THE HISTORY OF FRAMINGHAM

Over 130 years ago the Massachusetts public schools were faced with the fact that their teachers were poorly qualified for their profession because of ignorance of methods and subject matter. Consequently, the children attending public schools were acquiring an education far below the standard of private schools. To remedy this situation, a group of men believing that society must offer equal opportunity for development to all its children formed the Massachusetts Board of Education in 1837 with Horace Mann as secretary. The Board of Education's purpose was to establish public normal schools for teacher training. The munificent gift of Edmund Dwight made possible the founding of three such schools. Lexington, the site of the first school, opened in 1839 with Cyrus Peirce as principal. In 1844, the school was moved to West Newton, and then to its present site in Framingham in 1853.

During the nineteenth century Framingham State Normal School greatly influenced the development of normal schools for Negroes and Indians in the south. Ellen Hyde, class of 1875, taught at Hampton Normal Institute in Virginia for thirty years. Booker T. Washington, founder of Tuskegee Institute in Alabama, frequently visited Framingham. Here, he was inspired to establish the Normal School Section of Tuskegee with the help of his wife, Olivia Davidson, Framingham class of 1881.

Until 1898 the school prepared teachers for the elementary grades only, but during that year the Mary Hemenway School of Domestic Science in Boston was annexed. In 1920 the Vocational Department was added by the Federal Board of Vocational Education.
In 1932, the Massachusetts Legislature extended to the normal school the privilege of granting B.S. degrees upon completion of a prescribed four-year course, thus making all Massachusetts normal schools State Teachers Colleges. In 1960 the Legislature authorized granting of the B.A. degree and our school officially became known as the State College at Framingham. In the fall of 1962 Framingham welcomed the first group of students in Liberal Arts. In the fall of 1964 men were admitted as commuters to all departments except home economics.

The enrollment for this year will be approximately 2450 students.

BUILDINGS AND LANDMARKS

The Entrance to the College Grounds

The Henry Whittemore Memorial Gate, at the entrance to the Campus, was given by the Classes of 1917, 1918, and 1919, and named for Mr. Whittemore, Principal of the Framingham Normal School from 1898 to 1917.

Dwight Hall, the administration and classroom building, is named for Edmund Dwight of Boston, who by his munificent gift made it possible for Horace Mann to start the State Normal Schools in Massachusetts.

May Hall, named for Miss Abbie W. May, who was chairman of the board of visitors in the 1880's, was the main classroom and administration building prior to the opening of Dwight Hall. It was opened in September, 1889, and dedicated in June, 1890. The first floor was used then primarily as a practice school. In 1898 the Mary Hemenway Household Art Department was added to this building. In September 1962 when Hemenway Hall opened, the History and English departments moved to May Hall.

Hemenway Hall, named for Mary Hemenway who was in large measure responsible for the present Department of Home Economics at Framingham, was opened in September, 1962. Other departments now located in this building include the sciences and mathematics, and art.

Henry Whittemore Library opened its doors to Framingham students during the 1969-70 academic year. It presently houses 75,000 volumes, 600 serials and receives seven daily newspapers. In addition to excellent library facilities, the library also accommodates Music, Language and Instructional Media Departments. Hours: Monday-Friday: 8:00 A.M.-11:00 P.M.; Saturday: 9:00 A.M.-11:00 P.M.; Sunday: 2:00 P.M.-11:00 P.M.

Peirce Hall, named after Cyrus J. Peirce the first principal of the first State Normal School in America, accommodates one hundred and ten women of all classes. Here also is the residence dining room.

Horace Mann Hall, named for Horace Mann, educator and father of the normal school movement in our country, was built in 1920 to replace old Normal Hall which had burned. All classes are represented in this women's house.

Crocker Hall, a women's resident named after Miss Lucretia Crocker, an outstanding teacher and the first woman to be appointed supervisor of the Boston schools, was built in 1886 to be used as a residence. On Christmas of the following year the hall was partially destroyed by fire. It was later repaired, enlarged and remodeled, and the new Crocker opened to the Junior Home Management Group on March 4, 1940. With the opening of Foster Home Management Center, Crocker Hall is now totally a Women's Residence.

Martin F. O'Connor Hall, built in 1959 and named in honor of the president who served from 1936-1961, is a combined student union and residence for 210 women. O'Connor Hall also houses a commuter cafeteria, snack bar, game room, lounges, TV room, study hall, and guest rooms. The Student Government Association offices and the publications suite are located in this hall.

Dorothy Larned Hall, a six-floor women's residence, named in honor of Dorothy Larned, Dean of Women from 1944-61, was opened in September 1968.

James D. Linsley Hall, named in memory of James D. Linsley, History department, 1967-1970, was opened during the 1971-72 academic year and accommodates 150 men.

Foster Home Management Center, named in honor of Stuart C. Foster, for many years Chairman of the Chemistry Department and closely associated with the Home Economics Department, offers apartment style living accommodations for those women students involved in the Home Management Practicum. A maximum of twenty-four students living in the several apartments may be involved in any eight week period.

Ecumenical Center on Maynard Road, formerly the Seventh Day Adventist Church, opened as the College Ecumenical Center and Lecture Hall in December of 1970.

COLLEGE HYMN

Dear Framingham, thy children around thee gather:
Our vows of love to thee we pledge anew.
Unfailing font of hope and joy forever.
We shall proclaim our homage to you.
Through countless years to all a fostering mother.
Thy bounteous blessings poured on age and youth;
Our suppliant prayer till time our chain shall sever
Will ever be. "Live to the Truth."

OUR CREED

We believe—in the Framingham State College and in its motto “Live to the Truth.”

