Over 130 years ago the Massachusetts public schools were faced with the fact that their teachers were poorly qualified for their profession because of ignorance of methods and subject matter. Consequently, the children attending public schools were acquiring an education far below the standard of private schools. To remedy this situation, a group of men believing that society must offer equal opportunity for development to all its children formed the Massachusetts Board of Education in 1837 with Horace Mann as secretary. The Board of Education's purpose was to establish public normal schools for teacher training. The munificent gift of Edmund Dwight made possible the founding of three such schools. Lexington, the site of the first school, opened in 1839 with Cyrus Peirce as principal. In 1844, the school was moved to West Newton, and then to its present site in Framingham in 1853.

During the nineteenth century Framingham State Normal School greatly influenced the development of normal schools for Negroes and Indians in the south. Ellen Hyde, class of 1875, taught at Hampton Normal Institute in Virginia for thirty years. Booker T. Washington, founder of Tuskegee Institute in Alabama, frequently visited Framingham. Here, he was inspired to establish the Normal School Section of Tuskegee with the help of his wife, Olivia Davidson, Framingham class of 1881.

Until 1898 the school prepared teachers for the elementary grades only, but during that year the Mary Hemenway School of Domestic Science in Boston was annexed. In 1920 the Vocational Department was added by the Federal Board of Vocational Education.
In 1932, the Massachusetts Legislature extended to the normal school the privilege of granting B.S. degrees upon completion of a prescribed four-year course, thus making all Massachusetts normal schools State Teachers Colleges. In 1960 the Legislature authorized granting of the B.A. degree and our school officially became known as the State College at Framingham. In the fall of 1962 Framingham welcomed the first group of students in Liberal Arts. In the fall of 1964 men were admitted as commuters to all departments except home economics.

The enrollment for this year will be approximately 2450 students.

BUILDINGS AND LANDMARKS

The Entrance to the College Grounds

The Henry Whittemore Memorial Gate, at the entrance to the Campus, was given by the Classes of 1917, 1918, and 1919, and named for Mr. Whittemore, Principal of the Framingham Normal School from 1898 to 1917.

Dwight Hall, the administration and classroom building, is named for Edmund Dwight of Boston, who by his munificent gift made it possible for Horace Mann to start the State Normal Schools in Massachusetts.

May Hall, named for Miss Abbie W. May, who was chairman of the board of visitors in the 1880's, was the main classroom and administration building prior to the opening of Dwight Hall. It was opened in September, 1889, and dedicated in June, 1890. The first floor was used then primarily as a practice school. In 1898 the Mary Hemenway Household Art Department was added to this building. In September 1962 when Hemenway Hall opened, the History and English departments moved to May Hall.
Hemenway Hall, named for Mary Hemenway who was in large measure responsible for the present Department of Home Economics at Framingham, was opened in September, 1962. Other departments now located in this building include the sciences and mathematics, and art.

Henry Whittemore Library opened its doors to Framingham students during the 1969-70 academic year. It presently houses 75,000 volumes, 600 serials and receives seven daily newspapers. In addition to excellent library facilities, the library also accommodates Music, Language and Instructional Media Departments. Hours: Monday-Friday: 8:00 A.M.-11:00 P.M.; Saturday: 9:00 A.M.-11:00 P.M.; Sunday: 2:00 P.M.-11:00 P.M.

Peirce Hall, named after Cyrus J. Peirce the first principal of the first State Normal School in America, accommodates one hundred and ten women of all classes. Here also is the residence dining room.

Horace Mann Hall, named for Horace Mann, educator and father of the normal school movement in our country, was built in 1920 to replace old Normal Hall which had burned. All classes are represented in this women’s house.

Crocker Hall, a women’s residence named after Miss Lucretia Crocker, an outstanding teacher and the first woman to be appointed supervisor of the Boston schools, was built in 1886 to be used as a residence. On Christmas of the following year the hall was partially destroyed by fire. It was later repaired, enlarged and remodeled, and the new Crocker opened to the Junior Home Management Group on March 4, 1940. Other students from all classes make up the complement the Hall can house.

Martin F. O’Connor Hall, built in 1959 and named in honor of the president who served from 1936-1961, is a combined student union and residence for 210 women. O’Connor Hall also houses a commuter cafeteria, snack bar, game room, lounges, TV room, study hall, and guest rooms. The Student Government Association offices and the publications suite are located in this hall.

Dorothy Larned Hall, a six-floor women’s residence, named in honor of Dorothy Larned, Dean of Women from 1944-61, was opened in September 1968.

James D. Linsley Hall, named in memory of James D. Linsley, History department, 1967-1970, will be opened during the 1971-72 academic year and will accommodate 150 men.

