final grade for the course. This punishment shall not be used without the specific consent of the instructor in the course.

B. In the event that the faculty committee does not uphold the decision of the Honor Council, the faculty committee shall state to the Council its reasons for disagreeing, and ask the Honor Council to review the case.

C. In the extreme event that the Honor Council maintains its original decision, the Appellate and Review Board shall meet with the Honor Council to openly discuss the feasibility of agreement. The final decision shall come from the joint vote of these two groups. The Honor Council Chairman shall preside over the meeting.

D. Students found guilty of dishonesty will have to satisfy the conditions set by the instructor in whose course the trouble occurred to justify the awarding of a final grade for the course.

E. In the extreme event that a student is found guilty (VI, Section 3A) a second time by the Council, such repetition of guilt being upheld by a faculty committee, recommendation for expulsion will follow.

F. It is clearly understood that final decision in all cases involving suspension or expulsion rests with the President of the College.

Section 4.

A. If it is the vote of the Council that a student has violated a regulation (Article V), the student shall be notified in writing to this effect. A warning shall be issued that a subsequent conviction for an infraction of a rule of the Honor System during his college course shall call for disciplinary action.

B. If it is the vote of the Council that a student has violated more than one regulation at one time, it shall call for disciplinary action. Such action will be left to the discretion of the Council.

VII
Amendments

Article VIII may be amended by majority vote of the student body and faculty. Any student or faculty member may propose to the Honor Council at any time an amendment for consideration. Such a proposal shall be given due consideration by the Council, and if the Council votes in favor of the proposal, it shall be presented to the Student Government and the faculty for a vote. If the Council does not vote in favor of the proposed amendment, it must be submitted to the student body and faculty for a vote, provided that a petition signed by ten percent of the student body or faculty so requests.

VIII
Interpretations for the Student

Since the success of the Honor System depends entirely upon the cooperation of all taking part in it, students are urged to help by assuming a vital interest in its progress. May it be the aim of each member of the student body to instill in the minds of the incoming students the tradition of honesty and the
principles of honor which exist in all contacts among students and among students and faculty. With such whole-hearted acceptance of the aims and purposes of the Honor System by each participant, violations of our system will be rare and intolerable, and the judicial functions of the Council will be reduced to a minimum.

Forms for Reporting Violations of Rules to the Honor Council

Your cooperation in reporting infractions immediately is most urgently requested. A delay of even a day or two may hamper the Council in carrying out their judicial functions.

Under the Honor System I am bound to report this infraction:

A. Registration
The procedure for registration is outlined in the booklet, *Day Courses of Instruction*, for the particular semester. This booklet is available in the Registrar's office before registration.

B. Attendance

1. General Absences (cuts)
   a. There shall be an unlimited attendance "cut" system excluding the Physical Education Department and the Student Teaching Experience.
   1. The Physical Education Department may have freedom in administering a "cut" system in cases particular to the Physical Education Program.
   2. All absences in the Student Teaching Experience shall be made up at the discretion of the College supervisors.
   b. All written excuses shall now be eliminated except as stated in E following.

2. Extended Absences
   A student who has been absent for a protracted period of time because of illness, home difficulties, etc., or a student who has absences due to illness and/or physical difficulty of a recurring nature as verified by the college nursing staff and/or the Dean of Women or Men, shall be required to complete 80% of the work to receive a grade in the course. What constitutes 80% of the work in any course shall be determined by the instructor in consultation with the Head of the department and the Academic Dean.

3. Any known contact with communicable diseases must be reported at once to the nurse.
4. Mid-year and final examination absences

a. Resident students must receive a signed excuse from the college nurse stating that they are unable to take the examination due to illness. This excuse must be given by the student to the Academic Dean who, in turn, will notify the appropriate faculty member.

b. Commuting students must receive a medical excuse from their physician stating that they are unable to take the examination. This excuse must be given by the student to the Academic Dean who will in turn notify the appropriate faculty member.

c. Make-up examinations due to illness will be administered by the Academic Dean at times and places announced prior to each examination period.

