THE HISTORY OF FRAMINGHAM

Over 130 years ago the Massachusetts public schools were faced with the fact that their teachers were poorly qualified for their profession because of ignorance of methods and subject matter. Consequently, the children attending public schools were acquiring an education far below the standard of private schools. To remedy this situation, a group of men believing that society must offer equal opportunity for development to all its children formed the Massachusetts Board of Education in 1837 with Horace Mann as secretary. The Board of Education’s purpose was to establish public normal schools for teacher training. The munificent gift of Edmund Dwight made possible the founding of three such schools. Lexington, the site of the first school, opened in 1839 with Cyrus Peirce as principal. In 1844, the school was moved to West Newton, and then to its present site in Framingham in 1853.

During the nineteenth century Framingham State Normal School greatly influenced the development of normal schools for Negroes and Indians in the south. Ellen Hyde, class of 1875, taught at Hampton Normal Institute in Virginia for thirty years. Booker T. Washington, founder of Tuskegee Institute in Alabama, frequently visited Framingham. Here, he was inspired to establish the Normal School Section of Tuskegee with the help of his wife, Olivia Davidson, Framingham class of 1881.

Until 1898 the school prepared teachers for the elementary grades only, but during that year the Mary Hemenway School of Domestic Science in Boston was annexed. In 1920 the Vocational Department was added by the Federal Board of Vocational Education.
In 1932, the Massachusetts Legislature extended to the normal school the privilege of granting B.S. degrees upon completion of a prescribed four-year course, thus making all Massachusetts normal schools State Teachers Colleges. In 1960 the Legislature authorized granting of the B.A. degree and our school officially became known as the State College at Framingham. In the fall of 1962 Framingham welcomed the first group of students in Liberal Arts. In the fall of 1964 men were admitted as commuters to all departments except home economics.

During the 1968-69 academic year Larned Hall, a six-story women's residence, was opened. Henry Whittemore Library was opened in September, 1969. The enrollment for this year will be approximately 2100 students.

BUILDINGS AND LANDMARKS

The Entrance to the College Grounds

*The Henry Whittemore Memorial Gate,* at the entrance to the Campus, was given by the Classes of 1917, 1918, and 1919, and named for Mr. Whittemore, Principal of the Framingham Normal School from 1898 to 1917.

*Dwight Hall,* the administration and classroom building, is named for Edmund Dwight of Boston, who by his munificent gift made it possible for Horace Mann to start the State Normal Schools in Massachusetts.

*May Hall,* named for Miss Abbie W. May, who was chairman of the board of visitors in the 1880's, was the main classroom and administration building prior to the opening of Dwight Hall. It was opened in September, 1889, and dedicated in June, 1890. The first floor was used then primarily as a practice school. In 1898 the Mary Hemenway Household Art Department was added to this building. In September 1962 when Hemenway Hall opened, the History and English departments moved to May Hall.
Hemenway Hall, named for Mary Hemenway who was in large measure responsible for the present Department of Home Economics at Framingham, was opened in September, 1962. Other departments now located in this building include the sciences and mathematics, and art.

Henry Whittemore Library opened its doors to Framingham students during the 1969-70 academic year. It presently houses 75,000 volumes, 600 serials and receives seven daily newspapers. In addition to excellent library facilities, the library also accommodates Music, Language and Instructional Media Departments. Hours: Monday-Friday: 8:00 A.M.-11:00 P.M.; Saturday: 9:00 A.M.-11:00 P.M.; Sunday: 2:00 P.M.-11:00 P.M.

Peirce Hall, named after Cyrus J. Peirce the first principal of the first State Normal School in America, accommodates one hundred and ten students of all classes. Here also is the residence dining room.

Horace Mann Hall, named for Horace Mann, educator and father of the normal school movement in our country, was built in 1920 to replace old Normal Hall which had burned. All classes are represented in this house.

Crocker Hall, named after Miss Lucretia Crocker, an outstanding teacher and the first woman to be appointed supervisor of the Boston schools, was built in 1886 to be used as a residence. On Christmas of the following year the hall was partially destroyed by fire. It was later repaired, enlarged and remodeled, and the new Crocker opened to the Junior Home Management Group on March 4, 1940. Other students from all classes make up the complement the Hall can house.

Martin F. O'Connor Hall, built in 1959 and named in honor of the president who served from 1936-1961, is a combined student union and residence. In it, in addition to accommodations for 210 students, are commuter cafeteria, snack bar, game room, lounges, TV room, study hall, and guest rooms. The Alumni suite, the Student Government Association offices and the publications suite are located in this building.