Ecumenical Center on Maynard Road, formerly the Seventh Day Adventist Church, opened as the College Ecumenical Center and Lecture Hall in December of 1970.

COLLEGE HYMN

Dear Framingham, thy children around thee gather:
Our vows of love to thee we pledge anew.
Unfailing font of hope and joy forever.
We shall proclaim our homage to you.

Through countless years to all a fostering mother.
Thy bounteous blessings poured on age and youth;
Our suppliant prayer till time our chain shall sever
Will ever be, “Live to the Truth.”

Words by MARTIN F. O’CONNOR
Tune: “Finlandia”
OUR CREED

We believe—in the Framingham State College and in its motto “Live to the Truth.”

We believe—in a spirit of loyalty to our teachers, classmates, and friends; in a spirit of cooperation and sportsmanship in the classroom, on the athletic field, and in all other activities.

We believe—in courtesy at all times, and a consideration for rights and privileges of others; in true and generous comradeship and mutual helpfulness that insure the well-being and advancement of the individual and the group.

We believe—in a high standard of scholarship, intellectual integrity, and thoroughness in all our undertakings; in making diligent search through our contacts with people and books after the best that life has to offer.

We believe—that an honest and consistent devotion to these ideals will so develop us as to give us “the good life” and sustain and build traditions for our college.

WELCOME TO ENTERING STUDENTS

I am glad that you have been accepted for admission to Framingham in September, and it gives me great pleasure to bid you welcome to our college. The college is undergoing great change with the broadening and restructuring of our curriculum, the expansion of our physical plant, and the increase in our enrollment. It is good to realize that the many changes now taking place and those planned for the future are built upon the firm foundation and rich heritage of Framingham.

Framingham, even in its rapid growth, strives to maintain a friendly spirit and to make available to its new students the help and counsel of upperclassmen and an excellent college staff. The college will strive to help you develop intellectual curiosity, aesthetic tastes and moral fibre. You will be concerned with your individual hopes and freedoms and with the promotion of the common good of the college.

The policies and procedures of the college are set forth in the college catalogue, the Student Handbook, and in other publications and apply to all students at the college.

The college holds forth unlimited opportunities which are yours for the taking. How fully you capitalize on these opportunities, in the final analysis, is up to you. I hope confidence and enthusiasm will launch you on a successful college career. I look forward to having you with us here at Framingham and to working with you in furthering your good and that of the college.

DR. D. JUSTIN McCARTHY
President
GAIL E. COSGROVE  
Executive Vice-President

Under the direction of the President, the Executive Vice-President is responsible for the total operation and coordination of the college community. The Executive Vice-President also acts in place of the President during the President's absence from campus.

VINCENT J. MARA  
Academic Dean

The Academic Dean is the chief academic officer of the college responsible for all scholastic matters including curriculum, faculty, and student academic affairs. The maintenance of the academic excellence of the college is the main concern of this office. I welcome questions, comments, and suggestions relative to any academic area from any Framingham student.

DENNIS C. GOLDEN  
Dean of Students

In the Office of Student Services, emphasis is placed on the needs and aspirations of students. Continual efforts are made to help you individually and in groups, to take full advantage of the many educational opportunities offered within the College community.

The Alumni Association of Framingham State College is a vital, enthusiastic, growing organization. The 8,000 women and men who comprise it are scattered throughout the world; nevertheless, they are contacted, informed, and kept current on college and alumni affairs by an active Alumni Office staff. The headquarters, located in Alumni House at 42 Adams Road (to the rear of O'Connor Hall), maintains an up-to-date mailing list of all graduates and is the basis for close contact, resulting in not only interest in the college but in a generous contribution program to the Alumni Fund. This fund, administered by officers elected by the membership, makes possible gifts to the college, whereby furnishings, library equipment, and various addenda, not provided for in the State budget, are made possible for the staff and students. The administration of the Ellen Hyde and the Dr. Martin F. O'Connor scholarship funds is another phase of alumni participation.

A close rapport between the Alumni Association and the students is established and maintained. Two alumni are appointed co-sponsors of each freshman class, becoming the liaison between the students and the Alumni Association. These two sponsors continue with this freshman class until graduation. As part of the Commencement activities, the Senior Class is inducted into the Alumni Association, and representatives are elected to serve on the Council.

LEONA S. BRITTON, '51  
(Mrs. John J. Britton)  
Executive Secretary
To the Class of 1975:

On behalf of the Student Government Association it is my privilege to welcome you to Framingham State College with the sincere hope that you find your four years here rewarding, satisfying and self-fulfilling.

The role of college is not, nor should it ever be, a rigid one; an institution devised to appeal to one group, for one purpose. It must deal with people and, therefore, have a degree of flexibility. Within this range of flexibility it is essential that students play a major role in creating meaningful change that will benefit the entire college community.