We believe—in a spirit of loyalty to our teachers, classmates, and friends;
in a spirit of cooperation and sportsmanship in the classroom, on the athletic field, and in all other activities.

We believe—in courtesy at all times, and a consideration for rights and privileges of others;
in true and generous comradery and mutual helpfulness that insure the well-being and advancement of the individual and the group.

We believe—in a high standard of scholarship, intellectual integrity, and thoroughness in all our undertakings;
in making diligent search through our contacts with people and books after the best that life has to offer.

We believe—that an honest and consistent devotion to these ideals will so develop us as to give us “the good life” and sustain and build traditions for our college.

WELCOME TO ENTERING STUDENTS

I am glad to welcome you to Framingham State College as a member of the Class of 1976. It is good to know that you have been admitted to Framingham, and I hope that you in turn will find satisfaction in having selected this college as your alma mater.

In these particularly crucial times the years ahead will hold great significance for you. As an individual you will have the opportunity to develop intellectually, socially, and professionally. As a Framingham student you will also become familiar with the College Creed. Of particular significance is that part which says, “We believe—in consideration for rights and privileges of others—in true and generous comradery and mutual helpfulness that insure the well-being and advancement of the individual and the group.”

Framingham’s rapidly expanding campus and broadening academic programs, growing from a uniquely rich heritage, hold forth to you every opportunity for a splendid education in the years ahead. All of us—administration, faculty, students—stand ready to work cooperatively with you in making the best of the advantages offered you. In the long run, however, only you can determine how well you capitalize on the opportunities which are yours for the taking. The ultimate degree of success which you achieve must be determined by you yourself.

I hope confidence and enthusiasm will launch you on a successful career in college and in our complex society. I look forward to meeting you personally and to working with you in furthering your good and that of the college.

DR. D. JUSTIN McCARTHY
President
GAIL E. COSGROVE
Executive Vice-President

Under the direction of the President, the Executive Vice-President is responsible for the total operation and coordination of the college community. The Executive Vice-President also acts in place of the President during the President's absence from campus.

VINCENT J. MARA
Academic Dean

The Academic Dean is the chief academic officer of the college responsible for all scholastic matters including curriculum, faculty, and student academic affairs. The maintenance of the academic excellence of the college is the main concern of this office. I welcome questions, comments, and suggestions relative to any academic area from any Framingham student.

DENNIS C. GOLDEN
Dean of Students

In the Office of Student Services, emphasis is placed on the needs and aspirations of students. Continual efforts are made to help you individually and in groups, to take full advantage of the many educational opportunities offered within the College community.

The Alumni Association of Framingham State College is a vital, enthusiastic, growing organization. The 8,000 women and men who comprise it are scattered throughout the world; nevertheless, they are contacted, informed, and kept current on college and alumni affairs by an active Alumni Office staff. The headquarters, located in Alumni House at 42 Adams Road (to the rear of O'Connor Hall), maintains an up-to-date mailing list of all graduates and is the basis for close contact, resulting in not only interest in the college but in a generous contribution program to the Alumni Fund. This fund, administered by officers elected by the membership, makes possible gifts to the college, whereby furnishings, library equipment, and various addenda, not provided for in the State budget, are made possible for the staff and students. The administration of the Ellen Hyde and the Dr. Martin F. O'Connor scholarship funds is another phase of alumni participation.

A close rapport between the Alumni Association and the students is established and maintained. Two alumni are appointed co-sponsors of each freshman class, becoming the liaison between the students and the Alumni Association. These two sponsors continue with this freshman class until graduation. As part of the Commencement activities, the Senior Class is inducted into the Alumni Association, and representatives are elected to serve on the Council.

LEONA S. BRITTON, '51
(Mrs. John J. Britton)
Executive Secretary
To the Class of 1976:

It is my privilege to welcome you to Framingham on behalf of the Student Government Association with the sincere hope that your four years here will be valuable to you not only in terms of your career objectives but also in relationship to your own personal growth.

You are entering here from different backgrounds and perhaps with different objectives; yet you are now linked together by the common bond which was created when you chose to be a student at Framingham and a member of the class of 1976.

The pride that you will have four years from now for your class and your school will depend largely upon your desires, as individuals, to create change, and your willingness, as a class, to make that change meaningful.

I sincerely hope that the friendships that you will develop at Framingham will be close ones, that your memories of Framingham will always be fond, but above all I hope that the experiences you are about to face will help you not only discover yourself but also the full potential of people who sincerely care.

Good luck to you in achieving your goals and all of us in Student Government look forward to meeting you and helping if we can.

Once again, welcome to Framingham.

Sincerely,

ARTICLE VII—SOCIAL JUDICIAL SYSTEM

The Judicial Branch of the Student Government Association will include a social judicial system and an academic system. The need for two separate judicatures is the result of intelligent reasoning that social infractions receive social justice and that academic infractions receive academic justice and that the scope of each division is broad enough to warrant two separate judicial systems.

Section I. The Social Judicial System of the Student Government Association was established in accordance with the concept of “due process.” “Fair play” will be guaranteed to every student under this system. Any student accused of violating a regulation shall have the right to appear before a two-thirds quorum of a duly constituted judicial body. All the judicial bodies shall adhere to the basic fundamentals of “due process.”

Section II. The following procedural guidelines are established for the direction of all bodies conducting formal hearings in disciplinary matters. Decisions on all cases on the docket must be rendered before the June graduation exercises of the academic year in which the infraction occurred.