Dorothy Larned Hall, a six-floor women's residence, named in honor of Dorothy Larned, Dean of Women from 1944-61, was opened in September 1968.

Ecumenical Center on Maynard Road, formerly the Seventh Day Adventist Church, was purchased by the college in 1969. In December, 1970 it will be occupied for an ecumenical center and office space.

COLLEGE HYMN

Dear Framingham, thy children around thee gather;

Our vows of love to thee we pledge anew.

Unfailing font of hope and joy forever.

We shall proclaim our homage to you.

Through countless years to all a fostering mother,

Thy bounteous blessings poured on age and youth:

Our suppliant prayer till time our chain shall sever

Will ever be, "Live to the Truth."

Words by MARTIN F. O'CONNOR

OUR CREED

We believe—in the Framingham State College and in its motto “Live to the Truth.”

We believe—in a spirit of loyalty to our teachers, classmates, and friends;
in a spirit of cooperation and sportsmanship in the classroom, on the athletic field, and in all other activities.

We believe—in courtesy at all times, and a consideration for rights and privileges of others;
in true and generous comradeship and mutual helpfulness that insure the well-being and advancement of the individual and the group.

We believe—in a high standard of scholarship, intellectual integrity, and thoroughness in all our undertakings;
in making diligent search through our contacts with people and books after the best that life has to offer.

We believe—that an honest and consistent devotion to these ideals will so develop us as to give us “the good life” and sustain and build traditions for our college.

WELCOME TO ENTERING STUDENTS

It is good to know that you have selected Framingham for your college, and I am glad that we were able to accept you as a member of our student body. It is a pleasure for me to bid you welcome.

Ahead of you lie the splendid opportunities which are part of a college steeped in tradition, attuned to current developments, and alert to the needs of the future. Framingham is a college expanding physically and broadening academically as it seeks to provide a quality education for increasing numbers of qualified students. Here you will have the opportunity to develop intellectually, socially and professionally. Only you can determine how well you capitalize on the opportunities which are yours for the taking.

I call to your particular attention that part of the College Creed which says, “We believe—in consideration for rights and privileges of others—in true and generous comradeship and mutual helpfulness that insure the well-being and advancement of the individual and the group.” In these restless and uncertain times I hope that all students will not only strive for individual growth but will join together with faculty and administration in working for the common betterment. All of us stand ready to help you work for your own good and that of the college, but the ultimate degree of your success will depend upon you yourself.

I look forward to having you with us, and I hope that here at Framingham you will achieve your goals successfully.

DR. D. JUSTIN McCARTHY
President
GAIL E. COSGROVE
Executive Vice-President

Under the direction of the President, the Executive Vice-President is responsible for the total operation and coordination of the college community. The Executive Vice-President also acts in place of the President during the President's absence from campus.

VINCENT J. MARA
Academic Dean

The Academic Dean is the chief academic officer of the college responsible for all scholastic matters including curriculum, faculty, and student academic affairs. The maintenance of the academic excellence of the college is the main concern of this office. I welcome questions, comments, and suggestions relative to any academic area from any Framingham student.

DENNIS C. GOLDEN
Dean of Students

In the Office of Student Affairs, emphasis is placed on the needs and aspirations of students. Continual efforts are made to help you individually and in groups, to take full advantage of the many educational opportunities offered within the College community.

A. CAROLLA HAGLUND
Dean of Women

The Office of the Dean of Women is responsible for the college life of women students at Framingham. In addition, student services including housing, insurance, counselling, social activities, scholarship and employment aid are centered in this office.

JAMES P. SAVAS
Dean of Men

The Office of the Dean of Men is responsible for the college life of the young men at Framingham. Housing, part-time off-campus work and counselling for young men are also handled by this office.
The Alumni Association of Framingham State College is a vital, enthusiastic, growing organization. The 7,900 women and men who comprise it are scattered throughout the world; nevertheless, they are contacted, informed, and kept current on college and alumni affairs by an active Alumni Office staff. The headquarters, located in O'Connor Hall, maintains an up-to-date mailing list of all graduates and is the basis for close contact, resulting in not only interest in the college but in a generous contribution program to the Alumni Fund. This fund, administered by officers elected by the membership, makes possible gifts to the college, whereby furnishings, library equipment, and various addenda, not provided for in the State budget, are made possible for the staff and students. The administration of the Ellen Hyde and the Dr. Martin F. O'Connor scholarship funds is another phase of alumni participation.