Only through the efforts of the student government will we establish that change; only with the efforts of the student body will we make that change meaningful.

If at any time I or any member of the Student Senate, can be of assistance to you, for any reason, please feel free to contact us.

Once again, welcome to Framingham and good luck in the coming year.

Sincerely,

JEFF STETSON
President of Student Government Association

       committee.

ARTICLE VII—JUDICIAL BRANCH

Section I. The Judicial Branch of the Student Government
Association will include (1) a social judicial system and (2) an
academic system. The need for two separate judiciaries is the
result of intelligent reasoning that social infractions receive
social justice and that academic infractions receive academic
justice and that the scope of each division is broad enough to
warrant two separate judicial systems.

The Judicial Branch of the Student Government Association
will be established in accordance with the concept of "due
process." Fair play, proper procedure, proper notification
for determining guilt or innocence will be guaranteed to every
student under this system. Any student accused of violating
a regulation shall have the right to appear before one or more
members of a duly constituted judicial body. All the judicial
bodies shall adhere to the basic fundamentals of "due process."

Section II. The following procedural guidelines are estab-
lished for the direction of all bodies conducting formal hear-
ings in disciplinary matters:

A. Pre-trial:

1. The student shall be notified by an appropriate college
   official that he is accused of violating a regulation.

2. The student shall be notified that he has one of three
   courses of action: (a) the student may admit the alleged
   violation, and request, in writing, that the administrative
   officer take whatever action seems appropriate; (b) the
   student may admit the alleged violation and request a
   hearing before the appropriate judicial body; (c) the
   student may deny the alleged violation in which case
   the administrative officer shall refer him to the appro-
   priate judicial body.

3. At least seventy-two (72) hours prior to the hearing the
   student shall be entitled to the following: (a) written
   notification of the time and place of the hearing; (b)
   written statement of the charges of sufficient particu-
   larity to enable the student to prepare his defense.

B. Trial:

1. The student shall be entitled to appear in person and
   to present his defense to the judicial body and may call
   witnesses in his behalf.
2. The student shall be entitled to be accompanied by counsel of his choice. Counsel shall be a member of the administration, the faculty, or the student body of the college.

3. The student or his counsel shall be entitled to ask questions of any witnesses, and point of fact questions of the judicial body.

4. The student shall be entitled to refuse to answer questions.

5. The student shall be entitled to an expeditious hearing of his case.

C. Post-trial:
   1. The student shall be notified of his right to appeal the decision of the judicial body. Should the student appeal, any action assessed by the judicial body shall be held in suspension until acted upon by a higher body.
   2. The student shall be entitled to refer his appeal only to the next highest court.

ARTICLE VIII

THE HONOR COUNCIL

The students of the Framingham State College believe that the major purpose of education is to develop character. Since honesty and a sense of responsibility are traits of good character, we seek to further their growth by maintaining an Honor System with an Honor Council. This system aims to develop principles of honorable conduct and increase intellectual integrity in all academic work. With this goal in view we pledge ourselves to the support of the constitution of the honor system. According to the regulations of the honor system, each student is placed on his honor in all work designated as honor work.

The Honor Council reviews all cases of reported dishonesty and infractions of the rules.

The chairman of the Honor Council is elected by the student body and is a member of the SGA Council. In addition to the chairman, the Honor Council comprises the following members (elected according to the procedure explained in the Constitution): one Elementary major representative from each of the four classes, one Home Economics major representative from each of the four classes, one Liberal Arts major representative from each of the four classes, and two representatives from the faculty.

Since the success of the Honor System depends entirely upon the co-operation of all taking part in it, students are urged to help by taking a vital interest in its progress.

We are confident that the students of Framingham State College will uphold this privilege of self-government.

HONOR COUNCIL STATUTES

Foreword "LIVE TO THE TRUTH"

We, the students of Framingham State College, desire to prove we can meet the test of this our challenging motto. We believe that the main purpose of education is to develop character. Since honesty and a sense of responsibility are traits of good character, we seek to further their growth by establishing an Honor System and Honor Council. This system aims to develop the principles of honorable conduct and to increase intellectual integrity in all academic work. It is our belief that pride in the establishment of honesty in our professional relationships will also increase our consciousness of the rights of others and will thus develop improved social behavior within our college community. With these goals in view we pledge ourselves to the support of the Honor System.

I

Application

Section I. The Honor System shall apply to every member of the Student body at Framingham State College.

Section II. The faculty shall co-operate by observing the rules of the Honor System and by reporting to the council infractions of rules.

II

Honor

Dishonesty shall be defined as either giving or receiving aid, comparing answers or attempting to do so, during an examination, test, or quiz. In all assigned work such as a theme, term paper, or book report it shall be dishonest to hand in another's work as one's own. In those instances where sources are consulted, proper acknowledgment must be given. It must further be understood that students are to refrain from discussing examination questions in the presence of students who have not yet taken the examination.