A. Pre-trial:

1. ARTICLE VIII
THE HONOR COUNCIL

The students of the Framingham State College believe that the major purpose of education is to develop character. Since honesty and a sense of responsibility are traits of good character, we seek to further their growth by maintaining an Honor System with an Honor Council. This system aims to develop principles of honorable conduct and increase intellectual integrity in all academic work. With this goal in view we pledge ourselves to the support of the constitution of the honor system. According to the regulations of the honor system, each student is placed on his honor in all work designated as honor work.

The Honor Council reviews all cases of reported dishonesty and infractions of the rules.

The chairman of the Honor Council is elected by the student body and is a member of the SGA Council. In addition to the chairman, the Honor Council comprises the following members (elected according to the procedure explained in the Constitution): one Elementary major representative from each of the four classes, one Home Economics major representative from each of the four classes, one Liberal Arts major representative from each of the four classes, and two representatives from the faculty.

Since the success of the Honor System depends entirely upon the cooperation of all taking part in it, students are urged to help by taking a vital interest in its progress.

We are confident that the students of Framingham State College will uphold this privilege of self-government.
HONOR COUNCIL STATUTES

Foreword “LIVE TO THE TRUTH”

We, the students of Framingham State College, desire to prove we can meet the test of this our challenging motto. We believe that the main purpose of education is to develop character. Since honesty and a sense of responsibility are traits of good character, we seek to further their growth by establishing an Honor System and Honor Council. This system aims to develop the principles of honorable conduct and to increase intellectual integrity in all academic work. It is our belief that pride in the establishment of honesty in our professional relationships will also increase our consciousness of the rights of others and will thus develop improved social behavior within our college community. With these goals in view we pledge ourselves to the support of the Honor System.

I

Application

Section I. The Honor System shall apply to every member of the student body at Framingham State College.

Section II. The faculty shall co-operate by observing the rules of the Honor System and by reporting to the council infractions of rules.

II

Honor

Dishonesty shall be defined as either giving or receiving aid, comparing answers or attempting to do so, during an examination, test, or quiz. In all assigned work such as a theme, term paper, or book report it shall be dishonest to hand in another’s work as one’s own. In those instances where sources are consulted, proper acknowledgment must be given. It must further be understood that students are to refrain from discussing examination questions in the presence of students who have not yet taken the examination.

It is permissible to engage in co-operative study. In the matter of work books or study questions, if the instructor does not at any time wish students to engage in co-operative study or consult other sources, he must specifically say so.

Since it is recognized that uncertainty may arise in these points of co-operative study, study questions, work books, or late examination, it is the obligation of both student and faculty to clarify the status of all work assigned and all late tests given.

Since it is absolutely necessary to avoid all appearances of concealed papers or suspicious communications, the students must conduct themselves as follows:

VII

Amendments

Article VIII may be amended by majority vote of the student body and faculty. Any student or faculty member may propose to the Honor Council at any time an amendment for consideration. Such a proposal shall be given due consideration by the Council, and if the Council votes in favor of the proposal, it shall be presented to the Student Government and the faculty for a vote. If the Council does not vote in favor of the proposed amendment, it must be submitted to the student body and faculty for a vote, provided that a petition signed by ten per cent of the student body or faculty so requests.

VIII

Interpretations for the Student

Since the success of the Honor System depends entirely upon the cooperation of all taking part in it, students are urged to help by assuming a vital interest in its progress. May it be the aim of each member of the student body to install in the minds of the incoming students the tradition of honesty and the principles of honor which exist in all contacts among students and among students and faculty. With such whole-hearted acceptance of the aims and purposes of the Honor System by each participant, violations of our system will be rare and intolerable, and the judicial functions of the Council will be reduced to a minimum.

Forms for Reporting Violations of Rules to the Honor Council

Your cooperation in reporting infraction immediately is most urgently requested. A delay of even a day or two may hamper the Council in carrying out their judicial functions.

Under the Honor System I am bound to report this infraction:

In order for its final acceptance it shall be necessary to acquire a two-thirds majority of the Senate.

Twenty percent of the student body must vote either in an All-College Assembly or on a written ballot. A majority of the aforementioned 20% shall annul or either affirm said act or resolve.

ARTICLE XIV

Addendum to the Constitution

The power of taxation, utilization of funds, and ultimate responsibility for its management shall rest with the Student Government Association Senate. In order to maintain a workable system of checks and balances, and to insure a fair, accurate and knowledgeable understanding of budgetary needs the Senate shall review all expenditures of clubs and organizations at the first Senate meeting of every month and at the request of the Executive Board or members of the Student Senate.

The Student Government Association recognizes that ultimate responsibility of activity fees lies with the President of the college. It also recognizes, however, the responsibility and the duties of the Student Government as the duly designated representative of the student body and strongly urges all segments of the college community to encourage the implementation of this responsibility.

The format to be followed in the final development of a proposed activity fee shall be:

1. During the month of March the Executive Board of the Student Senate shall review with the treasurers of each funded club and organization of Student Government Association the current financial status of the club and the rationale for the proposed budgets for the following year.

2. The Executive Board may not change or alter such proposals without the approval of the treasurer or spokesman for the club. It may, however, list a series of recommendations to be given to the senate as to the advisability of such a proposal.

3. At the completion of these initial hearings the President of the Student Government Association shall submit all budget proposals to the Senate for their review. At this time any recommendations for changes in a particular request or series of requests, shall necessitate a simple majority vote of the Senate. If said recommendations are approved it shall become the tentative budget for the following year and the over all proposed activity fee shall be changed accordingly.

4. The initial draft of proposed budget requests as tentatively approved by the Student Government Association Senate shall be presented to the Student Body by the President of the Student Government Association at an all College Assembly for discussion as to the rationale of said requests.

5. The final approval of the proposed budget shall occur at the next regularly scheduled Senate meeting following the All College Assembly. A simple majority vote of the Senate shall approve the student activity fee budget for the fol-
lowing year and shall be submitted to the President of the College for his approval.