A close rapport between the Alumni Association and the students is established and maintained. Two alumni are appointed co-sponsors of each freshman class, becoming the liaison between the students and the Alumni Association. These two sponsors continue with this freshman class until graduation. As part of the Commencement Activities, the Senior Class is inducted into the Alumni Association, and representatives are elected to serve on the Council.

LEONA S. BRITTON, '51
(Mrs. John J. Britton)
Executive Secretary

To the Class of 1974:

Welcome

It is my privilege as Student Government President to welcome you, the class of '74, to Framingham State College. You will find that Framingham has much to offer in many ways: excellent education, rewarding friendships, and new experiences. My wish is that you benefit fully from these experiences to aid you in your intellectual growth and social development.

As members of the student body here at Framingham, you are also members of the Student Government Association. I urge and invite you to actively participate in Student Government and to remember that Student Government works for you and that myself and the senators will be available to help you with any problem you might have, whether it be of an academic or social nature.

Once again, good luck at Framingham and may your four years here be prosperous ones.

The Judicial Branch of the Student Government Association will be established in accordance with the concept of “due process.” Fair play, proper procedure, proper notification for determining guilt or innocence will be guaranteed to every student under this system. Any student accused of violating a regulation shall have the right to appear before one or more members of a duly constituted judicial body. All the judicial bodies shall adhere to the basic fundamentals of “due process.”

Section II. The following procedural guidelines are established for the direction of all bodies conducting formal hearings in disciplinary matters:

ARTICLE VIII

THE HONOR COUNCIL

The students of the Framingham State College believe that the major purpose of education is to develop character. Since honesty and a sense of responsibility are traits of good character, we seek to further their growth by maintaining an Honor System with an Honor Council. This system aims to develop principles of honorable conduct and increase intellectual integrity in all academic work. With this goal in view we pledge ourselves to the support of the constitution of the honor system. According to the regulations of the honor system, each student is placed on his honor in all work designated as honor work.

The Honor Council reviews all cases of reported dishonesty and infractions of the rules.

The chairman of the Honor Council is elected by the student body and is a member of the SGA Council. In addition to the chairman, the Honor Council comprises the following members (elected according to the procedure explained in the Constitution): one Elementary major representative from each of the four classes, one Home Economics major representative from each of the four classes, one Liberal Arts major representative from each of the four classes, and two representatives from the faculty.

Since the success of the Honor System depends entirely upon the co-operation of all taking part in it, students are urged to help by taking a vital interest in its progress.

We are confident that the students of Framingham State College will uphold this privilege of self-government.

HONOR COUNCIL STATUTES

Foreword "LIVE TO THE TRUTH"

We, the students of Framingham State College, desire to prove we can meet the test of this our challenging motto. We believe that the main purpose of education is to develop character. Since honesty and a sense of responsibility are traits of good character, we seek to further their growth by establishing an Honor System and Honor Council. This system aims to develop the principles of honorable conduct and to increase intellectual integrity in all academic work. It is our belief that pride in the establishment of honesty in our professional relationships will also increase our consciousness of the rights of others and will thus develop improved social behavior within our college community. With these goals in view we pledge ourselves to the support of the Honor System.

I

Application

Section I. The Honor System shall apply to every member of the Student body at Framingham State College.

Section II. The faculty are requested to co-operate by observing the rules of the Honor System and by reporting to the Council infractions of rules.

II

Honor

Dishonesty shall be defined as either giving or receiving aid, comparing answers or attempting to do so, during an examination, test, or quiz. In all assigned work such as a theme, term paper, or book report it shall be dishonest to hand in another's work as one's own. In those instances where sources are consulted, proper acknowledgment must be given. It must further be understood that students are to refrain from discussing examination questions in the presence of students who have not yet taken the examination.

It is permissible to engage in co-operative study. In the matter of work books or study questions, if the instructor does not at any time wish students to engage in co-operative study or consult other sources, he must specifically say so.
Since it is recognized that uncertainty may arise in these points of co-operative study, study questions, work books, or late examination, it is the obligation of both student and faculty to clarify the status of all work assigned and all late tests given.

III

V

Regulations

Section 1.

A. In order that all possible misunderstandings may be avoided, all students and faculty members must know and enforce the regulations below.