It is permissible to engage in co-operative study. In the matter of work books or study questions, if the instructor does not at any time wish students to engage in co-operative study or consult other sources, he must specifically say so.
Since it is recognized that uncertainty may arise in these points of co-operative study, study questions, work books, or late examination, it is the obligation of both student and faculty to clarify the status of all work assigned and all late tests given.

III
Honor Council

V

Regulations

Section 1.

A. In order that all possible misunderstandings may be avoided, all students and faculty members must know and enforce the regulations below.

B. The following regulations are necessary to maintain a proper atmosphere during the taking of examinations and quizzes. A student must understand that infraction of a rule could mean that his name might be reported to the Council. (See Section 2A following.) Since it is absolutely necessary to avoid all appearances of concealed papers or suspicious communications, the students must conduct themselves as follows:

1. Students are to bring to the examination nothing but what the instructor specifies as permissible. Ordinarily this would include only writing materials, and loose paper handkerchiefs. If pocketbooks, glass cases and wraps are brought into the room, the instructor is to designate where they are to be put.

2. Avoid all suspicious actions such as seemingly to look at another's paper, and any unnecessary talking; necessary talking shall be spoken out loud for all to hear.

3. Students desiring clarification of examination questions must leave the room to consult the instructor.

4. A student finding it necessary for any reason to leave the room is to report directly to the instructor.

5. A student may leave the examination early. It is recommended that he put on his paper the hour of leaving.

6. A student who has turned in his examination must leave the room at once and is not to return until the examination has been terminated unless he reports to the instructor first and has his permission.
7. A student after leaving the examination room is to engage in no communication with anyone within hearing of students remaining in the examination room.

8. Examination papers once handed in must be left untouched and unread by other students taking the examination.

C. The faculty shall:
   1. During hour tests and final examinations the instructor must make provisions for adequate spacing between students whenever possible.
   2. Before the instructor leaves, he shall designate in writing at the beginning of the examination:
      a. where he may be found during the period;
      b. where the exam papers are to be turned in.

Section 2.

A. It is the duty of every student and faculty member either to report in writing to the Council any instances of dishonesty or violation of regulations, or to approach the student concerned and to suggest that he report himself. In the latter case, the student or faculty member will check with the Council to make certain that the student has reported himself.

B. It is the duty of every student and faculty member to report to the Council any knowledge of rumors concerning possible infractions of rules.

Section 3.

A. The members of the Council shall maintain the utmost secrecy concerning the names of students reported or students reporting and all details of Council meetings.

B. All students involved, those reporting and those reported, are required to maintain the same secrecy.

C. The faculty committee appointed by the President of the College to review a case is required to maintain the same secrecy.

Section 4.

Acceptance of admission to Framingham State College shall imply agreement with the provisions of the Honor System.

VI

Procedure

Section 1.

The student or faculty member reporting must use a prepared form, one of which will be found at the end of Article VIII. Additional forms are to be found in an envelope attached to the Student Co-operative bulletin board, first floor, Dwight Hall. The report must be sent immediately to the Chairman of the Council. It is requested that faculty members and students provide, if available, the proof necessary to support their charges.

Section 2.

A. Upon receipt of a report of alleged dishonesty or of alleged violation of rules in accordance with V, the Chairman and Secretary of the Council with one of the faculty members may interview the person or persons reported. The Chairman and Secretary shall report to the Council on said interview. If a student reports himself it is not necessary to have a preliminary interview.

B. The defendant shall be called before the Council. The student or faculty member reporting may be asked to meet with the Council separately.

C. The Council after all interviews are completed shall take definite action by vote.

Section 3.

A. If it is the vote of the Council that the student has been guilty of dishonesty, as specified in II, the Appellate and Review Board shall review the case. The Appellate and Review Board shall consist of three faculty members and two students. One faculty member shall be the Chairman and vote in case of a tie. The President of the College shall appoint the faculty and students. The students shall be recommended by the Honor Council. This board shall serve for revolving terms.

If the Council's decision is upheld by the Appellate Board, the student shall face one or more of the following punishments:
1. A student shall be given a written warning.
2. A student shall hold no school office or committee chairmanship either that year or the following year. The Secretary of the Council shall, in this case, notify the Dean of Women at once in writing that the student is no longer eligible for office.
3. The student may be placed on honor probation and all faculty members in whose classes the student in enrolled shall be so notified.
4. A student shall be recommended for suspension without probation.
5. A notice of his offense and of disciplinary measure applied shall be entered as part of the student’s permanent record.
6. The student shall receive an E for the course. This E shall be taken into consideration in computing the student’s quality point rating. He shall be required to make up the necessary credits before graduation. This punishment shall not be used without the specific consent of the instructor in the course.
7. The student shall receive an E for the particular assignment or examination. This E is to be taken into consideration in awarding the final grade for the course. This punishment shall not be used without the specific consent of the instructor in the course.

