Appointment of Nominating Committee for Officers of the Framingham State College Board of Trustees

In keeping with the By-Laws of the Framingham State College Board of Trustees, Chair Weinroth appointed Trustees Heffernan (Chair), Jacobson, and Kane, to serve on the Nominating Committee for the purpose of selecting nominees to serve as Chair and Vice Chair of the Framingham State College Board of Trustees, effective July 1, 2002 – June 30, 2003. He stated that the report of the Nominating Committee will be made at the May 23, 2002 Annual Meeting of the Board.

Chair Weinroth stated that he and President Heineman attended a meeting with State College Presidents and Trustee Board Chairs in February 2002. The meeting resulted in the formation of the Massachusetts State College Presidents and Trustees Association, with a set of By-laws drafted which will be submitted to individual Trustee Boards for approval.

Chair Weinroth appointed Trustees Weinroth (Chair), Hiatt (Vice Chair), and Vrabel, to serve on a Trustee Sub-Committee for the purpose of reviewing the By-Laws of the Massachusetts State College Presidents and Trustees Association.

Chair Weinroth stated that at the January 24, 2002 meeting of the Board, the Trustees voted that the name Recent Alumni Club Association be changed to the Framingham State College Alumni Association; and provided further that it be designated as the only Alumni Association of the College. Chair Weinroth stated that he was pleased to report that the College has been moving forward with the establishment of an active and vibrant Alumni Association to serve the best interests of the College.

PRESIDENT'S REPORT:

President Heineman reported the following:

- The College continues to develop the Campus Core Plan. Vice President Hamel joined the College President at a meeting held on March 13, 2002 with Framingham State College neighbors to review the completed traffic study and continue to strategize on how to proceed in slowing down the traffic on State Street and adding other safety measures.
- Under the leadership of Vice President Hamel and Facilities Director Hinkley, the Facilities Department will be assuming the maintenance responsibilities in the Residence Halls. This change in reporting structure was made to enhance service to students and increase efficiency and security.
- The College continues to review options concerning the potential fall-out of the Early Retirement Incentive Plan. To date, over thirty applications have been received, but applicants have until June 14, 2002 to make their final decision. The number of retirees and the indefiniteness of the applications, has made scheduling particularly challenging this year. Vice President Doyle and Registrar Powers have worked hard under these conditions to formulate a schedule which will meet the academic needs of our students. There are similar challenges at the administrative and staff level. Due to the on-going budget constraints, several key administrative positions have been left vacant, with the duties and responsibilities of these unfilled positions redistributed to other areas. The College is grateful to the many staff who have assumed responsibilities not currently in their job descriptions.
- The College continues to review every corner of its operating budget in attempt to reduce spending. Reductions in every area from newspaper and magazine subscriptions, to major cost items like the Day Care Center, and our contribution to the Danforth Museum of Art, are being reviewed.
- Given the budget constraints and the declining financial picture for the future, the College President is reviewing other re-organizational ideas which will benefit the College. The College is determined not to lower the level of excellence in education and services.
- The Framingham State College Alumni Association was re-established on February 28, 2002. The Association reviewed and adopted By-Laws, and officers were elected. Robert Richards, Esquire, graduate of the Class of 1983, was elected President. Mr. Richards graduated from the New England School of Law, and is Head of the Corporate Real Estate Group at Hanify and King in Boston. Ms. Margaret Murphy, graduate of the Class of 1969, was elected Vice President. Ms.

Murphy is founder and President of Real Estate Communications Company, and served as a Consultant with the College's Capital Campaign. In addition, the Association elected Dr. Constance B. Jordan, graduate of the Class of 1941, to serve as Alumni Trustee. Dr. Jordan received her M.P.H. degree from Harvard University in 1948 and Ph.D. degree from Cornell University in 1954. She served the College as Chair of the Home Economics Department from 1956-1972, Graduate Dean from 1972-1978, Professor of Food and Nutrition from 1978-1983, and was named Professor Emeritus upon her retirement in 1983.

- The Development Office, under the leadership of Keith McKittrick, continues to contact major donors and has been busy planning for Alumni Weekend. Since the January 24, 2002 meeting of the Board, the College has received the following contributions: \$20,000 from International Education Programs; \$10,000 from Mrs. Madlyn Fafard; \$20,000 grant from the Framingham Union Aid Association; and thanks to Dean of Graduate and Continuing Education Scott Greenberg and Director of the Institute for Academic Technology Romeo Marquis, \$15,000 was received to continue the MCAS upramp work with the Greater Framingham Community Church and its expansion to St. Stephen's Church.
- Senior Investiture was held on March 13, 2002. The ceremony was well attended by seniors, their families, and members of the College community. The program included a historical presentation of Framingham State College's history. Dr. Elaine V. Beilin, Professor of English and 1999 Distinguished Faculty Award Recipient, was the keynote speaker.

President Heineman distributed copies of the Winter 2002 edition of the ***Framingham State College Magazine***. She commended all the Athletic Teams and gave special recognition to the Women's Basketball Team who advanced to the semi-finals of the MASCAC Conference playoffs, and the Men's Basketball Team who played in the finals of the MASCAC Conference tournament.