B. The following regulations are necessary to maintain a proper atmosphere during the taking of examinations and quizzes. A student must understand that infraction of a rule could mean that his name might be reported to the Council. (See Section 2A following.) Since it is absolutely necessary to avoid all appearances of concealed papers or suspicious communications, the students must conduct themselves as follows:

1. Students are to bring to the examination nothing but what the instructor specifies as permissible. Ordinarily this would include only writing materials, and loose paper handkerchiefs. If pocketbooks, glass cases and wraps are brought into the room, the instructor is to designate where they are to be put.

2. Avoid all suspicious actions such as seemingly to look at another's paper, and any unnecessary talking; necessary talking shall be spoken out loud for all to hear.

3. Students desiring clarification of examination questions must leave the room to consult the instructor.

4. A student finding it necessary for any reason to leave the room is to report directly to the instructor.

5. A student may leave the examination early. It is recommended that he put on his paper the hour of leaving.

6. A student who has turned in his examination must leave the room at once and is not to return until the examination has been terminated unless he reports to the instructor first and has his permission.
7. A student after leaving the examination room is to engage in no communication with anyone within hearing of students remaining in the examination room.

8. Examination papers once handed in must be left untouched and unread by other students taking the examination.

9. During hour tests and final examinations the instructor must make provisions for adequate spacing between students.

10. Before the instructor leaves, he shall designate in writing at the beginning of the examination:
   a. where he may be found during the period;
   b. where the exam papers are to be turned in.

Section 2.
A. It is the duty of every student and faculty member either to report in writing to the Council any instances of dishonesty or violation of regulations, or to approach the student concerned and to suggest that he report himself. In the latter case, the student or faculty member will check with the Council to make certain that the student has reported himself.

B. It is the duty of every student and faculty member to report to the Council any knowledge of rumors concerning possible infractions of rules.

Section 3.
A. The members of the Council shall maintain the utmost secrecy concerning the names of students reported or students reporting and all details of Council meetings.

B. All students involved, those reporting and those reported, are required to maintain the same secrecy.

C. The faculty committee appointed by the President of the College to review a case is required to maintain the same secrecy.

Section 4.
Acceptance of admission to Framingham State College shall imply agreement with the provisions of the Honor System.

VI

Procedure

Section 1.
The student or faculty member reporting must use a prepared form, one of which will be found at the end of Article VIII. Additional forms are to be found in an envelope attached to the Student Co-operative bulletin board, first floor, Dwight Hall. The report must be sent immediately to the Chairman of the Council. It is requested that faculty members and students provide, if available, the proof necessary to support their charges.

Section 2.
A. Upon receipt of a report of alleged dishonesty or of alleged violation of rules in accordance with V, the Chairman and Secretary of the Council with one of the faculty members may interview the person or persons reported. The Chairman and Secretary shall report to the Council on said interview. If a student reports himself it is not necessary to have a preliminary interview.

B. The defendant shall be called before the Council. The student or faculty member reporting may be asked to meet with the Council separately.

C. The Council after all interviews are completed shall take definite action by secret ballot upon each case presented.

Section 3.
A. If it is the vote of the Council that the student has been guilty of dishonesty, as specified in II, the Appellate and Review Board shall review the case. The Appellate and Review Board shall consist of three faculty members and two students. One faculty member shall be the Chairman and vote in case of a tie. The President of the College shall appoint the faculty and students. The students shall be recommended by the Honor Council. This board shall serve for revolving terms.
1. A student shall be given a written warning.
2. A student shall hold no school office or committee chairmanship either that year or the following year. The Secretary of the Council shall, in this case, notify the Dean of Women at once in writing that the student is no longer eligible for office.
3. The student may be placed on honor probation and all faculty members in whose classes the student in enrolled shall be so notified.
4. A student shall be recommended for suspension without probation.
5. A notice of his offense and of disciplinary measure applied shall be entered as part of the student’s permanent record.
6. The student shall receive an E for the course. This E shall be taken into consideration in computing the student’s quality point rating. He shall be required to make up the necessary credits before graduation. This punishment shall not be used without the specific consent of the instructor in the course.
7. The student shall receive an E for the particular assignment or examination. This E is to be taken into consideration in awarding the final grade for the course. This punishment shall not be used without the specific consent of the instructor in the course.
B. In the event that the faculty committee does not uphold the decision of the Honor Council, the faculty committee shall state to the Council its reasons for disagreeing, and ask the Honor Council to review the case.
C. In the extreme event that the Honor Council maintains its original decision, the Appellate and Review Board shall meet with the Honor Council to openly discuss the feasibility of agreement. The final decision shall come from the joint vote of these two groups. The Honor Council Chairman shall preside over the meeting.
D. Students found guilty of dishonesty will have to satisfy the conditions set by the instructor in whose course the trouble occurred to justify the awarding of a final grade for the course.