B. In the event that the faculty committee does not uphold the decision of the Honor Council, the faculty committee shall state to the Council its reasons for disagreeing, and ask the Honor Council to review the case.

C. In the extreme event that the Honor Council maintains its original decision, the Appellate and Review Board shall meet with the Honor Council to openly discuss the feasibility of agreement. The final decision shall come from the joint vote of these two groups. The Honor Council Chairman shall preside over the meeting.

D. Students found guilty of dishonesty will have to satisfy the conditions set by the instructor in whose course the trouble occurred to justify the awarding of a final grade for the course.

E. In the extreme event that a student is found guilty (VI, Section 3A) a second time by the Council, such repetition of guilt being upheld by the Appellate Board, recommendation for expulsion will follow.

F. It is clearly understood that final decision in all cases involving suspension or expulsion rests with the President of the College.

Section 4.
A. If it is the vote of the Council that a student has violated a regulation (Article V), the student shall be notified in writing to this effect. A warning shall be issued that a subsequent conviction for an infraction of a rule of the Honor System during his college course shall call for disciplinary action.

B. If it is the vote of the Council that a student has violated more than one regulation at one time, it shall call for disciplinary action. Such action will be left to the discretion of the Council.

VII
Amendments
Article VIII may be amended by majority vote of the student body and faculty. Any student or faculty member may propose to the Honor Council at any time an amendment for consideration. Such a proposal shall be given due consideration by the Council, and if the Council votes in favor of the proposal, it shall be presented to the Student Government and the faculty for a vote. If the Council does not vote in favor of the proposed amendment, it must be submitted to the student body and faculty for a vote, provided that a petition signed by ten per cent of the student body or faculty so requests.

VIII
Interpretations for the Student
Since the success of the Honor System depends entirely upon the cooperation of all taking part in it, students are urged to help by assuming a vital interest in its progress. May it be the aim of each member of the student body to instill in the minds of the incoming students the tradition of honesty and the
principles of honor which exist in all contacts among students and among students and faculty. With such whole-hearted acceptance of the aims and purposes of the Honor System by each participant, violations of our system will be rare and intolerable, and the judicial functions of the Council will be reduced to a minimum.

**Forms for Reporting Violations of Rules to the Honor Council**

ACADEMIC REGULATIONS

Grading System

1. Framingham State College uses the following marking system:

- A — Superior Work with 4.0 quality points
- B — Good Work with 3.0 quality points
- C — Average Work with 2.0 quality points
- D — Poor Work with 1.0 quality points
- E — Failure with 0 quality points

AU — (Audit—no credit). Full-time student may audit courses with the consent of the instructors. Such course-enrollment will be officially reported on the student's transcript, but the student will not receive any credit. An auditor may not participate actively in course work.

Pass/Fail — Each student may take four courses within the total of 32 on a pass/fail basis with the following conditions:

1. In such cases the student will notify the Registrar by the end of the fifth academic day which course he is taking on this basis. Once this has been done, the student may not change his status.

2. At the completion of the course when the grade is turned in by the instructor, the Registrar will convert the letter grade and record only "pass" or "fail" on the permanent record. This grade will not be counted in computing the quality point average.

3. With the written approval of the chairman of the major department, a student may take one such course in his major or related required areas during the four year period.

4. Only one such course may be taken in any one semester.

5. Pass/Fail will be interpreted in accordance with the present grading system. An "E" will be Fail and all other grades will be Pass.
S/U - Satisfactory/Unsatisfactory. This grade is used only for Student Teaching experience. Added details available from the Education Department.

W - (Withdraw-no credit) Official withdrawal from the college or course before the end of the first four weeks of the semester if it is a semester course or by the end of the first two weeks if it is a quarter course.

WP - (Withdraw Passing-no credit) Official withdrawal from the college or course before the last full week of class meetings and passing the course at that time in the judgment of the instructor.

WF - (Withdraw Failing-no credit) Official withdrawal from the college or course before the last full week of class meetings and failing the course at that time in the judgment of the instructor.

N - (Absent from Final Examination) This is a temporary grade given for a student absent from a final examination. The examination which was missed must be taken within two weeks of the final day of the final exam period, or it becomes an "E", unless an extension is granted by the Academic Dean when circumstances warrant.