6. In order to insure that the student body maintains the ultimate power, and to safeguard the concept of representation the recommended activity fee must be approved by the Senate no later than May 10. If approval has not been obtained by that date the Student Senate relinquishes its power of taxation for that year and an All College Assembly shall be mandatory.

If an All College Assembly is necessary it shall be announced one full week in advance and a simple majority of all students attending will approve or annul said budget requests.

<table>

<tbody>
<tr>
<td>A - Superior Work</td>
<td>4.0</td>
</tr>
<tr>

<td>C - Average Work</td>

</tr>
<tr>
<td>D - Poor Work</td>

<tr>
<td>E - Failure</td>
<td>0.0</td>
</tr>
</tbody>
</table>

   AU - (Audit—no credit). A full-time student may audit courses with the consent of the instructors. Such course enrollment will be officially reported on the student's transcript, but the student will not receive any credit. An auditor may not participate actively in course work. A special approval card for this status must be obtained from the Registrar's Office and returned completed by the end of the fifth academic day.

   Pass/Fail - Each student may take four courses within the total of 32 on a pass/fail basis with the following conditions:

   a. In such cases the student will notify the Registrar's Office which course he is taking on this basis by the end of the fifth academic day of the semester or quarter in which it is taken. Once this has been done, the student may not change his status. A student is eligible for Dean's List if one of his four courses has "P/F status."

   b. At the completion of the course when the grade is turned in by the instructor, the Registrar will convert the letter grade and record only "pass" or "fail" on the permanent record. This grade will not be counted in computing the quality point average. The original letter grade is kept by the Registrar and may be released only with permission of the student.

   c. With the written approval of the chairman of the major department, a student may take one such course in his
major or related required areas during the four year period.

d. Only one such course may be taken in any one semester.

e. Pass/Fail will be interpreted in accordance with the present grading system. An "E" will be fail and all other grades will be pass.

SU — Satisfactory/Unsatisfactory. This grade is used only for Student Teaching experience. Added details available from the Education Department.

W — (Withdraw—no credit) Official withdrawal from the college or course before the end of the twentieth academic day if it is a semester course, or by the end of the tenth academic day if it is a quarter course.

WP — (Withdraw Passing—no credit) Official withdrawal from the college or course before the last full week of class meetings and passing the course at that time in the judgment of the instructor.

WF — (Withdraw Failing—no credit) Official withdrawal from the college or course before the last full week of class meetings and failing the course at that time in the judgment of the instructor.

N — (Absent from Final Examination) This is a temporary grade with 0 (zero) quality point value given for a student absent from a final examination. The examination which was missed must be taken within two weeks of the final day of the final exam period, or it becomes an "E," unless an extension is granted by the Academic Dean when circumstances warrant.

I — (Incomplete) This is a temporary grade with 0 (zero) quality point value which may be given to a student when the instructor is satisfied that circumstances beyond the student's control other than absence from the final examination (see N above) prevented him from completing the required work of the course. An "I" will not be given, however, unless 80 per cent of the work has been completed. Student indifference resulting in inability to get work in on time is not reason for giving an "I." The "I" will be changed to any other appropriate grade by the instructor if the course work has been fully completed by the end of the first four weeks of the next semester if it is a semester course or by the end of the first two weeks of the next quarter if it is a quarter course. If the work is not completed within the given time, the "I" will be changed to "E," unless an extension is granted by the Academic Dean when circumstances warrant.

2. Only the work taken at Framingham State College including the day, evening, and summer session programs will be used in determining the Q.P.A. of any student except for suspended students.

3. The number of quality points which a student receives in a course is determined by multiplying new course credit by the corresponding number of quality points (explained in #1). The Quality Point Average is computed by dividing the total number of quality points by the total number of course credits.

4. The determination of quality points is made at the end of each semester.

5. A freshman must maintain a cumulative quality point average of 1.5; a sophomore must maintain a cumulative quality point average of 1.75; a junior must maintain a cumulative quality point average of 2.0; a senior must maintain a cumulative quality point average of 2.0. The student must have a final cumulative quality point average of 2.0 in order to graduate.

6. "E" grades can never be removed, but the subjects in which they have been received must be repeated and passed. In the case of electives, other approved courses must be taken and passed either in approved summer sessions or, when possible, during the regular college year. Continuing subjects in which "E" grades have been received must be successfully repeated before the student may take advanced work except when a departmental policy permits otherwise. When the "E" grade work has been successfully passed, the student's cumulative Q.P.A. will be computed on the basis
of the repeated course grades. Students are reminded that only Framingham State College grades are used in determining the Q.P.A. (See #2 above).

7. A senior student who fails a course or fails to meet the required 2.0 cumulative quality point average, may be allowed one additional opportunity to correct such a deficiency by study in an accredited institution if approval is granted by his department chairman and the academic dean. Such study must be completed satisfactorily in the term immediately following the normal date for completing the degree requirements. In such cases, the grade received in the make up course will be used as substitute for the original grade in computing the final Q.P.A., but the original grade will remain permanently on his record.

8. A minimum of one full year of academic study (at least eight courses or their equivalent) must be completed at Framingham State College in order to receive a degree from the college.

9. Only grades of "C" or better are accepted by Framingham State College as transfer grades from other approved colleges.

Quality Point Average (Q.P.A.)
The Quality Point Average for each semester and cumulatively is presented in three digits, one before and two after the decimal point.

Warnings
Major warnings (grade of "E") and minor warnings (grade of "D") may be issued to the student at the mid point of any course. Warnings may also be issued at any time if the student's work is approaching a less than satisfactory level.