E. In the extreme event that a student is found guilty (VI, Section 3A) a second time by the Council, such repetition of guilt being upheld by a faculty committee, recommendation for expulsion will follow.
F. It is clearly understood that final decision in all cases involving suspension or expulsion rests with the President of the College.

Section 4.
A. If it is the vote of the Council that a student has violated a regulation (Article V), the student shall be notified in writing to this effect. A warning shall be issued that a subsequent conviction for an infraction of a rule of the Honor System during his college course shall call for disciplinary action.
B. If it is the vote of the Council that a student has violated more than one regulation at one time, it shall call for disciplinary action. Such action will be left to the discretion of the Council.

VII
Amendments
Article VIII may be amended by majority vote of the student body and faculty. Any student or faculty member may propose to the Honor Council at any time an amendment for consideration. Such a proposal shall be given due consideration by the Council, and if the Council votes in favor of the proposal, it shall be presented to the Student Government and the faculty for a vote. If the Council does not vote in favor of the proposed amendment, it must be submitted to the student body and faculty for a vote, provided that a petition signed by ten per cent of the student body or faculty so requests.

VIII
Interpretations for the Student
Since the success of the Honor System depends entirely upon the cooperation of all taking part in it, students are urged to help by assuming a vital interest in its progress. May it be the aim of each member of the student body to instill in the minds of the incoming students the tradition of honesty and the
principles of honor which exist in all contacts among students and among students and faculty. With such whole-hearted acceptance of the aims and purposes of the Honor System by each participant, violations of our system will be rare and intolerable, and the judicial functions of the Council will be reduced to a minimum.

Forms for Reporting Violations of Rules to the Honor Council

ACADEMIC REGULATIONS

Grading System

1. Framingham State College uses the following marking system:

- A — Superior Work with 4.0 quality points
- B — Good Work with 3.0 quality points
- C — Average Work with 2.0 quality points
- D — Poor Work with 1.0 quality points
- E — Failure with 0 quality points

- W — (Withdraw—no credit) Official withdrawal from the college or course before the mid point of any course.
- WP — (Withdrawn Passing—no credit) Official withdrawal from the college or course after the mid point of any course but prior to the final examination and passing the course at that time in the judgment of the instructor.
- WF — (Withdraw Failing—no credit) Official withdrawal from the college or course after the mid point of any course but prior to the final examination and failing the course at that time in the judgment of the instructor.
- N — (Absent from Final Examination) This is a temporary grade given for a student absent from a final examination. The examination which was missed must be taken within two weeks of the final day of the final exam period, or it becomes an “E”.
- I — (Incomplete) This is a temporary grade which may be given to a student when the instructor is satisfied that circumstances beyond the student’s control other than absence from the final examination (See N above) prevented him from completing the required work of the course. Student indifference resulting in inability to get work in on time is not reason for giving an “I”. The “I” will be changed to any other appropriate grade by the instructor if the course work has been fully completed by the end of
the first four weeks of the next semester if it is a semester course or by the end of the first two weeks of the next quarter if it is a quarter course. If the work is not completed within the given time, the “I” will be changed to “E”, unless an extension is granted by the Academic Dean when circumstances warrant.

2. Only the work taken at Framingham State College including the day, evening, and summer session programs will be used in determining the Q.P.A. of any student except for suspended students.

3. The number of quality points which a student receives in a course is determined by multiplying the total number of semester hours in the course by the corresponding number of quality points, e.g., a six semester hour course with a rating of “4” has a value of 24 quality points. The average is computed by dividing the total number of quality points by the total number of semester hours.

4. The determination of quality points is made at the end of each semester.

5. A student must have a quality point ratio of 1.5 at the end of the first year; 1.75 at the end of the second year, cumulative for two years; 2.0 at the end of the third year, cumulative for three years; and 2.0 at the end of the fourth year, cumulative for four years. The student must have a final cumulative ratio of 2.0 in order to graduate.

6. “E” grades can never be removed, but the subjects in which they have been received must be repeated and passed, or, in the case of electives, other approved courses must be taken and passed either in approved summer sessions or when possible, during the regular college year. Continuing subjects in which “E” grades have been received must be successfully repeated before the student may take advanced work except when a departmental policy permits otherwise.

7. A minimum of 30 semester hours of study (8 courses starting in 1971) must be completed at Framingham State College in order to receive a degree from the college.