C. Grading System

1. A system of quality points is used at Framingham State College. Under this system, grades will be given the following values: A 4.0, B 3.0, C 2.0, D 1.0, E 0, plus INC., WP, and WF.

2. The number of quality points which a student receives in a course is determined by multiplying the total number of semester hours in the course by the corresponding number of quality points, e.g., a six-semester-hour course with a rating of "4" has a value of 24 quality points. The average is computed by dividing the total number of quality points by the total number of semester hours.

3. The determination of quality points is made at the end of each academic year (two semesters) for that year, and cumulatively. The number of points is not affected by grades in courses subsequently taken and passed. Exception to this are:

a. The grade point average of a student who fails, but is allowed to return; in this event, a new computation of Q.P.R. will be made by computing the original grades with the new grades. The original grades will always remain a part of the permanent record. Such a person is ineligible to hold any class or club office during the year he returns.

b. Those who fail a course but who maintain the required Q.P.R. to remain in college; in this event, the make-up course(s) will be computed in the overall average for the following semester.

4. A student must have a quality point ratio of 1.5 at the end of the first year; 1.75 at the end of the second year, cumulative for two years; 2.0 at the end of the third year, cumulative for three years; and 2.0 at the end of the fourth year, cumulative for four years. The student must have a final cumulative ratio of 2.0 in order to graduate.

5. "E" grades can never be removed, but the subjects in which they have been received must be repeated and passed, or, in the case of electives, other approved courses must be taken and passed either in approved summer sessions, or, when possible, during the regular college year. Continuing subjects in which "E" grades have been received must be successfully repeated before the student may take advanced work.

6. Incomplete grades must be made up within eight weeks after the opening of the following semester. (No course may be marked "incomplete" unless 80% of the work has been done at the time of discontinuance.)

7. WP grades are issued to students withdrawing from a course before its completion whose work at the time of leaving was academically satisfactory (passing).

8. WF grades are issued to students withdrawing from a course before its completion whose work at the time of leaving was academically unsatisfactory (failing).
9. Warnings are given out after the first quarter of class to inform students they are doing below average work. Minor warning denotes a 60-69 average. Major warnings denote a below 60 average.

10. First semester grades will be picked up in the commuters mail box several weeks after second semester begins. Second semester grades are mailed to the student's home.

D. Dean's List
Placement on the honor roll will be made in accordance with the following:
- First honors: 3.50 to 4.00
- Second honors: 3.40 to 3.49
- Third honors: 3.20 to 3.39

E. Graduation Honors
The baccalaureate degree is conferred:
- *cum laude* upon a student with a seven semester cumulative quality point average of 3.2 through 3.39.
- *magna cum laude* upon a student with a seven semester cumulative quality point average of 3.4 through 3.69.
- *summa cum laude* upon a student with a seven semester cumulative quality point average of 3.7 to 4.0.

To be eligible for honors, a student must never have incurred loss of good standing for disciplinary or academic reasons.

F. Honors Program
Students may request permission to enroll for honors work if they have an average quality rating of 3.0 or higher for the entire sophomore year or for the last semester sophomore year plus the first semester junior year (excluding student teaching and house practice).

The program is carried on under the direction of a faculty member and must be related to the student's major area of study. The student may begin to work any time after qualifying and must continue for four full academic quarters.

The choice of the faculty advisor and the actual program of study are matters of mutual agreement between student and faculty member, but the faculty elected for that purpose and the acceptance of the project when completed must be approved by the Honors Committee.

G. Each year students who have shown outstanding academic achievement in certain areas are honored at the Awards Assembly in the Spring.

H. Withdrawal
Any student considering withdrawal from the College should confer with his faculty advisor and the Dean of Women or Men to discuss problems contributing to this possibility. If a final decision is made to withdraw, the student must notify three offices: Registrar, Academic Dean, and Dean of Women or Men. At the last office students are requested to complete a withdrawal form.

I. Readmission