Class Placement for Registration
1. Each student is responsible for following the appropriate program of his major to insure the completion of all course work in the normal four year sequence. The curriculum requirements for each year differ by major departments, so to insure reasonable opportunity for course planning at registration the following levels are followed:

Completion of less than 8 courses represents freshman status
Successful completion of 8 courses represents sophomore status
Successful completion of 16 courses represents junior status
Successful completion of 24 courses represents senior status

2. These standings are made at the completion of each semester for registration purposes for the next semester.

Late Registration Fee
In the event that a student fails to register at the prescribed period, he will be allowed to register late in the Registrar's Office. At the time of late registration, he must provide the Registrar with the reasons for his not registering on schedule and must also pay a late registration fee of $5.00 to the Registrar.

The Academic Load
1. The normal course work load for each semester is four courses, and the student is responsible for understanding the requirements of his own program of major study.

2. The minimum academic load for each semester for full time students is three courses. A student may take three courses only with the consent of his advisor.

3. The maximum academic load for each semester for full time students is five courses. A student may take five courses only with the consent of his advisor and the Academic Dean.

4. The maximum academic load for each semester in day study for part time students is two courses.

5. If a student carries three or more day courses, he will be considered as a full time student and must pay all charges and fulfill all responsibilities as a full time student. If he carries one or two day courses, he will be classified as a part time student, subject to all part time charges and regulations.
6. Courses may not be "split," that is, all classes in a given course must be taken by the student with the same section unless granted permission by instructor.

7. A student must not register for two courses which meet at the same time.

8. In the event that a student desires to take a course in the evening program because one of an equivalent type is not available in the day program, he may take the evening course and count it as part of his full time academic load. If this is done, the student must pay the full cost for the evening course in addition to his day program charges. He must also have an approval form signed by the appropriate department chairman.

Attendance
The college operates a "free cut" unlimited absence system of attendance with the exception of required attendance in physical education and in student teaching.

While this system offers the student the opportunity to make some independent choices about the need for class attendance, the student needs to understand that a passing grade in any course can only be given when the work for that course has been completed to the satisfaction of the instructor.

Withdrawal
In the event that a student desires to withdraw from the college, he must follow these procedures:
1. Obtain withdrawal forms from the Registrar.
2. Distribute forms to his instructors.
3. Notify the Dean of Students.
4. Notify the College Business Office.
6. Notify the Academic Dean.
7. Return the completed withdrawal forms to the Registrar.
At this time, review procedures for possible readmission at a future date including the make up of "N" and "INC" grades.

Return After Withdrawal
A student who withdraws from the college in good standing without completing his baccalaureate studies may return to the college upon request to the Registrar. To insure his return at the time desired, the student must make such a request to the Registrar before May 1 for the fall semester or before December 1 for the spring semester. Requests received later than these dates may result in a semester's delay in the return of the student to the college.

Eligibility
Any full time undergraduate student who meets the normal academic regulations of the college is eligible to participate in inter-collegiate athletic events and hold major elective offices.

Academic Probation
1. If a student fails to maintain the required cumulative Q.P.A. for his class level at the end of any semester, he is placed on probation unless his grades are so low as to require immediate suspension.

2. Students on probation are restricted as follows:
   A. Required attendance at classes
   B. Ineligible to carry more than normal academic load

Academic Suspension
If a student is on probation for two consecutive semesters, his complete record will be studied by the Committee on Scholastic Standing. Ordinarily this review will result in the suspension of the student, unless extraordinary circumstances warrant allowing the student to continue for another semester.

Readmission After Suspension
1. If a student has been suspended from the college for academic reasons, he may request readmission after the lapse of one semester. He must apply for such readmission through the Director of Admissions. The decision as to whether or not to readmit will be made by the Committee
on Scholastic Standing upon recommendation of the Director of Admission from evidence he has received from the student which provides reasonable expectations of successfully completing the degree program upon return to the college.

2. A student who is suspended twice for academic deficiencies may not again apply for readmission.

Honors

President's List
A student carrying a minimum of 4 day courses earns a place on this honor roll (published each semester) after he has earned a Q.P.A. of 3.2 or higher for each of three semesters. He must maintain this average to remain on this list.

Dean's List
A student carrying a minimum of 4 day courses earns a place on this honor roll (published each semester) for each semester in which he earns a Q.P.A. of 3.2 or higher.

Additional Eligibility Limitations
A student obtaining either an "I" grade or an extension for an "N" grade is not eligible for the Dean's List.

Graduation Honors
The baccalaureate degree is conferred:
cum laude upon a student with a final cumulative quality point average of 3.2 through 3.39
magna cum laude upon a student with a final cumulative quality point average of 3.4 to 3.69.
summa cum laude upon a student with a final cumulative quality point average of 3.7 to 4.0.

To be eligible for graduation honors, a student must have completed a minimum of 16 courses (or equivalent) at Framingham State College, and must never have incurred loss of good standing for academic or disciplinary reasons.

Adding or Dropping Courses
1. A student may drop a semester course (or change section of same) without penalty if he does so before the end of the twentieth academic day.
2. A student may drop a quarter course (or change section of same) without penalty if he does so before the end of the tenth academic day.
3. A student may add a semester course if he does so before the tenth academic day.
4. A student may add a quarter course if he does so before the fifth academic day.
5. In the event that a student adds or drops any course or changes a section of same, he must get the appropriate form from the registrar's office and return it to that office when completed.
6. If the student desires to add or drop a course or change a section, he must obtain his advisor's signature on the appropriate form (#5 above), after determining with his advisor that this change will not adversely effect his academic load requirements. In cases where questions arise, these changes must meet the approval of the academic dean. In addition, he must obtain other appropriate signatures as indicated on registrar's form.