8. A Framingham student who has had an academic suspension and is allowed to return to the college will have his cumulative Quality Point Average computed on the basis of the repeated course credits which will be substituted for the initial grade of “E” earned in any course in the academic year in which the suspension occurred.

9. A senior student who fails a course or fails to meet the required 2.0 cumulative Quality Point Average, may be allowed to correct such a deficiency by attendance at a summer session in an accredited institution if approval is granted by the department chairman and the academic dean. In such cases, the grade received in the make up course will be used as substitute for the original grade in computing the final Q.P.A., but the original grade will remain permanently on his record.

Quality Point Average (Q.P.A.)
The Quality Point Average for each semester and cumulatively is presented in three digits, one before and two after the decimal point.

Warnings
Major warnings (grade of “E”) and minor warnings (grade of “D”) may be issued to the student at the mid point of any course. Warnings may also be issued at any time if the student’s work is approaching a less than satisfactory level.

Class Placement
1. Each student is responsible for following the appropriate program of his major to insure the completion of all course work in the normal four year sequence. The curriculum requirements for each year differ by major departments, so to insure reasonable opportunity for course planning at registration the following levels are followed:

1970-71 Academic Year
Completion of less than 30 semester hours represent fresh. status

2. These standings are made at the completion of each semester for registration purposes for the next semester.

Late Registration Fee
In the event that a student fails to register at the prescribed period, he will be allowed to register late in the Registrar's Office. At the time of late registration, he must provide the Registrar with the reasons for his not registering on schedule and must also pay a late registration fee of $5 to the Registrar.

Credit Hours and Academic Load
1. The normal course work load for each semester varies by academic major, and the student is responsible for understanding the requirements of his own program of major study. (normal load four courses starting in 1971)
2. A "credit hour" or a "semester hour" represents one lecture or two laboratory periods per week per semester.
3. The minimum academic load for each semester for full time students is 12 semester hours. (3 courses starting in 1971)
4. The maximum academic load for each semester for full time students is 18 semester hours. (5 courses starting in 1971)
5. The maximum academic load for each semester in day study for part time students is six semester hours. (2 courses starting in 1971)

6. If a student desires to carry either more or less than the regular course load limits in any semester (less than 3 or more than 4—in no event more than 5 courses starting in 1971), he must provide his advisor with sufficient reasons for this request. The advisor must approve the request. In cases where questions arise, these changes must meet the approval of the academic dean.

7. If a student carries from 7 or more semester hours work (3 or more courses starting in 1971), he will be considered as a full time student and must pay all charges and fulfill all responsibilities as a full time student. If he carries 6 semester hours or less (1 or 2 courses starting in 1971), he will be classified as a part-time student, subject to all part time charges and regulations.

8. Courses may not be "split", that is, all classes in a given course must be taken by the student with the same section unless granted permission by the instructor.

9. In the event that a student desires to take a course in the evening program because one of an equivalent type is not available in the day program, he may take the evening course and count it as part of his full time academic load. If this is done, the student must pay the full cost for the evening course in addition to his day program charges. He must also have an approval form signed by the appropriate department chairman and the academic dean.

Attendance
The college operates a "free cut" unlimited absence system of attendance with the exception of required attendance in physical education and in student teaching.
While this system offers the student the opportunity to make some independent choices about the need for class attendance, the student needs to understand that a passing grade in any course can only be given when a minimum of 80% of the work for that course has been completed to the satisfaction of the course instructor.

Pregnancy
When a student becomes pregnant she must confer with her advisor or the academic dean before registering for classes.
The advisor in concert with the academic dean will recommend to the student the course of action which will best serve the well being of the student.

Withdrawal
In the event that a student desires to withdraw from the college, he must follow these procedures:
1. Obtain withdrawal forms from the Registrar.
2. Distribute forms to his instructors.
3. Notify the Dean of Students.
4. Notify the college Business Office
5. Notify the Financial Aid Office
6. Notify the Academic Dean.
7. Return the completed withdrawal forms to the Registrar.

Return After Withdrawal
A student who withdraws from the college in good standing without completing his baccalaureate studies may return to the college upon request to the Registrar. To insure his return at the time desired, the student must make such a request to the Registrar before May 1 for the fall semester or before December 1 for the spring semester. Requests received later than these dates may result in a semester's delay in the return of the student to the college.

Academic Probation
1. If a student fails to maintain the required Q.P.A. for his class level at the end of any semester, he is placed on probation.