ACADEMIC AFFAIRS:

Vice President for Academic Affairs Dr. Arthur Doyle expressed his appreciation to Dr. Scott Greenberg, Dean of Graduate and Continuing Education, for his work in revamping the Undergraduate Liberal Studies Program. The Program now includes twelve General Education course requirements, as in the day program, and in other ways more closely follows the structure of traditional programs.

Vice President Doyle introduced Director of the Institute for Academic Technology Romeo Marquis who has developed the on-line courses offered through the Division of Graduate and Continuing Education.

Director Marquis explained the on-line program which now includes 37 sections with over 600 students enrolled. He stated that on-line courses require frequent log-ins, and that on-line discussions, assignments, materials, and announcements move along at a rapid rate. Since courses are capped at 20, most courses have a high level of personal engagement, and are equally rigorous as in-class courses.

He stated that once students have registered for on-line courses, they receive a detailed e-mail message including a username, password, detailed instructions on how to access the course,

and information about a free demonstration of how to take an on-line course. Additional information and technical assistance is available at www.fsc-online.org.

ENROLLMENT MANAGEMENT:

Enrollment Update

Vice President for Enrollment Management and Dean of Admissions Philip Dooher stated that the Admissions Office has reported very strong numbers for the fall 2002 semester. To date, 4,234 applications have been received, with acceptances offered to just under 2,000. Applications to date represent an 11.4% increase in comparison to the same date last year, (10.8% increase in freshman applications and 15% increase in transfer applications).

Report on Athletics

Dr. Dooher stated that the winter Athletic teams have been very successful. The Basketball Intramural Finals held during March were played before a large crowd. Women's Softball and Men's Baseball teams were scheduled to go to Florida during spring break. The cost of these trips were paid for by fundraising projects conducted by the respective teams.

Financial Aid

Dr. Dooher was pleased to note that in a report received from the Office of Student Financial Assistance of the Board of Higher Education, Framingham State College was rated in the top category for meeting the Financial Aid audit requirements.

STUDENT SERVICES:

Residence Halls Update

Dean of Student Services Cynthia Forrest stated that Residence Hall occupancy has increased. A review of the occupancy figures from the fall and spring of 1994-95 to the present indicate an increase of 33.6% for the fall semester and an increase of 33.1% for the spring semester. She stated that the fall of 2001 marked the first time that the College has reached 100% occupancy over the last eight years.

Dr. Forrest stated that renovation projects in Linsley Hall are proceeding according to schedule. Summer projects will include the replacement of windows, the installation of a new heating system, and air conditioning units for each room. In addition, the remainder of the bathrooms will be replaced, and several traditional rooms converted to suites. Summer renovations also include the addition of a sprinkler system in O'Connor Hall, and possibly Foster Hall. This project also includes the installation of new lighting in each room, and new ceilings in the hallway and lobby areas.

Dr. Forrest was pleased to report that this year the number of student organizations on campus has increased to 40 in comparison to 30 last year. She stated that the student representative to be appointed to serve on the Board of Higher Education for 2002-2003 will be selected from one of the nine State Colleges. Framingham State College has already begun notifying students of this opportunity.

FINANCIAL AND ADMINISTRATIVE SERVICES:

Residence Life and Facilities Management Restructure

Vice President for Administration and Finance Dale Hamel stated that the responsibilities of the Residence Life maintenance staff have been transferred to the Facilities Office. This change will allow the College to improve effectiveness.

Fiscal Year 2002 / 03 Budget Discussion

Dr. Hamel stated that at the January 24, 2002 meeting of the Board, it was reported that the College anticipated a further budget reduction due to continuing declining state revenues in the amount of \$160,000. The final budget reduction received was \$157,000. The aggregate reduction in state funding for the year now exceeds \$1 million. He noted that on a more positive side, the State has fully funded the faculty collective bargaining agreement. In addition, the College received \$1.5 million in general obligation bond funding for capital projects which needs to be expended by June 30, 2002. The College remains hopeful that additional grant monies for E-Learning funds will be approved.

Dr. Hamel gave a presentation on the Incremental Budget Analysis for Fiscal Year 2002 / 03, based upon the materials sent to the Trustees. He stated that the Budget Analysis illustrates how the College can address the predicted shortfall and reduction in the budget. For the current fiscal year, the College is facing a \$1 million reduction from the State, with the reduction expected to be further impacted by the Early Retirement Incentive Program. The College has reviewed the thirty-nine applications submitted under the Early Retirement Incentive Program and estimates filling approximately twenty-one of the thirty-nine positions. Out of the eighteen positions left unfilled, five positions will be backfilled in another manner, leaving thirteen positions truly unfilled. Dr. Hamel stated that the College continues to make every effort to reduce costs.

Chair Weinroth appointed Trustees Weinroth (Chair), Hiatt (Vice Chair), and Smith, to serve on a Trustee Sub-Committee for the purpose of reviewing the budget. He stated that the Sub-Committee will report back with recommendations at the next Board Meeting scheduled on May 23, 2002.

In an effort to enhance development and fundraising, Chair Weinroth appointed Trustees Heffernan and Smith to serve on a Trustee Development Committee for the purpose of assisting College President Helen Heineman with development efforts.

PERSONNEL ACTIONS:

Trustee Foley expressed concern with the Personnel Action regarding the effective date of the Vice President of Administration and Finance's retirement.

There being no further discussion,