Change of Major
If a student desires to change his major, he must follow these procedures:
1. He must obtain a change of major card from the Registrar's Office.
2. He must have an interview with the chairman of the department to which he wishes to change. Ordinarily the chairman will agree to such a change, but if circumstances warrant, the student may be denied the change or asked to delay the request for change until a later time.
3. If the change is granted, the chairman of the department will assign a new advisor for the student.
4. The student must then notify the department chairman and former advisor of the department he is leaving of this change.
5. After meeting with all faculty concerned, the student must return the Change of Major card to the Registrar. When the completed card is returned, the change is completed. Failure to return the card to the Registrar will result in the student being carried on registration rolls in the wrong major, and he cannot be allowed to register for the next semester in the new program.
6. A change of major must be completed by December 1 of any year to be effective for the spring semester, or by May 1 of any year to be effective for the fall semester.
7. Entering transfer students are obliged to comply with all of the above stated policies for a Change of Major.
8. Entering freshmen students may change their major during their initial orientation-registration period after giving notice to the department chairman of original and new major.

Examinations

1. All examinations are to be given within the structure of the Honor System (refer to the student handbook).
2. Examinations, other than the final examinations, may be scheduled at the discretion of the instructor. It is the responsibility of the student to follow whatever procedures are established and presented in writing to the students by the instructor at the start of each semester for such tests.
3. Final examinations are required in all courses excepting only those which have different requirements as determined by the departments offering the courses. Unless exceptions are approved by the department chairman and the academic dean, final examinations will be given during regularly scheduled examination periods and the student must take the examinations at that prescribed time. Students in their last academic year prior to their graduation, and Medical Technology majors in their last two semesters prior to their clinical experience, may be exempted from final examinations in courses in which their grades, one week before the last class meeting, is “B” or better, with permission of the professor.
4. In the event of a conflict in the final examination schedule of a student, the student must arrange with the faculty members involved for a mutually convenient time during the final examination period for the conflict to be resolved so that all examinations can be taken. This change of exam schedule is not considered an “absence” as described below.
5. Faculty members will send to the academic dean one copy of the final examination for each student absent (not for conflict—see #4 above) from the scheduled exam. The name of each student must be written on each examination. The academic dean will administer such examinations and will return them to the instructor when completed.
6. If a student is absent from the final examination, he will be given a grade of “N” by the instructor. The “N” grade will be changed to any other grade by the instructor if the exam is made up no later than two weeks of the final day of the final examination period. Unless an exception is approved by the academic dean, failure to make up the exam during this time will result in a grade of “E.” The student must present the academic dean with sufficient reasons to be allowed to make up this examination.

Admission into Teacher Education and Student Teaching

The National Council for Accreditation of Teacher Education (NCATE) has been authorized by the National Commission on Accrediting to adopt standards and to continue the development of policies and procedures for accreditation of institutional programs for preparing teachers. NCATE establishes standards and evaluative criteria for the accreditation of teacher education on the national level and applies these standards and criteria in deciding whether or not schools offering professional preparation of teachers meet stated
criteria in actual practice. The Professional Standards Committee fulfills the NCATE requirement that Framingham State College apply specific criteria for the retention of candidates in basic programs who possess academic competencies and personal characteristics appropriate to the requirements of teaching.*

The Professional Standards Committee uses a number of criteria, both objective and subjective, for admitting students to the teacher education programs.

The requirements of academic competence and skill in professional studies are as follows:

1. A 2.5 average required of all secondary education minors in their required and related required courses.
2. A 2.5 average required of all elementary and early childhood majors in their required courses.
3. A minimum required grade of C for the three groups in professional education courses.

In addition to academic performance, the Professional Standards Committee requires certification from the college health office that the student is free from physical defects that might interfere with teaching effectiveness. All entering freshmen and transfer students are required to submit a medical form completed by their family physician. This includes a record of a tuberculin test and/or chest x-ray. All senior students are sent a certificate during the summer preceding their senior year to be completed by their family physician regarding their present state of health. Tine tests and/or chest x-rays are required.

The general procedures are as follows:

1. Each student who is planning to teach shall, after satisfying general admission requirements of the college, be admitted to his or her respective program.
2. Students make their first formal application for student teaching through Field Study in Education which is taken during sophomore year or the second semester of freshman year. Transfer students take Field Study as early as possible in their program. This is the first of a series of developmental professional experiences which extend through student teaching.
3. Each student shall complete a formal application to continue course work previous to taking the professional education courses. This application will assist the Professional Standards Committee in evaluating the candidate's suitability to pursue a career in teaching. References may be required along with other pertinent information from college faculty and administration.
4. The Professional Standards Committee shall assist the Director of Professional Experiences in evaluating students and shall function as an appeal board for students when necessary.

This policy on admission into teacher education and student teaching shall be effective for all students entering Framingham State College in September 1972. It was approved by the Scholarship Committee of the College Council on May 31, 1972.

*The most recent standards appear in Recommended Standards for Teacher Education, January 1970, recommended to NCATE by the American Association of Colleges for Teacher Education, pursuant to the NCATE Constitution, Article VII, Section B.

Exceptions to these hours for holidays, recesses and summer sessions will be announced and posted.

Borrowing Regulations:

With the exception of Reference materials, periodicals, and reserve materials, most items may be borrowed for a two to three week period, depending upon the day on which they are charged out. Three-week loan periods will begin every Thursday, with all books charged each day through the following Wednesday being due on the Thursday three weeks from the beginning date.

All materials borrowed must be presented, with a valid ID card, at the circulation desk and be properly charged out. Good care and prompt return of all library materials are the responsibility of the individual to whom they are charged.