2. Students on probation are restricted as follows:
   A. Required attendance at classes.
   B. Ineligible to carry more than normal academic load.

Academic Suspension
If a student is on suspension for two consecutive semesters, his complete record will be studied by the Committee on Scholastic Standing. Ordinarily this review will result in the suspension of the student, unless extraordinary circumstances warrant allowing the student to continue for another semester.

Readmission After Suspension
1. If a student has been suspended from the college for academic reasons, he may request readmission after the lapse of one semester. He must apply for such readmission through the Director of Admissions. The decision as to whether or not to readmit will be made by the Committee on Scholastic Standing upon recommendation of the Director of Admissions from evidence he has received from the student which provides reasonable expectations of successfully completing the degree program upon return to the college.

2. A student who is suspended twice for academic deficiencies may not again apply for readmission.

Honors

Dean's List
A student carrying a minimum of 12 semester hours (4 courses starting in 1971) earns a place on this honor roll (published each semester) for each semester in which he earns a Q.P.A. or 3.2 or higher.

President's List
A student carrying a minimum of 12 semester hours (4 courses starting in 1971) earns a place on this honor roll (published each semester) after he has earned a Q.P.A. of 3.2 or higher for each of three semesters. He must maintain this average to remain on this list.

Graduation Honors
The baccalaureate degree is conferred:
Cum laude upon a student with a seven semester cumulative quality point average of 3.2 through 3.39.
magna cum laude upon a student with a seven semester cumulative quality point average of 3.4 to 3.69.
summa cum laude upon a student with a seven semester cumulative quality point average of 3.7 to 4.0.
To be eligible for graduation honors, a student must never incurred loss of good standing for disciplinary or academic reasons.
Adding or Dropping Courses

1. A student may drop a semester course (or change section of same) without penalty if he does so before the end of the fourth week of classes.

2. A student may drop a quarter course (or change section of same) without penalty if he does so before the end of the second week of classes.

3. A student may add a semester course if he does so before the tenth day of classes.

4. A student may add a quarter course if he does so before the fifth day of classes.

5. In the event that a student adds or drops any course or changes a section of same, he must get the appropriate form from the registrar's office and return it to that office when completed.

6. If the student desires to add or drop a course or change a section, he must obtain his advisor's signature on the appropriate form (#5 above), after determining with his advisor that this change will not adversely affect his academic load requirements. In cases where questions arise, these changes must meet the approval of the academic dean. In addition, he must obtain other appropriate signatures as indicated on registrar's form.

Change of Major

If a student desires to change his major, he must follow these procedures:

1. He must obtain a change of major card from the Registrar's Office.

2. He must have an interview with the chairman of the department to which he wishes to change. Ordinarily the chairman will agree to such a change, but if circumstances warrant, the student may be denied the change or asked to delay the request for change until a later time.

3. If the change is granted, the chairman of the department will assign a new advisor for the student.

4. The student must then notify the department chairman and former advisor of the department he is leaving of this change.

5. After meeting with all faculty concerned, the student must return the Change of Major card to the Registrar. When the completed card is returned, the change is completed. Failure to return the card to the Registrar will result in the student being carried on registration rolls in the wrong major, and he cannot be allowed to register for the next semester in the new program.

6. A change of major must be completed by December 1 of any year to be effective for the spring semester, or by May 1 of any year to be effective for the fall semester.

7. Entering transfer students are obliged to comply with all of the above stated policies for a Change of Major.

8. Entering freshmen students may change their major during their initial orientation-registration period after giving notice to the department chairman of original and new major.

Examinations

1. All examinations are to be given within the structure of the Honor System (refer to the student handbook).

2. Examinations, other than the final examinations, may be scheduled at the discretion of the instructor. It is the responsibility of the student to follow whatever procedures are established and presented in writing to the students by the instructor at the start of each semester for such tests.

3. Final examinations are required in all courses excepting only those courses approved by the College Curriculum Committee with differing requirements. Unless exceptions are approved by the department chairman and the academic dean, final examinations will be given during regularly scheduled examination periods and the student must take the examinations at that prescribed time. Students in their last academic year prior to their gradua-
4. In the event of a conflict in the final examination schedule of a student, the student must arrange with the faculty members involved for a mutually convenient time during the final examination period for the conflict to be resolved so that all examinations can be taken. This change of exam schedule is not considered an "absence" as described below.

5. Faculty members will send to the academic dean one copy of the final examination for each student absent (not for conflict—see #4 above) from the scheduled exam. The name of each student must be written on each examination. The academic dean will administer such examinations and will return them to the instructor when completed.