I - (Incomplete) This is a temporary grade which may be given to a student when the instructor is satisfied that circumstances beyond the student's control other than absence from the final examination (See N above) prevented him from completing the required work of the course. An "INC" will not be given, however, unless 80 per cent of the work has been completed. Student indifference resulting in inability to get work in on time is not reason for giving an "I." The "I" will be changed to "E", unless an extension is granted by the Academic Dean when circumstances warrant.

2. Only the work taken at Framingham State College including the day, evening, and summer session programs will be used in determining the Q.P.A. of any student except for suspended students.

3. The number of quality points which a student receives in a course is determined by multiplying new course credit by the corresponding number of quality points (explained in #1). The Quality Point Average is computed by dividing the total number of quality points by the total number of course credits.

4. The determination of quality points is made at the end of each semester.

5. A student must have a quality point ratio of 1.5 at the end of the first year; 1.75 at the end of the second year, cumulative for two years; 2.0 at the end of the third year, cumulative for three years; and 2.0 at the end of the fourth year, cumulative for four years. The student must have a final cumulative ratio of 2.0 in order to graduate.

6. "E" grades can never be removed, but the subjects in which they have been received must be repeated and passed, or, in the case of electives, other approved courses must be taken and passed either in approved summer sessions or, when possible, during the regular college year. Continuing subjects in which "E" grades have been received must be successfully repeated before the student may take advanced work except when a departmental policy permits otherwise. When the "E" grade work has been successfully passed, the student's cumulative Q.P.A. will be computed on the basis of the repeated course grades. Students are reminded that only Framingham State College grades are used in determining the Q.P.A. (See #2 above).

7. A senior student who fails a course or fails to meet the required 2.0 cumulative Quality Point Average, may be allowed to correct such a deficiency by attendance at a summer session in an accredited institution if approval is
8. A minimum of one full year of academic study (at least eight courses or their equivalent) must be completed at Framingham State College in order to receive a degree from the college.

9. Only grades of "C" or better are accepted by Framingham State College as transfer grades from other approved colleges.

Quality Point Average (Q.P.A.)

The Quality Point Average for each semester and cumulatively is presented in three digits, one before and two after the decimal point.

Warnings

Major warnings (grade of "F") and minor warnings (grade of "D") may be issued to the student at the mid point of any course. Warnings may also be issued at any time if the student's work is approaching a less than satisfactory level.

Class Placement

1. Each student is responsible for following the appropriate program of his major to insure the completion of all course work in the normal four year sequence. The curriculum requirements for each year differ by major departments, so to insure reasonable opportunity for course planning at registration the following levels are followed:

   Completion of less than 8 courses represent freshman status
   Successful completion of 8 courses represents sophomore status
   Successful completion of 16 courses represents junior status
   Successful completion of 24 courses represents senior status

2. These standings are made at the completion of each semester for registration purposes for the next semester.

Late Registration Fee

In the event that a student fails to register at the prescribed period, he will be allowed to register late in the Registrar's Office. At the time of late registration, he must provide the Registrar with the reasons for his not registering on schedule and must also pay a late registration fee of $5 to the Registrar.

Attendance

The college operates a “free cut” unlimited absence system of attendance with the exception of required attendance in physical education and in student teaching.

While this system offers the student the opportunity to make some independent choices about the need for class attendance, the student needs to understand that a passing grade in any course can only be given when the work for that course has been completed to the satisfaction of the instructor.

Pregnancy

When a student becomes pregnant she must confer with her advisor or the academic dean before registering for classes. The advisor in concert with the academic dean will recommend to the student the course of action which will best serve the well being of the student.

Withdrawal

In the event that a student desires to withdraw from the college, he must follow these procedures:

1. Obtain withdrawal forms from the Registrar.
2. Distribute forms to his instructors.
3. Notify the Dean of Students.
4. Notify the College Business Office.
5. Notify the Financial Aid Office
6. Notify the Academic Dean.
7. Return the completed withdrawal forms to the Registrar. At this time, review procedures for possible readmission at a future date including the make up of "N" and "INC" grades.
Return After Withdrawal
A student who withdraws from the college in good standing without completing his baccalaureate studies may return to the college upon request to the Registrar. To insure his return at the time desired, the student must make such a request to the Registrar before May 1 for the fall semester or before December 1 for the spring semester. Requests received later than these dates may result in a semester's delay in the return of the student to the college.

Eligibility
Any full-time undergraduate student who meets the normal academic regulations of the college is eligible to participate in inter-collegiate athletic events and hold major elective offices.

Academic Probation
1. If a student fails to maintain the required cumulative Q.P.A. for his class level at the end of any semester, he is placed on probation.
2. Students on probation are restricted as follows:
   A. Required attendance at classes.
   B. Ineligible to carry more than normal academic load.