Overdue Books:

Because library fines tend to penalize the conscientious person who will present overdue books and "pay up," rather than the few who may attempt to "beat the system," the library has adopted a NO FINE policy.

Under this plan, students whose books are overdue will receive one reminder. If the materials are returned within the stated period, directly to the circulation desk (or through the outside book drop), no fine will be charged. Upon expiration of this grace period, however, any item not returned directly, as stated, will be considered missing and a bill for replacement will be sent to the individual to whom it is charged. The bill will include processing costs and fines accumulated from the first day overdue.

Collections:

Over 90,000 volumes are presently cataloged, with growth anticipated to a capacity of 250,000. All new books are classified by the Library of Congress (L.C.) system. Older volumes are being reclassified from the Dewey system to L.C. as time permits. Books in the older Dewey and newer L.C. collections are shelved in separate stack areas.

The Reference Collection, containing bibliographies, indexes, encyclopedias, dictionaries, handbooks, atlases, and similar non-circulating materials, is housed at the north end of the main floor. An extensive pamphlet collection, government documents and college catalogs are also located in the Reference Room.

Periodicals and newspapers currently received number about 700 titles. These are housed in separate areas according to their use and format: current and unbound issues on the main floor, and bound volumes on the lower mezzanine. A separate collection of popular magazines is located in the browsing area at the rear of the main lobby. All periodicals must be used only in these specific areas.

Microfilmed periodicals, ERIC Documents in Education on microfiche and unbound back issues may be requested in the periodical area on the main floor during posted hours. No periodical may be taken from the library.

The Curriculum Library, located on the upper mezzanine, houses a collection of text-books, curriculum guides and similar materials of particular interest to students in professional preparation courses.

Various special collections, located in the Archives and Poetry Rooms, and a small browsing collection, including paperbacks, located opposite the main entrance, supplement the library's holdings for both research and recreational reading.
Reference Service:

To assist you in making the easiest and most effective use of the library's resources, librarians will be available to work with you in the Reference Room and Periodical Area during regular hours, until 10:00 P.M., except on Friday and Saturday evenings. Professional reference help is provided also on Sundays, from 5:00 P.M. to 10:00 P.M. Please do not hesitate to ask for information relative to both your course work and personal interests.

Facilities:

A photocopier which will copy from single sheets, periodicals, or bound volumes is located in the main floor periodical area. Microfilm and microfiche readers and a reader-printer are available for reading and copying periodicals, documents and other materials in these formats.

The Student Lounge, on the lower mezzanine, has a formidable array of vending machines and affords a relaxing view second only to that from the upper-level Terraces. Food and drink may not be taken from the lounge. Smoking is permitted here, of course, and in the typing rooms (on the lowest level) but in no area where ashtrays are not specifically provided.

**HOURS and LOCATIONS**

*Monday—Thursday*
- Individual Student Rooms: 10:00 A.M. — 11:00 P.M.
- First Floor Living Rooms and Lounges: 9:00 A.M. — 12 M

*Friday—Sunday*
- Individual Student Rooms: 10:00 A.M. — 2:00 A.M.

*On long weekends Monday will be treated as Sunday*

*Excluded Areas:* Laundries, study rooms, and other house-designated areas.

**PROCEDURES:**

1. Parietal hours may be the maximum of the open hours listed above but will be decided by each residence as follows:
   a. Each residence will vote at a residence meeting.
   b. Hours within the maximum framework will be established by a 2/3 majority vote of the hall residents.
   c. Parietal program will be reviewed by each house group during the first week of each quarter; hours best suited to the resident group will be voted upon; a 2/3 majority vote of house residents is necessary to effect a change.
   d. A special residence meeting to consider change of hours may be called by the Residence Council upon receipt of a request submitted by 10% of the house residents.

2. Visitor books are provided at each house main desk; visitors will sign in and out of the visitor book.

3. Each visitor must be accompanied at all times by the host(ess) student.

4. Room doors may be open or closed.

5. Only the main door of each hall will be used.

6. **Parietal Floor Duty** sign-up sheets will be placed on the main desk of each residence by Thursday morning for parietal representative floor duty the following weekend; and by Sunday morning for parietal duty on any particular day for the ensuing week. Parietal duty representatives must be signed up for all hours of parietal duty as listed below:

   *Monday—Thursday* 8:00 P.M. — 11:00 P.M.
   *Friday—Sunday* 8:00 P.M. — 2:00 A.M.

Sign-up may be for one hour periods or longer.

If all hours are not signed for before the daily starting time for parietals then the residents may not plan on having parietals for that day. However, if at any time, a student does sign for parietal duty, completing the schedule and thus covering all remaining open hours, parietals may begin from that time. Parietals will always end at the maximum hour established by the hall in their quarterly voting. This procedure insures having a person on parietal duty at the end of parietal hours to see that all guests are out of the building at the proper time.

Parietal floor duty representatives may have a visitor.

**Parietal Floor Duty Responsibilities are:**

1. To check in with the desk receptionist (main desk) when coming on duty.
2. To be in residence hall during designated parietal duty time, and at all times be available for assistance.

3. To see that all residence regulations are obeyed.

4. To report violations to House Council.

5. To locate lost or late visitors by the end of parietal hours.

6. To assist the desk receptionist (main desk) if necessary.

7. To be able to hear the intercom at all times. Parietal Desk Receptionist duty from the time a house director or head resident goes off duty to the end of parietals will be staffed by resident students. It is this person's responsibility to clear the house of visitors and secure the main door before leaving the lounge or living room area of the building.