6. If a student is absent from the final examination, he will be given a grade of "N" by the instructor. The "N" grade will be changed to any other grade by the instructor if the exam is made up no later than two weeks of the final day of the final examination period. Unless an exception is approved by the academic dean, failure to make up the exam during this time will result in a grade of "E". The student must present the academic dean with sufficient reasons to be allowed to make up this examination.

   for the security of students remaining in the houses, doors
   will be locked at 1:00 A.M., Sunday through Thursday,
   and at 2:00 A.M., Friday and Saturday. After closing hours,
   only specified central entrances may be used except in
   cases of fire or other emergency. Doors will be unlocked
   at 6:30 a.m. This is a self-directed program, therefore
   students should abide by the authorized closing hours.

6. Signing Out Procedures
   The residences have a definite system for signing out
   when a student leaves campus at any time for any reason.
   This is for the purposes of courtesy information for callers,
   emergencies requiring locating of students, and for
   safety factors.
   a. Resident students must sign out time and place when
      going OUT OF TOWN between the hours of 7:30 A.M.
      and 9:00 P.M.
   b. After 9:00 P.M. students must sign out regardless of
      their destination.
   c. Students who have signed out expecting to return be-
      fore house closing may, for safety and security pur-
      poses, call the residence house before midnight if
      they expect to be away overnight. The student must
      speak with the House Director or duly authorized per-
      son at the desk. (After 10:00 P.M. except on Sunday,
      students from Crocker, Horace Mann, and Peirce
      Hall must call Peirce Hall.)
   d. No student is allowed to sign another's name except to
      make the notation of the telephone call in "c" above.
   e. Failure to follow these regulations may be referred
      to each Living Unit Judiciary.

7. Permission Blanks are not required of resident students.
   However, it is expected that students will keep families
   informed of their social activities. It should also be recog-
   nized that the college will take an active interest in
   student social activities.

8. Long Weekends
   a. Closing reasons and procedures
      For reasons of security and safety it may be deemed
      advisable to close some of the houses on long, or ex-
      tended, weekends. A sign-up sheet for the long week-
      end will be at the desk in each house two weeks prior
      to the long weekend. If sufficient students sign up in
      each residence, the house may remain open. Other-
      wise, the houses will be closed, the remaining women
      residents being housed in Peirce Hall.
   b. Guest slips (see section 3.c.1.)
   c. Desk and Telephone Duty
      Students remaining on campus in either their own resi-
      dence or in Peirce Hall will be expected to take desk,
      telephone, and similar duties on a volunteer basis.
   d. Hours
      Regular hours will be observed with the exception of
      the last night of a long weekend which will have the
      same hours and procedure as Sunday night.
   e. Re-opening time
      residences will re-open at 2:00 P.M. on the last day of
      the long weekend.

9. Smoking
   Smoking is not allowed in residence rooms. Any
   evidence of smoking in the resident's room, such as:
   filled ash trays, cigarette remains in a wastebasket, or
   ashes in the room will be considered sufficient reason
for assuming that smoking did occur in the resident's room. Violations may be referred to the Living Unit Judiciaries.

10. Upon discovering a fire, no matter how small, turn in the alarm immediately by breaking the glass in the fire alarm box nearest to the fire. Learn at once the location of fire alarm boxes, exits, and the designated meeting place outside the building. If you are in your room, shut the windows and door. Do not, however, attempt to return to your room from another part of the building. Get out of the building at once, using stairs. Do not use fire escapes unless stairways are blocked or otherwise cut-off. Walk rapidly to the nearest exit. Do not run. Avoid panic; get out in a calm, orderly fashion. Once out of the building, go directly to the designated meeting place and stay there until the Fire Chief gives permission to return to the building or until special instructions are given by authorized College authorities.

**COMMUNITY OFFERINGS**

**CULTURAL ASPECTS**

Framingham offers many cultural programs: lectures on a variety of subjects, concerts, and plays. Organizations using College facilities often open their meetings to students; there are special student tickets at reduced prices for the Community Concert series presented in Framingham.

Sudbury and other towns within a narrow radius of Framingham also have unique features of special interest to the college student.

A series of lectures during the college year is arranged by the Special Programs Committee, open to students of our own and neighboring colleges and to the residents of the town of Framingham.

**RED CROSS**

The Red Cross College Unit cooperates with the Framingham Chapter of the Red Cross. Through it students are able to participate as a group in Red Cross activities.