Academic Suspension
If a student is on probation for two consecutive semesters, his complete record will be studied by the Committee on Scholastic Standing. Ordinarily this review will result in the suspension of the student, unless extraordinary circumstances warrant allowing the student to continue for another semester.

Readmission After Suspension
1. If a student has been suspended from the college for academic reasons, he may request readmission after the lapse of one semester. He must apply for such readmission through the Director of Admissions. The decision as to whether or not to readmit will be made by the Committee on Scholastic Standing upon recommendation of the Director of Admission from evidence he has received from the student which provides reasonable expectations of successfully completing the degree program upon return to the college.
2. A student who is suspended twice for academic deficiencies may not again apply for readmission.

Honors
Dean's List
A student carrying a minimum of 12 semester hours (4 courses starting in 1971) earns a place on this honor roll (published each semester) for each semester in which he earns a Q.P.A. or 3.2 or higher.

President's List
A student carrying a minimum of 12 semester hours (4 courses starting in 1971) earns a place on this honor roll (published each semester) after he has earned a Q.P.A. of 3.2 or higher for each of three semesters. He must maintain this average to remain on this list.

Graduation Honors
The baccalaureate degree is conferred:
Cum laude upon a student with a seven semester cumulative quality point average of 3.2 through 3.39.
magna cum laude upon a student with a seven semester cumulative quality point average of 3.4 to 3.69.
summa cum laude upon a student with a seven semester cumulative quality point average of 3.7 to 4.0.
To be eligible for graduation honors, a student must never incurred loss of good standing for disciplinary or academic reasons.
Adding or Dropping Courses

1. A student may drop a semester course (or change section of same) without penalty if he does so before the end of the fourth week of classes.

2. A student may drop a quarter course (or change section of same) without penalty if he does so before the end of the second week of classes.

3. A student may add a semester course if he does so before the tenth day of classes.

4. A student may add a quarter course if he does so before the fifth day of classes.

5. In the event that a student adds or drops any course or changes a section of same, he must get the appropriate form from the registrar's office and return it to that office when completed.

6. If the student desires to add or drop a course or change a section, he must obtain his advisor's signature on the appropriate form (#5 above), after determining with his advisor that this change will not adversely effect his academic load requirements. In cases where questions arise, these changes must meet the approval of the academic dean. In addition, he must obtain other appropriate signatures as indicated on registrar's form.

Change of Major

If a student desires to change his major, he must follow these procedures:

1. He must obtain a change of major card from the Registrar's Office.

2. He must have an interview with the chairman of the department to which he wishes to change. Ordinarily the chairman will agree to such a change, but if circumstances warrant, the student may be denied the change or asked to delay the request for change until a later time.

3. If the change is granted, the chairman of the department will assign a new advisor for the student.

4. The student must then notify the department chairman and former advisor of the department he is leaving of this change.

5. After meeting with all faculty concerned, the student must return the Change of Major card to the Registrar. When the completed card is returned, the change is completed. Failure to return the card to the Registrar will result in the student being carried on registration rolls in the wrong major, and he cannot be allowed to register for the next semester in the new program.

6. A change of major must be completed by December 1 of any year to be effective for the spring semester, or by May 1 of any year to be effective for the fall semester.

7. Entering transfer students are obliged to comply with all of the above stated policies for a Change of Major.

8. Entering freshmen students may change their major during their initial orientation-registration period after giving notice to the department chairman of original and new major.

Examinations

1. All examinations are to be given within the structure of the Honor System (refer to the student handbook).

2. Examinations, other than the final examinations, may be scheduled at the discretion of the instructor. It is the responsibility of the student to follow whatever procedures are established and presented in writing to the students by the instructor at the start of each semester for such tests.

3. Final examinations are required in all courses excepting only those courses approved by the College Curriculum Committee with differing requirements. Unless exceptions are approved by the department chairman and the academic dean, final examinations will be given during regularly scheduled examination periods and the student must take the examinations at that prescribed time. Students in their last academic year prior to their gradua-
4. In the event of a conflict in the final examination schedule of a student, the student must arrange with the faculty members involved for a mutually convenient time during the final examination period for the conflict to be resolved so that all examinations can be taken. This change of exam schedule is not considered an "absence" as described below.

5. Faculty members will send to the academic dean one copy of the final examination for each student absent (not for conflict—see #4 above) from the scheduled exam. The name of each student must be written on each examination. The academic dean will administer such examinations and will return them to the instructor when completed.

6. If a student is absent from the final examination, he will be given a grade of "N" by the instructor. The "N" grade will be changed to any other grade by the instructor if the exam is made up no later than two weeks of the final day of the final examination period. Unless an exception is approved by the academic dean, failure to make up the exam during this time will result in a grade of "E". The student must present the academic dean with sufficient reasons to be allowed to make up this examination.