Responsibility for Parietals Operation
Each resident student is responsible for any visitor violation of a rule and/or regulation. Such violations will be handled by the Residence Council.

or

Any student may report infractions of house/college regulations to the parietal duty representatives. Roommates will have to consider rights of each other in using the parietal program.

6. Hours
All resident students may use their own discretion as to their time of return to the residence houses. However, for the security of students remaining in the houses, doors will be locked at 1:00 A.M., Sunday through Thursday, and at 2:00 A.M., Friday and Saturday. After closing hours, only specified central entrances may be used except in cases of fire or other emergency. Doors will be unlocked at 6:30 A.M. This is a self-directed program, therefore students should abide by the authorized closing hours.

7. Sign-In and Sign-Out
Cards are provided at designated areas in each residence hall for the use of the residents to sign-in and sign-out. The information on the card is confidential and will be used only in the case of an emergency to contact a student. Should the student not sign in or out, the College cannot accept the responsibility for his safety, well-being, or for contacting him in case of an emergency. Because of the aforementioned reasons, we urge students to sign-in and out. Should the student, however, decide not to sign-in or out, we recommend that he inform friends and roommates of his whereabouts when he leaves the residence hall. All residence students must sign-out when the residence halls close for long weekends, college vacations, and semester break, and sign-in upon their return to the residence hall.

It is expected that residence students will keep families informed of their social activities. It should also be recognized that the college will take an active interest in student social activities.

8. Long Weekends
a. Closing reasons and procedures
For reasons of security and safety it may be deemed advisable to close some of the houses on long, or extended, weekends. A sign-up sheet for the long weekend will be at the desk in each house two weeks prior to the long weekend. If sufficient students sign up in each residence, the house may remain open. Otherwise, the houses will be closed, the remaining women residents being housed in Peirce Hall; the remaining resident men will be housed in Linsley Hall.

b. Guest slips (see section 3.c.1.)
c. Desk and Telephone Duty
Students remaining on campus in either their own residence or in Peirce Hall will be expected to take desk, telephone, and similar duties on a volunteer basis.
d. Hours
Regular hours will be observed with the exception of the last night of a long weekend which will have the same hours and procedure as Sunday night.

e. Re-opening time
Residences will re-open at 2:00 P.M. on the last day of the long weekend.

9. Smoking
Smoking is allowed in residence rooms only in O'Connor, Larned and Linsley Halls. No smoking is allowed in residence rooms in Crocker, Horace Mann and Peirce Halls. Any evidence of smoking in the resident's rooms (in the latter three halls) such as filled ash trays, cigarette remains in a wastebasket, or ashes in the room will be considered sufficient reason for assuming that smoking did occur in the resident's room. Violations may be referred to the Living Unit Judicaries.

10. Fire Safety
Upon discovering a fire, no matter how small, turn the alarm immediately by breaking the glass in the fire alarm box nearest to the fire. Learn at once the location of fire alarm boxes, exits, and the designated meeting place outside the building. If you are in your room, shut the windows and door. Do not, however, attempt to return to your room from another part of the building. Get out of the building at once, using stairs. Do not use fire escapes unless stairways are blocked or otherwise cut-off. Walk rapidly to the nearest exit. Do not run. Avoid panic; get out in a calm, orderly fashion. Once out of the building, go directly to the designated meeting place and stay there until the Fire Chief gives permission to return to the building or until special instructions are given by authorized College authorities. Fire drills are held on a periodic basis in all buildings during the academic year.

11. Pets
For the safety, health and well being of all the residents NO PETS are allowed in a residence hall.

A comprehensive counseling service is available to all students on a voluntary basis.

Students may, in a confidential setting, receive assistance in the areas of vocational, emotional, and social adjustment.

Appointments may be made by contacting the Counseling Center, Whittemore Library, either by telephone or in person.

INFIRMARY

The Infirmary is located in O'Connor Hall. Any illness must be reported to the Nurse and Head Resident. Necessary doctor's appointments should be made through the College nurses.

Any student who, due to illness, is unable to return to College from home or elsewhere, should notify the House Director of his college residence.

Trays from the dining room are available only with a written request signed by a member of the nursing staff.

LOST AND FOUND

Found articles are taken to the Office of the Dean of Women where owners may claim them. From time to time the list of these articles will be posted on the Dean's bulletin
board or published in the Gatepost. If they are not claimed by a specified date, they will be disposed of at the discretion of the Dean of Women.

MAIL

Mail for resident students is delivered to each student's own residence. Commuters will receive their mail in the commuters' mailroom located in O'Connor Hall.

TELEPHONES

Pay stations for general use are situated in the cloakroom in Dwight Hall Lobby, in the lobby of O'Connor Hall, and on the first floor of Hemenway Hall. There are also pay stations in the residences. Their numbers are as follows:

COMMUNITY OFFERINGS

CULTURAL ASPECTS

Framingham offers many cultural programs: lectures on a variety of subjects, concerts, and plays. Organizations using College facilities often open their meetings to students; there are special student tickets at reduced prices for the Community Concert series presented in Framingham.

There is an array of community offerings within a radius of two miles from the FSC campus. Shopping centers are easily accessible by bus, as well as a variety of restaurants, movie theaters, motels, night clubs or function rooms. A ride down Route 9, otherwise known as the "Golden Mile," may prove to be a rewarding experience, as it holds something for every occasion.

Sudbury and other towns within a narrow radius of Framingham also have unique features of special interest to the college student.

A series of lectures during the college year is arranged by the Special Programs Committee, open to students of our own and neighboring colleges and to the residents of the town of Framingham.

RED CROSS

The Red Cross College Unit cooperates with the Framingham Chapter of the Red Cross. Through it students are able to participate as a group in Red Cross activities.