Students provide a mattress pad, bedding, supplementary furnishings such as window drapes, bedspreads, desk lamps, etc. (O'Connor Hall has some drapes and desk lamps; Larned Hall has drapes but no overhead light; Linsley Hall has drapes.) It is suggested that entering students purchase their room furnishings after moving into residences as window sizes are not standard, interior color may be a consideration as well as roommate wishes and tastes.

e. Each student is responsible for any guest violation of a rule and/or regulation. Such violations may be handled by the Living Unit Judiciary.

6. *Hours*

All resident students may use their own discretion as to their time of return to the residence houses. However, for the security of students remaining in the houses, doors will be locked at 1:00 A.M., Sunday through Thursday, and at 2:00 A.M., Friday and Saturday. After closing hours, only specified central entrances may be used except in cases of fire or other emergency. Doors will be unlocked at 6:30 A.M. This is a self-directed program, therefore students should abide by the authorized closing hours.

7. *Sign-In and Sign-Out*

Cards are provided at designated areas in each residence hall for the use of the residents to sign-in and sign out. The information on the card is confidential and will be used only in the case of an emergency to contact a student. Should the student not sign in or out, the College cannot accept the responsibility for his safety, well-being, or for contacting him in case of an emergency. Because of the aforementioned reasons, we urge students to sign-in and out. Should the student, however, decide not to sign-in or out, we recommend that he inform friends and roommates of his whereabouts when he leaves the residence hall. All residence students must sign-out when the residence halls close for long weekends, college vacations, and semester break, and sign-in upon their return to the residence hall.

It is expected that residence students will keep families informed of their social activities. It should also be recognized that the college will take an active interest in student social activities.
8. Long Weekends
   a. Closing reasons and procedures
      For reasons of security and safety it may be deemed advisable to close some of the houses on long, or extended, weekends. A sign-up sheet for the long weekend will be at the desk in each house two weeks prior to the long weekend. If sufficient students sign up in each residence, the house may remain open. Otherwise, the houses will be closed, the remaining women residents being housed in Peirce Hall; the remaining resident men will be housed in Linsley Hall.

   b. Guest slips (see section 3.c.1)
   c. Desk and Telephone Duty
      Students remaining on campus in either their own residence or in Peirce Hall will be expected to take desk, telephone, and similar duties on a volunteer basis.

   d. Hours
      Regular hours will be observed with the exception of the last night of a long weekend which will have the same hours and procedure as Sunday night.

   e. Re-opening time
      Residences will re-open at 2:00 P.M. on the last day of the long weekend.

9. Smoking
   Smoking is allowed in residence rooms only in O'Connor, Larned and Linsley Halls. No smoking is allowed in residence rooms in Crocker, Horace Mann and Peirce Halls. Any evidence of smoking in the resident's rooms (in the latter three halls) such as filled ash trays, cigarette remains in a wastebasket, or ashes in the room will be considered sufficient reason for assuming that smoking did occur in the resident's room. Violations may be referred to the Living Unit Judiciaries.

10. Fire Safety
    Upon discovering a fire, no matter how small, turn in the alarm immediately by breaking the glass in the fire alarm box nearest to the fire. Learn at once the location of fire alarm boxes, exits, and the designated meeting place outside the building. If you are in your room, shut the windows and door. Do not, however, attempt to return to your room from another part of the building. Get out of the building at once, using stairs. Do not use fire escapes unless stairways are blocked or otherwise cut-off. Walk rapidly to the nearest exit. Do not run. Avoid panic; get out in a calm, orderly fashion. Once out of the building, go directly to the designated meeting place and stay there until the Fire Chief gives permission to return to the building or until special instructions are given by authorized College authorities. Fire drills are held on a periodic basis in all buildings during the academic year.

11. Pets
    For the safety, health and well being of all the residents NO PETS are allowed in a residence hall.

COMMUNITY OFFERINGS

CULTURAL ASPECTS

Framingham offers many cultural programs: lectures on a variety of subjects, concerts, and plays. Organizations using College facilities often open their meetings to students; there are special student tickets at reduced prices for the Community Concert series presented in Framingham.

There is an array of community offerings within a radius of two miles from the FSC campus. Shopping centers are easily accessible by bus, as well as a variety of restaurants, movie theaters, motels, night clubs or function rooms. A ride down Route 9, otherwise known as the "Golden Mile," may prove to be a rewarding experience, as it holds something for every occasion.

Sudbury and other towns within a narrow radius of Framingham also have unique features of special interest to the college student.

A series of lectures during the college year is arranged by the Special Programs Committee, open to students of our own and neighboring colleges and to the residents of the town of Framingham.

RED CROSS

The Red Cross College Unit cooperates with the Framingham Chapter of the Red Cross. Through it students are able to participate as a group in Red Cross activities.
